GENERAL STATEMENT.

Dana College and Trinity Theological Seminary is owned and supported by the United Danish Evangelical Lutheran Church in America. It is a denominational Institution and as such aims to serve, primarily, the interests of the Lutheran Church, but its doors are open to all who desire a liberal education based upon the Christian spirit. Its original scope was that of a school for the education of ministers of the gospel.

But at the third annual convention of the United Danish Evangelical Lutheran Church of America, held at Hutchinson, Minn., in 1899, it was decided to unite the two official schools of the church, the College at Elk Horn, Ia., and Trinity Seminary at Blair, Nebr., thus making the aim of this school not only to prepare young men for the ministry, but also directly or indirectly to train young men and women for other professions and occupations.

Its courses of instruction are according to approved models, and the instruction is of the first rank. The English language is used as a medium of instruction except in Danish language, history, and literature and some of the theological branches.

The location leaves little to be desired in accessibility, healthfulness, and beauty of surroundings.

It is the object of those in charge to throw about the students such forces as favor a healthy and harmonious physical, mental and moral development.

COMMERCIAL DEPARTMENT.

College Course.

It has long been recognized by the commercial world, that a mere knowledge of Bookkeeping, Shorthand, and Typewriting is not sufficient to enable the bookkeeper or stenographer to avail himself of the opportunities of advancement that come to him in the regular course of his work. For this reason a high school education is required for entrance with a view to graduation from the Department.

Students without a high school education may pursue a course in bookkeeping but are not entitled to graduation.

It will be noted that the courses are so arranged that the stenographer will have a sufficient knowledge of the principles of bookkeeping to enable him to keep any records that may be required of him as such; and that typewriting is required of the bookkeeper, which is very essential, especially in offices where a stenographer is not employed.

A charge of \$1.00 per month is made for typewriting to cover repairs.

To the expenses should be added the cost of student's board, laundry, books, stationery, etc.

Board charges will be determined by cost of commodities but probably \$4.00 to \$4.25 per week.

RATES ON TRANSPORTATION.

Students living more than 200 miles from Blair, and who shall stay at least two consecutive terms, will be entitled to a rebate of one half the distance over and above 200 miles, coming to the school. Such rebate not to exceed ten dollars. Take receipt from station agent, stating distance and amount paid.

FEEES.

A matriculation fee of \$1.00 shall be paid by each student when he enters school for the first time.

An indemnity fee of \$1.00 is required of each student. This is held as security to insure prompt payment of damage which may have been done to room, furniture, etc. This money, or what is left, after deducting damages is returned to the depositor upon leaving school.

AND TRINITY SEMINARY

Chemistry and Physics to guarantee payment of breakage.

Laboratory fees are paid as follows: Zoology, Physics, Botany, General Chemistry, at the rate of \$1.00 per semester. For the qualitative or quantitative, \$2.50 per semester.

For typewriters a charge of one dollar per month will be made.

ENDOWMENTS AND BEQUESTS.

The school authorities cannot but rejoice in the progress of the school during the nineteen years of existence as Dana College and Trinity Seminary.

Good work has been done in every line, and friends of the school are beginning to look forward to a time when a grateful people and church will appreciate more fully the work their school is doing for them, and more liberally lead encouragement and aid.

The following is a form of bequest which may be used by persons desiring to leave property or money to the College.

I give, devise, and bequeath to the Board of Trustees of Dana College and Trinity Seminary, an institution of learning established by the United Danish Evangelical Lutheran Church in America, and located at Blair, Washington County, Nebraska, the sum of..... Dollars, (or if real estate, give description of the property) for the general uses of said college. All funds for the institution should be sent to the president.

TO PROSPECTIVE STUDENTS

and particularly to our Danish youth in America are the following words addressed:

It is to your interest to attend the institution that can do you most good, that is best able to aid countrymen in overcoming the perplexities so often handicapping young foreigners in this country, that fits them for the highest success in life, and does all in its power to attain the same.

DANA COLLEGE

We believe Dana College and Trinity Theological Seminary is that institution. Those in charge of the school are devoting their life to the culture of the Danish people in America, and will leave nothing undone to have this school retain its reputation as the leading Danish school in America.

GENERAL HINTS.

The school year begins Sept. 21, and is divided into three terms. A Fall term of nine weeks, a Winter term of eighteen weeks, and a Spring term of nine weeks.

If you should wish information not given in this catalogue, address the President, and he will cheerfully advise you on any point of mutual interest.

While the faculty urges the importance and advantage of students entering the school at the beginning of the school year or at the opening of a new term, yet admission may be had at any time to such classes as will meet their personal needs.

Students not making above 70 in three fifths of their regular class work will be automatically dropped from their classes and will not be reinstated except under such conditions as the Advisory Council of the faculty may require.

CATALOGUES

will be sent free on application to the President or Registrar, Dana College, Blair, Nebr.
