Blair, Nebr.

Dr. Kiyoshi Hirai Coming to Dana

Guest speaker on the campus Oct. 3 will be Rev. Kiyoshi Hirai.

Rev. Hirai, a native of Japan, received his B.A. degree from Lenoir-Rhyne college at Hickory, N. C. He is also a graduate of Lutheran Theological seminary in Philadelphia, Penn., and continued his studies at the University of Leipzig, Germany. Rev. Hirai received his master's degree from the University of Pennsylvania.

Since that time Rev. Hirai has served as pastor of the Evangelical Lutheran church in Japan, later becoming president of that body. He has also served as executive secretary of the Japan Bible society in Tokyo. In 1952 the Japanese Lutheran church sent Rev. Hirai as delegate to the Assembly of the Lutheran World Federation in Hannover, Germany.

Rev. Hirai will speak at chapel service on Friday morning, and in the afternoon will be available for informal discussion. He will again speak at 7:30 p.m. Friday in Pioneer Memorial.

Play Cast Named By Viking Players

"Through The Keyhole", a comedy in three parts by William F. Davidson, will be presented by the Viking players on Saturday, Nov. 1, at 8 p.m. in the Dana auditorium.

The play revolves around seven young people and foxy Grandma Tierney. A charming young actress, who poses as a French maid, is an aggressive though attractive girl who is bent on marrying Jim Tierney. All the characters are interestingly dramatized.

The cast includes Joyce Hayek as Grandma Tierney; Gunnar Mengers as William, the brother; Joyce Petersen as Joan, the French maid; Eleanor Larsen as Genevieve Van Camp, a friend of the Tierneys; Wayne Hansen as Archie Van Camp, her brother; Dorothy Landbo as Mary Tierney; Phillip Pagel as Jim Tierney; and James Clemon as George Allen, a friend of Jim's.

Big-Little Sister Tea to Be Sunday

As has been the tradition in the past, the "big sisters" will again hold a tea for their Dana "little sisters."

This tea has been an annual event for many years here at Dana. Before each new school year all returning girls are given the name of a new girl that will be attending Dana in the fall. These girls become acquainted through letters during the summer and the new girl learns a little about what she can expect when she comes to Dana. When the girls arrive, their "big sisters" help them get settled and acquainted.

The "big sisters" will arrange to call for their "little sisters" and take them to the tea. This big event will take place on Sunday, Sept. 28, at 3 p.m. in the women's reception room.

Campus Calendar

- Sept. 26—Choir sings, Omaha Tech. high school, 7:30 p.m.
- Sept. 27—Parsons game, there.
- Sept. 27—All school party, gym, 8 p.m.
- Sept. 28—Big sister-little sister tea, women's reception room, 3 p.m.
- Oct. 3—Rev. Hirai, P.M. chapel, 7:30 p.m.
- Oct. 4—Freshman talent show, gym, 8 p.m.

Freshmen to Present Command Performance

The date of the Freshmen Talent show, which was originally set for Saturday evening Sept. 27, has been changed to Oct. 4. So at 8 p.m. on the 4th, the curtain will go up on the 1952 show. "Command Performance" is the theme for this year's program, and from the looks of the rehearsals it shows promise of real success.

Included in the program are vocal and instrumental solos, comedy routines, quartets and a variety of other acts. The freshmen have really responded to the call for talent and have willingly given their time to make it a hit.

The planning committee has just released more information as to the stage. It will be transformed into a throne room where the various acts will be presented as a command performance for the king and queen.

The publicity department has taken care of the advertising, and if you haven't already, you will soon see posters and signs giving more detailed information as to the type of entertainment planned. They have also announced that the show will be open to the public as well as the student body. An admission price of 10 cents per person will be charged.

Make sure you have an extra dime on hand next Saturday night, because that dime will buy you a good solid hour of some of the best entertainment. Hope to see you all there, and "good luck freshmen."

Phil Pagel

Student Council Obtains Office

The student council has a new room in which to hold its meetings. Room 304 in Old Main has been set aside for the joint use of the Viking players and the council. This will enable the council to keep more permanent records and files; in addition to furnishing a more concrete base of operation. This year a complete file is to be kept on all functions of the student body, with more emphasis being placed on system and organization than in the past.

No definite projects are being planned by the council as yet, but there are several left over from last year.

One of the things that will probably be accomplished is the erection of a new entrance marker to replace the old "Dana" sign on the corner of the campus.

Work on the student lounge will probably be finished this year. When fully completed, this lounge will be a fine place to relax, watch television or entertain visitors. It has already been in use for quite some time, and there are just a few things still lacking, such as drapes and pictures.

Blair High Band To Lead Parade

"The Future—Our Opportunity" will be the theme of the 1952 Dana-Trinity homecoming, Oct. 10 through 12 at Dana college.

A parade of floats, led by the Blair high school marching band will begin Friday, Oct. 10, at 3 p.m. from college hill to the downtown area and back. Windows in the Blair stores will be decorated for the event by the merchants of the Chamber of Commerce, according to word received from the president.

The Alumni association has planned a luncheon to follow their Saturday morning business session, at the First Methodist church. Also get-togethers for male graduates and female graduates have been planned for the afternoon.

The Friday night game, Dana vs. York, will be followed by a "Kaffebord" in the dining hall. Prizes for winning floats and the crowning of the queen will be held during half time at the game.

Dr. Clemon M. Granskou, president of St. Olaf college, Northfield, Minn., will be the guest speaker at the banquet Saturday evening in the auditorium.

(Continued to page 4)

Spiritual Emphasis Speaker Secured

Rev. George Robertson of Royal, Iowa, will be the speaker for Spiritual Emphasis days to be held Oct. 19 through 22. Before going to Royal this summer he served the Olivet Lutheran church at Los Angeles, and was active in youth work and Bible camps.

"Finding Footholds For Faith", will be Pastor Robertson's general theme. The topics of his evening meditations will be: "The Path to Peace," "The Path to Purity," "The Path to Poise" and "The Path to Power." His morning service topics will be "Infinite God, How Right You Are"; "Infinite God, How Merciful You Are!"; "Infinite God, How Mighty You Are!"

Thy Word Is Like a Garden, Lord Current Topics

Philip Jorgensen

In Revelation 1:3, we read: "Blessed is he that readeth, and they that hear the words of this prophecy, and keep the things which are written therein: for the time is at hand."

Intimate association is necessary for growth in love. Listening repeatedly to a beautiful piece of music brings out the beautiful melody and the intriguing harmonies. Repeated reading of a great poem also brings out the beauty of the writing. In the same manner the Bible can be truly loved by only those who read the Bible daily. Repeated reading of the Bible is necessary to bring out the beauty of the teachings which have been written for us.

The Word of God is also to be heard at God's house. We must go to church every Sunday in order to hear and appreciate God's word more fully. The word of God is most beautiful and sweet. "How sweet are thy words unto my taste! Yea, sweeter than honey to my mouth!" Psalm 119:103.

"Thy word is like a garden, Lord, with flowers rich and fair, and everyone who seeks may pluck a lovely cluster there. Thy word is like a deep, deep mine; and jewels rich and rare are hidden in its mighty depths for every searcher there."

These beautiful words contained in the Bible must be kept also. "Keep the things which are written therein: for the time is at hand." Grow in the love of the Bible.

Ann Harms

The Archbishop of Canterbury, the Rev. Geoffrey Francis Fisher, left the United States last week with these parting words: "Television is a mass-produced form of education which is potentially one of the greatest dangers of the world." The world, he said, would have been a happier place if television had never been discovered.

Should Western Germany Be Rearmed?

Pro - Fred Reinke

The question should not be put "Should Germany be rearmed?" but rather "can we afford not to rearm them?" A situation exists in which we need the German people as a nation at full strength both economically and militarily to stop Russian aggression.

Germany is the center of European culture and economy whether France, England, or the United States prefer to recognize this fact or not. Right now we are trading with Germany, and we recognize them as an integral part of our economy. The geographical situation of the German nation leads us to believe that any invasion of Europe will be curtailed within the boundaries of Western Germany or not at all. France and England recognize this fact and yet many Europeans are still afraid of German aggression although Hitlerism is dead and Germany is far from being a world power.

This fear, which in my estimation is senseless, can cause grave consequences in our plans for halting Communist aggression. We need to build a feeling of

Choir to Sing At Omaha Meeting

Under the auspices of the Omaha Council of Churches, Dr. E. Stanley Jones of India will speak in the Omaha Technical high school Friday at 7:30 p.m. His topic is "The Next Great Step, A United Church."

Dr. Jones is prominent in the movement of church unity and known and loved throughout America and India.

Music will be furnished by the Dana a capella choir, making its first public appearance of the year.

Con - Floyd Jorgensen

Have we, as a nation, that calls itself Christian, forgotten the very purpose for which we were put into this world? It seems that in a consideration of the problem of rearming Germany, our consideration is devoid of the will of God. Let's face the reality of what would happen if Germany was rearmed. We must realize that the policy of rearming Germany "could result in the rebirth of German militarism, and the return in their former capacity of the generals of the Wehrmacht which caused the unhappiness of Germany and Europe."

Let's not kid ourselves into believing that everything our government does is right. The people of the world are watching to see if America acts from principle or from expediency, and let's wake up to this fact now, before it is too late.

We must realize that we cannot change the ideas of men with the point of a gun. The threat of Communism will not be halted by rearming Germany. It will only tend to give the people of the world a feeling of greater insecurity. The world cries for leadership, for it is only the voice of conviction and truth that is going to save us. We have that truth, now let us have the conviction and go forth with the Word of God. We must not fail our brethren again. Now is the time to go forth, tomorrow may be too late. It is a sad reality that leadership may pass on to others, no matter how perverted and false their principles might be. And we realize that the Logos can utilize a false prophet for better than no prophet at all. Therefore, let us press the battle to victory with the weapon with which God has given us to win it. "The truth shall make you free." John 8:32. Let us learn from Christ how to love our neighbor as ourselves and treat them as equals.

Dana

A Freshman's Impression

Phyllis Bloxom

For a long time Dana has meant catalogs, application blanks, ten-dollar registration fees and plans to over a hundred of us new students. Suddenly, as if it always were, it became a part of us. Already certain faces are so familiar to us that it is hard to imagine they were ever new.

I really doubt that it would be possible to feel as "included" in three weeks at any other type of school as freshmen are made to feel at Dana. I don't need to say anything about it, but I want, at least, to mention the genuine friendliness that will always seem to me a part of this school. I was rather surprised the first time an upperclassman approached me and asked my name and where I was from. Soon it was as natural as anything to have someone say, "I don't believe I know your name."

That atmosphere is carried over into every phase of school life. The canteen is always full of fun and talk. Even classes have that friendliness. It seems that the individual is given a

great deal of consideration. I was glad to find the classes not wholly comprised of lectures. It is good to have a chance to express yourself through discussion.

An idea or a fad is contagious in this school. We are all so closely knit that as soon as something gets started it goes like wildfire. For instance, the bed stripping, etc., that's gone on in both dorms.

It's the same with things of a more serious nature, too. Chapel is really a result of the same thing. Attending chapel services is accepted as the only thing to do at 9:40, but the wonderful way the hymns are sung proves that chapel is not just "routine." It is a part of the day.

This is how I feel about Dana, and I don't think I'm under any illusions. I heard an upperclassman say something to the effect that each fall now for three years he has found himself at Dana. He said, "It kind of gets under your skin." We are all learning what he meant.

Gridiron Gleanings

by Diz

Future foresight . . .

Going into the third week of the gridiron season, the outlook appears bright for the Dana Vikings. Results of last week's activity bring out the picture more fully as far as the CCCC is concerned.

Losses suffered by Concordia at the hands of Midland 21-7 and by York, who was defeated 20-7 by Friends university, seem to indicate a conference title for the Vikes. Barring injuries and overconfidence, Dana will be tough to beat now with one conference win on the ledger.

Rule changes. . . .

There have been a few rule changes made for the 1952 football season. Among these the one on clipping will give the most trouble. This year clipping is charged against any team if it is caught blocking from behind.

Other changes include mandatory ejection from the contest in the case of personal fouls, penalty and timeout charged against a team making a substitution while the clock is running, and labeling the passer a ball carrier until the pass is either caught, intercepted or grounded. The last one affords more protection for the forward passer.

Linemen of the week. . .

This week we are nominating two lineman for the honor. Both men played their position well, leading the Dana attack defensively. Vaughn Christensen, 160-

pound guard, and Jim Kruse, 140-pound end, share this week's award.

Playing his guard spot terrifically, Vaughn not only helped lead his team defensively, but also in morale, continually talking it up from his position in the side of the line.

A converted halfback, Jim managed to steal his way into the Tarkio secondary many times to bring down an opposing ballcarrier. In the third quarter, he made a sensational tackle to drop the ball carrier for a loss.

Back of the Week. . .

A threat both on offense and defense, Marion Hudson came into his own as a halfback last week. Early in the third period, Marion took a pass from Jim Thomsen and scooted 60 yards for Dana's second touchdown. Besides this, he reeled off huge chunks of yardage. His defensive work was superb as he frequently spotted an opposing ball carrier while backing up the line.

Promising Gridders. . . .

Listed on the team roster are six freshmen who have been seeing plenty of action in the games so far. Douglas Johnson and Lloyd McComb, ends; Don Kruse, guard; Lee Weismann, tackle; and James Thomsen and Marvin Gress, backs, have been getting good experience and should be fine material with which to build future teams.

Eight Balls: LaVerne Chandler, captain; Carole Henningsen, Dagmar Steffensen, Nancy Brown, Clarice Fredricksen, Betty Placek, Dixie Allen, Arlene Miller and Margie Hooks.

VIKweens: Margaret Eriksen, captain. Marilyn Korshoj, Cora Steen, Barbara Petersen, Margaret Christiansen, Diane Petersen, Patsy Baker, Mary Jacobsen and Carol Larsen.

Rockettes: Marion Nielsen, captain, Jane Petersen, Bernice Christensen, Ann Jessen, Marilyn Nielsen, Bonny Hansen, Helen Johansen, Dorothy Vorthman and Dorothy Landbo.

Vikings Blank Tarkio For First Victory, 26-0

A wet and slippery field was no handicap to the Vikings as they blanked Tarkio last Friday night, 26-0.

The win enabled the Vikes to successfully bid for a conference championship and also uphold the record of never having lost to Tarkio on Dana's home field.

The Vikes opened scoring in the first period on an 11-yard pass play from Jim Thomsen to Doug Johnson. Thomsen then kicked the extra point. Later in the period an apparent Tarkio score was halted by a hard-charging line, and the half ended 7-0.

Soon after intermission, another Thomsen aerial found its way to paydirt. Marion Hudson was on the receiving end of the toss and romped into the end zone untouched. The play covered 60 yards. Thomsen's attempted conversion fell short.

Quickly the Vikes struck again when Neil Moore gathered in an Owl punt, reversed his field and galloped 52 yards into the end zone. Thomsen kicked the extra point to give Dana a safe 20-0 lead.

Late in the game with Tarkio on the march, Jim Thomsen stole an Owl pass and sped 83 yards for the final tally of the game. The try for extra point failed, leaving Dana ahead 26-0.

All the Vikings' backs had their moments, and the defense, led by Jim Kruse and Vaughn Christensen was especially formidable when Tarkio threatened to score.

Dana to Face Iowans Saturday

Saturday the Vikings journey to Fairfield, Iowa, where they invade Parsons college. The team will be out for revenge, having lost 31-13 to the Wildcats last fall. Parsons, having lost their opening game last week, will be out for victory number one, whereas Dana, now with one win, aims to make it two in a row.

With no injuries resulting from the Tarkio contest, The Red and White will enter this tilt in good condition. Paul Jorgensen should be ready to take over his left tackle position after a week's rest. With "Jorgy" back in the lineup and the team morale high the Vikings will be up for the game.

Among veterans of last year's tussle are Jim Wright and Frank McClurg, who will be the mainstays of the Wildcats' backfield. Jim Wright and Frank McClurg. A number of seasoned campaigners from last year form the nucleus of the host team forward wall. Dana footballers who receive their second crack at Parsons include Neil Moore, Jim Kruse, Gary Hansen, Paul Jorgensen, Dave Nuland, Vordyn Nelson and Vaughn Christensen.

Softball Tops

With the Women

Softball began Sep. 16 and will be played every Tuesday and Thursday afternoons until Oct. 7, when the playoffs begin. Winners the first week were the Vi Kweens and the 8 Balls, each team winning both of their games.

Extensive plans have been completed, and the WAA schedule indicates a busy season is ahead for the club. New sports to be introduced this year include a ping-pong tournament, archery and badminton. An initiation of all new members is also being planned to be held shortly after homecoming.

Aiming to be one of the most active organizations on campus, the WAA began their softball season recently. The following teams are vying for the first WAA trophy ever awarded.

Dizzy Danes: Joan Nelson, captain, Joyce Hayek, Helen Christiansen, Caroline Christensen, Edna Skobo, Mary Speck, Marilyn Andersen, Martha Jacobsen and Roma Geisler.

New Books Added to Library

Students at Dana college and Trinity seminary now have access to a large number of new books purchased during the summer. Also many books have been given to the college by various organizations. These books were also added toward the end of the '51-'52 school year and through the summer.

The contribution of the Literary club of last year consists of Volumes I through XIV of "Thor-eau's Writings." Also Volumes I through III of "Selected Plays by Bernard Shaw." These books are an excellent addition.

The '51-'52 History club gave a set of rebound "History for Ready Reference" books, Volume I through VII. Received also from the History club was a four-volume set of "The Diary of James K. Polk." Whurton's "Revolutionary Diplomatic Correspondence of the United States," Volumes I through VI, and Hul-

bert's "Historic Highways", Volumes I through XVI, are also gifts from the History club.

The class of '51 bought for Dana's fine collection, "Dictionary of National Biographies," Volumes I through XXII and three supplements which will fill a great need.

The following is a list of the fields and the number of the books received in these fields the latter part of last year and during the summer. Some of these books were purchased by Dana and some were received as miscellaneous gifts: reference books, 31 volumes; fiction, 22 volumes; philosophy and psychology, 29 volumes; religion, 14 volumes; political science, 51 volumes; pure science, 21 volumes; useful arts, 19 volumes; fine arts, 45 volumes; literature, 28 volumes; descriptive travel and history, 44 volumes; and biographies, 60 volumes.

Phi Epsilon Delta Elect New Officers

Active again on the campus is the Phi Epsilon Delta, commonly called the physical education club. Organized last year "to satisfy the social needs of the physical education majors as a group," it is continuing its work this term. Officers who were recently elected are: Vaughn Christensen, president; Bud Johnson, vice-president; Jack Allen, secretary-treasurer; and Ingvert Appel, sergeant-at-arms.

With long-range views in mind, this club exists not only for physical education majors, but also for those actively interested in sports. Included among the things it sponsored last year were rides to ball games, a boxing show which attracted many fight fans and the acquisition of a club house.

Rearmament-Con

(Continued from page 2)

While attending the Quadrennial Mission conference, held at Lawrence, Kans., during the Christmas vacation of 1951, the whole atmosphere was filled with an air of insecurity and doubt of the intentions of our government for sending a police force to the foreign lands, and the citizens of these countries were very bitter toward our whole materialistic approach: "We will help you for something in return." They want help in getting food, clothing, hospital care and above all the Gospel of Jesus Christ. Will we fail them and send them articles of war instead? Our decision in Germany will affect not only Europe but also all of the world.

oneness and a sense of cooperation among these nations, without which Europe provides easy prey for a modern army. We need a German army sovereign in all respects commanded by a military genius such as was Rommel during the last war.

I venture to say that many of our western leaders dream of having a bulwark of 15 or 20 German divisions such as saw action during the last war, and before long we may call upon the ghosts of German militarism (which we have stamped as evil) to rise again and pull our chestnuts out of the fire.

Musical numbers, and a quartet from Omaha, the Echoes of Joy, will precede Dr. Granskou's address. The choir reunion will climax the evening's program.

Sunday morning church services will be held in the auditorium sponsored by the seminary. First Lutheran will share in the service.

News Flash - -

Mrs. Grace Brewster, Washington county health nurse, has been secured to serve in a part time capacity as school nurse. Mrs. Brewster replaces Mary Hill, who was unable to come because of tragedy in her home. The hours which the nurse will be available are posted in the men's and women's dormitories.

At a recent class meeting the following freshmen officers were elected: Bill Bennett, president; Gordon Christiansen, vice-president; Ann Jessen, secretary; and Dick Jensen, treasurer.
