THE MESSENGER FROM DANA

Volume XXIX

Dana College, Blair, Nebraska, Friday, October 24, 1947

Number 3

Dramatics Club Presents Skits Tonight in Gym

The Homecoming weekend will officially open this evening as the Dana Dramatics Club presents a series of skits depicting life on the campus at Dana. The program is scheduled to begin at 7:30 P.M. with Paul Johnson acting as the master of ceremonies.

The Dramatics Club has promised to present a program which will be entertaining for both alumni and students who have at some time walked the corridors of "Old Main" as students. Early in the program two "conscientious" students from the girls' dormitory will demonstrate how to study for tests on a Saturday night. Another skit will pantomime those traditional Sunday afternoon hikes of the Dana students.

A lecture will also be given later in the evening on "How to Catch a Woman," by Paul Simon. Several other humorous numbers have been planned for this evening's opening program.

Immediately following the skits by the Dramatics Club, a pep rally and snake-dance will be held outside as a prelude to tomorrow afternoon's game with McCook.

L. S. A. A. Sponsors Film, "Youth for The Kingdom"

The film "Youth for the Kingdom" was shown at First Lutheran church Sunday evening, October 12th, and was sponsored by the local L.S.A.A.

"Youth For The Kingdom" was filmed in Hollywood with professional actors and financed by the Lutheran Laymen's League of the Missouri Synod.

The great need for the spiritual guidance of young people was clearly presented. This guidance was depicted as an essentiality of parents who are interested in the activities and welfare of their children.

The climax of the film illustrated the opportunity for young Christians to bring Christ to less fortunate young people through the facilities of a Lutheran Youth Center.

Rev. Alfred Thomsen Speaks on Sudan

Missionary Alfred Thomsen addressed the Dana L. S. A. A. meeting of October 8th. Missionary Thomsen, U. E. L. C. representative to the Sudan Mission, is on leave at this time.

His message consists of a description of the work that is being carried on at the mission. He stressed the great need for workers on the mission field and also made a strong appeal for more young people to answer the call from the missions.

"Pinkie" Reigns as Dana Queen

ROYALTY OF THE 1947 HOMECOMING
Queen Ruth "Pinkie" Solevad is pictured with attendants Marlyn Neve and Arlene Rudolph on her left and right respectively.

Arlene Rudolph and Marlyn Neve Attend Homecoming Queen

Miss Ruth Solevad, sophomore of Watsonville, California, will be crowned tomorrow afternoon as the first Homecoming Queen of Dana's traditional three day celebration.

Miss Solevad, known as "Pinkie" to her host of classmate friends, was selected for the honor as a result of two student body elections held last week. "Pinkie" and four of her sophomore classmates received the largest number of votes in the primary election and were placed on the final ballot. Miss Arlene Rudolph of Fremont, Nebraska, and Miss Marlyn Neve of Sleepy Eye, Minnesota, ranked close behind "Pinkie" in the final ballot and will serve as the Queen's attendants for this festive week-end.

The Queen and her attendants will have a prominent position in tomorrow afternoon's float parade from the college, through the city of Blair, and to the Blair High football field. The royal party will ride in a 1947 model convertible automobile. "Pinkie" will also grace the speakers' table at the Saturday evening buffet dinner in the gymnasium.

Her Majesty will be crowned immediately prior to the Dana-McCook football game at the football field. Mr. Walter Petersen will partake in the royal ceremony in crowning the Queen. Mr. Petersen is the president of the Blair Chamber of Commerce.

The selection of a Homecoming Queen is a new feature of the Homecoming celebration at Dana and it has become a part of the plans of the Homecoming committee to make this an annual feature of the weekend festival.

"Pinkie" stands five feet three inches and acquired her nickname from her possession of an attractive head of light auburn hair. She is enrolled at Dana as a liberal arts student.

600 Guests Expected At Homecoming Dinner

An estimated 600 alumni guests and students will gather in the college gymnasium tomorrow evening for the traditional Homecoming dinner and program. The buffet dinner will be served at seven p.m.

Dr. Silas Andersen, eminent Minneapolis surgeon and son of the founder of Dana, will address the guests on a topic particularly significant during this initial phase of Dana's building program. His topic will be "Your Labor is for Future Hours."

Other Dana alumni on the program are the two vocal soloists, Mrs. Archie Madsen (Lorraine Sandberg) and Eunice Petersen. Rev. Alvin Petersen, student pastor at the University of Nebraska, will bring a greeting from the Alumni Association of which he is the president. Rev. Petersen is a former student and professor at Dana.

Paul Simon, president of the Dana student body and toastmaster of the evening, will also introduce Harold Jersild who will bring a greeting from the student body. Rev. R. E. Morton will greet the student-alumni audience on behalf of the administration. Allan Nygaard, Lincoln, Nebraska, freshman, will play a trumpet solo. The traditional closing of the Homecoming Saturday evening festivity—the singing of "Hail Dana"—will be preceded by two numbers sung by all former and present members of the Dana A Capella Choir who are present.

Sharing the main responsibilities of the 1947 Homecoming were Elaine Neve, a junior from Ringsted, Iowa, and Forrest Leighton, a junior from Fal-mouth, Maine, who acted as co-

chairmen. Sub committee members were Arthur Sorensen, Niels Carlsen, Marianne Lund, Karen Hansen, Willis Johansen, Elsie Mae Jensen, and James Hansen. Paul Simon served as ex-officio member.

Quartet Highlights Sunday Program

Highlighting the musical program to be held Sunday afternoon at 3:00 p.m. will be the popular college male quartet of last school year. The quartet is composed of Niels Carlsen of Blair, Nebraska, Elmer Petersen of Racine, Wisconsin, Harold Jersild of Chicago, Illinois, and Philip Larsen of Blair, Nebraska.

"Jerry" Hatt, college sophomore, will play a piano solo, "Malagana" by Lacouone. "Jerry" is majoring in music and also gives piano lessons to the students this year. Carl Nielsen is also going to play a piano solo. He will play "Zcardes" by MacDowell. Carl, like "Jerry" is majoring in the field of music.

Paul Johnson is singing the ever popular "Oklahoma" by Jerome Kern while Arlene Rudolph has selected "Were My Song With Wings Provided" by Reynaldo Hahn as her solo number. Arlene and Paul have done a great deal of solo work since they arrived at Dana. Arlene was soloist in "Hymn of Praise", a cantata given on the campus last year.

John Christiansen, pre-seminary student and Gladys Voetmann, freshman from Ringsted, Iowa, are also scheduled to sing solos.

Cornerstone Laying Climaxes Weekend

As a climax of the homecoming weekend, the laying of the cornerstone for the new Dana administration and library building will be held Sunday, October 26, at 2:30 p. m. It will be placed in the southeast corner near the administration building entrance.

"This is the first cornerstone in 20 years, but I hope there will be a number of cornerstones in the next 10 years," said the Rev. R. E. Morton, president of Dana College, who will present the ceremonial address.

The new building with its site on College Road across from 'Old Main' is being constructed by the Korshoj Construction Company of Blair.

Paul Neve Directs Massed Choir at Reformation Service

A massed choir, composed of the Dana, Midland, and Luther College choirs and members of participating church choirs, will sing at a rally service to commemorate the Lutheran Reformation being held in the Fremont City Auditorium, Fremont, Nebraska, on Sunday, November 2, at 8:00 p. m. The choir will be under the direction of Mr. Paul Neve of Dana College.

Dr. Everett Arden, professor of Church History and Liturgics at Augustana Theological Seminary, Rock Island, Illinois, will be the speaker. Dr. Arden received his B. A. from the University of Denver, B. D. from Augustana Theological Seminary, and Ph. D. from the University of Chicago.

ACTIVITIES CALENDAR

October 24—Homecoming Activities	
Dramatics Program	7:30 p.m.
Pep Rally	8:00 p.m.
October 25—Homecoming Activities	
Floats Parade through Blair	1:30 p.m.
Football with McCook	2:30
Buffet Dinner	7:00 p.m.
October 26—Homecoming Activities	
Worship Service	10:45 a.m.
Laying of Cornerstone	2:30
Musical Program	3:00 p.m.
October 24-26 — L.S.A.A. Midwest Regional Conference at Midland College, Fremont	
October 28 — Literary Club Meeting	7:00 p.m.
Viennese Trio	8:00 p.m.

Readers of Hermes are encouraged to write letters to the editor concerning any item which has appeared in print. Letters concerning any controversial issue are also accepted.

Opinions expressed in this and other letters which appear in Hermes are not necessarily those of the editorial staff of Hermes or of the college administration.

Editor

Letters to the Editor

Dear Mr. Editor:

Recently I read a religious article in your paper which I believe is typical of the present day Christianity which many of us hold. It is probably a sad thing that our Christianity has taken on the legalistic form. Unlike the New Testament, the Old Testament is a book of do's and don'ts, and it seems that it is from the older writings that this unfortunate attitude has been gleaned.

The moralists of our day also observe the ten commandments, but unfortunately for us, we have one thing which they don't have. We have a hope of salvation, not through our good works, but through faith in the redeeming grace of our Saviour. Anything that we do which is good is only the natural result of our faith.

The law is the basis for judgment. Christ says, Judge not that ye may not be judged"; also of those who pronounce judgment Christ says, "Ye can see the mote in thy brother's eye, but the beam in thine own eye thou canst not see." Also recall how Jesus speaks of the Pharisee who thanks God that he is not like the others. Our Savior's message is of love; "Love the Lord thy God . . . Love thy neighbor as thyself." It is with this last thought in mind that I submit the following article.

—Richard Videbeck

ACCENTUATE THE POSITIVE

Recently a popular song bearing this title rose to quick renown. It's rise was not an accident. The writers of this song have put to use a little common sense—people accept positive ideas more readily and more happily than those of a negative nature.

This little tidbit of common sense cannot be confined in its application to the material world. Have you ever tried to analyze the teachings in the New Testament and of the Christian Church: "For God so loved the world that He gave his only begotten Son, that whosoever believeth on Him should not perish but have everlasting life." This verse from the third chapter of the Gospel of St. John is a very good example of the positive appeal. The wide usage of this passage will testify to its powerful appeal.

In spite of the potentialities of the positive approach, there remains a good number of Christians who persist in their attempts to terrify converts into Christianity and to admonish "wavering" Christians. They pronounce damnation on all who do not believe instead of emphasizing salvation to all who accept. The essence of their message is fear, not the intended qualities of loving kindness.

It is not to be denied that God condemns to hell all non-believers. The twentieth chapter of Exodus proclaims, ". . . I the Lord thy God, am a jealous God, visiting the iniquities of the third and fourth generation of them that hate Me, but showing mercy and kindness unto thousands of them that love me and keep my commandments." Even in this passage of admonition of the Old Testament in which God declares His wrath. He, none-the-less, concludes with a positive statement of love.

Incessantly, throughout the New Testament, God is addressed as the good and gracious Lord, a loving and kind God, a merciful and just Lord. Is it not evident that positive Christianity is the wish of the Lord? Are we not to teach, "Believe and be saved", rather than "Believe or be damned"? Let us accentuate the positive.

Smoldering Embers

It is rumored that someone is starting a "back to the land" movement. Membership requirements are: 100 acres of good corn land in central Iowa, one wife or one husband, and ten kids of indiscriminate size, age, and sex. Is that right Marne?

* * *

Then there is the fellow who ushered in the new philosophy of never doing today what you can do tomorrow. How about it, Weaver?

* * *

Fred B.: Those democrats (bugs) sure are getting busy again.

"Sic'em": Yea, they should be. The election is coming up again next year.

* * *

Roy Mumm stated the other day that his hardest course this semester is Cement Pouring 201.

When it shines, he pours,
When it rains, he snores.

* * *

Elmer Petersen, one of our alumni, has had a very successful summer picking bananas on the Dakota plains.

* * *

Looking through old files, we found that the Home Ec Club of 1946-47 recommended serving corn flakes with strawberries and cream. (What isn't good with strawberries and cream?) We are sure that Lois A. will corroborate this statement.

* * *

Although we think we have an excellent set of cheerleaders, we do not think we have a sufficient number to lead effectively our cheering section. It is rather spread out and they experience difficulty in holding the group together. How about electing another girl cheerleader?

* * *

SCOOP . . .

"PeeWee" attended the organizational meeting of the senior class the other day. During the session, the expediency of organization was so strongly impressed upon his mind that he has now organized his own room.

Student Thinking - Paul Simon

Slightly less than 80% of the students favored some system of "report cards" for teachers, according to the third student poll taken recently for the Hermes.

Students opposed to the idea and many in favor of the idea pointed out that probably some "wise guys" will take advantage of the situation.

Many called it a "very democratic" move, something that would "raise the scholastic standards of Dana". Students said it would give themselves a chance to "criticize a faculty member constructively without jeopardizing the critics scholastic standing."

Poll forms were also given to members of the faculty. Of the 16 forms returned, 12 favored the plan, one was undecided and three opposed the idea.

One faculty member opposing the plan said, "How can a student with no training criticize a teacher who has had 25 years of training? . . . If the students want to get material for an article it is a poor thing to start criticism of the teachers."

However, most of the faculty members commented favorably. One commented, "Such a plan has already been followed by some of our teachers . . . and will be used again this year regardless of whether this plan becomes general or not. It's good!"

Several pointed out that the plan would have to be carefully worked out before any action should be taken.

How Time Flies!

20 years ago this week. Another Dana student has brought fame upon himself. Mr. Fred Klyver, Jr. has discovered a new alga never corralled before by science. He will have the privilege of naming the alga, which is the lowest form of plant life.

10 years ago this week. Students of Dana were given a special treat when Mr. Viggo Christensen, one of the five mayors of Copenhagen, spoke to them. He is studying social legislation and made appearances in New York and Washington, one of which was a conference with Frances Perkins.

5 years ago this week. Mr. Christmas Møller, former Minister of Commerce in Denmark will visit the college under the auspices of the National American Denmark Association. Men from Dana assisted in the country scrap drive.

1 year ago this week. Professor Langland, former Professor of English at Dana, and now an assistant in Iowa U's Writer's Workshop was the featured speaker at homecoming Festivities. Rev. T. I. Jensen, Dean of Seminary was installed as Professor of Systematic Theology.

. . . The Collaborators

IN THE RUNNING. . .

Fred J. can now be given the title of "the manipulator." Have you noticed who has been sitting at his table lately?

* * *

We have noticed that Anton K. is allowing no grass to grow under his feet.

* * *

What are you unhappy about Eleanor? We notice you have been Schou-ling quite a bit lately.

* * *

WANTED . . .

One slightly used air raid shelter. Must be sound proof. And/or . . . five hundred pairs of ear muffs for those of us who are incapable of withstanding the stormy blasts of "the trumpeter."

The Christian Outlook

"There was a man sent from God, whose name was John. The same came for a witness to bear witness of the Light, that all men through him might believe." John 1:6,7.

The life of John the Baptist is often overlooked or forgotten, and yet Jesus Christ gave this testimony concerning him: "Among them that are born of women there hath not risen greater than John the Baptist." What greater honor could ever be bestowed on any man, than to have Christ Himself utter such a declaration?

We might then ask, "What are some of the things which make the life of John the Baptist so outstanding?" Perhaps the first consideration to make in answering this is the fact that ". . . he was sent from God." This alone makes John different from other men.

Secondly, we may note that, although he never saw the day of Christ's glory, all of John's work, energy, and preaching were spent in testifying of Christ, the true Light of the world.

Furthermore, we see that John's message was simple but comprehensive. "Repent ye: for the kingdom of God is at hand." It has been said that the greatest need in the world today is for leaders. Others have said the greatest need is for food, but if we actually analyze the world situation we will undoubtedly find that it has not changed from the time of John the Baptist. The greatest need is still for repentance.

But perhaps the greatest attribute of John was his self-denial. John was not clothed in soft raiment, or did he have the best food to eat, but he was clothed in animal skins and ate locusts and honey. He did not use his own influence, as he might easily have done, but the purpose of his life, the end and aim of his preaching was to give testimony concerning the Light, the wonderful, life-giving light. He sought the glory of the Savior only, "He must increase, but I must decrease."

Jesus has left us with a command which presents a challenge similar to that which John the Baptist had with these last words ". . . and ye shall be witnesses unto me . . . unto the uttermost parts of the earth."

First of all, we must learn that everyone who witnesses must speak, teach, and live Christ the Savior, and Him only. By nature no one comes to Christ; only through the Word, by means of the testimony of the true witness, is Christ made known to men.

It is God's will that "all men should be saved and come to a knowledge of salvation", but he needs you and me to tell others. The Light is meant for ALL men; His rays are intended for all without exception. Are you witnessing for Christ or against Christ?

Homecoming Wheel . . .

That very busy man with the curly-red-hair whom you have seen hustling about the campus this week end is none other than our indefatigable homecoming chairman, Forrest E. "Red" Leighton.

"Red" is a purple-heart veteran of the Pacific Campaign and claims Falmouth, Maine as his home town. In the fall of '45 he enrolled at Dana and for the past two years has been a scrappy member of the basketball and football squads. As a freshman he won the coveted position of "Honor Athlete" on the Dana campus. Along with his job as homecoming chairman this year "Red" also holds down the position of business manager for Hermes.

"Red" apparently has no bad habits other than going to bed too early at night and eating only five bowls of cereal for breakfast. Next to basketball his favorite sport seems to be "hoss" back riding.

If you are looking for someone to thank for having an enjoyable weekend "Red" is the man to see. He'll "wheel" the word right on to his homecoming committee.

Greetings from the Office Of the College President

Greetings, Alumni and friends of Dana Trinity! We are glad you have come back for Homecoming. We are glad you remember your Alma Mater and return to our campus to renew the memories of college days. We trust you may have an enjoyable stay on the campus these Homecoming days of 1947.

It is a different Homecoming this year. Not only is it the largest, we believe, in our school's history, but it is also an important one. On Sunday we lay the corner stone of the new Administration-Library building, and this building marks the opening of a new era in our history. To quote the 1947-48 "Viking Log"—"This year's student body marks the change of an era. Old Dana yields to the new. When work started on the new Administration-Library Building, Dana left the 'days of her youth' behind."

A good beginning in this new era has been made, but there is much more work to be done. The physical plant needs expansion and development. We believe the new building is only the first of a series of new buildings which will rise on these loved hills that overlook the broad Missouri valley. The faculty needs to be enlarged and most departments must be expanded to make Dana a stronger senior college. All this work can and will be done, but in plain language, it will take money to accomplish our end. The alumni and friends of Dana and Trinity can give their Alma Mater real service and help in obtaining the funds needed to build our school. You will be called upon to aid this work through the new campaign which has begun to raise \$105,000 for the new building, and again in each opportunity when you can do your Alma Mater a service.

The alumni of any college must be the back bone of its strength!

R. E. Morton

Alumni News and Notes

Students who were here last year will no doubt remember the concert given by Director Carl Hjortsvang and his choir of Huron College, South Dakota. One of the most memorable numbers was his song "Old Man River" which moved the audience deeply. Mr. Hjortsvang has now written a book on choir directing.

Several interesting talks were given by Rev. Alfred Thomsen, missionary on Africa when he visited our campus last week. As he and Mrs. Thomsen expect to return to their mission field before Christmas, their home in Los Angeles will be occupied by Rev. and Mrs. Samuel Hanson. There they will make a home for the Thomsen's son, LeRoy.

Harold Sorensen has obtained a captaincy in the Medical Corps. He is, at present, working in Fitzsimmons Hospital in Denver, Colorado.

Rev. Edwin Petrusson, who is at North Hollywood, California, has been very ill during this past summer. He is now on the road to recovery and work has again proceeded on the new parish house. Ground will be broken on October 19 for the building which will also be used as a church. The new structure will replace the large canvas tent that has been in use for many months. During the war, the altar rail and fixtures of this congregation were used by Rev. Petrusson at the service center in that vicinity.

Miss Margaret Nissen is returning to Sudan to resume her work as a missionary there. She has been on a three-month furlough, touring our synod, giving many interesting and challenging talks. Margaret was at Dana one summer.

Rev. Arthur Tingley, pastor at Great Falls, Montana, took a post-seminary course this sum-

mer in New York. Others who are continuing their studies this year are Norma De Grave and Ella Hanson, Dean of Women 1946-1947, both of whom are at Lutheran Bible Institute at Minneapolis, Minnesota. H. C. Jepsen is doing graduate work at the University of Wisconsin studying personnel administration. Robert Videbeck will study at the American Academy of Dramatic Arts in New York this month.

Robert Hogzett, versatile Dana athlete of a few years back, is studying law at Drake University in Des Moines.

Former Choir Soloist Is Guest Singer

Miss Eunice Petersen, vocal soloist with the Dana College Choir last year, is back on the campus this week-end as a guest soloist at the Saturday evening dinner program.

"Niecy" hails from Ruskin, Nebraska, and attended Dana for two years prior to this year. As a choir member last year she was the contralto soloist of the A Capella Choir's immortal "Beautiful Savior". Besides being active in choir work, she was also a member of the mixed quartet and was secretary of the Girls' Dormitory Council and for the Dana chapter of the L.S.A.A.

At present "Niecy" is working at the hospital in Superior, Nebraska. A frequent week-end visitor at Superior is Ried Neve, to whom she is engaged.

Alumni Activities

Rev. Alvin Petersen Will Speak for Dana Alumni

The Rev. Alvin Petersen, scheduled to give a brief address at tomorrow evening's Homecoming program, is at present the Lutheran Student Chaplain at the University of Nebraska and President of the Alumni Association of Dana College and Trinity Seminary.

Rev. Petersen enrolled at St. Olaf College in Northfield as a freshman, spent his sophomore year at Dana, and then returned to St. Olaf where he received his B. A. degree. He attended Luther Seminary at St. Paul, Minnesota for one year, and took his last two years of seminary work here at Trinity Seminary, graduating in 1936.

Pastor Petersen served the Marcus and Oyens congregation in the Iowa district and was pastor of the synodical church in Lincoln, Nebraska before taking over the job of Student Chaplain at the University.

Homecoming Program Includes Solo by Mrs. Archie Madsen

Another participant in the Saturday evening Homecoming program will be Mrs. Archie Madsen, a soprano soloist. Many students and alumni guests will remember her as Miss Lorraine Sandberg of Underwood, Iowa.

Mrs. Madsen attended Dana College for two years, 1944-'46, and graduated from the two year teachers' course. She was a member of the A Capella Choir both years and was active also in the W.A.A. and L.S.A.

After leaving Dana she taught kindergarten and grade school music in Lyons, Nebraska. At present she is the third grade teacher in Blair Central School.

Homecoming Speaker Is Son of Dana's Founder

Dr. Silas Andersen

To find a Homecoming speaker who has more Dana blood than Dr. Silas Andersen would involve quite a search. Dr. Andersen has the unique distinction of being born in "Old Main" and undoubtedly inherited his Viking spirit from his father, the late Rev. A. M. Andersen, founder of Dana College and Trinity Seminary.

Dr. Andersen was in attendance at Dana College for three years, each year being a member of the Viking varsity basketball squad. He also attended St. Olaf College from which school he received his B. A. degree.

Soon after graduating Dr. Andersen heeded the call to arms and served in the army overseas. Following his discharge from the army he taught school for one year before entering the medical school at the University of Minnesota in 1920.

Following his medical schooling and internship Dr. Andersen began practicing medicine in Minneapolis where he has since been located. Today Dr. Andersen is a member of the Fairview, Swedish and St. Andrew's Hospital staff. In 1936 he received the distinction of being selected as a Fellow of the American College of Surgeons.

Dr. Andersen has served on the Board of Trustees of Dana for the past three years and was elected at this year's synodical convention to serve another three-year-term.

Charles O. Morehouse Receives M.A. Degree

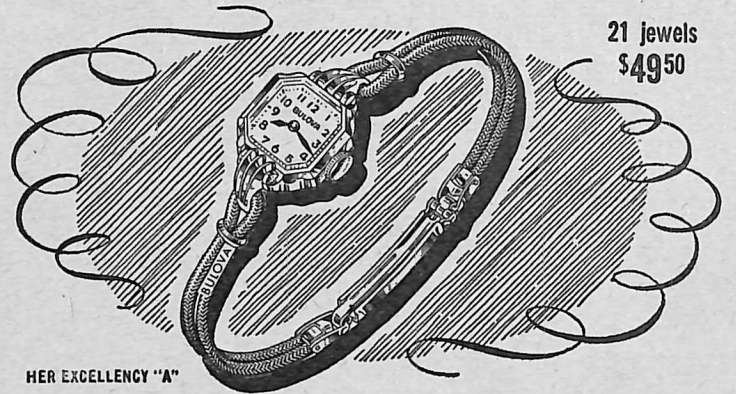

Charles O. Morehouse, a graduate of Dana in 1941, received his Master of Arts Degree from the University of Nebraska last summer.

For the past four years Mr. Morehouse has been Superintendent of Schools in Elwood, Nebraska. Previous to his job in Elwood he was Superintendent of Schools at Crab Orchard, Nebraska and a rural high school teacher near Wahoo.

Mrs. Morehouse, who attended Dana in 1941, teaches commercial subjects in the Elwood Public Schools.

"This Must Be Dana" - - -

One warm September day little Delmar progressed slowly up College Hill. He was very tired and completely unaware of what was in store for him at the top. He scuffed along, thinking of the home he had left and his little girl friend Dagmar. He became so engrossed in his thoughts that he did not realize he was nearing the end of his trek. Suddenly, like a shot from out of nowhere a huge black car swerved into the driveway directly in front of Delmar, nearly crushing him. One the side was painted, "The Mayflower" and he was very confused as he had always thought of the Pilgrims as Anglo-Saxons not Scandinavians.

When the cloud of dust cleared away, little Delmar blinked his eyes, and there in front of him stood three beautiful ivy-clad brick buildings, one one had a tall tower on top. The other two were identical and were surrounded by trees and shrubs. "This must be Dana, the campus beautiful!" he thought.

People of all sizes and shapes, all ages and creeds, rushed here and there, so Delmar rushed along with them and entered the nearest building. He hardly noticed the interior but dashed to make himself as comfortable as possible in an obscure corner.

Putting all that he had seen so far together, little Delmar decided that his new home was

going to be very nice. He curled up for a nap but had no more than thought of closing his eyes when he heard a loud commotion nearby and then all was silent once again.

Delmar soon became accustomed to the noise, both by day and by night. Also the rush from class to meals, to mail, to chapel and back to class again. Now that he has been here a while he is never surprised at finding his door-knob tied to the one on the opposite side, nor his bed ransacked, in fact, he thinks it is all very funny and laughs especially at how much fun everyone seems to get out of rolling the waste cans down the corridors, by rapping the radiators until they echo throughout the entire dormitory, etc.

Yes, Delmar is now a full-fledged Danian and he is enjoying his stay here, with the Dorm Devotions, the nightly "bull-sessions", and the whole complication of dormitory life. He receives his daily letter from Dagmar, and unlike the majority, comes and goes as he pleases, attending few classes, and spends most of his time cleaning up the leftovers of packages the rest of us receive from home. He lives in his humble abode which is mysteriously near room No. 209 and calls occasionally to tell me his troubles in the best way that a MOUSE can!

A New Era on College Hill

Construction Begins on First Floor Partitions

Officers Elected by Four Dana Classes For School Year

Elections were held last week by the four classes at Dana College to select class officers for the coming year.

Ronald Jensen, senior seminarian from Spencer, Iowa, was elected senior class president. Chosen to help Ronald Jensen on the executive committee as vice-president was Reid Neve, of Sleepy Eye, Minnesota. The third member of the committee, with the duties of secretary-treasurer is Florence Hansen, from Underwood, Iowa.

The junior class elected two Iowans to serve as class officers. Arthur Sorensen of Des Moines was elected president of their organization and Phyllis Hansen of Callender was selected to serve as secretary-treasurer, "Bill" Johansen of Fowler, California, will serve as the junior class vice-president.

The sophomore class elected as their president Stuart Paulson of Poy Sippi, Wisconsin. Paul Jepsen of Ord, Nebraska, was elected vice-president and Marilyn Neve of Sleepy Eye, Minnesota, secretary-treasurer.

Freshmen class officers were selected from three states. Norman Winther of Racine, Wisconsin, was elected president; Augie Stricker of Gowan, Michigan, will serve as vice-president, and Lois Girtz of Albert Lea, Minnesota, will be the freshmen class secretary-treasurer.

The site of the new quarter-million-dollar administration-library building is changing appearance as the first floor concrete columns have been poured and the load bearing partitions of brick laid. Both the columns and bricks will serve as supports for the second floor where the reinforced concrete formings are being completed.

A glance at the blueprints of the first floor shows that the president's office, archives, post-office, bookstore, vault, secretary's and other private offices, toilet facilities, and storage space will be located there. The boiler room will be a little below the level of the first floor.

Superintendent Del Chapin said that most of the help is skilled labor and believes that we are fortunate in having a sufficient number of workers, particularly bricklayers. Chapin continued to say that progress has been continual due in part to the very favorable weather.

Second Lyceum Program on Campus Features Viennese Trio of Omaha

Radio Trio Performs Here, October 28th

The second of a series of lyceum programs on the campus will be presented by the Viennese Trio of Omaha, Tuesday, October 28th, in the college auditorium.

First organized as a radio ensemble, the popularity of the Viennese Trio led to many concert engagements throughout the midwest, including a chamber music series presented at Joslyn Memorial last season. During the past summer the trio attended the Juillard School of Music. The members are Gladys May, pianist, formerly associated with Madame Schumann-Heink; Myron Cohen, violinist; and Rosemary Howell, cellist. All are members of the Omaha Symphony orchestra, Mr. Cohen being concert master.

Myron Cohen, violinist, was a member of the Chicago Civic Orchestra for three seasons and served as concert master. While in the army, Mr. Cohen appeared as violin soloist with Army Groups throughout California.

Rosemary Howell, cellist, was graduated from the Eastman School of Music in Rochester, N. Y., with a George Eastman honorary scholarship. Miss Howell left the east to become a staff member of WOW and KOIL, where she organized the Viennese Trio.

Gladys May, pianist, attended the American Conservatory in

Chicago. Mrs. May was staff pianist with the "Your America" radio network show, and later joined the Viennese Trio.

Niels Carlsen Elected Dramatics Head

The Dana College Dramatics Club met last week and the following officers were elected for the coming year: Neils Carlsen, president; Fred Jensen, vice president; Norlan Hanson, treasurer; Aida Limjoco, secretary. Plans were discussed concerning the club's part in the Homecoming activities. The club is planning two one-act plays in November and another play in December. It will present at least one three-act play during the year.

\$2500 to Be Spent For Library Books

Miss Sena Bertelsen announced this week that the Dana College library now shelves a total of 11,255 volumes and that new books are constantly being added.

One hundred and fifty books have been quite evenly divided among the departments of History, Education, Social Science and English. During the school year \$2500 will be spent for library books and periodicals. Each department will have the opportunity to select books it needs.

This year a closed reserve shelf system has been instituted. To help with this new system and other library work Miss Bertelsen has Lois Andersen, Clyde Carter, Dorothy Seybold, Marilyn Neve, Elizabeth Solevad and Charles Christensen.

Vikes to Meet McCook in Homecoming Tilt

Sport Cuts . . .

TARKIO, 12-7; Fairbury, 6-0; Norfolk, 0-0; Doane "B", 0-0; McCook, ?-?. . . Dana has two losses and two ties to its 1947 grid season record but only one of each is on file with the N.I.A.A. . . . That means the Vikings still have a chance to come out pretty well in the final conference standings.

AND, ASSUMING you're blind as a bat and can't see for yourselves, that Viking line has improved about 300 per cent since that night it took to the field against Tarkio. . . . The boys have taken quite a beating in the statistics column this year, a more than slight change over the '46 season, but inside their own 20-yard line they have proven a bunch of rough customers.

TO THE TEAM: Fellas, we're behind you; win, lose or draw. . . . But this Homecoming game is the game of the year. . . . Besides the entire student body, there will be who knows how many alumni out there rooting for you. . . . We aren't giving the command "Win". . . . Just get out there and do your best. . . . A lot of times the losing team is the best team, according to how it played the game and the spirit and fight it had on the field.

A PROGRAM that should be a valuable souvenir of the Homecoming football game is to be provided by the "D" Club. . . . This special program, by supplying high-lights and side-lights of several players, is intended to add color to the contest. . . . Included on the program will be the usual lineups of each team plus a brief history of the Dana boys and other items of interest. . . . Another "touche" for the "D" Club.

HATS OFF DEPT.: To Darrel Wilson and Ole Petersen. . . . Wilson has constantly been booting the Vikings out of trouble this year. . . . Two of his punts in the Doane "B" tiff were for a good 50 yards. . . . And little "Ole", the 'runt' of the bunch, whose other nickname could easily be "Guts". . . . Note some of his neat tackles while backing up the line—right around the knees.

ODE TO THE DOANE game: Yeah, Art!!—(whoops!) . . . P.S. You can get a pretty good pair of suspenders for a 'buck', Art.

CONGRATS to the cheerleaders, or somebody, for the new yells. . . . When everybody joins in they really sound like something. . . . The question now is, "Who can throw a 'Double Whammy'?"

DANA'S THREE cheerleaders, elected the second week of school at a rally held under the old elm of the quadrangle, are from three states. The pep leaders are Esther Jensen of Chicago, Sam Kachichian, of Racine, Wisconsin, and Fred Leary of Scarborough, Maine. The tri-state trio will lead cheering at all Viking games.

The quick eye of the camera caught Viking Scatback Art Sorensen as he appeared to be chalking up a nice gain against Norfolk. What the machine does not see is that the guy on the ground in the lower right corner has a fatal grip on Art's left ankle. No. 41 is Bud Schuler and behind him is Earl Pace.

Vikings and Norfolk Play Scoreless Tie

The Dana Vikings showed new spirit Friday night, Oct. 10, when they battled Norfolk J. C. to a 0-0 tie at Norfolk in the second conference game of the season.

The Red and White opened up the evening's play with a sizzling ground attack with the line doing its best blocking of the season. The Red and White started from its own 35-yard line and chalked up three first downs before being stopped on the Norfolk 23. Norfolk lashed back, however, and kept the game pretty much of an even affair until the final gun.

Viking quarterback Dean Madsen saved the day for Dana on the last play of the contest when Norfolk was on the one-yard stripe. Madsen broke through and spoiled Norfolk's touchdown threat by throwing Marv Pappstien for a two yard loss as the final whistle sounded.

A number of changes were noted in the Viking lineup. Darrel Wilson was in at fullback instead of his usual end position, Carol "Brute" Andersen switched from 'full' to right tackle and newcomer Virgil Hansen put in steady time at the right end spot.

THE FOOTBALL schedule took quite a beating this fall before an agreement was reached with all schools concerned. . . . The final card has the Omaha University "B" squad coming to Dana November 6. . . . Those who saw the basketball games with that school last year are expecting a good evening's entertainment. . . . We won't comment on the activity in the stands. . . . DON POH.

W.A.A. Activities

The W.A.A. is off to a fast start again this year. At the first meeting of the season, Marilyn Neve was elected to head the organization. Helping her will be Joan Peterson, Vice President; Rhoda Johansen, Recording Secretary; and Anna Larsen, Secretary-Treasurer.

Plans for Homecoming were discussed and Dorcas Vammen was selected to take charge of the W.A.A. Float.

Various other committees were

Next Spring Set As Date for New Tennis Courts

Dana college students long awaiting improvements on the tennis courts will have to wait just a little while longer, according to a recent announcement by Pres. R. E. Morton.

While making this statement, Rev. Morton pointed out that immediate action on the courts could possibly cause a serious delay in the construction of the new administration and library building. "To build the tennis courts now," he claimed, "would take practically a week's work even if the whole crew stopped work on the 'ad' building and combined their efforts on the court."

Another angle also enters into the picture—the weather. The contractors want to get the exterior walls on the building put up before cold weather comes and to put the courts in now could present a danger of their freezing. Tennis courts must 'cure' for 30 days not subject to cold extremes, namely freezing. If the work was done next spring that danger would be automatically eliminated. A week's delay on the 'ad' building now, he added, could possibly spell the difference in opening the new structure on schedule next fall or a postponement.

Red and White Gets Second 0-0 Count

The Dana Vikings and the Doane College "B" grid squad fought to a scoreless tie in a night battle played on the Blair High field Thursday night, Oct. 16. It was the second such score in a row for the Vikings and the second non-conference tilt this year.

The closest thing to a score came late in the second period when Doane got to the Dana one-foot line. Just as they were lining up for the fatal play the horn sounded, ending the half.

The Vikes were thoroughly outplayed in that first frame but managed to stave off enemy drives deep in the Red and White territory. The visitors made eight first downs to Dana's two in the first half.

The second half was more evenly played, with Dana struggling inside the Doane 20-yard line several times, a position enjoyed mostly because of Doane fumbles. The Danes got to the 9-yard stripe once in that half but then lost the ball on downs.

Doane threatened again late in the fourth quarter when Hal Steiner snagged a pass tossed by Bud Rose and raced 33 yards to Dana's 13-yard line. They pushed down to the six in the next three plays but on the last try Del Neary smeared Willard Gammel for a two-yard loss as the game ended.

What looked to be a certain Doane touchdown was nipped by Bud Schuler early in the second quarter. Guard Dick Eland intercepted one of Dana's passes and streaked from his own 40 to Dana's 20-yard line before Schuler caught him from behind with a shoestring tackle.

Loop Leaders To Challenge Danes Saturday

The Dana College Viking football squad will have to face McCook J. C., potential titleholder of the 1947 NIAA crown, in their annual Homecoming game at 2 o'clock tomorrow afternoon on the Blair High field.

McCook scored an impressive 13-0 win over last year's champs, Fairbury, last Friday. Three weeks ago the latter team tripped the Blair Collegians, 6-0.

Paul Petersen, Red and White coach, has conceded that his boys will be the underdogs in the classic battle but has done anything but give up the game. The Dana gridders will be fired for Saturday's test, with not only the entire student body but also hundreds of alumni in the stands. In addition to that, Coach Petersen has given his heretofore spiritless athletes a touch of the whip during this week's practices.

The Dana squad will be somewhat hampered again by its long injured list. Several key players have hurts which have definitely hampered them in previous play. Art Sorensen, the halfback flash who ran wild last year, has had to run for power instead of speed in every contest this year because of spotty blocking. In one of the many beatings he has had to take his leg was badly bruised, slowing him down considerably.

Most of the handicaps are minor, however, and Petersen believes that if the boys get enough spirit into their systems the hurts will be forgotten. The only two completely out of the lineup at the present time are End "Jimmy" Youmans and Quarterback Dean Madsen. Both may be ready for action Saturday.

1947-'48 Basketball Prospects to Meet

Coach Paul Petersen sent out the annual call for basketball players this week. The prospective hoopsters are asked to meet in the dressing room under the gymnasium at 7:30 Monday evening, October 27, to discuss plans for the coming season and get reacquainted with the sport.

Because of rumors of an unusual amount of court talent on the campus, Petersen also announced that the Vikings may be split into A and B squads this year. All boys not out for football are invited to attend the meeting.

It has also been announced by Coach Petersen that girls' intramural sports will be started on Monday, October 27. Similar action for the boys is being planned for a later date.

appointed with Ruby Christensen being chairman of the all-important Finance Committee. Marianne Lund will take care of the Social end of things for the coming year, while Ardis Gramps gets out the publicity. Athletics will not suffer at all because Lois Andersen will be right there to see that the group keeps in good physical condition.

Miss Marie Tucker, in the absence of Miss Margrethe Winther, who will be our adviser, out-

lined several new ways in which the girls could earn their letters. It was her suggestion that Dana's W.A.A. join the National Women's Athletic Association and adopt the constitution of that organization. Miss Winther, a member of the Danish Gymnastic team which visited here last spring, will come to Dana at the end of this month and will, no doubt, have many original ideas that will benefit this group.

Everyone Is Coming Home . . .

Dear Mom,

I wish you could see all the fancy guests we're having, Mom!! First the Board of Trustees . . . I surely thought it was nice of them to come all the way from Cedar Falls, Denver, Minneapolis, etc. just to inspect our rooms! We had a little accident, though. Anna Lisa had been in our room when we were cleaning and when Morton came in and said he was going to look under the bed she fainted away—poor girl. That's the handiest place to store stuff, Mom. Why don't you try it some time?

As soon as the Board left, Alvina called a meeting and said we should have Open House within the next month since we had our rooms all cleaned. And this Friday we're having even more guests! Everyone is Coming Home! — Boy, they say it's a great life if you don't week-end too much. It really takes the coke.

Some people really have time to concentrate on their "steadies" tho. Take for example, "Wheel" (Check) Leighton. Why, the other day in his Bone and Muscle test he was trying to show his knowledge of his own muscles and he pulled the whole sink off the wall! The place started flooding, and they were afraid some of the smaller objects might get all wet so they lifted Tucker up on the desk.

Most of my studies are coming o.k., I guess. I Kant complain—not until the Marx come out, at least, I'm having a little treble with my music, tho. There's alto much to remember. Tenor more of these weeks and I'll be beat!

Yi! Just realized there's only 70 more days til Christmas — Well!

Norman Bansen Tells Of Mexican Travels At History Meeting

The first meeting of the Dana College History Club was held Saturday evening, October 11.

Mr. Norman Bansen, college-public relations director, spoke to the club about his travels in Mexico during the past summer. After the talk, slides were shown by Mr. Bansen. These pictures were taken on his trip and showed many of the well known historical sights visited by him.

Following the lecture a business meeting was held at which the following officers were elected: President, Holger Christensen; vice president, Maynard Andersen; treasurer, Jack Krogh; secretary, Mary Jane Christensen.

Seminary Students Attend Lecture

"Around The World In Quest Of Faith" was the title of an address attended by the seminary students and Professor C. C. Madsen at the First Methodist Church of Omaha on October 15, 1947. The lecture was given by Dr. Paul Hutchinson, Editor of The Christian Century.

This address was the first of a series of four addresses to be presented at First Methodist. The seminary students have purchased season tickets for the series. Dr. Norman Vincent Peale, Minister, Marble Collegiate Church, N.Y.; Dr. Dixon Weeter, Huntington Library and Art Gallery, Los Angeles; and the outstanding Lutheran preacher, Dr. Paul Scherer, now of Union Theological Seminary, N.Y., are the other scheduled speakers of the series.

Council Discusses Negro Scholarships

The Student Council discussed the possibilities of matriculation of Negro students to Dana College in the next year, and how scholarships for two Negro students could be procured.

The matter of a suggestion box, to be placed in the hall of the Administration Building, was discussed at another meeting of the Student Council.

There was also a discussion about the basement recreation room in the gym. It was decided that the president should ask Norman Winther to investigate the matter of the floor drain in the basement.

Dr. Swansen Named Treasurer at Lutheran Faculties Conference

Dr. H. F. Swansen was elected treasurer of the Lutheran Faculties Conference during the two-day meeting on the campus of Gustavus Adolphus College. Through election to the office he will be a member of the executive committee of this group that embraces colleges from the Pacific Northwest to Ohio and Michigan.

Dr. Swansen and the other new officers of the organization were presented at the Saturday luncheon meeting at which Luther W. Youngdahl, governor of the state of Minnesota, was the guest speaker.

National L.L. Program Discussed on Campus

The Executive committee of the National Luther League met on the campus Wednesday and Thursday, October 22nd and 23rd.

Business taken up included an outline of his program by Youth Director, Pastor John Schultz of Fremont.

Officers include: Pastors M. C. Hagedorn, president; A. E. Neve, vice-president; E. A. Hansen, secretary, and Mr. Archie Madsen, treasurer.

Dorm Girls Entertain Guests at Open House

Dana L.S.A. Sponsors Deputation Teams

The Dana chapter of the L. S. A. A. has sponsored in the past two weeks deputation teams of music and song to Kennard, Nebraska and Exira, Iowa.

Archie Madsen was leader of the team which made the trip to Kennard on October 5th. The team was composed of: Florence Hansen, Allison Hansen, Harold Jersild, Norman Winther, Ardis Gramps, Delores Jensen, Rhoda Iverson, and Mrs. Archie Madsen.

The deputation team which traveled to Exira was Norlan Hansen, student religious director. A quartet composed of Marianne Lund, Marlyn Neve, Norlan Hansen and Ewald Sorensen performed several vocal numbers. Ewald Sorensen also sang a solo.

Sunday, October 26th a team lead by Paul Simson will go to Avoca, Iowa. Quartet numbers have been planned by Arlene Rudolph, Marlyn Neve, Jack Krogh and Arthur Sorensen. A solo will also be sung by Arthur Sorensen. The Dana College choir records will be played for the prelude and postlude.

Open house was held in the girls' dormitory Friday, October 17, from eight to eleven.

The evening was opened with a short "dignified" program. Mrs. Mary Lundsberg acted as mistress of ceremonies. Letha Sorensen read a short poem "Room-mates."

A duet "Concertsen in Z Flat Minor" (Tiger Rag) was played by Donna Olsen and Ruth Meyer, followed by "Song Without Words" (My Bonnie) enacted by the "Melchior Sisters", Amy Andersen, Marie Johnson, Joan Merrill, and Ruth Larsen.

After "Marne" Lund read a poem "Saturday Night at Dana", the program was concluded with a skit "Thrill of Dana Hill". The actresses included Gloria Larsen, Marlyn Neve, "Marne" Lund, Aida Limjoco, Joan Petersen and Anna Lisa Andersen.

Refreshments were served, after which the fellows, faculty, and other guests toured the dormitory. The program committee included Lois Andersen, Anna Lisa Andersen and Ruth Meyer. Dorcas Vammen, Joy Christensen, and Joan Merrill were in charge of lunch and publicity was prepared by Ruth Solevad and Arlene Rudolph.

News of the Day

Gene Mengers

Grain for Europe

Unless action of some sort is taken by the President and Congress, people in Europe can expect to starve this winter. President aided by Charles Luckman, has started a grain saving program which has as its goal the saving of 100 million bushels of wheat by December. However it is unlikely that this alone will do the trick unless Truman recalls several members of Congress which are observing conditions in Europe instead of doing something about them.

Commintern Reorganizes

At a secret meeting place in Poland, the old Communist International was revived. Several top rank Russians from the Kremlin were present which makes this meeting of interest. The purpose of the meeting is to coordinate Communist forces against U. S. imperialism. This would include the obstruction of the Marshall Plan which is called by the Russians a device for Economic and Political control of the world.

War With Russia?

Russia's war plans have come to light. Briefly it includes: 1) A quick offensive against Europe. 2) A fast offensive against Persia, Iraq, the Suez Canal, North Africa and domination of the Mediterranean. 3) Final struggle in the Far East with China as the key to victory. After successfully accomplishing this Russia would deliver a compromise peace plan to the U. S. in which the world would be split into two zones. Europe, the near and middle east, North Africa and China to the Russians, the rest to Britain and the U. S. However it is not likely that this plan will be put into operation for a year or two.

Inmates of the Southside - - -

Among the inmates of the southside, the vital question for the last few weeks has been, "Have you got a date for Homecoming?" This has been the subject of much discussion, speculation and, shall we admit, scheming? The plutocrats who do have dates walk around with a superior air. The unfortunates who don't, walk around with an air of hopefulness and despair. Of course there are those who honestly don't care, or so they say.

Open house proved to be a riot. This was a new experience to the Freshies, so helpful upper classmen coached them on the finer points of the affair, such as dusting the molding and cleaning out their closets. Seems that some of the fellows are snooty—or perhaps they are just playing safe and want to find out what kind of house wives the gals are going to make! We can say for the benefit of these Lotharios that the girls dorm during the open house looked like it always does, or maybe a reasonable facsimile thereof.

In connection with this wise acres claim that

any resemblance of the rooms to what it usually looks like would be purely coincidental! Still we have to admit that there must have been some wildly beating hearts, wondering if he looked into this drawer or saw that mess under the bed.

What started out to be a comparatively sedate affair climaxed into a shooting spree with perfume for ammunition and all and sundry for targets. A fortune must have gone down the drain, or to be more accurate, down the shirt fronts of curiously unappreciative fellows. It's funny how some perfectly fascinating scents, mixed indiscriminately and in huge quantities will prove to be very upsetting to the stomach. At any rate, the halls smelled like "Stink Halls" for a while!

After the "tumult and the shouting" died the girls dorm settled once more back into its respectable air. Mrs. Lundsberg probably breathed a sigh of relief, now that all was quiet and every one of the fellows had gone. Or did she look into that closet in room 301?
