Hvad Solskin er for det sorte Muld,
Er sand Oplysning for Muldets Frænde,
Langt mere værd end det røde Guld,
Det er sin Gud og sig selv at kende.

(Grundtvig.)

Flyv ud, flyv ud, min Ungdomsdrøm!
Og voks dig stærk og stor.
Driv ikke med den brede Strøm,
Men did, hvor Tanken bor.

Derfor kun fremad i Jesu Navn,
Saa gaar det og hjemad tillige
Da er hver Glæde og hvert et Savn
Et Trin paa vor Himmelstige.

GENERAL STATEMENT.

Dana College and Trinity Theological Seminary is owned and supported by the United Danish Evangelical Lutheran Church in America. It is a denominational institution and as such aims to serve, primarily, the interests of the Lutheran Church, but its doors are open to all who desire a liberal education based upon the Christian spirit. Its original scope was that of a school for the education of ministers of the gospel.

But at the third annual convention of the United Danish Evangelical Lutheran Church in America, held at Hutchinson, Minn., in 1899, it was decided to unite the two official schools of the church, the College at Elk Horn, Ia., and Trinity Seminary at Blair, Nebr., thus making the aim of this school not only to prepare young men for the ministry, but also directly or indirectly to train young men and women for other professions and occupations.

Its courses of instruction are according to approved models, and qualitatively the instruction aims to be in the front rank. The English language is used as a medium of instruction, except in Danish language, history, and literature and most of the theological branches, nevertheless Danish naturally occupies a prominent position in the curriculum of Dana College and Trinity Theological Seminary.

The location leaves little to be desired in accessibility, healthfulness, and beauty of surroundings.

It is the object of those in charge to throw about the students all forces that favor a healthy and harmonious physical, mental and moral development.

Dets Kursus er treaarigt i den Hensigt at give saadanne unge Mænd, som af Hjertet bekender sig til den lutherske Kirke og har tilegnet sig tilstrækkelig Foruddannelse, en saa grundig og omfattende teologisk Uddannelse, at de med Forstand og Velsignelse kan beklæde Lære- og Prædi-

keembedet i den lutherske Kirke i Amerika. Undervisningen gives dels paa Dansk, dels paa Engelsk og tilstræber at sætte Studenterne i Stand til at forkynde Evangeliet paa begge de nævnte Sprog, fordi disse Sprog tales og bruges i det Land og paa den Missionsmark, hvor de skal arbejde.

HØJSKOLEN.

Religion. Det er Skolens Formaal at øve en kristelig Indflydelse paa de unge, der samles her. Derfor ledes hele Undervisningen i en kristelig Aand, og det er vort Haab, at mange unge maa faa aandelig Velsignelse under deres Ophold her.

Da det er en Kendsgerning, at den dansk-amerikanske Ungdoms kristelige Undervisning er meget mangelfuld, vil Skolen gerne raade Bod herpaa ved at give saa megen Undervisning i Bibelkundskab og kristelig Lære som mulig for de Elever, som maatte føle Lyst og Trang dertil.

Dansk Sprog. Blandt de Kundskabsfag, som Højskolen arbejder med, indtager det danske Sprog den fornemste Plads. Vi anser det for at være af største Betydning, at Ungdommen bliver i Stand til at behandle Modersmaalet med Færdighed, og at Lysten vækkes hos dem til at faa Del i den Skat som den danske Litteratur har i Eje.

Øg skal vi beholde Ungdommen i vor danske Kirke, maa den i større Maal end hidtil sættes i Stand til at modtage aandelig Paavirkning paa Modersmaalet. Thi det er en Erfaring, man meget ofte gør, at ligesom de allerfleste, der indvandrer hertil, kun naar til at bruge det engelske Sprog i meget ringe Udstrækning, saaledes lærer deres Børn kun meget ufuldkomment Faders og Moders Sprog at kende. Her har Højskolen en vigtig Opgave.

Engelsk Sprog. Næst efter Dansk anses det engelske Sprog for det vigtigste for Højskoleeleven. Der undervises paa det grundigste i engelsk Læsning, Stavning og Grammatik. Disse Fag er absolut nødvendige for en fuldstændig Forstaaelse af Sproget. Foruden disse Fag arbejdes der med engelsk Stil for at indøve Eleverne i Sprogbrugen og Retskrivning. Saadan, som nylig er kommen til Landet, vil her kunne lære det engelske Sprog. Undervisningen ledes af Lærere, der har mange Aars Erfaring i at lære Begyndere at tale, læse og skrive det engelske Sprog.

Historie og Litteratur. Da vi anser det for et værdi-

fuldt Led i Menneskets Udvikling at have Forstaaelse af Historie og Litteratur, betragter vi Arbejdet hermed som Højskolens fjerde Hovedopgave. Særlig lægger vi Vægt paa at føre de unge ind i Danmarks og Amerikas Historie og Litteratur.

Bibelklasser vil altid forefindes for saadanne, der har Lyst og Tid til at deltage.

MORAL TRAINING IN THE SCHOOL.

As this is a Christian school, every effort is made to care for the moral and spiritual welfare by a thoroughly Christian management. A pleasing unanimity of action pervades the entire atmosphere, and Christian love and obedience do for the school what severe rules never accomplish.

PUBLIC WORSHIP.

Chapel services, which all students are required to attend, are held each school day morning.

CHURCH AND RELIGIOUS SOCIETIES.

As this is a Lutheran school, all students are expected to attend regularly the local church of the United Danish Evangelical Lutheran Church, provided no other preference is stated to the president.

COLLEGE SOCIETIES.

There are several regularly chartered literary and religious societies in the school. These are all in flourishing condition, and in their way do much towards making college life pleasant and profitable.

THE DANA COLLEGE HESPERIAN.

is exclusively English. Its bi-weekly programs comprise music, debates, and literary exercises. Special programs are rendered from time to time.

DANNEBROG

as indicated by the name, is a Danish society. Its aim is to cultivate a taste for Danish Literature and songs. Like its sister society, "Dannebrog" gives bi-weekly programs comprising song, literary work, and debate.

STUDENTERFORENINGEN

is a religious society. It holds weekly devotional meetings to which all students are cordially invited.

TRIN. SEM. HEDNINGEMISSIONSFORENING

is a society, organized with a view to furthering the foreign missions of our church.

PRIZES

Two first and second prizes are offered to the students presenting the best essays in English and Danish on subjects assigned by the faculty. Any regularly matriculated student may enter.

THE ATHLETIC ASSOCIATION

The Dana College Athletic Association has been chartered by the Faculty to play tennis, base ball, hoop ball, basket ball, and such other games as shall prove of benefit to the members of the association.

ENDOWMENTS AND BEQUESTS.

The school authorities cannot but rejoice in the progress of the school during the seventeen years of existence as Dana College and Trinity Seminary.

Good work has been done in every line, and friends of the school are beginning to look forward to a time when a grateful people and church will appreciate more fully the work their school is doing for them, and more liberally lend encouragement and aid.

The following is a form of bequest which may be used by persons desiring to leave property or money to the College:

I give, devise, and bequeath to the Board of Trustees of Dana College and Trinity Seminary, an institution of learning established by the United Danish Evang. Luth. Church in America, and located at Blair, Washington County, Nebraska, the sum of Dollars, (or if real estate, give description of the property) for the general uses of said college.

All funds for the institution should be sent to the president.

TO PROSPECTIVE STUDENTS

and particularly to our Danish youth in America are the following words addressed:

It is in your interest to attend the institution that can do you most good, that is best able to aid countrymen in overcoming the perplexities so often handicapping young foreigners in this country, that fits them for the highest success in life, and does all in its power to attain same.

We believe Dana College and Trinity Theological Seminary is that institution. Those in charge of the school are devoting their life to the culture of the Danish people in America, and will leave nothing undone to have this school retain its reputation as the leading Danish school in America.
