

# Students Name Six Coeds For Queen Election Slate

Six coeds were nominated by the student body Tuesday to vie for the title of 1957 Homecoming Queen. They are: Audrey Erickson, Marie Hansen, Claire Olson, Barbara Pedersen, Delores Petersen, and Donna Petersen.

Audrey Erickson, a senior from Glenville, Minnesota, is president of the Women's Dormitory and a member of the cappella choir. She has been president of the W.A.A., a member of the Young Democrats Club, and is active on the women's basketball team.

Sophomore Marie Hansen is a cheerleader, a member of the Home Ec Club, and works on the Danian. Westbrook, Maine is her home town.

## Valparaiso Hosts Lutheran Faculty

Dr. Rueben Posten, Miss Lydia Herrmann, and Mrs. Othilia Hauge represented the Dana faculty at the annual conference of the Association of Lutheran College Faculties last weekend.

The convention was held at Valparaiso University, Valparaiso, Indiana.

Theme of the conference was "The Christian Liberal Arts College in a Scientific Culture." Dr. Francis O. Schmitt, a Lutheran layman from the biological research department of the Massachusetts Institute of Technology, was the principal speaker.

Topics studied during the two-day conference were: "New Challenges in the Life Sciences

Claire Olson, a sophomore from Newman Grove, Nebraska, has been a member of Home Ec Club, a cheerleader, and is now an active member of the Pep Club.

Sophomore Barbara Pedersen is from Blooming Prairie, Minnesota. She was a cheerleader last year and is now on the *Hermes* staff and a member of the Fine Arts Club.

Senior class secretary Delores Petersen is from Parsons, Kansas. She is the treasurer of the Honor Society and has been president of the Women's Dormitory, secretary-treasurer of the band, and a member of the Fine Arts Club, Home Ec Club, and the Danian staff.

Donna Petersen, a sophomore, is from Little Sioux, Iowa. She is president of the W.A.A. and is a member of the choir and the women's basketball team.

Three of the six were selected as finalists in yesterday's election. One girl will reign as Homecoming Queen and the two other candidates will be her attendants.

to a Christ-Oriented Youth," "How Has Our Scientific Culture Affected Us, Laymen and Teachers?", "The Sciences and Religion," and "The Natural Sciences at the Christian Liberal Arts College."

Conference chairman was Dr. Oliver Graebner of the Valparaiso department of psychology.

Representatives attended from the majority of Lutheran colleges and universities throughout the United States and Canada.

## Japanese Christians Give Dana Hand-made Scroll

A Japanese scroll was presented to Dana from the Christians in the town of Yokoshiba, Chiba Prefecture, Japan.

The scroll was brought to Dana by Missionary Paul C. Johnsen, recent Spiritual Emphasis speaker.

### Hand-Worked Inscription

The inscription, hand-worked by the Japanese Christian whose signature appears to the left of the work, reads: "Blessed Are The Pure In Heart, For They Shall See God."

The scroll is to be permanently displayed in the library reading room.

Missionary Johnsen also presented the library with a book

as a gift from himself. It is a copy of Dr. J. M. T. Winther's work, *Theopneustea—The Bible's Testimony Concerning Itself*.

### Works in Japan

Dr. Winther has been for many years a UELC missionary to Japan. Although he is now past the retirement age, he has chosen to spend the remainder of his life in Japan and is still actively doing mission work.

In making the presentation of the book, Missionary Johnsen stated that it is a Japanese custom to bring a gift back to one's home after one has been away for a time. Dr. Madsen accepted both the scroll and the book on behalf of the college.

## Christian Service Plans Visits to Other Churches

Something new in the way of campus club activities will be enacted by the Christian Service Club this year.

The Club members plan to visit a number of church denominations in order to gain a better concept of their doctrines and manner of worship.

## Group Will Travel To Iowa Sunday

A deputation group of six students will visit Neola, Iowa Sunday.

Members of the musical quartet are Nancy Horton, Sonja Jacobsen, Eugene Menninga, and Barty Borglum.

Carol Johnson will accompany the numbers and Jim Nymann is the speaker.

The Rev. Harry Sorensen is minister of the congregation in Neola.

## Faculty Women To Host College Girls

Dana's Faculty Women's Club has invited all Dana women to an informal gathering Sunday at 3:30 p.m. in the social room of First Lutheran Church.

The event is intended to help the women on the faculty, the wives of faculty members, and the college women to become better acquainted.

Miss Elja McCullough, chairman of the committee, has planned a humorous book review and musical selections for the afternoon program.

## Dana Frosh Plan Sensational Show

"Sensations of '61'" is the theme of the freshman talent show to be presented in the gym Friday evening, November 15.

Tryouts for the show will be held Monday. The committee urges all freshmen who can sing, play an instrument, or take part in a skit or other form of entertainment to try for a place on the program in order to make this first freshman class endeavor a success.

Sunday, the group of approximately thirty students will attend the 10:30 a.m. service of Trinity Lutheran Church—Missouri Synod in Blair.

The Rev. Norman E. Discher, pastor of Trinity Lutheran, will speak to the club members at a meeting in PM chapel Monday evening.

On November 1, the group will visit an evening service of a Jewish synagogue in Omaha.

Other churches which club members will visit are the Congregational, the Assembly of God, the Episcopal, the Baptist, and the Roman Catholic.

## Council Sponsors Gym Folk Dances

A folk dancing party in the gym sponsored by the student council will begin tonight at 7:30.

Square dances and the schottische are among the dances on the agenda for the evening. Members of the folk dancing club will be on hand to help teach students the steps.

There will be no admission charge for the event, but soft drinks will be sold at ten cents each.

## Judicial Committee Begins Its Duties

Dick Jensen from Milligan, Nebraska and Richard Jorgensen from Poy Sippi, Wisconsin were elected by the student body last week to the judicial committee.

They are both members of the junior class.

The two committeemen and parliamentarian Bob Ostergaard form the judicial committee.

The duties of the committee are to rule upon all laws and resolutions passed by the student body or the council and all action taken by any functionary of the student government should a question be raised in regard to their constitutionality.

The decisions of the judicial committee are final.

# Let Your Light So Shine In the Words You Utter

Two men were standing on a street corner talking. The one boasted to the other, "I can speak two languages, English and profane."

The other man replied, "I can swear like a trooper and curse like a sailor."

We here at Dana would not brag about such a thing as this. However, we quite often forget that using profanity is against the law of God, and we say things which we don't really mean.

## God's Public Relations

We have no moral right to set a bad example for anyone, but we should rather be interested in the best publicity for our Lord.

An unbeliever once said, "When I hear about Christ I want to believe, but when I hear some Christians I'm glad I'm not one of them."

An artist has drawn a picture of a sailor staring with clenched fists at a torn American flag on the floor at his feet. Trembling under a table in the corner is a little dog.

## Flag Stands for America

Perhaps someone who didn't know the significance of our flag would wonder why the sailor was so angry about a piece of cloth being ruined. However, we know that the flag represents

our country, and to desecrate our flag is insult to our country.

In the same manner, it is wrong to use God's name in vain. We know that the name stands for Him as the flag represents our country. To misuse His name is to insult God.

## The Tongue

Long ago, a king asked his wise man to bring the best and the worst parts of a slaughtered ox to him. The wise man returned with only one part—the tongue. He told the king, "This is both the best and the worst."

We in a Christian college must show respect whenever we use God's name. We, like the wise man, must realize that the tongue is both the best and the worst part of us.

# Weekend Camper Recalls Highlights

Perhaps many Danians wonder just what happened at the all-campus retreat held at the Fremont Kiwanis Camp last weekend where students gathered to study under the theme: "Christ Unites the Campus."

As a participant in the "fun, fellowship, and food," my 18 hours were valuably packed with discussions, volleyball, horseshoes, a quarter of a cherry pie (a la mode, with coffee), and a short snooze.

The purposes of the retreat were to get to know oneself and others better, and to work toward campus unity.

## Small Groups

To accomplish these aims, the campers were divided into groups of eight to discuss problems facing the campus and the individual.

Among the questions discussed were: Where did we come from? Why are we here? Where are we going? How can we break down the walls that seem to separate some groups and individuals on campus so we will have a more unified student body?

## Questions Remain

After each of the four discussion periods, conclusions were formulated when possible. However, some questions were left unanswered.

For some of us, the important conclusions reached were that we have come from the Father, we are here to do His will and His work, and we are going home to Him.

# Can Dana's Spiritual Days Be Felt Round the World?

The impact left by our Spiritual Emphasis speaker Missionary Paul C. Johnsen will long be felt on our campus and, hopefully and prayerfully, around the world.

During his brief sojourn with us, Missionary Johnsen threw out a challenge to those of us who call ourselves Christians which might change the lives or plans of many.

## Christian Responsibility

Through the series of talks presented by Pastor Johnsen based on the great prayer which the Lord taught us to pray and through illustrations of his work on the mission field of Japan, we were shown the great responsibility which is placed upon each individual to whom the name Christian applies.

The universality of each petition of the Lord's Prayer was pointed out to us with examples or illustrations to show how we, as the leading nation of the world, have shirked in our duties and responsibilities toward the basic ideas and doctrine behind the Lord's Prayer.

Christ commands all Christians to witness in order that His kingdom might go forward.

Are we Christians? Are we witnesses? So often we forget our Christian responsibilities in our lives as students.

## Too Busy for Others

We are so busy with our studies, or we are in so much of a social whirl that we don't take time to think about the problems and needs of others. We forget that we are Christ's servants placed upon this earth, on borrowed time, for a purpose.

We get so wrapped up in our own little world of studies, dates, fun, and mischief that we forget the existence of people in the world who have never heard the story of Christ and His wondrous love.

What can we, as students, do to further the kingdom of our Lord and Savior? What can we do to take up our own individual responsibility as Christians?

## Pray for the Kingdom

First of all, we can pray. Pray earnestly that Christ's kingdom may go forward among us and throughout the world that each of us might be guided along these paths in our daily lives and in any of our problems or decisions.

Pray for each other and help one another in times of trial or need. Pray constantly.

Secondly, to those of you who are still undecided or in doubt about your life's work and feel in your heart the call of the Lord, consider some form of full-time Christian service.

## Workers Needed Overseas

This leaves a field as open as the vast emptiness of the Pacific Ocean, which certainly needs to be crossed by more of us who are interested in Christian labor of any kind.

Social workers, teachers, missionaries, doctors, nurses, engineers, and people of almost any other field of endeavor are desperately needed in all the foreign mission fields.

Therefore let us pray earnestly and constantly for guidance in all that we do, that Christ's kingdom may be advanced throughout the world and that each of us may become a responsible Christian.

# Vikings Defeat Westmar In Second CCCC Win

Dana won its second straight grid game by defeating Westmar 19-13 Saturday night at Le Mars, Iowa. The Vikings overcame a 13-7 deficit in the fourth quarter to hand Westmar its first loss of the season.

During the first quarter, Westmar controlled most of the offensive play, scoring late in the quarter on a pass from McCaw to Unruh which covered 19 yards. The try for the point was blocked.

### Strong Vike Defense

The Viking defense held Westmar's single-wing offense scoreless the remainder of the first half. Although the Eagles posed more scoring threats, the Viking defensive line with Ray Killion, Jim Heiser, and Ron Petrick held strong.

True to form, Dana required the first half to warm up, as the Vikings in the third quarter hit pay dirt. A pass from Captain Jan Philby combined with a run by Jerry McCallum covered 60 yards for Dana's first score.

The try for the extra point by Hack Philby was good. Throughout the rest of the third quarter, Westmar pushed the ball slowly up the field.

### Eagles Score

The beginning of the fourth

quarter found the Eagles deep in the Vikings' territory. Five minutes into the quarter, Westmar scored again on a six-yard run by Paul Unruh, giving the Eagles a 13-7 advantage.

Dana retaliated by covering 80 yards in two plays, with Les Pederson going 55 yards for the second Viking touchdown. Dana trailed by one point with 10.11 minutes left in the game.

Captain Philby passed to end Ed Ellis for 25 yards and the second CCCC win.

## In Intramurals . . .

The Pig Tails displayed a potent offense and a staunch defense Sunday afternoon as they soundly defeated the Blood Brothers 37-0.

The game, which had been predicted to be close, was a run away from the opening kick-off. Displaying a fine passing attack, the Pig Tails scored on every drive and were not forced to punt once.

Sunday the following games will be played:

- 1:30 Coro Colos vs. Clover Leafs
- 2:30 Homo Sapiens vs. Blood Brothers
- 3:30 Viking Six vs. Pig Tails

# Dana, Carthage To Joern Rates First Battle Tomorrow In Monday's Trial

Dana will attempt to lengthen its winning streak to three games tomorrow night at Veterans' Field when the Vikes will meet the Redmen from Carthage College, Carthage, Illinois.

This is the first time that the Vikings and the Redmen are meeting in football. Carthage, potentially a strong team, boasts only nine returning lettermen.

Last weekend, Carthage was defeated by Culver-Stockton College of Canton, Missouri by a score of 20-14.

Don Joern led the Viking cross country team in its first triangular of the year Monday at Omaha University.

Joern, hampered by rain and wet grounds, covered the 2.3 miles in 13.28 minutes. He was 20 yards ahead of his nearest competitor, Larry Collier from Midland.

Track letterman Lyle Rasmusen placed seventh in his first appearance on the cross country crew. Time was 14.31 minutes.

The Viking freshmen showed great possibility in the opening battle. Bill Cornwell placed thirteenth in the time of 15.19 minutes with Luther Kloth on his heels to place fourteenth in 16.29 minutes.

Chuck Bell placed seventeenth with the time of 18.27.

Final results of the meet were Dana, 50; Omaha University, 49; and Midland, 23.

The next cross country event is a dual with Midland there tomorrow morning at 10:30.

### LITTLE MAN ON CAMPUS

By Dick Bibler

"WHY NOT SPREAD OUT, BOYS? NO NEED FOR ALL OF YOU TO FLUNK."

# Were You There Thursday? If Not, Why Weren't You?

Dana's enrollment this year is something that most of us find ourselves boasting about. We've reached and surpassed the 300 mark; we have a right to be proud.

As we entered school this fall, each of us paid three dollars to be used for student body expenses. One dollar of each three is to be used to pay off the canteen bill incurred last year. The remainder is spent, under the direction of the student council and approval of the student body, for the benefit of all students.

### We All Belong

Each of us, as we entered college, became a member of the Dana student association. By electing student representatives to the student council, we turned much of our responsibility over

to others. These representatives spend much time and conscientious effort working for us.

However, the fact remains that we still have a responsibility, for we still belong to the student body.

### Only 29 At Meeting

Yet only 29 people from this strong student body membership deemed it important enough to attend the first student body meeting. The meeting was announced on the bulletin board and in chapel five days in advance and attention was also called to it in the **Hermes** issue the week preceding.

However, scarcely one tenth of the students were in attendance.

Don't you think you owe it to yourself as well as others to do better next time?

Christianity to permeate our thinking and talking through each moment of every day.

Marlene Paulsen

### Three Doors?

On the humorous side, one of the most interesting and memorable ideas came in connection with a discussion of boy-girl relationships. Jerry Lincoln proposed that we have three doors in the girls' dormitory: one for kissing couples, one for handshaking couples, and one for others.

The retreat affected the lives of 32 people in some way, and most of us realize even more clearly that we must be instruments of our Lord, allowing
