Clothing Drive Is Opportunity For Sharing

"Bear one another's burdens, and so fulfill the law of Christ." Each of us has a responsibility, not only for ourself, but also for our neighbor—whether he be a close associate or someone of whom we know little or nothing. During the coming season of Thanksgiving let us become even more conscious of this responsibility and be willing to give of ourselves that others might see the vision of Christ through us.

Each Thanksgiving the Lutheran World Action sponsors a clothing drive for the purpose of helping the needy. The clothing this year will be sent to people in many areas of the world, including refugees from the Communist countries in central Europe and Arab refugees in the Holy Land. This year on our campus we are being given the opportunity to contribute to this cause. This is an excellent chance for we who have received so much to share with those who have had to sacrifice all they had for the cause of truth and freedom.

Watch for information concerning the details of this drive in the near future.

Students Welcome At Basketball Practice In Gym

Students interested in watching basketball practice are welcomed and encouraged to attend any of the basketball practices, according to Head Basketball Coach, Paul C. Peterson. Practice is being held every afternoon from 4 p.m. to 6 p.m. in the gym.

POET'S PORTION A BALLAD

The stacks are closed—O woe is me.
Term papers are due—O woe is me.
When will they open?—who can tell.
The logic behind this?—I cannot see.
My attitude toward this—I cannot quell.
Can some Sherlock solve—this mystery?

Exchange Show Here In February

As a result of the meeting with the student council of Midland College, the Midland-Dana talent exchange program has been arranged for this year. Midland will present a talent program here on Saturday, February 27, and Dana will present a program at Midland on Friday, March 18. In the following years, however, this program will be on a two-year basis—Dana will go to Midland one year and Midland will come here the next.

Dr. Paul Nyholm Given Audience With Frederick IX

Word has been received that Dr. Paul C. Nyholm, former professor of Danish and Religion at Dana and now affiliated with Trinity Seminary in Dubuque, Iowa, was granted an audience with Frederick IX, King of Denmark. The audience was arranged so that Dr. Nyholm could express his thanks for receiving the award of the Cross of the Knight Order of Dannebrog and the Medal of Liberation.

Dr. Nyholm is presently studying in Copenhagen and will return to his teaching duties after the first of the year.

Debate Squad At Omaha U. Meet

The Dana Debate team, composed of Terry Kloster and Bob Martin on the affirmative and Peter Swan and Ron Bohling on the negative, were at Omaha University Friday and Saturday, November 6-7, to debate the question, Resolved: that Congress should be given the power to reverse decisions of the Supreme Court.

The team debated against such schools as Omaha University, Kearney State, St. Benedict, and Westmar.

QUICK TRIP, SO . . . LET'S TAKE TOUR AGAIN

With a ".... two, three, four," Dave Snowbeck and the freshman combo introduced us to a very thrilling 80 minute adventure across our American continent.

As we strolled "Side by Side" with Phyllis and Arden (to Chicago's lower east side?), we saw so many things which, in the following numbers, appealed both to the critical and yet pleased senses.

A delightful Minnesota version of the Tennessee "Wig-Walk" was followed by a very unsaintly number called . . . Oh, yes, "When the Saints Go Marching In." It almost made one wonder if Augustine, Francis, Olaf, and Paul might rather have heard Sousa! "Has Anybody Seen My Gal?" Yes, and we saw plenty of them! Hmm? Thanks, too, girls, for your parody on "Glow Worm." Don't think we've ever seen four professors "glow" like that before.

The individual soloists cannot be forgotten; Gene Hendrickson and Jean Gibhart, Marg Steyer, Dixie Hagedorn, and colloquially, last but not least, "Windy" Hedegaard. Well done, each of you.

We have left out one soloist, but this is not without purpose. To Ruby Hansen goes a special debt of gratitude not only for her lively number . . . (spelling does not permit printing), but also for the great amount of time and effort expended in accompanying the various numbers.

Did we overlook the combo? Great sounds, people! You had the full flow of Les Brown, the rich qualities of Elgart, and at times the sharp brass attacks that makes Anthony so popular. It was a pleasure to hear you in your numbers: "American Patrol," "Star-dust," "Mood Indigo," and "Little Brown Jug."

And as soon as Ferguson gets through clapping, and Tweten finishes swatting flies, we'll commend them too. Thanks Dennis and Phil, for being such amiable and cordial guides on that very pleasant and interesting national tour.

And thanks to all of you Freshmen, named or unnamed, for all your work in providing us with a fine and exceptional evening.

—Al Girtz

WHICH WITCH?? WATCH YOURSELF TOMORROW IS FRIDAY THE 13TH

Everyone knows what tomorrow is, but does everyone know what to do to prevent the catastrophies of bad luck? Here are a few definitions to help you be prepared.

Rabbit foot—A luck charm. (Not for the rabbits!) Sold at dime stores and rendering plants. (The latter is cheaper). May be obtained from a friend of yours (if he's a rabbit, and feels he could make it on three feet.)

Horseshoes — Another lucky charm. Found on horses. (It is not necessary to take the horse, too, if you can get the shoe off before bad luck "strikes.")

Four-leaf clover — Found in grass or 4-leaf clover fields. (If you can't find one, you may paste a fourth leaf on a 3-leaf, or paste two leaves on a 2-leaf, etc.)

Ladder — A sign of bad luck. Beware of all ladders. (Especially those against the windows of the girls dorm.)

Black Cat — (And I don't mean evil Kookie fans.) These are signs of bad luck. They are black, fuzzy, furry animals. (Something like girls—fragile, you know.)

Mirror — Seven years bad luck if you break one. (It's a temptation, but it's something we all have to put up with.)

If armed with all the good luck charms, you'll most likely scare away the evil spirits tomorrow. And if you don't you'll at least scare away the students, as they'll think you're crazy and stay in their rooms all day. This protects them anyway.

**Three Ties Named Pep Club Gives
In Weekly Stars Final Party For
Viking Squad**

Three ties occurred last week for players of the week. A tie resulted for defensive lineman of the week with Emory Anderson and Larry Swanson sharing honors. Defensive back of the week went to Bob Kelley and Noel Petersen.

Offensive back of the week honors went to Stan Cupp and Jerry McCoy. Offensive lineman award went to John Templeton.

Offensive and defensive back and lineman of the year will be announced later.

Monday afternoon the 1959 football squad officially ended the season by turning in their uniforms at the gym. This being the last time the players and coaches would meet together as such, the Pep Club took this opportunity to show its appreciation to the team. Elaine Lillethorup, president of the Pep Club, expressed the Club's appreciation to the fellows for their good sportsmanship and continued spirit and drive throughout the season, by treating the coaches and players to cake and punch. A fine season, perhaps not according to the scoreboard, but the squad has gained much in the line of experience and is now looking forward to a much more profitable football season in the N.C.C. next fall.

**Future of NCC
To Be Discussed**

Saturday, Coach Paul Peterson, Coach Darrell Zimmerman, and professor Ray Weckmuller will represent Dana at the Nebraska College Conference meeting in Lincoln. Representatives from all the schools in the conference will be present to discuss the future existence of the NCC. The meeting is being held at the YMCA in Lincoln.

25 Report As Vikingettes Begin Practice

Dana's Vikingettes began practice drills last Monday with 25 hail and hearty lasses competing for positions.

Out of last year's championship squad, eight girls returned—Miriam Petersen, captain, Donna Byriel, Sharon Mardesen, Joyce Nielsen, Jo Ann Larsen, Donna Layton, Donna Petersen, and June Santage.

Included among the list of new hopefuls are seven girls who have played three or four years of high school ball. They are: Donna Berryman, Judy Hanson, Sue Ringhand, Jody Hein, Shirley Thompson, Dixie Hagedorn, and Lois Henningsen.

This year's red and white will be under the direction of Mr. Paul Peterson, athletic director, and his assistant, Everett Johnson. They will play four home games and ten away, all AAU competition.

FIRST QUARTER BELONGED TO VIKINGS IN FINAL GAME

Saturday afternoon a very active Viking squad was determined to make the last game of the season a victory. At the beginning of the game the spirit ran high with some spectators commenting that it was the highest seen all season, but as fate would have it the Hastings Broncos proved too much for the Vikings and rolled up a 27 to 0 score.

The first half was strictly Dana's game with the ball during the first quarter being controlled by Dana. Hastings was able to move the ball on only four plays the first quarter.

On the opening kickoff of the game Dana took the ball for two fast first downs. Paul Rasmussen, on fourth down, punted the ball into Hastings territory. The first play from scrimmage for Hastings resulted in a fumble and defensive end, Noel Petersen and guard Larry Swanson fell on the ball on the 40 yard line of Hastings.

LARRY LEADS TEAM

Quarterback Larry Morrow led the team deep into scoring position where the ball was lost on downs when Stan Erlandsen dropped a pass from Morrow on fourth down. The loss of the ball in Hastings territory was considered to be the turning point of the game. Had Dana been able to get the ball across the goal line during the first quarter it is believed the outcome of the game would have been different.

It wasn't until the second quarter that Hastings was able to get the ball on a scoring drive which ended with a touchdown when Ron Barry went wide around end for 35 yards. The P.A.T. by Jim Paige was good and the score read 7 to 0 in favor of Hastings.

SWANSON RUNS 30

Also during the second quarter, guard Larry Swanson caught a pass and went 30 yards into the end zone but the score was nullified because Swanson was an

ineligible receiver. The interesting part was that the pass was not intended for Swanson and for a second he didn't know what to do with it so he ran the ball. Swanson turned in a sparkling job of running as he sped down the sidelines.

COMBAT CHARGES KICKER

Following the second half kickoff by Dana to Hastings the Broncos marched down the field on the ground and scored on a pass play from Ron Schoonover to Dave Williams for 33 yards. During the first attempt at the extra point, halfback Bob Kelley charged through the line and had the kicker snowed under before he could kick the ball. Dana was charged with an offside penalty and Hastings was permitted to try the extra point again. The second time Kelley again blocked the punt in fine style and the score read 13 to 0.

The third touchdown for Hastings was scored when Barry went eight yards to score. Following the scoring by Barry, Hastings was charged with an unsportsmanship penalty on the kickoff to Dana because Barry was a little free with his words following the score. Paige again kicked the extra point.

The last touchdown for Hastings came early in the fourth quarter. The touchdown resulted following a fumble on the four yard line by Dana which was recovered by Hastings. The first play, following the fumble, Paige scored and also converted the extra point to make the final score read 27 to 0.

Hastings attempted five passes and completed only one which was good for a touchdown. Dana attempted 12 passes, completed three for 20 yards and had one pass intercepted.
