NOTE: Our previous biographical records were lost in the tragic fire that destroyed the office building of the Lutheran Publishing House, Blair, Nebr., Febr. 15, 1953, where the synodical historian also had his office. This accounts for the detailed questionnaire now. In the case of deceased members of our clergy we are largely dependent upon living members of their family for correct data. Be assured all cooperation in gathering this historically important data will be highly appreciated. Please fill in what you can, perhaps with the assistance of others acquainted with subject. Furthermore, if you have clippings or other material about the person concerned, especially a photo or picture of him, and we may either have it or borrow it, please send it along. All our collection of cuts was also ruined in the fire. If you can refer us to any person, book or paper that can inform us further, we shall be very much obliged to you.
