dress, table and chairs. Comforters and other bed clothing must be furnished by the students. Those desiring to room alone will be charged extra for heat and light.

The Boarding Hall is conducted by the school for the purpose of meeting the requirements of the students in the best manner. The board is wholesome and abundant. The teachers residing in the school eat from the same tables with the students.

The Library. During the year, the library has been enlarged by the addition of a number of reference works in the departments of Literature, Theology, History, Economics and the Sciences.

Connected with the library is a reading room. In it the leading publications in the English and the Danish language are found, as well as many local papers.

Contributions to the library are earnestly solicited. They should be sent to the librarian of Dana College and Trinity Seminary.

The laboratory is equipped with the apparatus necessary for class experiments and the individual work of the student.

MORAL TRAINING IN THE SCHOOL.

As this is a Christian school, every effort is made to care for the moral and spiritual welfare by a thoroughly Christian management. A pleasing unanimity of action pervades the entire atmosphere, and Christian love and obedience do for the school what severe rules never accomplish.

PUBLIC WORSHIP.

Chapel services, which all students are required to attend, are held each school day morning.

AND TRINITY SEMINARY

CHURCH AND RELIGIOUS SOCIETIES.

As this is a Lutheran school, all students are expected to attend regularly the local church of the United Danish Evangelical Lutheran Church, provided no other preference is stated to the President.

FEEES.

A matriculation fee of \$1.00 shall be paid by each student when he enters school for the first time.

DANA COLLEGE

Laboratory fees are paid as follows: Zoology, Physics, Botany, General Chemistry, at the rate of \$3.00 per semester. For the qualitative or quantitative, \$4.00 per semester.

ENDOWMENTS AND BEQUESTS.

The school authorities cannot but rejoice in the progress of the school during the twenty-three years of existence as Dana College and Trinity Seminary.

Good work has been done in every line, and friends of the school are looking forward to the time when a grateful people and Church will appreciate more fully the work their school is doing for them and more liberally lend encouragement and aid.

The following is a form of bequest which may be used by persons desiring to leave property or money to the College.

I give, devise, and bequeath to the Board of Trustees of Dana College and Trinity Seminary, an institution of learning established by the United Danish Evangelical Lutheran Church in America, and located at Blair, Washington County, Nebraska, the sum ofdollars, (or if real estate, give description of the property), for the general uses of said College. All funds for the institution should be sent to the president.

TO PROSPECTIVE STUDENTS

and particularly to our Danish Youth in America are the following words addressed:

It is to your interest to attend the institution that can do you most good, that is best able to aid countrymen in overcoming the perplexities so often handicapping young foreigners in this country, that fits them for the highest success in life, and does all in its power to attain the same.

We believe Dana College and Trinity Theological Sem-

AND TRINITY SEMINARY

inary is that institution. Those in charge of the school are devoting their life to the culture of the Danish people in America, and will leave nothing undone to have this school retain its reputation as the leading Danish school in America.

GENERAL HINTS.

The school year begins Sept. 25, and is divided into three terms. A fall term of nine weeks, a winter term of eighteen weeks and a spring term of nine weeks.

If you should wish information not given in this catalogue, address the President, and he will cheerfully advise you on any point of mutual interest.

While the faculty urges the importance and advantage of students entering the school at the beginning of the school year or at the opening of a new term, yet admission may be had at any time to such classes as will meet their personal needs.

Students not making above 70 in three-fifths of their regular classwork will be automatically dropped from their classes and will not be re-instated except under such conditions as the Advisory Council of the Faculty may require.
