## REGENTS ELECT ALUM TO BOARD

The Dana Board of Regents took a progressive step forward during their annual Fall meeting on campus just prior to the Homecoming weekend. They elected Miss Margaret Haszard, a 1969 Dana graduate, as the newest member of the Board.

Margaret Haszard

Miss Haszard, currently associated with the Arthur Andersen Company of Omaha, was active in the affairs of the Student Government and served as the editor of HERMES during her years at Dana. With her election, the Board hopes to benefit from the ideas and concerns of the "now generation."

The Regents authorized the Executive and Building Committees of the Board to select an architect for the purpose of submitting preliminary plans for a Fine Arts-Auditorium complex. When selected, the architect will be asked to make recommendations on site, design, parking and related matters. Hopefully, this information will be presented to the next meeting of the Board in March.

In commenting on this action President Madsen stated, "While we are all keenly aware of the urgent need for the proposed Fine Arts complex, it should be clearly understood that at present there are no funds available for the project. And, while it is important to begin planning at this point, it is impossible to speculate as to when it will actually be built."

Turn to Page 8

Again this year Mrs. Madsen and I count it a privilege to express to each DANA REVIEW reader our prayerful good wishes for a blessed Christmas and New Year.

This year's holy season brings us to the close of the Decade of the Sixties, surely one of the most change-filled decades in the history of humankind. Our 1969 Homecoming marked the close of what we have called a "Decade of Dedication," a period of gratifying progress in facilities, enrollment, and the quality and outreach of Dana's mission as a church-related liberal arts college.

As we look back gratefully at signs of progress we are also humbly, painfully aware of the many areas of life in which there has been pitifully little progress; we see clouds that loom even more darkly than they did a decade ago: poverty and pollution, waste and immorality, bitterness, anarchy and hatred between people and between nations.

Christmas with its message, "Immanuel, God is with us," and New Year with its open door to new opportunities to be useful, can remind us of a truth a man voiced amid dark days a few decades ago. "In the midst of all this chaos and confusion something eternal is getting done. To be a part of getting that "something eternal" done in our own day and place is still Dana's great mission and the personal task of each one of us who believes Christmas has a meaning. May God bless each one of you as you do your thing in this eternal task.

# HOMECOMING AND DEDICATIONS A

The "Viking Revue—Broadway Style" was staged on Friday and Saturday evenings and featured performances by students, faculty and alumni. Lee Norgaard (left), a sophomore from Omaha, produced and emceed the show. He is pictured with a portion of the cast in the show's finale, "Homecoming Blues."

Miss Sandra Grevlos (center), a senior from Sioux Falls, South Dakota, was crowned Queen of the 1969 Homecoming weekend during ceremonies on Saturday evening. Princesses to the 1969 Court were (left to right, standing) Karen Bansen, junior from Dayton, Oregon; Jean Brehm, junior from Talmage, Nebraska; Rikki Forney, senior from Omaha, Nebraska, and Diane Schmidt, junior from Elkhorn, Nebraska.

One of the favorite numbers in the "Revue" was entitled, "I've Grown Accustomed to Her Face" in which Mrs. Alice Laaker, housemother at Mickelsen Hall, was featured. Special words to well-known songs from Broadway were written especially for the program.

Eight campus organizations participated in the annual Homecoming Outdoor Displays competition. Two of the winners were the Freshman Class (left) and Kappa Theta Phi Sorority, (right).

More than 150 alumni and faculty members gathered at the Fiesta Grande Restaurant in Blair for the annual Alumni Luncheon on Saturday noon. President Madsen delivered a greeting to the audience and Mr. Carter Reynolds, Director of Development, introduced the 1970 Alumni Appeal Campaign which is again aimed at books for the new Library.

A large crowd of alumni, Blair area residents and other friends of the College, were on hand for the Dedication of Blair Hall and the C. A. Dana-LIFE Library on Sunday afternoon. Both buildings were open for public inspection following the brief ceremonies.

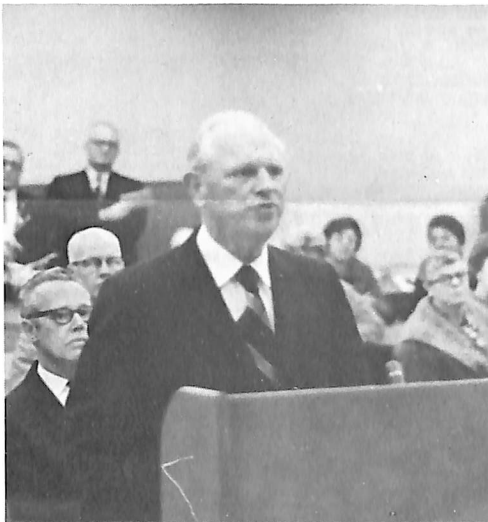

# PHOTOGRAPHIC REPORT AND REVIEW

The forces behind the 1929 Choir reunion were Mr. Orville Nielsen (left) and Prof. Madsen. During the course of the Friday evening program, President Madsen saluted the members of the reunion group and presented Prof. Nielsen with a plaque expressing gratitude for his years of service to Dana and his Church.

Ten members of the 1929 Denmark Touring Choir, including the Director, "Prof." Waldo B. Nielsen, gathered for their 40th anniversary reunion during the weekend. Present were (left to right, standing) Orville Nielsen of Aurora, Nebraska; Clem Vig of Blair, Nebraska; James Hansen of Blair, Nebraska; Clarence Hendrickson of Arlington Heights, Illinois, and Fred Kolterman of Wahoo, Nebraska. (Seated, left to right) Mrs. Martha Leslie of Oakland, California; Mrs. Ida Hansen Graham of Eaton, Colorado; Prof. Nielsen of Eugene, Oregon; Mrs. Lillie Rasmussen of Eugene, Oregon, and Mrs. Esther Madsen of Blair, Nebraska.

Dr. Henry Littlefield, President of the University of Bridgeport, Conn., and Vice-President of the C. A. Dana Foundation, represented Dr. Dana at the dedication of the new Library. Dr. Littlefield, who also participated in the dedication of the Dana Science Hall in 1962, addressed a group of some seventy guests at a dinner on Sunday evening marking the successful close of Dana's "Decade of Dedication."

During the Dedication program, President Madsen presented "Master Builder Awards" to Mr. Lorraine Hemmenway and Mr. Phil Mogg, construction supervisors for the Korshoj Company. The two men have been associated with every major building project on the campus since 1959 and this special award was created as an expression of the College's gratitude for their excellent work. President Madsen is pictured with Mr. Hemmenway.

During the course of the Dedication ceremonies on Sunday afternoon, Mr. Simon Korshoj, President of Korshoj Construction Company of Blair, presented ceremonial keys to the new Library to Mr. Ron Johnson, head librarian. The Korshoj firm has built all of the buildings at Dana since 1948.

The Vikings, who began a Homecoming-game winning streak last year, repeated that effort by defeating Sioux Falls College, 24-20, for a capacity crowd of students and alumni on Saturday afternoon.

An estimated crowd of three hundred persons participated in the Dedication programs and toured the new facilities on Sunday afternoon.

# 1969 REPORT TO THE ALUMNI

From  
**CARTER REYNOLDS**  
*Director of Development*

Homecoming, early involvements of students in Alumni Relations, Council membership and the Annual Alumni Appeal have been highlight topics discussed by the Alumni Advisory Council since Fall, 1968. Following is a brief summary on each subject.

**Homecoming Arrangements.** An alumni-student committee has been suggested for better coordination between groups.

**Student Involvement.** The objective is to start at the sophomore year to make students more aware of their roles as alumni. An alumni-student committee would be a step in that direction.

**Alumni Advisory Council Membership.** As much as possible, the Council is composed of a cross-section of graduating classes and interests.

Present membership includes: Robert Berthelsen, '42, president; Karen Capel, '60, vice president; Ann George, '54, secretary; Ray Weckmuller, '52, treasurer; Bud Robinson, '50; Roger Petersen, '61; Dick Boe, '40; John Hansen, '51; Sarah Penick, faculty representative; Ken Anderson, '63; Florence Hansen, '48; Kristi Planck, '66.

**Annual Alumni Appeal.** For the second year, alumni funds were designated for additional library volumes, as they will be for the current and final year.

As of October 1, 1969, the library had 62,225 books; 7,134 were added during the 1968-69 fiscal year and 880 were added between June 1 and October 1, 1969.

Alumni funds, of course, were vital in making these additions possible. 250 alumni listed on this report contributed \$4,495.00 between October 1, 1968 to November 1, 1969. As in past years, the Federal government made a matching book grant of \$5,000.00 for a total of \$9,495.00.

It should be noted that the American Library Association minimum standards for our current enrollment of 926 call for 85,000 books. With this in mind, the Alumni Advisory Council has designated that for a third and final year, Annual Appeal Funds be used in a vigorous attempt to meet ALA minimum standards. Only 5.4% of approximately 4,000 alumni participated in the Annual Appeal for 1968-69. It is hoped a much better showing will be made in this current year.

**Total Alumni Giving** in 1968-69 for all purposes was \$57,330, up 49% from the previous year. Much of the increase was due to several large gifts.

Of approximately 4,000 alumni, 693 or 17.4% provided gifts for all purposes, including the Annual Alumni Appeal. Gifts of 200 married alumni were divided and recorded separately.

Total gifts to Dana College in 1968-69 from all sources (less government grants) amounted to \$464,516. Of this total, the alumni classification was responsible for 12.4%. This figure compares with a 15.7% median for the alumni portion of total gifts to 372 private coeducational colleges in 1968-69. The comparison was made possible by a study released in August, 1969, by the American Alumni Council and the Council for Financial Aid to Education.

# Denmark Corner Opens In Campus Bookstore

To most of our alums, the initials "DC" stand for Dana College. Recently, however, the initials took on a new meaning with the creation of a special area in the College Bookstore known as the "Denmark Corner."

Mrs. Marjorie Svendgaard, manager of the Bookstore, decided that they should feature something special for our students, campus visitors and the general public. Because of our Danish background, she chose to stock a line of Danish import items and, as a result, the "Denmark Corner" was born.

The "Denmark Corner" features a wide variety of gift items ranging from wooden shoes to hand-knit sweaters as well as specialty items in wood, bronze, brass and pewter. Especially for the Christmas season, the "Corner" carries a selection of tree ornaments in straw and paper, mobiles, wall-hangings, gift wrapping and greeting cards. A limited selection of Danish jewelry is also available.

According to Mrs. Svendgaard, initial reaction to the new addition has been gratifying and she hopes to continue and expand its offerings.

The "Denmark Corner" is located in the Campus Center Bookstore and is open to the public from 10:30 a.m. until 3:30 p.m., Monday through Friday.
