Dana College, Blair, Nebraska

September, 1967

## Homecoming Oct. 13-15 Theme is Tivoli II

Homecomers this year will see the Dana campus changed into a small version of the famed Tivoli Gardens in Copenhagen. Music, food, games and entertainment will be featured during the weekend.

On Friday evening the coronation of the 1967 Homecoming Queen will take place in the main pavilion of Tivoli II.

On Saturday morning, all alumni golfers are invited to enter the Alumni - Student - Faculty Handicap Golf Tournament. Tee off will be at 8:30 at the Blair Country Club. Trophies will be presented to the winner of the Alumni-Faculty flight and the winner of the student flight. Greens fee is \$2.00.

The Alumni Luncheon will be held on campus this year. The luncheon menu is rolled rib roast, baked potato, green beans with mushrooms and cole slaw. It will be catered by the Blair Marina. If you plan to play golf in the morning or attend the football game in the afternoon, wear your casual dress to the luncheon. It is informal.

Following the football game, a special coffee hour is planned for the reunion classes of '62, '57, '42 and '32.

At the Homecoming Worship Service special emphasis will be placed on the 450th anniversary of the Reformation. Dr. William Hordern, President of Lutheran Theological Seminary at Saskatoon, Saskatchewan, will be the guest speaker. He is one of the top religious leaders in North America. Among other accomplishments, Dr. Hordern has written several books and articles for about 50 journals. He is currently editor of a series of books entitled *New Directions in Theology Today*.

The word LIFE is getting a lot of attention these days. As we prepare to observe the 450th Anniversary of the Reformation, our theme is LIFE, NEW LIFE.

In our American Lutheran Church, that word LIFE will be underlined for the next three years. In this case, it stands for Lutheran Ingathering For Education. This is of special interest to us as alumni of Dana College.

The objectives of LIFE are four-fold. Review them with me.

1. To strengthen the church's sense of unity through the first church-wide challenge—except for the annual benevolence program—it has faced since its formation in 1961.
2. To awaken the members of the ALC to a strong sense of appreciation for and responsibility to the church's educational institutions and ministry.
3. To create among the members of the academic communities of the ALC a deeper sense of concern for and responsibility to the church of which they are an educational arm.
4. To provide financial resources of more than \$20,000,000 to place on each campus a new, major teaching facility and strengthen the campus ministry as a tangible evidence of the strong relationship between the church and school.

Objectives 2, 3 and 4 are of special concern to alumni. If the 4,000 alumni of Dana College support this program wholeheartedly and give enthusiastic leadership in their local congregations, Dana could well realize from \$1.5 to \$2 million.

Wherever you are, do what you can to give Life, New Life to our Colleges and the Campus Ministry through LIFE.

## THE DANA PLATE

Because the name of Dana College has always been closely associated with the finest traditions of Denmark, arrangements have been completed with Bing & Grondahl of Copenhagen to produce a special Dana plate. Patterned after the famous Christmas Plate, the Dana Plate is executed in traditional blue and white featuring an etching of Old Main. In order to make the Dana Plate a true collector's item, it is being produced in a limited quantity of five hundred.

This exclusive item is scheduled for delivery on November 1, 1967 and orders are now being accepted at a cost of \$20.00 each plus \$1.00 for postage, handling and insurance. (Nebraska residents add 2½% sales tax or 50c per plate.)
