

Seminary Plans Combined Meeting

Dean Theodore I. Jensen has revealed that a combined meeting of the Trinity seminary student body and faculty will be held next Tuesday at 8 p.m. in the PM conference room. Dr. C. B. Larsen, professor of New Testament theology, will deliver a lecture and lead a discussion of a theological subject.

According to Prof. Jensen, the purpose of the bi-annual meeting is to stimulate thinking on problems relating to the ministry in an informal atmosphere and to promote good relations between the faculty and students.

Refreshments will be served following the meeting.

WAA Slates Box Social

Dana's W.A.A. is planning a box social to be held Saturday, March 6 in the Auditorium-gymnasium. Square dancing will be a feature of the evening. The social will be open to students from both the college and seminary as well as faculty members and their wives, according to chairman Edith Skobo.

Although the W.A.A. sponsored a Valentine day box social last year, the club is not considering making an annual occurrence of the event.

Proceeds from the social will be used for purchasing W.A.A. awards. In preparation for the event, W.A.A. president Mary Jacobsen urges, "Get started on your boxes now—but keep it secret!"

'It Is the Friendliness . . .'

Popular Korean Student Likes America, But Has Good Reason to Miss Seoul

The student who traveled the greatest distance to attend Dana is Young Soon Chyung from Pusan, Korea. He is studying here

Young Soon Chyung . . . impressed by the friendliness.

under a scholarship provided by the Blair Rotary club. In addition, the college waived his tuition.

Young was studying at Chosun Christian university when the war broke out. He then worked for three years as a civilian employee of the army.

Majoring in Political Science

Popular Young is majoring in political science and hopes to graduate this year. He is taking national government, business management, English composition and current history.

Classes in Korean schools are held in the same informal atmosphere that they are in America,

he said. He was not surprised to see women playing basketball, for extra-curricular activities are also very similar.

Politically, Young is an ardent supporter of Syngman Rhee and hopes to attain a job in the government on his return to his native land.

Fiancee Waiting

Young is anxious to return home for other reasons, too. Besides having two sisters studying at Chosun, Young's fiancee is waiting for him at the Iwha university School of Music in Seoul.

When asked what things at Dana impressed him most he replied, "It is the friendliness one meets here."

Blair, Nebr.

Friday, Feb. 19, 1954

Recreation Room Open; Council Reports Actions

Student body president Ann Harms in a report on student council action over the past two weeks has announced the opening of the recreation room in the

basement of the Auditorium-gymnasium effective last Wednesday.

Facilities Expanding

Equipment and games including chess, checkers and shuffleboard will be periodically added to the facilities. The room will be open during the day and a voluntary supervisor will be on duty from 7 to 10 p.m. Supervising duties will be at first rotated among student council members but will later be extended to other students.

Outdoor volleyball and possibly other sports will be added in the spring. President Harms stated that if the room is successful plans will be made to add a television set and to open a canteen.

Meeting Held

A meeting was held this morning immediately after chapel period at which time the first semester budget was read and the 2nd semester budget was presented for approval. A report from the memorial plaque committee, John Hansen chairman, was read. (Continued on page 4)

Campus Calendar

Friday, Feb. 19

Basketball there, Dana vs. York. History club film, 7:30 p.m., PM chapel.

Saturday, Feb. 20

Women's basketball here, Dana vs. Omaha Commercial Extension, 7:30 p.m., Auditorium-gymnasium

Monday, Feb. 22

Basketball here, Dana vs. Sioux Falls college.

Tuesday, Feb. 23

Wednesday, Feb. 24

L.S.A., 7:30 p.m., PM chapel.

Friday, Feb. 26

Open House, Men's dorm.

LSA to Hear Physician

Featured speaker at next Wednesday's L.S.A. meeting will be Dr. E. L. MacQuiddy, a leading Omaha physician. His talk, "Medicine and the Bible," is to center around the art of medicine, especially at the time of Christ. Illustrating the talk will be slides and ancient medical instruments.

Scheduled earlier in the year, Dr. MacQuiddy's lecture was at the time postponed due to conflicting events. In announcing the new date for the meeting, Elmer Petersen, president of the L.S.A., emphasized that it should be one of the year's outstanding lectures.

Also listed among the recent social affairs of the organization is the program which the local chapter presented at Midland college last Sunday evening.

Student Council Sponsors Hoedown

A square dance sponsored by the student council was held last Saturday in the Auditorium-gymnasium under a Valentine motif.

Mr. Elmer Dixon, professional caller from Blair, led the students in various square dancing steps. A square composed of Ann Jessen, Loren Hagen, Gaylen and Margaret Hafar, Bette Miller, Kenneth Ostergaard, Edith Skobo and Prof. Olaf Lund performed a few exhibition dances for the participants.

Entertainment in western style was provided by Dale Larsen, Shirley Andersen and Gaylen Hafar. Larsen and Andersen sang "Why Did You Leave Me Alone?" and "Cowpuncher Blues." Hafar sang "When a Cowboy Makes Love" and "My Cross-eyed Gal." Donald Olsen led the group in community singing and announced the program.

Ann Jessen was chairman of the event. Assisting her were Russell Jensen, publicity; Philip Wittig, clean-up; Dorothy Vorthmann, refreshments; and Carol Nielsen, entertainment.

Club Bills Movie 'All My Sons'

"All My Sons," starring Edward G. Robinson and Burt Lancaster will be shown Friday, March 5 in PM chapel by the Literary-Fine Arts club, it was recently announced. Club president Bette Miller says that the story concerns a father who chooses between money and his country, and a son who learns the truth.

The film is rented from United World Films, inc.

Christ Did Not Have Such Good Disciples

When we read in the New Testament about Peter's denial of Christ following the capture and that Christ's top disciples could not stay awake during his bloody vigil, we feel a sense of irritation and almost contempt for them. "Those poor blind fools," we say to ourselves, "couldn't they see what was about to happen? By just remembering all that Jesus had said and done at the Passover feast they should have been able to figure it out. I sure could have done better if I had been a disciple."

Challenge Great

But could we have actually done better? Let us try to imagine a world to which Christ has not yet come. The government, although not to our taste, is not causing us real body harm. Perhaps we have studied at college and are holding jobs that we like. Suddenly a man appears before us and says, "Drop everything and come with me, I need you."

Well, I'll Be Dormed

Maybe this would be more appropriate if titled "Well, I'll Be Bruised." Members of the women's tumbling team can verify that, what say, girls? Shoulders are bruised and bleeding from doing acrobatics upon our willing helpers' knees, but do we stop? No-sir-re-e. Nor do we quail when our vertebrae tinkle like a xylophone from doing flips and flops. And our necks, they're clean, to be sure, but a bit stiff from the shoulder stand. And our heads from the head stand. (All right, maybe you never had a stiff head, but it's possible, anyway.)

Team History

The tumbling team (here comes the history) was organized at the first of the second semester this year. Skog Coachman came down the first few times to give us hints and help. Since then, quite a few have dropped out, but those of us who remain still continue to work on headstands, handstands, cartwheels, twists, rolls, flips, bends, double inverted loops and the three-way gouge, or India-rubber special. Mats are usually laid out on the stage, so we can continue practice behind curtains during basketball practice. And if you hear something strangely like square dance music, it is. But this doesn't bother us;

(Continued on page 4)

Here is a real test. It takes more guts than an ordinary human being has to accept such a challenge. Look in Matt. 4:20. "Immediately they left their nets and followed him." Either we would have said, "Well, give me a few days to think it over," or perhaps have laughed in his face and then forgotten him.

Gospel Becomes Trite

The problem boils down to this. We have heard the story of the crucifixion and resurrection so often that we have never grasped the significance of it. We have missed its great impact. We have made the most revolutionary and dynamic event in history as trivial as George Washington's birthday, so we are quite naturally irritated at the disciples.

Let us ask ourselves again: Could we have done better?

Gunnar Mengers.

Touring Editors Have Gay Time

Russian students are familiar with the American idiom "down the hatch," reports one of seven United States college editors, who recently toured the Soviet Union. The seven editors spent New Year's Eve with students of Moscow university and, according to Dean Schoelkopf, editor of the **University of Minnesota Daily**, welcomed 1954 in true Russian style.

"Festivities started," Schoelkopf reports, "with a musical program in the university auditorium. Following that the seven Americans and a group of Russian students retired to a private midnight supper and a round of toasts.

"The first toast—to world peace, incidentally—was with vodka. There is no sipping the stuff. The Russians were quite familiar with the idiom 'down the hatch,' and were insistent that everyone comply. After that there were more vodka toasts to perfectly innocuous proposals. Then followed toasts with champagne, cognac, wine and beer, in that order. Interspersed with the toasts were rounds of caviar and other Russian dishes."

Four of the seven Americans, Schoelkopf says, had to be helped to bed after the celebration.

From Moscow, the touring editors headed 1,800 miles south to Azerbaijan, one of the 16 Soviet Socialist Republics, and from there to Georgia, Rostov, Yalta, Kiev and Minsk.

Soviet Premier Malenkov turned down the editors' request for a personal interview.

Studies Bible 'Scientifically'

(The **Hermes** recently received a letter from the Rev. Paul Johnsen in Japan. We have chosen to reprint a portion of this letter dealing with a young Japanese acquaintance of the Johnsens. This young man, a student in one of the Japanese universities, first came to the Johnsen home shortly before Christmas to "learn something about the Bible." He was definitely not a Christian, and had marked Communist leanings.)

Interested in Scientific Approach

"As usual I asked that we might bow our heads in prayer. I had no sooner said 'Amen' when this fellow began to argue with me. 'Is this your usual procedure, to offer a prayer to God before you start to study the Bible?' he asked. I explained that it was. 'I did not come to . . . pray to your God, I came to study the scientific approach to the Bible,' he answered. I let him know that he was very welcome to come but I would run the class the way I wanted to. He remained quiet for the rest of the evening.

Thought Only of the Workers

"Then a few days later the Ladies' Aid had a Christmas party. . . . At the beginning, one of the young Christians was asked to lead in prayer. . . . My friend of the Communists came and sat quietly until it came his turn to introduce himself. Self-introductions are very important at such gatherings especially when all the people do not know each other. After many of the students had risen and expressed thanks . . . he rose, looked at me, then at the young Christian who had just prayed and said in a loud voice, 'While you people were praying I was praying for the workers who made these clothes (indicating his student uniform jacket) and for the farmers who work in the fields so we can eat this rice' (pointing to the food before us).

"I told him I also prayed for the workers, but the ultimate thanks goes to God who gives us everything. This fellow has not been back to my class since. I know I shall see him again soon and we will have more discussions. One can readily see how such 'lovers of Communism' feel it is their duty to cause trouble for the rest."

Court Conjecture . . .

by Tom

So far so good . . .

Tarkio 84, Concordia 64. The first of the three upsets necessary for a Viking share in the conference title has occurred. Remaining for the Vikes are wins over Concordia and Tarkio. We recall a 60-58 setback at the hands of Concordia earlier this season. Playing host to the Bulldogs, Dana has an excellent chance to avenge this earlier loss for upset number two.

Upset number three, however, will be the big one. Dana lost to Tarkio in a pre-Christmas duel here, also by a narrow score. However, the Owls appear to be a little rougher on their home court. Still, things could work out so that Dana will come home with its first CCCC title.

Dana could feasibly develop a little win streak before the season comes to a close with the Concordia and Tarkio tilts. The Red and White should topple York tonight and could down Sioux Falls in a return contest Monday.

Looks good . . .

Checking the point totals we find that Dana is still the top defensive team in the conference, allowing their opponents only 57 points per game. This looks even better when compared with the Vikings 72.3 game average.

Individual scoring statistics show that Clasen of Concordia has moved into the lead with

a total of 81 points in five games. Likely to replace him as leader is Arnold Ginn of Tarkio, who is only five points behind the Bulldog ace, even though he has played one less conference game. Fritz Youra is riding in seventh place at the present time, having played two less games than Clasen.

Stan Cole this week became the second Dana cager to receive **Omaha World Herald** "star-of-the-week" mention. Another to receive the honor was Jack Tatro whom the Vikes will encounter when they take on York tonight. Tatro has shown remarkable improvement since the start of the season, scoring 26 points against Midland last week.

Thirsty? . . .

Now that the dining hall has cut the milk ration to one glass per person per meal, we cannot help feeling somewhat sorry for Dana's athletes. Milk is supposed to be an indispensable part of an athlete's diet, and it doesn't seem logical that our athletes should be able to get along on less than the minimum daily requirement.

Why not provide "training tables" for the players, providing them with sufficient milk and other essentials. This would also eliminate seating mixups involving cagers and trackmen who arrive late for supper.

Danes Take Three From Four Aces

The Lucky Strikes downed the Four Jokers two out of three games in the Tom and Jerry Bowling league last Friday while the league leading Danes shut out the Four Aces. The Lucky Strikes are now only two games out of second place due to the Danes' clean sweep. The hapless Four Jokers continue to inhabit the cellar.

High bowlers for the Dana teams were Al Hansen and John Klug of the Lucky Strikes and Kenny Ostergaard of the Four Jokers. Hansen totaled 567, Klug 447 and Ostergaard 421.

Team	Won	Lost	Pct.
Danes	28	14	.667
Four Aces	23	19	.548
Lucky Strikes	21	21	.500
Four Jokers	12	30	.286

In Intramurals

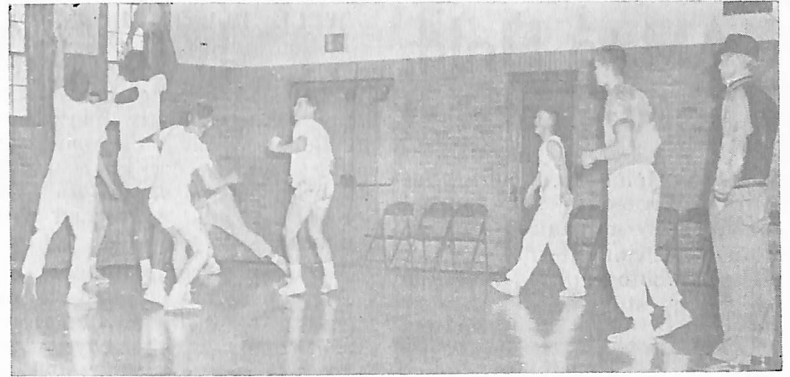

Two undefeated teams clashed Monday night as three more intramural games went into the record books.

The first place Kool Kats slipped into second place, falling to the undefeated Lampouroi, 34-29. Top scorer for the winners was Harold Laursen with eight markers. Neil Moore led the losers with seven.

Lacy's picked up their second win, downing the Shnozzes, 52-31. Ken Truelsen of the Shnozzes was top scorer with 14 points, while Wayne Hansen of Lacy's hit 12. Gunnar Mengers sparkled on defense.

Moving into fourth place Team I ran over the Swishers, 68-30. Dean Rasmussen playing his second game for the winners netted 38 points. LaRue Hibbs paced the losers with 13.

Team	Won	Lost	Pct.
Lampouroi	4	0	1.000
Kool Kats	4	1	.800
Saints	3	1	.750
Team I	3	2	.600
Lacy's	2	3	.400
Swishers	2	3	.400
Shnozzes	1	4	.200

Coach "Pete" watches some of his cagers scrimmage in preparation for their games with York tonight and Sioux Falls Monday.

Vikes Invade York Tonight; Host Sioux Falls Monday

Two return games feature the next cage play as the Vikings travel to York tonight and host Sioux Falls Monday. While the Vikes should have no trouble with the win-hungry York quintet, Sioux Falls should provide the Red and White plenty of competition.

Dana could begin their first win streak of the season against winless York. In their first conference test in over a month, the Vikes will be seeking to improve identical .333 conference and over-all season percentages.

Vikes Top Luther; Sioux Falls Cops

Posting their fifth win of the season the Vikings romped to a 71-52 victory over Luther Tuesday. Luther, featuring a starring lineup consisting of five Johnsons, managed to match Dana in the first period, slipping behind, 28-24, as the half ended.

Outscoring the visitors, 25-5, in the third stanza, the Vikes were able to coast through the final period with Fritz Youra and Marion Hudson playing with four fouls. Hudson eventually fouled out, but it made little difference as the Red and White picked up their second win over the Vikings from Wahoo.

Youra led the scoring with 20, while Hudson dunked 15. Merlin and Lynn Johnson topped the scoring for the losers with 16 and 14 markers respectively.

Cold Second Period

A cold second quarter spelled defeat for the Vikings as they fell before Sioux Falls college last Saturday, 84-75, on the latter's home court. The invading Vikes ran into more trouble than expected, catching the South Dakota five on a hot-scoring night. Also hampering the Vikings was the absence of sophomore Stan Cole.

Fritz Youra was again high man for the Red and White, netting 19 points before fouling out. Marion Hudson followed with 12, and Rod Wead, seeing some of his first varsity action of the season, hit 8.

Fett, of the host team, led the individual scoring with 30 points.

In the last meeting between the two schools, the Vikings romped to an easy 92-37 win after building up a one-sided 49-18 half-time advantage. Fritz Youra, Bob Jensen and Marion Hudson accounted for 54 points as the Red and White compiled their largest total of the season.

The Panthers, who recently dropped an 84-53 decision to conference co-leader Tarkio are paced by Jim Ekart, the league's fourth place scorer. Ekart, who for a while held the CCCC scoring lead, hit 17 points against the Vikes in the December fray.

South Dakotans Dangerous

Coach Paul Peterson's Vikings Monday meet Sioux Falls college in the home game of their two-game series, in what promises to be an evenly-matched tilt. The Vikes fell to the fast Dakota quint by nine points in last week's encounter.

The Sioux Falls team features high scoring and tricky ball-handling.

Fett, star center, tallied 30 points in the last tilt between the two rival squads. Mashek, forward, racked up 18, and guard Bellum hit for 14. These three garnered most of the Dakotans' points.

Dana will again be led by Fritz Youra, who leads the team in scoring. Other probable starters include sophomores Marion Hudson, Jim Thomsen and Stan Cole and freshman Larry Stone. Veteran Vordyn Nelson also poses a threat to the invaders. Freshman Rod Wead, who showed up well in the first encounter with Sioux Falls, may also see plenty of action.

KAM to Hold Photo Contest

Kappa Alpha Mu, honorary fraternity devoted to photojournalism, recently announced its ninth annual 50-Print International Collegiate Photography Exhibition for college students.

The contest is sponsored by the eighteen KAM chapters, to extend special recognition to those persons showing talent and interest in photography. Any college student is eligible to participate. Pictures should be post-marked not later than April 1, and they must not have been taken since April 1, 1953. Four classes will be judged; news, feature, sports and picture story and picture sequence.

Winners in each class will receive a \$25 government bond, and runners-up will receive certificates of recognition. Judging will be at Houston at the fraternity's annual convention in April. For entry forms or information, the interested student should write to Print Chairman, Mabel Stewart, Room 114, School of Journalism, University of Houston, Houston, Texas.

Civil Service Test To Fill Positions

United States Civil Service commission has announced an examination for Student Aid Trainee for filling positions in the fields of chemistry, physics, mathematics, metallurgy and engineering. The positions pay \$2,950 and \$3,175 a year and are located in various Federal agencies in Washington, D. C., and vicinity.

To qualify, applicants must pass a written test and be college sophomores or juniors whose major study is in one of the fields listed above.

Further information and application forms may be secured at many post offices throughout the country and from the U. S. Civil Service commission, Washington, 25, D. C. Applications will be accepted by the United States Civil Service commission until further notice. However, the first written test will be held on March 27, 1954, and applicants wishing to be scheduled for that test must have their applications on file not later than March 2, 1954.
