Play Try-Outs Coming March 23-24 Krueger Asks For Good Turn Out

Have you ever participated in a play? Are you interested in acting? Whether you are experienced or not, it doesn't matter—acting talent is judged by what you do, not what you have done.

The World of Sholom Aleichem by Arnold Peel, our play for this semester, has a Jewish background and runs in character from comedy to pathos. It is delightful, poignant, and has a role for every conceivable acting type. It includes three-one act plays, two of which are very short. They are tied together by the book-seller, a character in the play, who also takes the part of narrator.

The play calls for a cast from 20 men and 9 women to 9 men and 3 women. Yes, you read right—if necessary, some actors may be double-cast. Plans now include the casting of at least 16 to 17.

Mr. Krueger wants to know the acting and talent potential for next year, so even if you don't feel you have time to participate this semester, come to tryouts anyhow. They will be held in Pioneer Memorial, Room 212 at 6:30 P.M. on March 23rd and 24th. All interested in drama are asked to read; this will help when the plays for next year are chosen.

Al Girtz To Lead Tired Of Snow L.S.A. Attempt To Then Read This Help Japanese

Tuesday, March 8, the L.S.A. had its annual election of officers. The new officers begin to serve the first part of April. They are:

President—Al Girtz
Vice Pres.—Ellen Larsen
Sec.—Ruby Hansen
Treas.—Arden Dorn
Stewardship—Dean Brockhoff
Evangelism—Paul Petersen and Lois Jensen
Social—Deanna Schmidt
Special Service—Jack Hill
Study Group—Connie Shelstad
Publicity—Lonnie Hayne and Joan Nielsen
Deputations—Elliot Nielsen
Promotion—Janice Larsen

Possibly our greatest endeavour in the coming year will be in the field of Christian Stewardship. We hope to go beyond this year's budget of \$550 so that aid can be given to a student from Japan (through missionary Paul Johnsen), and better and more varied programs can be presented.

We feel it would be fitting to give a word of thanks to Noel Petersen and Karen Martin who served so well as the leading officers for the past year. The Cabinet is also thanked for giving outstanding support in the various activities.

We ask you to pray for the L.S.A. and its officers that they may continue to serve here on campus to help maintain a Christian contact and spirit in the remembrance of He, who is our Saviour.

Are you tired of the snow? Do you long for the soft summer breezes, a refreshing dip in a rippling lake or a cool pool? Well then, shake the moths out of your bikinis, grab up a towel, clutch a 50 cent piece in your little paw, and come to the swimming party Saturday, March 26 from 7:30 until 10:30. The party, sponsored by the Women's Athletic Association, will be held at the Jewish Community Center in Omaha. Tickets are only 50 cents and will be placed on sale any day now.

Poston Resigns Christiansen To Fill Dean Spot

Dean Reuben R. Poston, Dean of Dana College, has submitted his resignation effective the end of the school year. He has been at Dana for the past three years. Dr. Poston has been active in many organizations and church work. He is a member of Lutheran Churchmen of America, vice president of Blair Community Club, and president of the Blair Council of Parent-Teachers Association. He was treasurer of the National Association of Church Colleges from 1957 to 1959 and is now secretary-treasurer of the new Tri-State Conference.

Dr. Poston's resignation will prove a loss to Dana for he has proven himself a conscientious and competent administrator and a valuable churchman and citizen of Blair. Dana students and faculty extend Dr. Poston and his family their best wishes.

He has no immediate plans for the future.

FORMER INSTRUCTOR

Mr. C. Arthur Christiansen has accepted the position as Dean of the College beginning with the Fall term.

Mr. Christiansen, known by many students as their Biology instructor, has been on leave from the College doing work toward his Doctorate.

Mr. Christiansen is married. He and his wife and family will return to Blair when he has completed work on his degree.

Support Midland Show To Help Encourage Inter-College Friendship

Two years ago the Student Councils of Dana and Midland met to determine a way to improve the relationships between the two schools. Since several previous encounters in athletics had ended in a feeling of friction, it was felt that the colleges should meet on a social level rather than always a competitive endeavor.

It was with this in mind that the exchange programs were established. The idea isn't that we have to out do them on the stage like we try to do on the field. It is simply so that we can become better acquainted.

In order to do this, we must have more than just our cast representing Dana at Fremont Friday night. If we are to become better acquainted we must all make an effort to travel to the Warrior school and mingle with them.

We have been working hard for several weeks to make this show a good representation for Dana. It would be a sad night for all of us if we didn't have ample support from here.

True, the driving conditions aren't the best, but a little snow shouldn't dampen the Viking spirit. I know I said earlier that we aren't to compete with Midland in this but let's show them that we are interested in improving relations and get as many people as possible to Fremont tomorrow night.

Thank you,
KAREN JENSEN

Quaker Approach To War Topic For L.S.A. Guest

On Wed., March 23rd, Mr. Kenneth A. Kirkpatrick will be speaking in Chapel and at the regular L.S.A. meeting at 7:00 P.M. in the Canteen. He will be speaking on "The Quaker Approach to the Problem of War."

Mr. Kirkpatrick has a most interesting background including six years with the RAF during the last war. He has nearly completed his work toward the Ph.D. degree in Political Theory at the University of Minnesota. As a native Englishman and a man with a real message Mr. Kirkpatrick offers all of us an excellent opportunity to gain some new insights into a most pressing problem.

Well the party's at eight!
The rink is in Fremont,
It's only a short jaunt.

A discount's permitted,

So come one and all, have a time

There's no reason why YOU
Should be the poop of the party.

What happened to the man "most likely to succeed?"

Back in 1953, Ben was the guy with the winning smile, personality and good grades. Couldn't miss. So, they voted him "Most likely to succeed."

One day, Ben's roommate said, "What are you going to do when you graduate? I haven't got a thing lined up."

"Well, nothing's final, John," said Ben. "But I *am* thinking about Lutheran Brotherhood."

"Life insurance? I haven't given that much thought."

"Sounds like a good deal, John. This is the life insurance society for Lutherans—like you and me. And it's really growing fast."

Ben's right! Lutheran Brother-

hood has over \$1 billion of life insurance in force in 40 states and five Canadian provinces. There are good openings right now for college men. And, a full training program... real opportunities for qualified young men who want a lifetime career in life insurance.

What happened to Ben, the "man most likely to succeed?" He joined Lutheran Brotherhood and is now a General Agent. And John, his roommate? Ben's right hand man in the business of providing security for fellow Lutherans.

You can't beat success. And the opportunities in 1960 are even greater with Lutheran Brotherhood. Send us a card for the full story.

Saint Patrick's Day Celebrated By Irishman As Day Of Hope For Peace

So far this year has been another year of strife and cold war for all of the world; especially in the Irish Free Republic. But in the days to come are the possibilities of a new hope, a hope for world peace. Today is one of those days of hope for eternal peace, Saint Patrick's Day.

Little is known, amongst Americans, of the real Saint Patrick. He is often thought of as a kindly old priest with a flowing white beard who sat in the cool green woods of Ireland with the Elves and Leprechauns. But the true Saint Patrick did not sit discussing idle topics he was amongst the greatest of the Church's missionaries and was regarded very highly by all the world of his time. Saint Patrick gained a great following for many reasons but the most outstanding was because he was not only a great spiritual leader but because he was also a very warm human being. He possessed a greater degree of love and humility than many leaders since his time. He once said of himself, "I was a stone, sunk in the mire till He Who is powerful came, and in His mercy, raised me up." The thought behind those words was often expressed by Saint Paul and just as we see Paul with his "thorn" and Patrick with his humility we see both men in terms of the boundless love they had for their Savior and His people.

As I walked down the halls of the Girls Dorm, during Open House last Saturday, I noticed the many doors decorated with clover leaves and cut-outs of Ireland's "little people." I was very happy to see that one of our church's greatest Saints was not forgotten in the hustle of our modern world. —One thing was very strange—I think it was those names; O'Mardesen, McRathe, O'Wegner and McHansen. But stronger things than that have happened amongst the Irish. A Blessed Saint Patricks Day to all!
