BLAIR, NEBRASKA

DECEMBER, 1951

The
ALUMNI

QUARTERLY

Vol. VI, No. 3

VII

HAPPY

NEW

YEAR

ABOUT THIS ISSUE

This issue comprises the complete alumni mailing list, corrected as of December 10. One purpose for publishing this is to give opportunity to everyone to see who is included. Another is to obtain corrections, additions, and deletions of names and addresses. If you notice an error, and/or if you know of names that should be included but are not, please notify the alumni office. A significant amount of money is wasted due to incorrect addresses. Our mailing permit specifies that we will pay return postage on undeliverable copies of the "Quarterly," and through this method we do receive a substantial number of changes of address, but there are many cases in which the reverse is true.

The back cover consists of two post cards which we ask you to complete and return. One requests personal information to be used in instituting a chronological file of all alumni, and also to complete records pertaining to alumnae now married. The other card requests names and addresses of prospective students. Our program of recruitment is being intensified over last year's, and again we are enlisting your aid.

The next issue of the "Quarterly" will contain, in addition to the items of news on the "hill" and "On Destiny's Deep Sea," a report of the results of this issue.

And now from the president, Arnold Nielsen, the vice-president, Paul Simon, the treasurer, Florence Hansen, and the secretary, Homer Nielsen, a very happy, prosperous, and wonderful New Year.
