On Steensen

Eben-Ezer 5/16/56

Dear Pastor Jensen, Pastor Steensen has served Bethany Lutheran Church at Denver since Rev. Andersen left. And I presume he will continue there till they find a new pastor. He lives at the parsonage, address 215 W. 5. Avenue, Denver 4, Colo. According to himself he plans to return to Denmark, but did not say when. We do not see much of him either, so I imagine they keep him busy up there. He was not employed during his stay here, except during vacation time last summer.

Spring is here with all the lilacs out, first time in four years, usually the frost takes them. Rev. and Mrs. Krogh are visiting here on their way to a son who was under surgery at Sterling Hosp.

Venlig hilsen

Michael D. Bagger
