

Honegger's 'King David' Performed Here, Sunday

Neve Directs Contemporary Version of Psalms

To be presented by the Dana College department of music this Sunday evening, May 6, 1962, is Arthur Honegger's famous "King David."

This is a symphonic psalm based on a drama by Rene Morax. The production, which features the Dana College Choir with special accompaniment by members of the Dana College Band, is under the direction of Professor Paul E. Neve.

Also to be featured are eight student soloists: Jack Hill, Arden Dorn, Marilyn Michel, Jean Gebhart, Judy Johnson, Marlene Toft, Liz Nielsen and Janet Hansen.

Speakers include Rich Jorgensen as narrator, JoAnn Urie as the Witch of Endor and Duane Meister as the Ghost of Solomon.

Open to the public, "King David" will be performed at 8:00 p.m. in the Alumni Memorial Auditorium. Admission has been set at \$1.00 for adults and 50¢ for students.

Alpha Chi Initiates Nine New Members

Nine students will be initiated into the Dana chapter of Alpha Chi, a national honor society, on Wednesday, May 9, during the chapel period.

The group will be formally initiated by the faculty sponsors of Alpha Chi, Dr. C. A. Christiansen, Dr. Donald Lehmer and Miss Luella Nielsen.

Present members of the organization will be elected to senior membership. Also to be admitted into Alpha Chi are these initiates: Carlene Benson, Charles Brodersen, Carole Dickson, Carolyn Eckley, Roger Jacob, Gerald Kruse, Judith Mayland, Brenda Francis and Ceva Hanson.

Following the initiation, in Mickelsen Hall, the faculty will entertain the members.

Names of Royalty Finalists Released

Two of these people will reign over Dana's May Fest weekend activities as the May Fest Royalty: Vivian Christensen, Ceva Hanson, Karen Kjaer, Gary Lebeck, Everitt Petersen or Phil Petersen. These candidates for Queen and King were chosen on Tuesday.

Alumni Play Hosts At Annual Banquet

Annually, the Alumni Association of Dana College plays dinner hosts for the seniors and their husbands or wives. On Monday evening, May 14, the Fireside at Omaha will be the scene of this year's event.

The dinner is intended for a final get-together of the students of the college and the alumni officers. However, the main purpose, according to Calvin Jorgensen, Admissions Counselor, "... is to enlist their (the seniors) continued interest in Dana. It is our wish that they will come back to the college for events and send us news about themselves after leaving."

Mr. Jorgensen continued by saying that the event would "cement the seniors' relations with the Alumni Association."

'Oriental Gardens' Coronation Begins May Fest Activities

Under the theme "Oriental Gardens," the 1962 May Fest King and Queen will be crowned, Friday at 8:00 p.m. Admission is 50¢ to be paid at the door.

On Saturday evening the annual May Fest banquet will be served in the dining hall. Holders of seven-day meal tickets will be admitted free; five-day meal ticket owners and guests will be required to pay \$1.50. Serving will be conducted in two shifts beginning at 6:00 and 6:45.

Immediately following dinner, three one-act plays will be produced in Alumni Auditorium beginning at 8:00 p.m. The three are comedies with titles of "A Sunny Morning," by Twintero, "A Tridget of Greve," by Lardner, and the third is a "special surprise package," which could have happened since Adam and Eve but the author chooses to place it on a train bound to New York. Frank Grasso is directing the first play and Professor Krueger is directing the second.

Sunday afternoon's activities will include a band concert at 3:00 in the auditorium and an ice-cream social on the quadrangle immediately following the concert. Cost for the ice-cream social will be 20¢ per person.

Gymnastic Exhibition Is First Event in Coliseum

Program Begins at 8 p.m. Friday

For the official opening event of the new Borup Coliseum Friday, May 4, the internationally known Danish Gym Team will perform. Performance time is set for 8:00 p.m.

This is the fifth tour which Danish teams have made under the leadership of Mr. Erik Flensted-Jensen. In 1939 he made the first tour with 26 Danish boys, performing from coast to coast. He returned in 1946-47 and again in 1949-50, this time including also Canada and Mexico. In 1954-55 he extended the tour and went around the world.

Performances on all tours have taken place largely at universities, colleges and other schools.

Skill and beauty to entertain Danians. Story at right.

Greece was the first stop on the current tour in September, 1961. On October 17, they arrived in New York City and spent October through January touring the East Coast. Since then they have toured almost all of the states east of the Rockies.

Ages of the performers range from 17 to 25. The 16 girls and 16 boys were selected from the most skillful gymnasts in Denmark. They represent a wide variety of careers, including teaching, nursing, the building trades and social service. Their common interest is their dedication to physical education.

Folk Dancing Included

One of the numbers included on the current program is a selection of Danish folk dances. Other numbers include gymnastics, composition, vaulting and tumbling.

Danish gymnastics is largely devoted to body-building and form-giving exercises designed to bring the whole body into harmony. Danish gymnastics is not like the competitive so-called German gymnastics, but rather emphasizes team work.

During the winter season many Danish young people join gymnastic clubs which meet twice a week for 5 or 6 months. A festival for all of Denmark drew some 13,000 entrants last summer. The bulk of the training of the team members was derived from these clubs or the sessions of the gymnastic folk schools.

Tickets will be on sale through tomorrow from D-Club members. The price is 75 cents per student.

More New Books Positioned On College Library Shelves

An impressive variety of books has recently been added to the Dana College Library collection.

The Hawaii Book is a study of the island paradise including selections from six informative volumes. Some of the islands' finest paintings are presented and prints are included from the **Paradise of the Pacific** magazine. "Here then is a complete picture of the romance and beauty, the history and the charm that are inherent in this land . . . where men and women from all races are proving that the American dream can still be a concrete fact."

This book was presented to the library by a friend in memory of Mrs. Woodrow Svendgaard's mother, Mrs. Herman Kuhr.

Love Song of the Plains by Mari Sandoz is of great interest especially to the people of Nebraska and the neighboring states. This fascinating book is the story of "the true Plainsmen," their legends, failures and achievements;

of rivermen, soldiers and army posts; and of cattlemen, bad men and land speculators and their feuds and rivalries.

Roy Hoopes gives detailed, up-to-date answers to all the questions now being asked about the Peace Corps in **The Complete Peace Corps Guide**. It gives an account of the origins of the Corps, a brief history of the ideas behind it and a discussion of the place of the Peace Corps in American Foreign policy.

Southern Belle is a personal story of a crusader's wife, printed in a memorial edition by her husband, Upton Sinclair. "After a carefree and romantic girlhood on her father's Delta plantation, she became familiar with poverty, danger and distress of mind. Through this fascinating autobiography pass the great names of today: Albert Einstein, George Bernard Shaw, Theodore Dresser and countless others."

Better Red Than Dead-

World Problems Inspire Satire on Dodo

As an afterthought to the Philbrick appearance on campus and in answer to the philosophy "Better Red than Dead," we publish the following article in part from *The Gleam*, Westmar College. The author's source of material was the *Wall Street Journal*. —The Editor.

Once upon a time in an uncharted island in a remote corner of the world, there lived a species of a bird known as the dodo, a creature given only to peaceful purposes.

"Because the island held no dangers for the dodos, the dodos concentrated on making the most of life by eating prodigiously. Soon these rare birds found that high living had broadened their fusilage without increasing their wing-spread and so they could no longer fly.

"Unlike some birds in this world, the dodos had principles, and one principle was that all dodos were equal, each entitled to squawk as he pleased about community problems.

"The dodos had an army but it was only a token force because pacifists had stripped it of all weapons.

"In a major address to the nation . . . Arnold 'Eggs' Benedict said, 'We have disarmed completely and that is where our real strength lies.' Egg Beatnik,

a student leader said, 'We are moral birds and moral birds do not fight. Our policy is a victory for all that is best in dodos. Down with arms. Up with the wings of peace!'

"It was about this time that a ship anchored off the island, and the assembled dodos rushed to the beach to welcome the man creatures that were coming ashore. On seeing the dodos, the man creatures raised iron sticks which discharged and with each report a peaceful dodo fell dead.

"Remaining dodos were quickly convinced that they must accede to the better part of valor. They ran to the hills.

"In the interior of the island a great council of peace was called. Strengthen the army and fight, said some. Let us all learn to kick like our cousin the ostrich, said others.

"Eggs Benedict signaled for silence. 'When you were running from the man creatures I hid in the grass and stole one of their iron sticks. I suggest we test this awful new weapon, learn how to shoot it, and then use massive retaliation against the invaders.'

"'Horrors, no,' exclaimed octogenerian philosopher, Ova Light. 'It would be immoral to test the great iron stick.'

Ken's Komments

Now that the annual Parents' Day is a memory one can be certain that spring is here. However, many students would have liked to have seen another weekend a little less close to Easter chosen for the event since many had just been home. As a result some parents who might have come, did not. But, it also must be added that a more beautiful time of the year could not have been chosen for the parents to visit our campus.

Shouts of joy went up from students last week as the pool in the Borup Coliseum began filling up with water. To the many students who worked so hard to see the dream of "The Cool Blue Pool" come to reality, a well earned "THANK-YOU" is due.

It is rather embarrassing that more students didn't enter the campaign wholeheartedly. It was once estimated that less than ten per cent of the students raised ninety per cent of the funds. However, I am sure that the ninety per cent will enjoy and use the pool just as much as the ten per cent.

"Eggs Benedict nodded understandingly and said, 'Of course you are right. Our strength lies in total disarmament.' A great cheer went up.

"But one dodo did not cheer. Tough Egg, who had some knowledge of the world's past warned the assembly: 'It is said that these men creatures imprison fowl behind great fences and house them in a coop. If we do not fight we will lose our freedom. We will be led. . .'

"'Better led than dead,' cried the octogenerian philosopher.

"Everybody headed for the beach to be in on the peace arrangements.

"The man creatures saw the birds descending and at first they were alarmed because they thought the dodos were armed. But when they saw no arms, the man creatures smiled to each other and raised their iron sticks. They did not seem to notice the dodos' banners which read: 'Hens for Humanity,' 'Better Led Than Dead' and 'Dodos for Disarmament.'

"The iron sticks exploded almost at once and everyone was slain on the spot. And all that was left were the peace banners and these were in tatters.

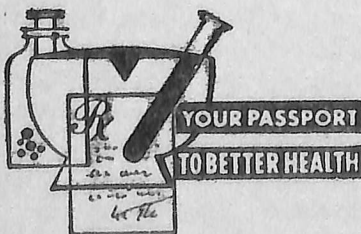

"And that is why the man creatures, to this very day, still say 'deader than a dodo.'"

Somebody Goofed!

Who forgot to remove the tacks from the piano after the Shakespearean Evening? It was a rather embarrassing situation when Mr. Ravanan had to remove them himself after his first number Sunday evening. The purpose of their being in the piano was to give the sound of a clavichord, a musical instrument common at the time of Shakespeare.

Purposes, like eggs, unless hatched into action, will run into decay.

Prof. Welsch Sings Folk-Song Program Over Lincoln Radio

This coming summer, Mr. Roger Welsch will tape thirteen half hour folk music shows to be heard over Radio Station KFMQ in Lincoln. The exact times of broadcast have not yet been decided upon.

As stated by Mr. Welsch, the shows will "make an attempt to present in a scholarly way some of the facets of American folk music." He will also feature some selections of a more classical nature.

Each half hour will cover one topic, such as Songs of the Civil War or great folk singers. Various instruments will also be discussed and demonstrated.

All of the shows will be taped here at Dana and each one will require about four hours of preparation before it is ready to be taped.

Speech Conference

Last Saturday, April 28, thirteen speech students traveled to the Tri-State Speech Conference at Yankton, South Dakota.

Those attending were Roxanne Marquette, Barbara Wahl, JoAnn Urie, Judy Magnussen, Duane Meister, Sharon Messer, Kathryn Olsen, John Murdock and Steven Luschen. Speech professor Siegard Krueger accompanied the group.

Three excellent ratings were received by the group besides an excellent rating on Professor Emmerich's play, *Dimitri*.

Nelsen, Tuttle, and Knudsen Attend Washington Meeting

We three students, George Nelsen, Barry Tuttle and Herb Knudsen, attended the Lutheran Student Seminar in Washington, D.C., on April 15-18. The purpose of this conference was to acquaint college students with the function of national government.

On Sunday evening a reception was held introducing us to some of the prominent Lutherans in national government.

After breakfast at the Supreme Court Building on Monday, we were introduced to Dr. VanDusin who officially opened the conference and discussed the coming activities. We were then conducted on tours of the House and Senate Chambers where we observed our national legislature in action. During the afternoon, the Dana delegation accepted the invitation of the Danish Embassy to tour their new facilities in Washington. Our host, Carlo Christensen, the cultural advisor of the Danish Embassy, gave us many new insights into the interaction of our government with the governments of other countries.

The lecture series was continued on Tuesday with a luncheon at the Presidential Arms. We were addressed by the distinguished Washington correspondent Louis Cassel who described news gathering in the nation's Capitol. He has written an interesting and informative article in *Look* magazine giving his opinions on the rightest crises in our churches. The remaining time was given for sight-seeing and attending sessions of Congress.

Following breakfast at the State Department cafeteria on Wednesday, a series of three lectures was given in the State Department auditorium. The lectures dealt with the function of the State Department, policy formation and the U. S. role in the U. N.

The value of the conference and suggestions were discussed at the Wednesday luncheon. This ended the Washington segment of the Seminar.

From Washington we went to a post-session at the United Nations in New York. The morning was spent touring the U. N. and attending sessions. At noon a luncheon was held for us in the U. N. Delegates' dining room. In the afternoon there was a briefing at the U. S. Mission to the U. N. discussing the role of the United States in the U. N. With this, the one day seminar was concluded.

We'd like to thank the Student Council, The Political Science Club and the College for making it possible for us to attend this conference. We were very impressed with the conference and happy with the results.

Herb Knudsen

Council Clips

By Bob Rademacher

At the last two meetings of the Student Council, most of the discussion centered around the newly revised constitution of the student body which was recently finished by Parliamentarian Herb Knudsen and his committee.

The Council read and discussed various points and made some changes which make the wording more definite and clear. After much discussion, the constitution was approved by the Student Council. For final ratification the completed revised constitution will be presented to the student body for their vote of approval.

Other items of business included the proposal for additional funds for the redecorating of the canteen (which was approved by the student body in the recent election); cancellation of the scheduled "clean-up day" (cancelled because of the difficulty in making adequate arrangements for work for so many students), and discussion of the directory to be placed on the campus by the class of 1960.

It was decided to remunerate the editors of the *HERMES* and *DANIAN* beginning next year. The amount is to be equivalent to the scholarship that dorm counsellors receive. However, the final decision whether to pay the editors and how much rests in the hands of the Administration as the proposed editorial scholarships will not be paid by funds from the student body.

A hearty THANK YOU is in order for Nena Wegener and her administrative staff for their guidance and leadership of the student body during this past year. As of Tuesday, May 1, Herb Knudsen and the other newly elected officers officially took the reins of the student government.

As this year's officers step down, we wish to express our gratitude for a job "well-done" as we look forward to another successful year under a new administration.

College Employees Summed by Paper

Colleges in the ALC, according to information in *Commentator*, a paper for pastors and congregational readers in the ALC, employ some 1800 men and women. Of these, 863 are teachers, 378 are administrators and clerical employees, and 566 are supervisory and maintenance employees.

Some eight million dollars a year are spent annually for salaries and total expenditures are almost 20 million annually. Of this, one and one half millions—about \$110 per student—is being provided from the budget of the ALC.

Books for sale: More than 200 books. Many new or almost new. Mostly half price; many at \$1.00 or less. See them at my office (OM 306) 3:30-5:00, May 4 and 7-11; or call evenings for appointment (Tel. 6-4215).

Mrs. Othilia Hauge

Pete's Boys Compete in Augustana Olympics

This weekend the Viking cindermen will travel to Rock Island, Illinois, where they will take part in the 21st annual Augustana Viking Olympics. The competition involves schools from a several state area which are affiliated with Lutheran church bodies.

Last year Dana placed fourth in the ten team meet which was dominated by Luther College, Decorah, Iowa. The Red and White defeated such schools as Wartburg, Gustavus Adolphus, and Valparaiso University as they finished nine points behind second place St. Olaf and 6½ points under Augustana (Ill.).

Five Dana track records were broken at the meet last year in spite of the fact that Bill Bracker captured the only first place for the thinclads by winning the high jump.

Vikings Sail Past Bulldogs on Concordia Cinders, April 20

Concordia tracksters were in the competition against the Vikings at Seward on April 20 until Coach Peterson's mile relay team iced the dual meet, 71-65.

The Bulldogs were paced by one man who pushed the Red and White. Concordia's Melber won four events—the 120-yard high hurdles, the 220-yard low hurdles, the broad jump and tied Dana's Bill Bracker in the high jump—netting his team nineteen points.

Although Concordia scored heavily in field events, they only managed to sweep the broad jump. The Vikings showed their teeth in the running events capturing first in all events except those in which Melber ran.

First place winners were 880 Relay, Dana, 2:17.9; Mile, Hough (D), 5:10.7; 440, Willadsen (D), 53.6; 100, Petersen (D), 10.3; 120 H. H., Melber (C), 16.3.

880, Laughhunn (D), 2:08.4; 220, Petersen (D), 23.2; Two-mile, Seburg (D), 10:49.3; 220 L. H., Melber (C), 26.2; Mile relay, Dana, 3:42.4.

Pole vault, Puchett (C), 11-9¼; Shot put, Oetting (C), 39-5¼; High jump, tie between Melber (C) and Bracker (D), 6-4; Broad jump, Melber (C), 20-6¼; Discus, Oetting (C), 121-7¼; and Javelin, Brown (C), 168-8.

Cindermen Falter in Plainsmen Invitational

Viking cindermen came in last at the Plainsmen Invitational Track Meet held at Lincoln April 18, with a total of 14 points. Doane College dominated the event by netting 72 points. Other schools entered in the event were Midland, Concordia and Hastings.

Dana tracksters to place were Wayne Petersen, second in the 220 and third in the 100-yard dash; Tom Frank, fifth in the 120-yard high hurdles; John Seburg, fourth in the two mile; Bill Bracker, tied for third in the high jump; and the mile relay team of Hans Willadsen, John Laughhunn, Mickey Jensen and Don Sutton snagged third in the mile relay.

Midland Warriors Threaten Dana's Third Track Crown Red and White Suffer First Dual Defeat, 74-62

Midland has proven itself to be the team for the Vikings to beat in this year's Tri-State cinder competition. The Warrior squad ran over the Dana thinclads with a team total of 74-62 to hand the Red and White their first dual meet loss of the season in a contest held on the Viking oval last Thursday, April 26.

Merchant and Ferguson were the big guns for the winners. Merchant captured first place honors in the broad jump and in the 220 while settling for second in the 100-yard dash. Ferguson swept the distance events by winning laurels in the mile and two mile runs.

Track Squad Wins

Yesterday afternoon Dana track men completely dominated a Tri-State triangular meet held on the Westmar College oval. Vikings captured firsts in fourteen out of sixteen events as they compiled 100 team points compared to Westmar's 31½ and Northwestern's 29½.

The mile and the shot were the only events in which the Vikes failed. Westmar and Northwestern are relatively weak in Tri-State competition. They were fourth and sixth respectively in last year's conference meet.

The Vikings showed their teeth in the hurdle events as they captured 17 out of 18 possible points. Byron Jensen won the highs for the Vikings with Stan Cupp leading the field in the lows.

Dana will be putting up her conference title at Midland on May 18. With the defeat by Midland and the narrow victory over Concordia on April 20, the Vikings are going to be pressed if they expect to win their third straight track crown.

Official results were: 880 relay, Midland, 1:36.6; Mile, Ferguson (M), 4:56.8; 440, Willadsen (D), 54.6; 100, Petersen (D), 10.8; 120 H.H., Jensen (D), 16.9.

880, Moenter (M), 2:11.4; 220, Merchant (M), 24.3; Two-mile, Ferguson (M), 10:58.4; 220 L. H., Cupp (D), 25.9; Mile relay, Midland, 3.50.

Pole vault, Vasby (D), 11-6; High jump, tie Bracker (D) and Hendricksen (D), 6-2; Broad jump, Merchant (M), 21-5¾; Shot put, Kammerer (M), 44-3; Discus, Peterson (D), 139-3½; Javelin, Meyer (M), 166-6.

Linksters 'Putt'er To First Victory

Last Friday the Dana golf team won its first match 8-6, at the expense of Concordia. Steve Nelson was low for the Vikings with a 92 on the Blair Country Club course. The following day saw the Vikings travel to LeMars, Iowa, where they suffered a 15-0 blow at the hands of Westmar. Stan Erlandsen came out as the low scorer for Dana with a 90.

Previously the Viking golfers had suffered defeats in a dual match with Midland and a triangular match with Omaha University and Midand. They also participated in a tournament of Nebraska church schools at Lincoln.

The next match will pit the Vikings against Nebraska Wesleyan in a dual at Lincoln tomorrow afternoon.

TRACK MEET NOTICE

The Intramural Track Meet for this year will be held on May 19 starting at 9:00 a.m. and running through the afternoon until finished. In case of rain the meet will be held on the afternoon of May 20.

Events will be held for both men and women. Men contact your intramural representative if you are interested. Women contact your floor counselors; off-campus women contact Kay Glasnapp. All entries must be in by May 15 at 6:00 p.m.

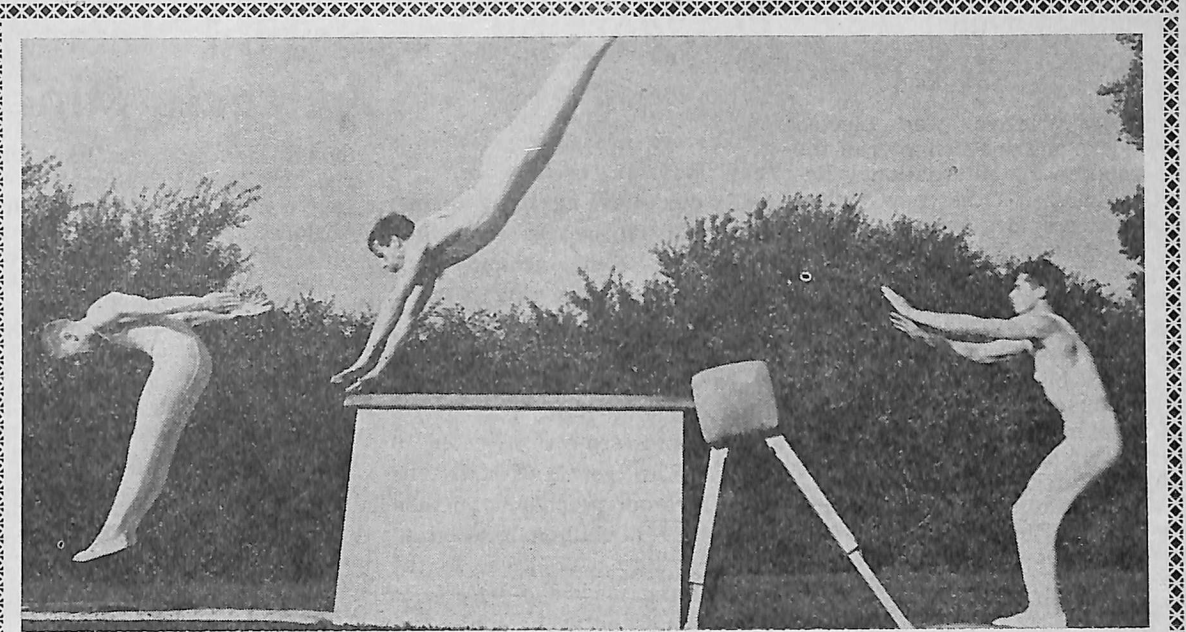

Men's events will be as follows: 100-yd. dash, 220-yd. dash, 440-yd. dash, 880, 1320, 440 relay, 880 relay, 180-yd. lows, football throw, discus, shot put, broad jump, high jump.

Women's events are as follows: 50-yd. dash, 100-yd. dash, 440 relay, softball throw, high jump and broad jump.

Dana Tennis Team Drops Doane Meet

Dana's tennis team traveled to Doane last Thursday and lost, 5-1. It was the team's best showing of the season even though the score was not in their favor.

In the singles Bob Jensen lost, 6-4, 6-4; Orville Hansen lost 6-1, 6-1; and Jon Kjoller won 6-1, 6-1. In the doubles, Hansen-Jensen lost 6-3, 8-6 and Pedersen-Kjoller lost 6-1, 6-1.

Danish gymnasts practice at Sønnerborg, Denmark, in preparation for their American tour. Student tickets for tomorrow night's performance are available from D-Club members for 75¢.

Diamond Men Score Victories In Three Out of Five Games

Rich Pitches Shut-Out

Last Saturday afternoon Brian Rich's no-hitter gave Dana a 1-0 victory in the second game of a Tri-State Conference double-header at Yankton.

Yankton won the opener, 8-1, on a four-hitter by Bob Miller. The win was the first in the league for Yankton.

Dana scored the winning run in the eighth inning of the night-cap on a walk, a sacrifice and a single by Marc Petersen.

Dana now has a conference record of 3-1, while Yankton is 1-3 in Tri-State play.

Dana Downs Jays, 3-0

On Tuesday, April 17, the Vikings handed the Creighton Bluejays a 3-0 defeat on Memorial Field in Blair.

Behind the efforts of Marc Petersen who shut out the Jays and placed four hits for the afternoon, the diamond men avenged an earlier loss to Creighton, 6-3 in the season opener.

Vikings, Raiders Split

In a double-header here April 14, Dana split with Northwestern. Dana won the first game 5-3 behind the pitching of Marc Petersen, but Northwestern came back to cop the second game, 9-5. Brian Rich was losing pitcher.

Tom Winscot again led the batters, and currently leads the ball club with a .619 average. A far second is Petersen, batting .368.

Eagles Give Vikings Racket Pecking, 5-0

The Dana tennis team was host to Westmar last Saturday, April 28, on the home tennis court. Although showing improvement, Dana bowed, 5-0.

In matches earlier in the year Dana lost to Midland and Wesleyan and survived two of four rounds in the Wesleyan Tournament at Lincoln.

The next match will be held here May 8, with Wesleyan, at 1:30 p.m.

Intramurals

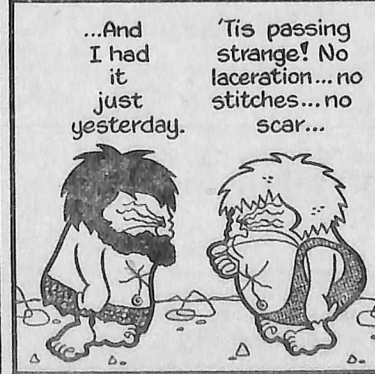

Road Runners Nip Floaters for Title

On the night of April 15 the 2nd team of the Road Runners captured the Double Elimination Volleyball Tournament for men by defeating the Floater I on top by a score of 15 to 10. The Road Runners II came back to take the second and third games by the scores of 15-9 and 15-4. In the fourth game the Floater came back to even it up by a score of 15-12. The fifth and final game was decided when Bill Archibald's spike ended the game with the score of 15 to 11.

The tournament which took three Sundays to be run off showed a good representation from the various floors. A total of twelve teams was entered.

Members of the winning team were Roger Beck, Bill Archibald, Byron Jensen, Bud West, Gary Biesecker, Ken Anderson and Roger Howland. Those on the runner-up team were Bill Bohlen, Bob Ericksen, Don Ericksen, Jon Kjoller, John Volkman, Dave Petersen and Bob Steffensen.

'Relations' Club Elects Officers

George Nelsen was elected president of Dana's chapter of the Association of International Relations Clubs. Other newly elected officers are vice-president, Gary Hanson; corresponding secretary, Sidney Ann Larson and treasurer-recording secretary, Jane Olson. Professor Donald Warman is advisor to the club.

Other business of the local AIRC included voting for national chapter officers and approving two amendments to the national constitution of the organization.

Dana's Political Science Club recently affiliated itself with this international association and now titles itself the International Relations Club of Dana College.

Madsens Entertain '62 Seniors at Tea

President and Mrs. C. C. Madsen will be hosts for the traditional Senior Tea on Sunday, May 6.

All seniors and their husbands or wives will be invited to the Madsen home from 2-4 in the afternoon or immediately before and after the "King David" presentation in the evening.

"The tea," stated Dr. Madsen, "provides an opportunity for informal fellowship with the seniors before they leave us."

S.A.M. Sessions Are in Progress

Meeting on campus today is the second annual Management Conference of Dana's S.A.M. Chapter in Old Main 208. The conference is split into two sessions which run from 9:00 a.m. to 12:00 p.m. and 2:00 to 5:00 p.m.

A panel discussion "Anatomy of a City—Blair, Nebraska" was held this morning. The afternoon session is devoted to a very controversial issue in anti-trust legislation, and deals with price-fixing scandals in the electrical equipment industry. Guest speakers are Dr. Harry M. Trebing of the University of Indiana, Dr. Campbell R. McConnell and Dr. Theodore Roesler, both from the University of Nebraska.

Meetings are open to all students, faculty and the general public.

Thoughts on -- Negro Equal?

"Negroes are fine as long as they stay in their place." "I really don't have anything against them but I'd just as soon they would not come around me." Do these remarks ring a bell? They should. Unless you are a rare person you have thought or heard them in one form or another at some time.

What else are we expected to think? The church of man tells us to love our neighbor and then it moves to another location at the first sign of Negroes in the area. Our government tells us to desegregate and at the same time makes a political issue out of the proposed appointment of a Negro to a newly created cabinet post.

How do we know what to believe and what to do? We are confused indeed. We have every reason to be perplexed. Much of this "love thy neighbor" bit is just a sham for us to hide behind. Hypocrisy.

Who are we to deny someone his freedom? Do we speak for the majority? We do not. We whites are in the minority in this world. The world we think we are living in no longer exists. Like it or not, the white race will cease to exist in a few centuries. Ours is a lost cause.

When we can actually say that color makes no difference, when we can associate with people of different races without prejudice, only then are we beginning to fulfill our roles as responsible citizens.

Only the individual is capable of breaking the barrier of inequality. Action will give impetus to the demand for equal rights and will force both church and government to lend their strength to the cause of racial equality.

Rebild National Park Contest Attracts Nine Dana Essayists

Nine Dana students have entered the Rebuild National Park essay contest. They are Hans Christensen, Omaha, Nebraska; James Hansen, Plainview, Nebraska; David Hanson, Green Bay, Wisconsin; Sonja Jacobsen, Atlantic, Iowa; Vance Larsen, Creighton, Nebraska; Sidney Ann Larson, Edmore, Michigan; Judy Magnussen, Audubon, Iowa; Elizabeth Nielsen, Albert Lea, Minnesota, and Philip Panum, Castro Valley, California.

This special essay contest is for students of Danish extraction at Dana College and Grand View College. Each entrant who entered submitted an original essay

on the topic, "How Today's Youth Can Help to Encourage International Understanding."

The essays will be judged by a special board of judges in New York City. Judges already committed are Bernhard Auer, publisher of **Time** magazine and Einar Buhl, vice-president of the Rebuild National Park Board.

Contest winners, one from each school, will be given an all expense paid trip to Denmark and the international Fourth of July celebration at Rebuild Hills where they will be formally introduced.

Winners will be announced at each institution on Commencement Day.

S.A.M. Members Go to Kansas City

Representing Dana at the Midwest Regional S.A.M. Conference at Kansas City University this past weekend were John Tarrell, Levan Hiemke and Eldon Hemmingsen.

The conference brought together members from the University Chapters of Dana, Southern Illinois University, University of Oklahoma and the University of Arkansas along with the St. Louis Senior Chapter.

Dana's representatives toured the Colgate-Palmolive plant on Friday and attended various meetings and dinners on Saturday. Dr. Harold Fisher, University Division President, from Franklin and Marshall College, was featured during the two-day convention. Dr. Fisher complimented Dana's chapter on several occasions for outstanding achievements for being the most outstanding member of the University Division.

We would appreciate it if everyone ordering corsages for May Fest would do so as soon as possible. We ask this, due to the conflict with Mother's Day this year, so that we will be able to have sufficient time to order and prepare for the rush.

Again, we will be featuring corsages of baby roses, carnations, button mums and many other favorites.

Why not stop in and see the many varieties?

Thank you,
