

Dr. N. C. Carlsen, President of Synod, Dies

HERMES THE MESSENGER FROM DANA

Volume XXXI

Dana College, Blair, Nebraska, Friday, February 10, 1950

Number 7

47 Students Attain Honor Roll Rating; Seniors Have Top Percentage

The Honor Roll, just released from the office of the registrar, shows that 47 students maintained an average of 2.25 or above during the first semester, or almost 25 per cent of the student body. One of every 2.5 seniors, four juniors, six sophomores, and eight freshmen are listed.

The following is a list of the students in each honor grouping. Where two or more students maintained the same average, the student with the largest number of hours is given precedence.

Those in the summa cum laude group (2.90-3.00) are: Peter Thorslev, sr., Charles Doidge, jr., Jeanne Ardis Nielsen, soph., and Robert N. Hansen, sr.

Sixteen students are listed in the magna cum laude bracket (2.60-2.90): Edith Skobo, soph., Ruth Neve, fr., Robert Sorenson, soph., Harold McKercher, soph., Earl Pace, sr., Lois Girtz, jr., Paul Laursen, jr., Arnold Jensen, sr., Paul Hansen, soph., Lyle Jacobsen, jr., Joan R. Petersen, sr., A. Craig Nielsen, soph., Doris Bartl, fr., Marilyn Grill, jr., and Jack Kitterman, sr.

A total of twenty-seven students maintained an average of 2.25 to 2.60, meriting cum laude standing: Paul Jersild, fr., Antonio Cruz, sr., Maria Cruz, sr., Don Poh, sr., Marilyn Korshoj, soph., Dorothy Petersen, fr., Lois Petersen, soph., Colleen Crees, soph., Elaine Madison, jr., Marilyn Steffensen, fr., Helen Halstead, jr., Jimmy Sorenson, jr., Gerhard Nygaard, sr., Melvin Suhr, sr., Anna Thomsen, sr., Verna Hagen, soph., Carol Petersen, fr., Carl Nielsen, jr., Lloyd Bansen, soph., Harvey Jorgensen, fr., E. Elaine Hansen, fr., Marie L. Nielsen, fr., Jean Annette Nielsen, fr., Elva Jensen, fr., Dorothy Larsen, fr., Robert Coffey, fr., Phillip Kaldahl, fr., Arnfeld Morck, sr.

Gustavians Well Received By Jim Sorensen

Sunday evening, January 29, the college was host to the forty-voice Gustavian Male Chorus of Gustavus Adolphus College, St. Peter, Minn. This group had its origin in 1904 when the first all male chorus was established at Gustavus. The chorus remained overnight in Men's Hall after their evening concert and left Monday noon.

The rather heavy program was well received by the large audience which filled Alumni Memorial. Included in the first group the chorus sang was an original composition by the director Paul Karvonen based on the words from Isaiah 9:6, "For Unto Us A Child Is Born. . . ." For its second group the chorus sang three songs in Norwegian with soloist Bud Christenson singing "Den Store, Hvide Flok." The third group evidenced some beautiful work by the first tenor section which must be given credit as the outstanding section in the chorus.

Bass soloist Chester L. Johnson stirred the audience with his two

Dana Choir Itinerary Includes 12 Concerts In Three States

(DL)—The Dana Choir of forty-five voices, directed by Prof. Paul Neve, will make its annual tour, March 2-12. Their itinerary consists of twelve concerts in three states. The choir will make two stops in Iowa before journeying to Minnesota and Wisconsin for the remainder of the tour.

The planned schedule includes: March 2, Callender, Ia.; March 3, Cedar Falls, Ia.; March 5, Albert Lea, Minn., morning; Geneva, Minn., evening; March 6, Farmington, Minn.; March 7, Hutchinson, Minn.; March 8, Luck, Wisc.; March 9, Milltown, Wisc.; March 10, Minneapolis, Minn.; March 11, St. Peters, Minn., Gustavus Adolphus College; March 12, Evan, Minn., afternoon; Sleepy Eye, Minn., evening.

Soloists for the 1950 choir tour are Phil Christensen, tenor, Omaha; John Lassen, tenor, Brush, Colo.; Donald Olsen, baritone, Racine; and Lois Petersen, soprano, Exira, Ia. Singing a duet, "Love Divine," are Marcia Hanson, Westby, Mont., and Delores Burnett, Audubon, Ia.

John Greene Receives Chemistry Award

John Greene, freshman of Blair, has been awarded the "Handbook of Physics and Chemistry" by achieving the highest numerical average in the first year chemistry group. The leather-bound book, awarded by the Chemistry Department on the basis of the first semester's work, was contributed by the Chemical Rubber Company, publishers.

solos during intermission and was obliged to sing an encore before the chorus returned for the final work "The Testament of Freedom," by Randall Thompson. This work in four movements was done very well. Especially commendable was the clear intonation. One could understand the words without continual reference to the program as is sometimes necessary in numbers of this type with long texts. The organ and piano accompaniments were performed unusually well and added much to the program, notably the piano in this last work.

Perhaps the only criticism one should make of the concert as a whole could be expressed by a remark overheard between groups, ". . . they seem so lifeless." Undoubtedly a few sharp pins in the right place would have done much to 'liven things.' The chorus did their best singing in the softer passages, the blend suffering somewhat as the volume increased.

Herbert Hjortsvang and Alvin Svendsen Appointed to Staff

With the beginning of the new semester, two additional appointments have been made to the Hermes Staff. Herbert Hjortsvang, senior from Chicago and last year's Sower editor, has been added as Associate Editor, and Alvin Svendsen, sophomore from Superior, Nebr., was named News Editor and Makeup. These two appointees fill positions which were vacant throughout the first semester.

243 Register for 2nd Term; Seniors - Greatest on Record

(AS)—Two hundred forty-three men and coeds headed for classrooms in Old Main and Pioneer Memorial Jan. 23, as the second semester made its debut on the Dana College campus. Sixteen students are new registrants for the first time this school year. Seven of these have attended Dana previously.

Surprise note on the latest enrollment figures was the senior class which came out of the semester shuffle 10 members ahead, jumping from 34 to 44—the largest fourth year class on record.

The freshmen continue to dominate, in number at least, with 90 registered.

A statistical break-down of the newly registered students reveals:

Seniors: three students, all of whom are former Danians. They are Amy Andersen of Brush, Colo.; John Hansen of Blair, and Herbert Hjortsvang of Chicago.

Texan Enrolls in Sem For 2nd Semester

(RN)—The enrollment of Trinity Theological Seminary has increased with the beginning of the second semester. Holger Nielsen, a junior in the seminary, comes to Blair from San Antonio, Texas, where he has been doing mission work among the Mexicans. He also attended school for a time while he was there.

Mr. and Mrs. Nielsen, with their two daughters, live in a farm home north of Blair.

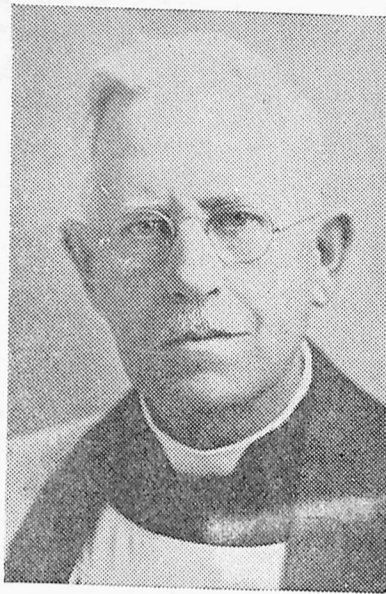

Home Ec. Club Plans Annual All-School Party

The Home Economic Club's annual all-school party will be held on Saturday, Feb. 25. Marilyn Nelson, general chairman, said that the affair is being planned along the theme of a Backward Party with a short program and refreshments.

Working with Marilyn are the chairmen of the various committees. These include: Glennis De Vasure, program; Wilma Christensen, refreshments; Mary Ann Kruse, publicity; and Marilyn Hansen, clean-up.

Death Comes Swiftly at Home Monday

Monday evening as students were gathering in Alumni Memorial for an evening session of Spiritual Emphasis Week, death came suddenly to Dr. N. C. Carlsen at his home a few blocks away. Unaware until the close of the program that the President of the Synod was dead, the announcement came as a shock to the large audience, many of whom were unaware that our synodical leader had been ill.

Dr. N. C. Carlsen

Following a brief prayer, the group dispersed to their homes and dormitory rooms. Later, a devotional service was held in the men's dormitory as students paid respects to the man who for twenty-five years in official capacity and many more years as a friend had staunchly supported the college and seminary.

Ever a faithful and conscientious servant of his Lord, Dr. Carlsen had labored many years for the Church, never sparing himself in his endeavors to fulfill his duty as minister, and since 1925 as synodical president. In spite of advancing years, there was little or no slackening in his work. His energy and enthusiasm was like that of a young man's. He was an example and inspiration to many.

Deeply interested in Lutheran Unity, Dr. Carlsen spent much time on this problem in addition to the many others that were laid before him. As a leading member of the committee which is to formulate plans for a possible unification of several Lutheran bodies in America, he attended a meeting in Chicago shortly after New Year. Deeply fatigued, he was ordered to bed upon his return. After convalescing for three or four weeks Dr. Carlsen felt improved. But years of service had taken their toll, and at his home about 7:30 p.m., Monday, February 6, at the age of 65, he passed away.

Rev. A. R. Petersen Speaks on I Peter

(JC)—The Rev. A. R. Petersen, Bible instructor and member of the Lutheran Bible Institute faculty, Minneapolis, Minnesota, was guest speaker during Spiritual Emphasis Week, Feb. 5-12. Classes were rearranged during the week in order that an hour's chapel period of Bible study could be held each morning. Rev. Petersen based his studies on I Peter, pointing out the ways in which Christ is always speaking to us, and that we in turn should be living a life in constant communion with him. Evangelistic services were held each evening in the college gymnasium.

The Rev. W. E. Wallner, from Chicago, Illinois, is conducting both morning and evening worship Friday and also will conduct services at First Lutheran Church on Sunday morning.

STUDENT ACTIVITIES CALENDAR

Feb. 14—Basketball—Nebraska Central, there

Feb. 17—Roller Skating Party

Feb. 18—Basketball—Concordia, here

Feb. 23—Basketball—Fairbury, here

Feb. 24—Girls' Open House

Feb. 25—Home Economics Club All-School Party

March 2—Basketball—Luther, here

Prof. Joseph Langland of the University of Colorado will again this year make available the Langland Awards to the authors of the prose and poetry selections which, in his opinion, are most meritorious. There are two twenty-five dollar awards.

Funeral services were held for Dr. N. C. Carlsen this afternoon at 1:30 in Alumni Memorial. Afternoon classes were dismissed as students and faculty paid their respects. Burial was in the family plot in the Blair Cemetery.

A Pioneer Has Passed

No longer will we see him walking among us on the campus, stopping here and there to talk with students, asking about their parents, their studies, or their plans for the future. No longer will we hear his friendly earnest voice raised in greeting, or in the Alumni Memorial or First Lutheran Church preaching and exhorting.

Dr. Carlsen is dead, his tired heart finally stilled. Had he rested, perhaps his span of years would have been lengthened. But to such a man rest would have been difficult, if not impossible. There was a message to be delivered, there was a world to win, a world of precious souls. His life was dedicated.

Now was no time for rest. The world was in upheaval, man confused and at the mercy of the godless—except for the power of Christianity which must quickly be brought to bear with all possible force. Men must be brought to Christ and the Church united to carry out more effectively its various programs.

And so we heard him preaching Christ Crucified and the power of the Cross to salvation. He did not adjust his sermons to suit the whims of the people. He preached what man needed and must hear. Now was the time for repentance, not tomorrow. There was often a desperate urgency in his voice as if he sensed that his days were numbered, and perhaps that the days of the world were numbered, too.

The affection Dana and Trinity students and faculty of this era and the past hold for Dr. Carlsen is a matter of individual affections that cannot be measured directly.

But the influence of his years directly involved with the school as synodical president show that his attitude towards the college and seminary was one of great interest and concern that these schools be what they profess to be—centers of Christian Higher Education. Moreover, to his honor and credit, he defended the college against the attacks of those who from time to time depreciated and maligned this institution. We who love Dana and Trinity and that for which they stand, give thanks to God for such a friend and defender.

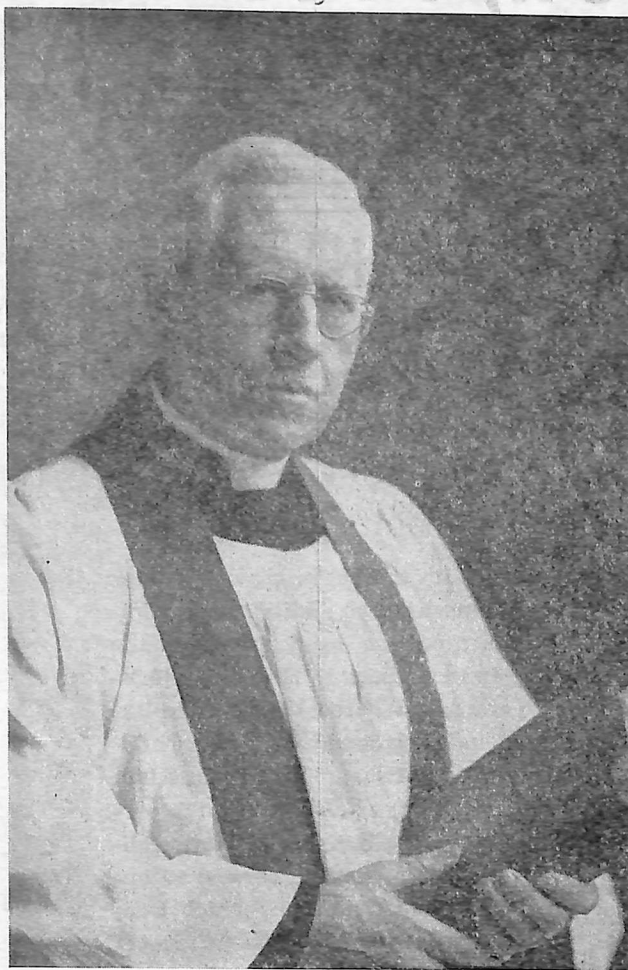

With time the memory of the man may dim or fade, but his example of devotion to duty and his works will long remain, carried on in the actions and deeds of those whose hearts he touched. A pioneer has passed, but God willing, other pioneers will carry on in the selfsame spirit.

A Tribute

Dana and Trinity have lost a loyal and true friend and worker in the death of Dr. N. C. Carlsen. During the twenty-five years of his office as President of our Synod, Dr. Carlsen was ex-officio member of the board of control. During all these years he gave unstintingly of his time and energy in directing the affairs of the college and seminary. He believed implicitly in the program of Christian Higher Education in our church and he carried many a load to strengthen and build our college and seminary into stronger and more effective institutions of Christian Higher Education.

Faculty members and students remember Dr. Carlsen as a frequent and kindly visitor on our campus. He spoke often in Chapel and it was a direct and personal challenge to follow Christ in life. Every progress in our development was watched with keen interest, and he rejoiced as he saw one objective achieved after the other. He was a true friend and a wise counselor. He is gone now, but Dana College and Trinity Seminary will long remember Dr. N. C. Carlsen.

R. E. Morton,

His Life

Dr. N. C. Carlsen was born June 1, 1884, near Hjoerring, Denmark. In 1894 his family emigrated to America. Young Niels pursued the trade of machinist until 1902, when, feeling the call of the ministry, he entered Dana College. Poor health interrupted his studies, but later he was able to continue, and on June 5, 1910, was ordained from Trinity Seminary.

Known as an able leader, he was elected to the vice-presidency of the Synod in 1921. In 1924 he became president, and has been reelected every three years. Since 1930 he has devoted full time to his office and has resided in Blair, leaving frequently on official trips to Europe and all portions of America.

In 1931 he was honored with the degree of Doctor of Divinity by the theological school, Capital University, and in 1936, King Christian X of Denmark conferred on him the order of Knight of Dannebrog.

Surviving Dr. Carlsen are his widow, Caroline Martine Neve Carlsen, ten children, and a brother and sister.

Views of the News

—Jack Christensen

This week it was announced that so far during the fiscal year the government has racked up a deficit of three billion dollars. This when the country is having a high national income and business is doing well. If we can run up a three billion deficit in good times, what is possible in a recession? At least a little humor was injected into the matter when Mr. Truman in a recent speech stated, "A balanced budget can be attained in the future if we continue to practice rigid economy . . ."

During the past week attention has been focused on the proposed hydrogen bomb. Since this is one of the most important events to occur recently, I suppose it should call for a few comments. There certainly wasn't much delay in deciding to go ahead with the project. I suppose in the light of the present state of world affairs it was the only decision to make. However it is the very inevitableness of the decision which is so disturbing. The world seems intent on rushing headlong in an armaments race without so much as an attempt to slow down.

Throughout history great empires have been built only to shine for awhile and then disintegrate. We have read of the rise and fall of such civilizations as Egypt, Greece and Rome. Today we are witnessing another empire on the downgrade viz. Great Britain. One could cite various causes and reasons for the downfall of these nations, but I believe there is one common defect which is perhaps inherent in a fairly advanced nation. It would appear that when an empire attains through sacrifice and enterprise a comparatively high standard of living, the following generations are content to rest on the laurels of their forefathers and the diminishing frontier conditions allow the people to become soft and degenerate morally and spiritually. Is America on the downgrade?

STUDENT SPOTLIGHT

Mumm; F.B.I. Agent in Nile Harem
ELVA JENSEN

This week's campus spotlight is shining on Roy Forrest Mumm, who is president of the Men's Hall. This tall, blond, bare-topped (if you'll pardon the expression) man was born in Staplehurst, Nebr., and had a very exciting childhood in Staplehurst ending in his graduation from Staplehurst High. Mrs. Hans Mumm's little boy was born on May 27, 1919, but little did she realize that when he was grown he would become a member of the "military branch of the F. B. I." (Military Police, that is, and the quotes are Roy's) when he joined the U. S. Army in 1941. During his five year sojourn in the army, Roy served overseas in Egypt, and says his only regret at leaving there was that he had to leave his harem behind. (Somehow, I just can't believe that Roy had a harem!)

Roy, who first came to Dana the second semester of the 46-47 school year, was the president of the Pre-Sem Club last year, which indicates that his future plans are wrapped up in the ministry. His major is psychology, while English and Christianity make up his minors.

When asked if he is still from Staplehurst he said yes, but that he is from Jacksonville, Ia., too. It seems that when he graduated from Staplehurst High he went to work on a farm in Iowa belonging to "Connie's girl friend's father." (Honest, Jeanne, that is exactly what he said!) So that is how he comes to be from Iowa, too.

Some of the more noticeable characteristics about this week's personality are his red plaid cap, his black Ford convertible, and his blond crew-cut. I'm sure that you won't be able to miss him if you ever see him.

A Rose By Any Name . . .

—Dorothy Petersen

—Carol Petersen

"Is it a flower? No, maybe it's a haystack! Just what is it anyway?"

People wonder about modern interpretive art. Some do not try to understand it, some pretend to, others honestly appreciate it. Perhaps no one can understand a work other than its creator, and even he sometimes cannot explain it in detail.

In the library, some of the creative work of Dana's art students is on display. These pieces were selected by the Rev. F. W. Thomsen to represent the first semester's work of the free-hand drawing class. Some of it is still-life, while even more is imaginative interpretation. Students were allowed to portray their moods in their own way. Criticism was given in dark and light, and composition, but not in individual style. One assignment included the study of various emotions such as fear, hate, anger, and love. Sometimes the students varied, widely in their interpretations of a single emotion. For instance, to one, love was red, rose, and black in color, to another, pink, blue, and light yellow. Several studies of this type are in the library display. They include "Power," "Hate," and "Inspiration." Rev. Thomsen or some of the art students would be glad to explain these interpretations to anyone who is interested.

During this semester, the art students will choose projects and work on them individually in addition to class-room studies. These projects will be done in the various mediums—oil, pastel, water-color, and charcoal.

L. S. A. Elects Presidents

(RN) Silas Kaldahl and Jeanne Ardis Nielsen, both of Harlan, Ia., were elected president and secretary, respectively, of the Dana Chapter of the LSA at a recent business meeting.

LSA officers for the new school year will be elected during the spring semester following adoption of an amendment of the organization's constitution. This will eliminate the necessity of having two separate elections as has been the case in the past.

Rev. C. G. Lygre Tells of Zululand Experience

(RN) Missionary experiences in Zululand during the years 1944-48 formed the basis of a talk during the LSA program on Jan. 25. The Rev. C. Gerald Lygre of Our Savior's Lutheran Church, Omaha, told of his work among the natives of northeast Natal, Union of South Africa.

Difficulty in bringing the Gospel and raising the standard of living of the people was met in the form of ignorance, superstition, apathy and witch doctors, said Rev. Lygre.

"Bless Me, O Jehovah," a choral by Bach, was sung by a mixed quartet composed of Delores Barnett, Lillian Nielsen, Paul Jersild and Lloyd Bansen during the program.

BUNGLINGS By BECK

I would imagine that one of the largest fears that can face a coach after a few exceptional seasons is the fear that the following year there will be nothing left. This shouldn't be vexing Coach Paul "Pete" Peterson's sleep, however, for from all indications, NIAA supremacy will miss "Shorty" Youmans, "Murph" Clements, Lyle Morgensen, and "Bud" Robinson, but I don't think that their graduation will greatly hurt Dana's NIAA championship hopes next year.

With experienced players like Bob Nelson, "Bun" Lorensen, Paul Laursen, Harold McKercher, "Dingle" Conklin, Russ Eckert, and Ralph Fabricius, together with additions from this year's "B" squad, Pete should rest quite well.

Then, too, if big Kenny Christensen, through hard training, can develop as may be expected, he will, in more than one way, be a big asset to the Vikes. Kenny has shown marked improvement this year, and with the needed seasoning and training, and the confidence that comes with it, his 6'10" could easily make him one of the top menaces under the NIAA buckets.

Well, this spring many of us will heave a great sigh of relief as we see the new athletic field taking shape. It's going to make things a great deal easier for the Viking Trackmen this spring. And to think that it was done partly through the corn project! Even if some of the athletes (WHOM IT WILL MOST BENEFIT) had to stay away from the cornfields due to basketball practice. I'm sure that the letter to the editor some time ago, which remarked at the absence of some of them, caused our athletes to blush red with shame.

Vikings Smash Four NIAA Foes

Intramurals--

By John Hansen

MADCATS—22 ROBOTS—20 WILDCATS—20 WAGS—13

In the surprise game of the season thus far, the Madcats squeezed out a narrow victory over the Robots. The score stood 22-20 when the final whistle sounded, but it was nip and tuck all the way. Bob Hansen garnered 9 counters for the losers. Bill Hansen and Vaughn Christensen each got 8 points for the Madcats.

SEMS—31 HERMITS—15
Bad luck continued to dog the Hermits as they dropped one to the Sems. The Hermits were never in contention and the final score stood 31-15. Levine led the Seminary with 22 points. "Antelope" Christensen got 5 for the Hermits.

WHIPPETS—37 MAGGOTS—15
The Whippets, led by Gene Mengers, swept to a 37-15 victory over the unfortunate Maggots. The winners got 22 points in the second half while the losers could only claim 5 points. Mengers tallied 13 points for the Whippets and Rodney Knudsen dunked in 10 for the Maggots.

SEMS—36 MAGGOTS—22
Bouncing back from a victory over the Hermits, the Sems marched to victory over the Maggots 36-22. Levine again led the Sems by chalking up 14 points while Ron Mingus dropped in 12 counters.

ROBOTS—53 HERMITS—10
After suffering a two-point defeat at the hands of the Madcats, the Robots thundered by the humbled Hermits. The Robots seemed to score almost at will. Prexy Jim Hansen scored 15 points for the winners and Paul Jersild got 4 points for the losers.

The Wildcats upped their win-loss percentage to .500 when they overcame the Wags 20-13. Laymen again was on top for the 'Cats with 7 counters. Neil Hansen and Fred Reinke each potted 4 points for the Wags.

100-ACES—19 MOEHUNCHERS—10
In the first game of the second semester, the 100-Aces downed the Moehunchers 19-10. John Beck led the winners with 7 points while Howard Romer was high scorer for the losers with 4 points. Halftime score was 7-5, the Aces leading.

ODD FELLOWS—51 WILDCATS—20
The Odd Fellows trounced the Wildcats 51-20 in the second game of the new semester. Leading 23-4 at halftime, the Odd Fellows continued to pile up points. Butch Hansen collected 13 points for the Fellows while Don Glazier made 7 for the Wildcats.

WILDCATS—28 MOEHUNCHERS—24
Utilizing a 2-point halftime lead, the Wildcats, paced by Wilbur Layman, beat the Moehunchers 28-24. Layman hit 9 points for the winners while Eddie Hansen and "Tiny" Hofstrom each made 6 for the losers.

100-ACES—30 WAGS—20
The 100-Aces with John Beck and Lennie Christensen downed the Wags to the tune of 30-20. Beck and Lenie each got 10 points for the Aces while Neil Hansen made 13 for the Wags. The Aces led at the half, 21-12.

Review Herald Photo

Luther's Lyman Lundeen (74) fails to stop Dana's Jim Youmans from scoring.

Dana Gains Three Game Edge By Defeating Luther

By Jack Kitterman

Coach Paul Peterson's Vikings from Dana Hill upset the Omaha World-Herald dope bucket by downing Luther Saturday night, February 4, 53 to 47.

It was a tightly contested game with Dana boasting a slim 27 to 23 half time lead. The second half was a nip and tuck affair with Luther challenging at all times. The "Vikes" did not ice the victory until the dying moments of the game.

Wilbur Clements led the Dana scoring with 13 points, followed by Nelson with 11 and Robinson and Lorensen with 10 each. Boquist showed the way for Luther with 15 markers.

BOX SCORE

DANA				
	FG	FT	F	TP
Lorensen	3	4-6	3	10
Morgensen	1	0-0	0	2
Robinson	3	4-4	2	10
McKercher	2	1-3	5	5
Youmans	1	0-0	5	2
Nelson	4	3-5	4	11
Clements	4	5-8	3	13
Laursen	0	0-0	1	0
Totals	18	17-26	21	53

Dana 49, Fairbury 36

Dana stretched its NIAA lead to two full games by storming by Fairbury Tuesday night, Jan. 31, 49-36.

The invading Vikings stormed to a 26 to 10 advantage at half time and then coasted easily the rest of the way to their fifth straight conference win.

Dana's scoring was very well balanced with McKercher, Robinson and Youmans leading the pack. Fairbury's center, high scoring Dale Walker, nabbed the evening's high schoring laurels by canning 16 markers. His only real assistance came from Wendell Plies, who added 7 points to the lost Bomber cause.

Dana 85, Neb. Cent. 25

Coach Paul Peterson's Vikings showed a home town crowd why they are leading the NIAA Conference Basketball race, January 28, by snowing under a hapless Nebraska Central Five, 85 to 25.

Central's undermanned team was never in contention after the first minutes. The rampaging Vikes raced to a 37-14 half time lead.

The balanced scoring of the Dana club was the high light of the game. Bun Lorensen led with 15 counters, McKercher and Nelson each posted 14 markers and Morgansen helped with 11 points. Madison and Everett led Nebraska Central with 7 points each.

Intramural Standing

Team	Wins	Losses
"B" Squad	3	0
Robots	4	1
Odd Fellows	3	1
100-Aces	3	1
Madcats	2	2
Whippets	2	2
Wildcats	2	2
Sems	2	1
Maggots	1	3
Wags	1	3
Moehunchers	0	3
Hermits	0	4

WAA Tournament Completed

The W.A.A. Basketball Tournament was won by team No. III whose captain was Norma Nielson. The second place was won by Lois Petersen's team, No. II. Another tournament is planned for the near future.

Tournament Standings:

	Won	Lost	Pts.	Opp.
Nielson's	3	0	108	68
Petersen's	2	1	89	91
Crees's	1	2	98	99
Voetmann's	0	3	55	92

The "Ragg-Mopps," a newly organized girls' basketball team, met the "100-Aces" and the "Hermits" in two exciting games. The "Ragg-Mopps" were defeated by the "100-Aces," 31-21; and also by the "Hermits," 19-16.

Westmar Spanks Dana, 68-36

Dana's Vikings stepped out of the conference race, Jan. 25, and were soundly trounced by Westmar's sky-scraping basketeers, 68 to 36.

The Westmar Five proved that their previous win over the Viking Five was no fluke as they mowed down the Danes in methodical fashion.

Harold McKercher gathered in 10 points for the Vikings while Gunnick and Grothous led Westmar with 16 counters each.

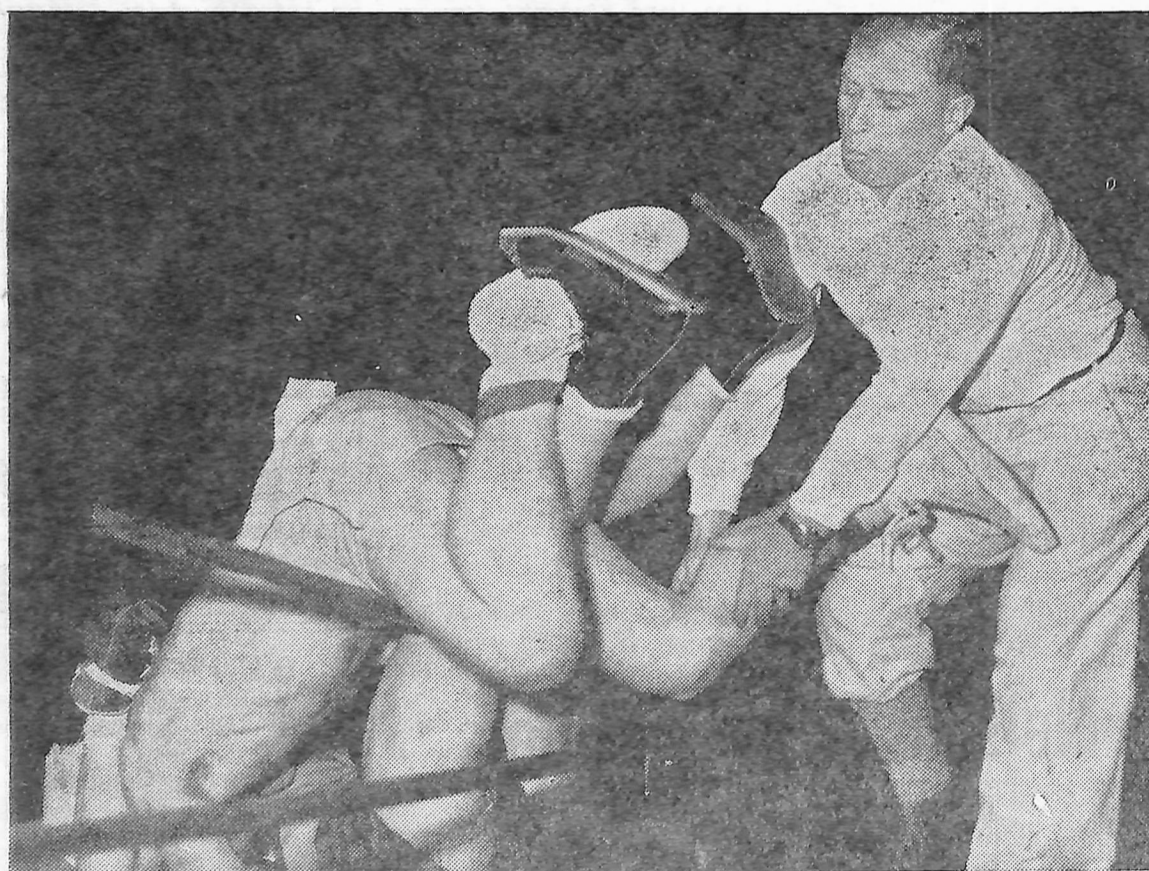

Dana 45, Norfolk 39

Dana's Vikings climbed on top of the heap of the NIAA Conference race, Jan. 21, by tripping Norfolk, 45-39.

Coach Peterson's quintet were red hot as they roared to a 30-18 half time advantage. The sharp edge of their shooting eyes seemed dulled during the second half but their early lead enabled them to squeeze through to the victory.

Bud Robinson led the Dana scoring with 16 points, 13 of these coming during the first half. Blakeman was high for Norfolk with 10 markers.

"Don't Fence Me In..."

Referee attempts to hold Rod Gilchrist and oponent from toppling out of ring.

Photo Courtesy of Non Pareil, Council Bluffs

The newest sport on the campus, boxing, represented itself well in the Council Bluffs Golden Gloves Tournament, January 25, 26.

Rod Gilchrist, letterman guard on the football team, lost a nar-

row decision to Dale Moran, who later easily won the welter weight championship. It was Gilchrist's first time in the ring, but he looked good against his ring-wise opponent. Gilchrist belted Moran through the ropes in the third

stanza, but he tired greatly at the end.

Dana's team championship was greatly hindered when Harold and Howard Romer were unable to compete in the tourney.

Foundation Gets Good Start President Morton Reports

The Dana College Foundation has had a very good start, reports President R. E. Morton, Executive Secretary-Treasurer. There are now 143 members from 14 states and Canada in the Foundation, of whom 118 joined since its launching early in December of last year; the other 25 members are those who contributed to the Foundation after its approval by the 1949 convention of the Church.

As of February 4, the total of annual pledges is \$1,755.50, which has been pledged by 111 members. Contributions received to date amount to \$2,545.50. Of this sum, \$1,130.50 has been contributed since the Foundation's launching, and \$1,415.00 prior to that time.

The immediate goal in membership is 1,000 members. One of the more effective methods of securing members is through meetings in areas where there are large numbers of former students. The first of these meetings was held last December 17 when the Washington County Alumni Association held a dinner meeting at the college as guests of the Foundation. President Morton leaves February 19 for the West Coast where similar meetings of alumni groups are planned for Los Angeles, the San Joaquin Valley area, Oakland, San Francisco and Ferndale in California; and Eugene and Portland in Oregon. Alumni in Chicago plan a Foundation rally March 29, and other alumni groups are making preparations for their meetings.

The real strength of the Foundation, President Morton states, is the fact that most of the mem-

bers make annual contributions to the organization. It is not a plan for a single, isolated gift, but contemplates continued contributions year after year.

The Dana Foundation is an organization of alumni and friends of Dana who are personally interested in the program of higher education in the smaller liberal arts colleges of our country, and particularly in Christian Higher Education. Membership in the Foundation is open to anyone who is in sympathy with the ideals of the college, and is not limited to alumni only. Foundation members can designate the project for which their contributions shall be used. Undesignated gifts are used wherever necessary, at the discretion of the Board of Trustees.

Kaj Munk's Works Given by Primate

(DO)—The college library has recently received a 9-volume set of books containing the major works of Kaj Munk, Danish pastor murdered by the Germans during their occupation of Denmark. The set is a gift from Bishop and Mrs. H. Fuglsang-Damgaard, who visited the campus last October. The books, commemoratives of Kaj Munk, are written in Danish.

Our 39th Anniversary Year

Andersen's Recovery Receives Setback; Operation Required

(RN)—The recovery of Joe Andersen from injuries suffered in an automobile accident has received a setback. Hopes for a rapid mending of the leg fracture were darkened when it was discovered that the metal plate which was placed around the fracture was composed of two different metals. The presence of the two metals resulted in an electrolysis effect which prevented the proper knitting of the bones. Another operation will be required.

The seminary junior is in the V. A. hospital in Lincoln.

Seventy Subscribers Added to HERMES

(RW) Approximately seventy new names have recently been added to the Hermes mailing list. These new names represent those who have pledged and contributed ten dollars or more per year as members of the newly formed Dana College Foundation. Under a group subscription plan with Hermes, these contributors receive this paper through the Foundation. Several additional

subscriptions have also been obtained from interested non-members.
