Hinderlie Is L. L. Speaker

Vol. XXXVI Blair, Nebraska, April 29, 1955 No. 25

Alumnus Head Luther League

Pastor Carroll Hinderlie, ELC youth director, principal speaker at the Luther League convention, will present two messages—"Conquering Doubt and Confusion" and "Conquering With Christ, Forever the Same"—and lead a youth leaders' forum on Friday.

Heading the International Young People's Luther League, comprised of 65,000 young Lutherans in 2,500 local Leagues, Pastor Hinderlie was president of the organization from 1951 until he resigned to become youth director in September, 1954.

Pastor Hinderlie has served three ELC parishes and was a Japanese prisoner in World War II. He and his wife (the former Mary Aasgaard, Minneapolis, Minnesota) were in the Philippine Islands preparing for missionary service in China when the war started. They were interned for more than three years before being liberated by U.S. forces.

He is a graduate of St. Olaf College, Northfield, Minnesota (1935), and Luther Theological Seminary, St. Paul, Minnesota (1939). He has also studied at the University of Oslo and the Independent Theological Seminary, the Peking School of Chinese Studies, Baguio, P. I. and the University of Chicago. The Hinderlies were married in 1939 and have five children.

Falk Tests Used Again

Miss Nellie F. Falk, head of the Dana College Department of English, has once more been requested to prepare a set of standardized English tests for Iowa's Perfection Form Company, publishers of test forms. The tests are for grades ten through the first year of college.

Several of Miss Falk's earlier tests are still in use in schools and colleges throughout the nation.

Rev. LeRoy Anderson, now pastor at Galilee Lutheran Church in Pewaukee, Wisconsin is the president of the synodical Luther League. He was elected at the 8th biennial convention in 1953 for a term of four years. Rev. Anderson served in the U.S. Navy during World War II, and is a graduate of Dana and Trinity.

Don Olsen, from Racine, Wisconsin, was appointed vice-president to fill out the unexpired term of Jim Hansen. His job is to promote **Christmas Chimes**. He is a graduate of Dana and is now a middler at Trinity Seminary. He has directed the male glee club for four years and was a member of the a capella choir for three years. His term expires this year.

Helen Videbeck of Noblesville, Indiana, now a sophomore at Dana, is secretary of the Luther League, having been appointed to fill out the remainder of Juanita Petersen's term as secretary. Her term as secretary expires this year.

Stanley Hansen of Poy Sippi, Wisconsin, a senior at Dana this year, is the synodical Luther League treasurer. He was elected at the 1953 convention, and his term expires in 1957.

Welcome, Luther Leaguers!

A hearty and sincere welcome to Dana is extended all Luther Leaguers from the administration and faculty of Dana. We are very happy to have you here for this convention. We have looked forward to these days with great anticipation. We are convinced you are going to enjoy these convention days, and it is our hope and prayer that the inspiration you are about to receive will remain with you and help you in every way. You will meet new friends and you will be challenged by the Christian messages and fellowship.

We are happy to have you here also because Dana is the college of your church. The parents of many of you have gone to Dana. A Christian college education is becoming more and more significant, and we hope you will give serious thought to the question of a college education after high school, and that you will also consider and choose Dana for that college education.

Dr. R. E. Morton

Welcome to the Dana college campus. We of the student body hope that your brief stay here with us will be an enjoyable and profitable experience. Several activities, such as a sports afield day, a campfire and singspiration, and a get-acquainted mixer, have been planned for your recreation and enjoyment. I hope that you will take full advantage of the opportunity by participating in all activities.

In behalf of the student body I welcome you Leaguers. We have done much in the way of preparation for this your convention. We want to be your hosts and we hope that while you are at Dana you may make new friends, become acquainted with our school, and then return someday and become one of us. Our main purpose and prayer is that each one who leaves our campus after the convention may do so strengthened in faith, with a renewed purpose, and determination to serve the Lord and win other souls for His Kingdom.

Welcome to Dana. May God bless you each one and this your convention.

**Jim Nelson
Student Body Pres.**

For many of you, this will be your first visit to our campus. We hope it will be an enjoyable one.

Convention committees have been working for many weeks preparing the convention schedule and activities. Much prayer and planning has gone into this gathering of young people here in the middle of the United States.

We trust that you will find a rich experience in the convention, and that you will return to visit us again, possibly as students of Dana college.

A Scholarly Discourse On Luther League History

Luther Leaguers have changed over the years, and the Luther Leaguer of yesterday is gone forever. It is especially noticeable if one observes a reunion of friends at the present convention and compares it with a reunion that might have taken place in the Good Old Days. The older ones went something like this.

Enter two Luther Leaguers, walking one toward the other. Their heads are shaved, and they are wearing coarse, brown robes. Seeing one another they stop and speak.

"I greet thee, O fellow Luther Leaguer."

"And I greet thee. Lo, I am discomfitted had I met thee not."

"Peace be with thee."

"And thee."

"Not to changeth the subject, but what be-eth the text of the program prepared by the scribes, that thou holdest in thy hand?"

"It sayeth that at the vespertide, this very day, it shall be held a social mixer."

"What? It shall be held a social mixer? And after sundown?"

"Lo, that be-eth it not all. The daughters of the tribe of Luther Leaguers shall be present with us the sons of the tribe of Luther Leaguers."

"Well, this be-eth in the year of our Lord, 1953, and the sons and daughters do getteth together on occasion. It is meet and proper that they should so do."

"So be it. Hast thou begun the fast?"

"Er—ah—nay. Hark, hearest thou the vesper bell?"

"Lo, I hearest. Now must we depart one from the other and return to our cells."

"Peace be with thee."

Controversial Film Secured By Club

A controversial film banned last month by Omaha citizens is being secretly shipped to the Dana campus and will be shown at a science club meeting in May.

The film concerns the H-bomb and Dr. J. Robert Oppenheimer, who is the number one security risk among American physicists. Oppenheimer was labeled a security risk by the Atomic Energy Commission last June.

Storms of protest arose from irate Omahans when the movie was shown at Omaha University several weeks ago. Public opinion was that a film of such a nature is detrimental to American youth and should not be included in the extracurriculum of educational institutions.

The movie is an interview by CBS commentator Edward R. Murrow and was televised in a condensed version on a Murrow TV show in January.

"We find that his (Oppenheimer's) association with persons known to him to be Communists have extended far beyond the tolerable limits of prudence and self-restraint which are to be expected of one holding the high position that the Government has continuously entrusted to him since 1942. These associations have lasted too long to be justified as merely the intermittent and accidental revival of earlier friendships," was part of the official statement made by the Atomic Energy Commission last summer.

The Commission further stated: "The record shows that Dr. Oppenheimer has consistently placed himself outside the rules which govern others. He has falsified in matters wherein he was charged with grave responsibilities in the national interest. On his associations he has repeatedly exhibited a willful disregard of the normal and proper obligations of security..."

Hudsonless Track Team Falls To Tarkio Owls

Dana's Marion Hudson placed tenth in the Kansas Relays' decathlon last weekend after a near spill and resulting disqualification in the high hurdle race cost him a place in the money. Hudson, who won the high jump and placed in the top five in four other events, received no points for his performance in the 110 meter high hurdles when he hit the first hurdle and stepped out of his lane in an effort to regain his stride.

If he had received points for this performance he would have placed fifth in the total point standings. In his first try at decathlon competition, Hudson ran into additional trouble in two of his pet events, the broad jump and the javelin throw. The versatile Dana junior was the only entrant without previous decathlon experience.

Defending champion Jim Podcley of Central Michigan finished first with a record performance.

Doane Relays On May 3

Coach Wayne Armer's thinclads will travel to Crete, Nebraska next Tuesday for the Doane relays. The annual event, which has grown to considerable importance, will draw entries from colleges representing at least six different states and will give some of the small college track powers a chance at one another for the first time this season.

Kearney State's 100 man squad will be the team to watch, although entries from Omaha U., Tarkio, Mankato, State, Fort Hays State and Dana should finish well. Marion Hudson will be out to break a pair of records and defend three championships he won at the relays last year. Other Vikings Lee Ramage and Dean Rasmussen have posted some of the state's top marks in high hurdles and the shot putt respectively.

Dana will enter all the field events with the exception of the pole vault and all the relay contests except the distance events.quires that Dr. Oppenheimer's

April 29, 1955

Minus the services of Marion Hudson, Dana's track squad took the chin at Tarkio last Friday as the Owls scored 75 points to 48 for Dana and 45 for Grace-land college.

Dana scored only five firsts even though several Vikings turned in their top performances of the season. Dean Rasmussen pitched the shot 45' 3 1/2", breaking his own school record for the third time this year. Tom Langenfeld cleared 6' 1/2" for a first in the high jump and George Johnson topped the broad jump with a 20' 2" effort.

Lee Ramage won both hurdles against a strong wind, taking the highs in 16.4 seconds and the low in 26.7.

Tarkio established itself as the conference favorites as the Mis-sourians scored heavily in all running events and showed well in the field.

Vikings Down Hastings

Dana's baseballers improved their win-loss record considerably as they posted three wins in four games last week. The Vikes recorded 7-1 and 9-8 wins over Hastings in a double-header on Tuesday, May 19. Thursday the Red and White followed up with 14-9 win over Luther college. All three games were at home.

Bill Davis scattered seven hits to hold Hastings to one run as Dana scored three runs in the fourth and four in the sixth to win going away.

In the second game the Vikings were forced to overcome a five run deficit as the visitors jumped off to a 7-2 margin. Although bothered by a sore arm, pitcher Roger Jensen allowed only seven hits and Bud Kruse, Gunnar Nyholm, Bob Jensen and Roland Clark each picked up two hits off the opposing hurlers as the Vikes came back with three runs in the third and four more in the fifth.

Diamondmen Fal To Concordia

Producing only six hits off the pitching of Dave Faszholz, the baseball team fell before Concordia, 14-0, last Friday. Faszholz scattered the six hits well as he kept the Vikes from putting two safties together in one inning. The big righthander gave up only two walks.

Beat Luther

On Wednesday the diamondmen dumped Luther college, 14-9, in a non-conference tilt. Roger Eckert, Larrie Stone and Don Woods shared the pitching chores, with Eckert receiving credit for the win.

Meanwhile the Bulldogs blasted Viking hurlers Bill Davis and Roger Jensen for 16 hits. Vic Peter led the Cncordia attack with four hits.
