Snow Odyssey

Dana's Winter Wonderland Before The Great Thaw.

Thirteen girls of varying sizes, shapes and talents will be performing for the Miss Winterfest pageant to be held in AMA Friday January 30 at 8:00 p.m. The girls from six different states will be representing various organizations on campus.

Music and people are the main interest of Karen Bansen, representing the Junior Class. Karen comes from Dayton, Oregon and is an elementary education major. Kappa Theta Phi. Homecoming Committee, Judicial Committee and A.S.F. are some activities that keep Karen busy on campus.

Representing Kappa Theta Phi is a junior from Talmage, Nebraska, Jean Brehm. Jean is an English major with a French minor and has an avid interest in drama. French Club and Alpha Psi Omega are just a couple of her activities.

P. E. M. Club, band and choir are a few of the interests and activities of Jolene Bundt, from Glidden, Iowa who will be representing the Freshman Class.

Though her hobby is a toy poodle and her interests center around people, the talent of Miss Senior Class, Marsha Degner, is singing. Marsha is a sociology major who would like to work in either an orphanage or with handicapped children upon graduation.

Representing Pep Club is Judy Duke a junior from Council Bluffs, Iowa. Piano, organ and voice are all interests of this music education major. Kappa Theta Phi, SEA, Tri D's, and choir keep Judy busy during her spare time.

Swimming, scuba diving and horseback riding are a few of the interests of Carri Dumke, a sophomore from Sioux Falls, South Dakota. Carri is an elementary education major representing the Hermes staff. Floor counseling, SAB, cheerleading and Homecoming Committee are some of her activities.

Miss Pem is a junior from Omaha, Nebraska, Judy Duncan. Judy's interested in dancing, sewing and sports of all kinds. She participates in dorm council, Pep Club, Tri-D's, and Vikettes.

Representing the Delta Sigma Omegas is Cathy Hanson, an elementary education major from Colorado Springs, Colorado. Gymnastics, ballet, baton twirling and skiing are a few of Cathy's interests.

A tall, slender, guitar playing sophomore from Avoca, Iowa will be representing D-Club in the pageant Friday night. The girl is Jan Sorenson and her interests are singing, swimming, horseback riding and all sports. Jan is active in SAB, Kappa Theta Phi and Pep Club.

She's crazy about pizza and her favorite color is blue, her name is Lexy Spencer and she represents Kappa Chi Lambda. Lexy is a P. E. major interested in modern dance, tap ballet and gymnastics. Lexy is a sophomore from Council Bluffs, Iowa.

S. A. M. will be represented by a sophomore from Pawnee City, Nebraska, Lynn Stewart. Lynne is interested in horseback riding, golf, swimming and most all outdoor sports. Here at Dana she is a member of the folk dancers and the church choir.

Representing the Sophomore Class is Charlotte Thomsen from Culbertson, Montana. Charlotte has always been interested in music and began playing the piano at age seven. She is an elementary education major with a minor in English.

A panel of four judges will decide Miss Winterfest, and her runner-up. From votes cast by the girls themselves a Miss Congeniality will be chosen. All decorations for the pageant have been put up and made by the contestants during this past week.

Choir Ends Tour

The Dana College Choir, under the direction of Dr. Paul Neve, recently completed its 45th annual tour. The choir departed from Dana on Saturday, January 16th, and returned on January 23rd. Concerts were given at Sheldon, Graettinger, Ringsted, Emmetsburg, Mason City, Cedar Falls, Strawberry Point, Irwin and Onawa, all in Iowa; and in Albert Lea, Minn. and Decatur and Randolph, Nebraska. (Well, have you ever been to Strawberry Point?)

Many fine comments were received by both the choir and Dr. Neve. Special recognition goes to Greg Witte, Claudia Harris, Judy Duke, Sharon Boone, Jim Pierce, Steve Hahn, Carl Nielsen, Rich Larsen and Dorothy Paulsen for their fine work as soloists and accompanists.

Most choir members agreed that the high point of the tour was seeing the 15 ft. by 12 ft. strawberry at Strawberry Point. (Strawberry Fields Forever!)

Cline To Talk On Indians

Mr. Edward Cline, chairman of the Omaha tribal council, will be on campus Monday evening to speak about the Omaha tribe and the "Red Power" movement among the American Indians. Sponsored by the college's history club, the event begins at 7:30 in the President's Room of the Union Center. Students and faculty are invited to attend. Mr. Cline is an Omahan by birth. For eight years he was economic and financial counselor to the tribe, and for the past year has been its chairman. There are 3,000 members of the tribe whose headquarters are located at Macy, Nebraska.

Chapel Schedule

Feb. 3 - The Rev. H. Kendall Harris, Pastor of Christ the King Lutheran, Omaha.
Feb. 4 - Open
Feb. 6 - Dr. Madsen, Dana President
Feb. 10 - Pop-Song-Series - Richard Cory, by Rod Christensen
Feb. 11 - The Rev. Wm. Thomsen, Art Department - ASH WEDNESDAY SERVICE at 7 p.m.
Feb. 13 - Pastor

Met. Opera Stars To Be In Omaha

Three Metropolitan Opera stars will open Omaha Civic Opera's 12th season with Gounod's "Faust," Friday and Saturday, Feb. 6 and 7 at the Omaha Civic Auditorium Music Hall.

Soprano Jean Fenn, tenor Enrico Di Giuseppe and Joshua Hecht, bass, will sing the leading roles, along with a professional local cast, chorus, ballet and orchestra.

Leo Kopp of Chicago will be musical and artistic director, with stage direction by James Lucas of New York.

Sets will be brought in from the Cincinnati Opera Co.; costumes will come from the Chicago Opera House.

During intermissions opera goers will sip champagne as they view the Opera Society's fifth annual lobby art exhibition, "Painting and Opera", featuring works by prominent Nebraska artists.

The Opera Society will offer a double bill of "Pagliacci" and "Cavalleria Rusticana" April 16 and 18, with Metropolitan Opera singers Robert Nagy, Judith De Paul and Vern Shinall, and Ann Dre House of the Chicago Lyric Opera.

Season tickets are priced from \$4.50 to \$9.50. Single seats range from \$3.25 to \$5.75. Tickets are sold at Brandeis store, 16th and Douglas Streets, Omaha. Mr. and Mrs. Chester Sutton are Blair ticket representatives.

USOE Grants Awarded

The United States Office of Education has presented Mr. Donald Warman and Mr. Clifford Hanson with grants through the Nebraska Humanities and Social Science Council.

Dr. Hanson's grant is in connection with revision of the humanities program here and Mr. Warman's grant is to be used in preparation of syllabus on "Civilization of the Indians."

Also, the National Science Foundation awarded Dana a grant of \$7,000.00 for education in the sciences, scientific research, or both.

Madsens Attend Conference

President and Mrs. C. C. Madsen attended the Lutheran Education Conference of North America held in Houston, Texas. Pres. and Mrs. Madsen had their visit called short, however, when A. J. Snowbeck suffered a severe heart attack January 11.

The President did say that he was fortunate to hear two interesting lectures by Senator Edmund Muskie of Maine and President S. I. Hayikawa of San Francisco State. The conference had representatives from 33 institutions in the United States and Canada.

President and Mrs. Madsen had planned to go on to the Virgin Islands for the meeting of the Danish-American Brotherhood, but were called back because of Mr. Snowbeck's condition.

Snowbeck Suffers Heart Attack

Mr. A. J. Snowbeck, suffered a severe heart attack on Sunday, January 11. He was taken to the Blair Hospital and placed under intensive care, where he remained until last week. He was then moved to a private room, where he is currently progressing satisfactorily. According to a doctor's report, Mr. Snowbeck may return to his home this next weekend, where he would remain relatively inactive for several weeks.

Dean Receives Ph. D.

Mr. Gary Dean, Associate Professor of Business Administration, received his Ph. D. degree at the University of Nebraska at Lincoln. Congratulations to Dr. Dean from Dana students and faculty!

Homecoming Elections Next Week

Elections for the Homecoming Committee are slated for next week. Homecoming 1970 will be held on the week-end of November 6, 7, and 8.

As stipulated by the Viking Log, the committee was to be elected last November. Due to an oversight, the elections are being held at this time.

The Elections Commission must present at least two candidates for each position. To qualify these candidates must have and maintain a grade point average equal to or above that required for graduation (4.00).

These elected students will then be responsible for cooperating with the Administration and an alumni committee to plan all activities for Homecoming.

Bad Attitude?

Each New Year, a group of glassy-eyed celebrators sits in front of their television sets watching the bowl games, and making New Year's resolutions. Now that I think of it, it's too bad all of the Dana students didn't get together in front of the television set in the Linden Room to make New Year's resolutions. You're wondering, perhaps, what such an amiable group of college children could resolve on New Year's Day. We (I include myself in the purge) could have decided to do something about the inevitable state of affairs on our campus. We could have pledged ourselves to correct a grievous void in our educations and conduct. The saddest part of the void is that it is not filled by anyone. Not even the faculty or administration.

This disease is a case of pure and simple lack of decent attitude. Admittedly, "decent" attitude is a difficult phrase to define. Let me attack the situation from the negative, since it is easier to define what a "decent attitude" is not. A decent attitude isn't knifed furniture in the campus center, nor is it the wall in the north stair well of the center. The flunk-out rate, the kicked-out rate, and the "I hate the place" rate are also three statistically proven good attitudes. Shall I go on? Dorm vandalism, drinking in rooms, disrespect to housemothers, inconsiderate noise in halls late at night, the smashed garbage can by the post office, and the mess usually found in the Dragon's Tail are but a few more. Each of the above mentioned acts of "bad attitude" are small, but when lumped together, distress the other students who must live with them. The students are not the only group that could stand an attitude change.

The administration and faculty by and large are a group of dedicated individuals. Their individuality is groovy, but it often causes problems. Problems are also groovy because they force some kind of dynamic action.

When individualism interferes with sensibility and the ability to compromise it has degenerated to stupid stubbornness. This type of reaction occurs among faculty and administration with increasing frequency. Even stubbornness can easily be forgiven, but its effect should never overlap into student-faculty conversation. Negative comments to students about colleagues is a prime example of "bad attitude". I realize everyone is not guilty of these unhealthy attitudes, but everyone is also not immune to them.

The long range effects of these attitudes are serious and frightening. Total breakdown of discipline, both physical and mental; increased apathy; decreased efficiency in the administrative hierarchy and general frustration and confusion in the student body.

Let's make the 1970's a decade of dedication to "good attitude". Let's make Dana as good a school as we tell people it is. Let each resolve to make life easier and more worthwhile for the next person. Let each resolve to work out problems in a Christian manner becoming to a mature student body, a sincerely interested faculty, and a competent administration.

Pot's Effect

Marijuana may not be a one-way ticket to hell as some opponents claim, but it's no entree to psychedelic paradise either.

Long-range studies now going on may tell us some day just how marijuana really affects the body and mind. Until then, three top medical authorities on drugs have summarized their views.

The three doctors -- Dana L. Farnsworth of Harvard, Anthony F. Philip of Columbia and famed chest surgeon Alton Ochsner of New Orleans -- agree that while the dangers may be somewhat overstated, there are risks in smoking marijuana and it is a rare "pot-head" who can escape without harm.

Moreover Dr. Ochsner, who was one of the first doctors to note the correlation between cigarette smoking and lung cancer, raises the possibility of similar risks among marijuana smokers. He sees disturbing parallels between today's marijuana craze and the cigarette promotions a few decades ago.

"At present, no one knows whether smoking pot can cause cancer," he says. "What is certain is that the burning of many types of leaves produces carcinogens. Marijuana simply has not been in common use in the United States long enough to produce the deaths from which statistics are calculated."

Dr. Farnsworth, who serves as chairman of the American Medical Association's Council on Mental Health, distinguishes between "casual" pot smokers - those who try it out of curiosity and who constitute more than half of all users - and "problem" smokers who are preoccupied with the drug to the point of dependency.

Casual smokers may not suffer any real harm, he says. But many others do suffer interference with work and studies, disorientation, confusion or depression. Ironically, those most vulnerable to such reactions are people with unstable personalities or emotional difficulties -- who are most likely to try the drug in the first place!

And what of the rewards? Disappointing at best, says Dr. Farnsworth. There is no present evidence that, except for a few isolated individuals, pot-smoking can increase self-realization or creativity. On the contrary, he says, "With pot, everything draws to a halt."

One other danger noted by Dr. Farnsworth is the risk that marijuana can lead to stronger drugs. While not necessarily so, it has happened.

Dr. Philip, who heads the Columbia College Counseling Service, also distinguishes "recreational" pot smokers from those who are deeply involved. The latter, he says, "typically have an intolerable, chronic, low-grade depression and a resentful feeling that somehow they have been cheated by life." Their motivation for using drugs is not to gain pleasure, but merely to avoid pain.

Dr. Philip believes that family conflict plays a large role in launching youngsters on the drug path. "I haven't seen any kids getting into drugs who have not had family problems," he says.

It all adds up to a case against marijuana, although many doctors agree that present legal penalties for use of the drug are far too harsh. To such opponents of stiff punishment, a social approach seems to make more sense than a legal one.

Dr. Farnsworth puts it this way: The way to solve the drug problem is "by helping the young improve their relations with their parents and with society."

He might have added, "and vice-versa."

Summer Job Now

By Mynena Leith

A letter of application can make or break your chances for a summer job. It creates the employer's first impression of you, so it is very important to make that impression count for all it can.

Write your letter or letters at the very earliest moment. You may want to apply to as many as 8 or 10 employers since the job you want may already be filled or your qualification may be found inadequate. If you don't receive a reply within a reasonable length of time, write a second letter. Enclose a copy of the first one and suggest that it may have been lost.

Your letter should tell the employer the position for which you are applying, and how you learned of the vacancy; the reason you want to work and why you think you can do the job well. He also needs to know the earliest and latest dates you will be available for work. Most employers like to be told, too, that you appreciate their consideration of your application.

This year summer employers want to know about your appearance before they hire. "Clean cut," "short hair" and "neat" are words they like to see in letters of application.

The following are some of the points made in the Directory of Summer Employment to help you write your application letter:

* Make it no longer than one page; enclose a resume with details.

* Organize the letter. Make it clear, concise and neat.

* Address your letter to a person, if possible. Double check the spelling of names. Reread the letter, pretending you are the employer. If you doubt the spelling of any words, look them up.

* Type your letter on 8 1/2 x 11 typewriter bond paper. Do not send duplicated letters -- too impersonal.

* Always use zip codes -- yours and the employer's. They are easy to come by through any post office or library.

* Keep a copy of each letter you write -- you may need it later for reference.

The resume you enclose should touch on such details as: your name, address, telephone number, height, weight, marital status, physical limitations, education and background and references (by permission). Note any special skills and hobbies you may have, and any previous work experience.

Employers who are besieged by applications sometimes answer only those that are accompanied by stamped return envelopes. Your contacts will appreciate this added convenience, so by all means include it.

When you accept a job, be sure to have a signed contract between your employer and yourself. It is a matter of courtesy to notify other people to whom you applied that you are no longer available.

Now you are ready to apply for a summer job. Good luck!

NCET Honors Emmerich

Dr. Paul J. Emmerich, associate professor of English here at Dana, has recently been appointed State Chairman in the Achievement Awards Program for Nebraska in 1970 by the National Council of English Teachers.

The purpose of this program is to recognize outstanding seniors at the high school level and recommend them for scholarships.

Congratulations to Dr. Emmerich!

INSIGHT

By Chuck Knight

It must be admitted that since the college has employed the Wells Fargo security people, the vandalism on the cars has decreased greatly. It must also be admitted that the officers are pretty nice guys. They like the students, and it would appear that the students don't mind having them around. But the officers still leave a little to be desired.

Last Saturday night, one of the officers spent half an hour "guarding" the lady in the information office. The next half hour he spent in the Dragon's Head "guarding" a cup of coffee. Finally, he spent half an hour watching television in the Linden room so that nobody would try to make off with the television or any of the furniture. He is seldom seen around campus anywhere, and one might wonder if perhaps he might be found "guarding" the front seat of his car sometimes in the middle of the night. All Dana students should be aware that all free time the officer has after 10:00 p.m. is at the college's expense. The college still operates on our money.

As long as we're wasting our money, why don't we waste a little by doing something about the ice on the sidewalks. If we can't afford to use salt, maybe we could at least go back to throwing the sand around. At least that gives some traction even though it does get all over the floors in the dorms. I'd rather have to walk on sand than crutches.

Whatever became of the visit by the chef in the cafeteria? Strictly off the record, he said that one of the main problems with the food was not in the kitchen, but with the service up front. If the servers would occasionally stir the mashed potatoes, they wouldn't get hard and dry. The same is true with some of the other foods. If the cold foods weren't put out so far in advance, we wouldn't have to eat ice cream sandwiches with a straw. Once again the students are depriving themselves of their own privileges.

Last, but not least, it would be nice if we students could keep the furniture in the center in a little better condition, because we all know that the college will go to any expense to keep the "alumni-wower" in tip-top shape. Every time a piece of furniture must be repaired, it's money out of our pockets.

S.A.M.

Salesman is a dirty word today. America's capitalistic system is under attack. These are the statements that Mr. Chris H. Petersen of Paxton-Mitchell in Omaha discounted in his talk to the Society for Advancement of Management on Wednesday.

Mr. Petersen defined selling in the American society as getting a product to people who have a free choice. He said people want to make a free choice so that if they make a mistake they can improve themselves.

Salesmen operate on their own merit so they can more easily be credited with their own accomplishments. To be successful a salesman has to know his product and know the customer's need.

This was the first meeting for S.A.M.'s new officers. They are: C. Marvin Richardsen-President, John Groessor-Vice President, Sue Angell-Secretary, and Larry Mai-Treasurer.

Plans for the upcoming Seminar on February 17 were discussed. The present agenda calls for a morning and afternoon session with the overall theme being Dynamic Management.

Grunge Speaks

Welcome back to the "old ice hole" or rather, what was the old ice hole. Many things have happened since the last issue of "Rog and Dick Go To Town" and some of them are monumental.

Dana has again proven that the strong "magnet" of a clean Christian atmosphere will attract all those who have fallen by the road as 150 students left for various reasons, some even taking posted grade sheets, and enrolled or re-enrolled as the case seems to be.

Semester break proved to be very relaxing for the Kitchen Krew, as "filler burgers" were the staple diet of somewhere around 100 unknown students.

Also, Dana now has a part time "radio station", KDNA, which operates rather sporadically on the AM dial around 800. They have promised that all announcements and requests made of them will be fulfilled by the next broadcast, but who knows when that will be!

A ghost, "Froggy Jackson", has joined the crew of the Raiders as of Jan. 21. It seems he has also resided in Tekamah and makes a hobby of interrupting nature, turning off radios and stereos, and getting shot by the fuzz. He lived in room 411 until his untimely death in January.

All puffed up,
Grunge

**Advisory Council To
Discuss Homecoming**

The Alumni Advisory Council met on Dana Campus January 11 to discuss future Homecoming plans.

A suggestion was made that in addition to the 5th, 10th, and 25th year class reunions held during Homecoming, that arrangements be made for the various campus organizations to hold their anniversary reunions then also.

The Development Office, currently responsible for Homecoming, is interested in this idea, but needs to know the present officers and year founded of each organization. This is needed as soon as possible. Send to Mr. Paul Strand, Campus Mail, or leave it in his office, P. M. 207.

Below is a list of the campus organizations from which such information is needed:

- Alpha Chi
- American Scandinavian Foundation
- Alpha Psi Omega
- M.E. N. C.
- S. E. A.
- S. A. M.
- Dana College Choir
- Dana College Choir Tours
- Dana College Band

- Danian
- Sower
- Sam Script
- Ekklesia Koinonias
- Chi Ro
- D Club
- Tau Gamma Rho

Debate Club Active

Debate at Dana is a relatively new thing to the list of extra-curricular activities on campus. The outlook, however, for this new club is good. The club is already scheduled to attend three tournaments this semester, the first is a tournament of the Nebraska Inter-Collegiate Debate association. The second will be the Inter-collegiate Debate conference at the University of Nebraska in Lincoln. The "Hardware Sale" as South Dakota State University calls their tournament will be held March 13-14.

Also at these tournaments there will be a series of individual events. Among these events is original oratory, which is a ten minute original speech usually on some emotionally packed subject. In extemporaneous speaking in which one draws a topic taken from the questions of the day. The last of the individual events is oral interpretation which involves interpreting either prose, poetry or a combination of both tied together by the same theme. There are both men's and women's divisions in these events.

If you are at all interested in the forensic program at Dana contact either Dr. Northwall, Bob Schaff or come to the debate meeting Tuesday, February 3, in Old Main 105. The meeting will consist of a practice debate given by the club members.

It's an idea!
Let's put some "life" into life insurance

That's what Lutheran students are thinking about . . . life. What's ahead. What good things are going to happen. A career. A wife. A home and family. And, believe it or not, life insurance from Aid Association for Lutherans is very much a living thing. First, it's the only guaranteed form of savings. You set your financial goal and complete it even if you become physically disabled. The money you put aside in life insurance can come in handy to help make a down payment on a home,

buy a new car, provide an umbrella for a rainy day . . . even help send your own son or daughter to college. But the time to start is now when rates are the lowest they'll ever be for you, and your good health makes you insurable. It's an idea! And the idea man is your AAL representative . . . the man who tells the life insurance story the way it is . . . for the living. He's a fellow Lutheran and dedicated to common concern for human worth.

Yankton 94, Dana 88 In Close Conference Tilt

Dana lost her second Tri-State Conference game in as many starts with a 94-88 loss to Yankton College. Dana had problems with Yankton's 6'8" Chuck Lloyd and 5' 10" Mike Freier. Lloyd cleaned the back boards, with 16 rebounds and threw in 31 points. Freier came off the bench and wasn't asked to sit down again as he canned 27 points. The Vikings' Rick Jahnke matched each with his career high of 30 points. His support came from Gary Bott with 14 and 13 apiece by Jeff Beatty and Terry Miner.

Dana once down by as much as 8 in the first half, came back and led 47-46 at the half.

Dana hit 36 of 83 from the field for 43% and Yankton hit 36 of 74 for 49%. From the free throw line the Greyhounds cashed in on 22 of 28 against Dana's 16 of 26.

Viking scoring: Jahnke 30, Bott 14, Miner 13, Beatty 13, Moerer 8, Triptow 4, Refsell 3, and McLaughlin 3.

Hastings Sidetracks Dana

Hastings left little doubt as to the very fine basketball team they were supposed to have had as they galloped past Dana at Borup Coliseum 87-62. Action started fast as Bill Johnson (who led scorers with 27 points) led Hastings to a quick 27-17 lead. A very strong man for man defense with some aggressive switching by the guards made it difficult for the Vikings to run an offense. Most of the shots Dana did get all night long were either off of fast break attempts or rebounds. The Hastings defense and height along with cold shooting kept Dana's field goal percentage down. They hit only 30% on 25 of 82 attempts. Hastings hit 46% on 36 of 78 shots. The Bron-

cos outrebounded Dana 66-51.

In the second half Dana fell back by as many as 20. Then a brief spurt really stirred up the crowd. Substitute guards Kirk McLaughlin and Ralph Glock, a seldom used junior from Rising City, tossed in 8 points in the 7 or 8 minutes he played. Dana cut the margin to 63-51 but Hastings regrouped and won going away.

Wrestlers Beat Doane

Dana's wrestling squad pleased the crowd with a come from behind 28-16 win over the Doane College wrestling Tigers.

The Vikes immediately fell behind 10-0 as Doane's Sid Conner (118) pinned Dana's Jeff Silhan. Then Doane's Craig Heeren (126) won via forfeit to account for Doane's first ten points.

The fireworks began when Gary Gray (134) in an exhibition match pinned his man. The next three Viking wrestlers pinned their opponents. Larry Forristal (142) pinned John Pettigrew, Carl Fredricksen (150) pinned Pete Burger, and Mike Todd (158) also pinned Fred Foitier. Dana's Bill Kruse (167) then defeated Mike Patch in a real close match. The Dana scoring ended when John Christensen (177) won via forfeit to give the Vikings a commanding 28-10 lead.

Doane then won two more matches. Doane's Steve Balias won over Dana's Bob Buss (190), and Allan Rubesh defeated Phil Tegeler (hwt).

Dana Drills Braves, 34-6 Intramural Basketball First Round

The Dana Viking wrestlers smashed the Sioux Falls College Braves 34-6. The visiting Braves were only able to win two matches, both by decision and were behind 15-0 before the match started having to forfeit three of the Classes to Dana.

The Vikings were in complete control as evidenced by the first two matches. Jeff Silhan stimulated the crowd with a fast moving 10-6 decision in the opening 118 pound class. It was Jeff's first collegiate win, having been pinned by a Nebraska Wesleyan wrestler in his first test. Ron Coy did everything possible to his man except get the pin as he won 12-3 in the 134 pound division. He scored on two take downs, two reversals and a near fall. He's 2-0 now in dual competition.

Carl Fredricksen and Bob Buss both won by pins, the only ones of the meet. Both scored their pins in the second period as their opponents seemed to be clearly out classed.

Mike Todd suffered his second loss of the season in as many starts. First timer Ken Stancel also lost by decision. John Christensen won with a tough 4-2 decision at 177 pounds. Gary Gray, Dan Sevenbergen, and Phil Tegeler were winners by forfeit.

FINAL STANDINGS

Capitol Div.	Century Div.
Primates I 6-0	Off Campus 5-0
Elkhorn II 5-1	N.Y.P.S.II 4-1
Raiders II 4-2	Saints 3-2
Bikes II 3-3	Grinders I 2-3

John Riecken, Fardquards I	102
Langston Bradley, Elkhorn II	99
Pete Christensen, Off-Campus	95
Wayne Bell, Anads II	80

Viking JV's W in Two

The Dana junior varsity picked up two recent wins, in close games, with a 92-84 game over the Decatur Town Team and an overtime thriller over some Dana students called the Campus All Stars 80-75.

The JV's have a 4-4 record now.

Vikings Edge Midland

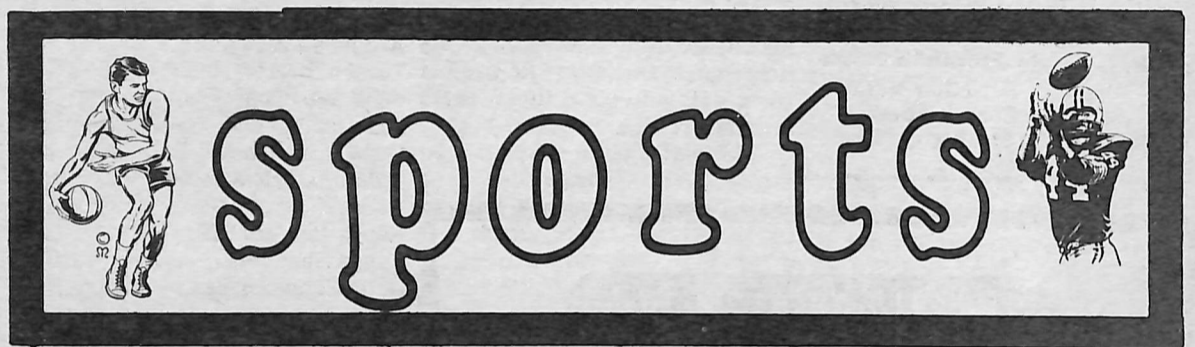

The Dana Vikings handed Midland their first conference loss last Tuesday night with a narrow 69-67 victory at Borup Coliseum. The tight game saw two contrasting offenses working with the Vikings coming out on top. Dana's defense forced the Warriors to shoot from long distance and those usually good shooters from Fremont had a little trouble finding the range. Dana hit 40% from the field and Midland shot only 33.8%. Both teams were not exceptional at the foul line as each hit 17, the Vikes had 29 attempts and Midland had 32.

Scoring was close all the way, and low, as Midland was particular with their shots. At one time Midland scored 8 to Dana's 2 in one one minute stretch, to hold a 6 point lead, the largest of that half. But Rick Jahnke's 3 baskets at the end gave the Vikes a 38-33 half time lead.

After Midland tied the game at 49 all, Brian Moerer found the range and along with Jahnke they carried Dana to victory. Moerer hit 3 long field goals and 2 free throws, the latter with 25 seconds remaining, to claim some of the hero's laurels. Jahnke hit 4 free throws and a fielder down the stretch. Two other key baskets inside the 2 minute mark were of equal importance---a 20 footer from the side by Bob Stoll who played his finest game, and a jumper from the key by Jeff Beatty. Beatty sat out at least half of the game as he was in foul trouble throughout the game.

Jahnke led Viking scoring with 26 points. Next best was Beatty with 11 and Stoll with 10. Warrior Jeff Draemel was high man for the evening with 28 on 9 field goals and 10 of 13 free throws.

Dana Scoring: Jahnke 26, Beatty 11, Stoll 10, Moerer 8, Miner 5, Refsell 4, McLaughlin 3, Bott 1, and Kratina 1.

Vikings Get First Win, Over Dordt

Dordt College of Sioux Center, Iowa, became Dana's first victim of the 1969-70 basketball season Tuesday night in a close hard fought battle at Borup Coliseum. The final score was 81-78 with 2 of the Vikings' points coming on free throws by Rick Jahnke after the final horn had sounded.

Dordt held the upper hand early as they led twice by 8 point margins. (19-11 and 23-15) The Vikes slowly cut their lead behind substitute, Terry Miner's 7 points and 5 by Paul Refsell. Dordt still led until the final minute and a half when 2 fielders by Jahnke and one by Bob Stoll propelled Dana into a 38-35 half time lead.

The second half belonged to Dana, even though both teams scored 43 points. Miner's very fine offensive play sparked the Vikings. Miner got 13 points in the second half to total 20 for the night and pace Dana scorers. He and another sub, Kirk McLaughlin were probably the best Viking performers. McLaughlin showed aggressive play and quickness both offensively and defensively, and also got 12 points.

It was Jeff Beatty's free throw which broke a 78-78 tie with 16 seconds left which provided the win. Dordt actually had two more chances but violations turned the ball over.

Dana was beaten on the boards by a 47 to 36 margin, only getting 9 offensive rebounds. It took the Vikes' best shooting night to overcome the rebounding, they hit 45% on 30 of 66 field goal attempts. Free throws also helped Dana as they converted 21 of 29 for a 47% average; while the visitors only hit 10 of 17.

Swinging cheerleaders for Dana this season are Bonnie Deepe, Vickie Hoogensen, Diane Schmidt, Kathy Madsen, Carrie Dumke and Jean Asheim.

**DSO's Hold Annual
Christmas Formal**

After a fall of planning and preparation the DSO's held their second annual Christmas formal at the Diplomat Motel in Omaha. Kay Kinseth reigned as this year's DSO Sweetheart. Her court included: Misses Kathy Madsen, Diane Sherman, and Cathy Christenson. Ron Wallace was honored as this year's pledge of the year.

Heading into the second semester there are many events and functions which we have planned. After receiving of semester grades the DSO's this week held activation ceremonies for last semester's pledge class. Those being activated included: Ron Wallace, John Lenthfer, Bill Kruse, Dennis Wellsandt, Tim Tripp, Larry Andrews, Dave Warrick, John Aase, Tom Van Steenhoven, and Larry Borkhus.

Election of new officers will also be held this week. Several faces will be missed as their offices will be filled by new people. Culminating the spring semester's activities will be the spring picnic in May.

Tau Gamma Rho

Getting back to classes, struggling through new study resolutions, and enjoying a week's break in winter have all been part of starting the new semester. Along with these events there is one important event left unmentioned-Winterfest. We wish Tau Gamma Rho's queen candidate, Karen Tellefsen, and all other candidates the best of luck. Your support of the week-end's activities-the pageant, the movie, the game, and the dance is very important in starting off the second semester at Dana.

In planning stages, now, is the Tau Gamma Rho cake raffle to be held February 20 between the Blair Bears and the Dana Viking basketball game. Tickets will be on sale the first few weeks in February. More information will be given later.

As the new semester starts, Tau Gamma Rho will be selecting a new pledge class. There will be several rush functions in a couple of weeks, so be watching for these. If any interested girls have any questions, feel free to ask any active. Information will be given in the campus mail.

A concluding note: Tau Gamma Rho wishes to announce its first birthday which was held on January 9, 1970. We hope this one year will lead to many more years at Dana College as a service, leadership, and social organization.

Kappa Theta Phi

By Judy Zimmerman

"Rushing" is the big word now for the Kappa Theta Phi's. An informal getting-acquainted party was held Monday night, and will be followed by a Zodiac party next Monday. Any interested girl who has not been contacted should talk with any Theta Phi. The pledge class of 1970, to be guided by the newly elected pledge captains Toni Bailey and Jan Schneider, should be chosen within the next couple weeks--and it looks like it could be a great bunch by the enthusiasm bubbling Monday! The pledge period should start by March 1st.

We want to wish our queen candidate, President Jean Brehm, the best of luck. Jean, we're proud of you! Good luck to our other members who are representing other organizations, Karen Bansen, Judy Duke, and Jan Sorensen, and also to the other nine talented girls.

Evening Classes Begin

Evening classes will begin on Tuesday and Wednesday, February 3rd and 4th. A short registration session will be held in Doctors Auditorium in DHA both evenings at 7:00 p.m. Classes will begin following this session. Twenty courses in all will be offered in evening classes for college credit.

**Art Class Pictures
Pollution Problem**

This semester in Freshman Design, the students will be dealing with the problem of pollution. This includes air, water, and human pollution. Examples of the art would be drawings of dying trees, and types of protective masks for people to wear.

In contrast to this, they will also think positively, such as clean water and a bright sun. These designs will be simple and abstract.

The purpose or goal of this art class is, in the words of Prof. Thompson, "To relate art to life and to make it meaningful."

Faculty Get-Together

On Tuesday, January 27, approximately a dozen members of the Dana faculty attended a faculty get-together at Concordia College in Seward. The get-together is an annual event attended by the faculty members of Dana, Midland and Concordia.

ALC News

Steps have been initiated to make "altar and pulpit fellowship" between two major Lutheran church bodies work at the local parish level, according to a statement by the presidents of the two bodies.

The statement, dealing with the possible transfer of pastors, congregations, or seminary students from one of the national bodies to the other was issued simultaneously by Dr. J. A. O. Preus, St. Louis, president of the Lutheran Church--Missouri Synod, and Dr. Fredrik A. Schlotz, Minneapolis, president of The American Lutheran Church.

Although it was agreed that such transfers are not to be encouraged, the practicality of such a possibility in multiple-parish situations in rural areas was acknowledged. A few applications for such transfers have already been received as a result of the consummation of fellowship between the two churches last year, the two presidents said. Formal guidelines are to be prepared, the statement said.

The statement followed a recent meeting of a joint committee of leaders of the two churches, established to formulate fellowship procedures. Seven representatives of each church comprise the joint committee.

When applications for transfers from one church to another are received they will require approval of the two district presidents involved and also the two church body presidents, the statement said.

Seminary students desiring to transfer will be under the jurisdiction of the school involved and subject to the practices of the church body to which the student belongs.

The statement also said: "It is assumed that a pastor, teacher, or layman who accepts a permanent position, (that is, other than interim) which requires submission to discipline of the church and involves ecclesiastical responsibilities in a church owned institution, will become a member of a congregation of the church body which owns the institution."

Radio Club News

The new semester is upon us and the Radio Club is in full swing again. Mary Beth Sims has nearly finished building a short wave receiver in a cigar box, as has Paul Hansen. Mary Beth got Radio South Africa Monday evening, along with a few other foreign service stations.

There are still a few kits left to be assembled for anyone who would like to start in amateur radio. Hamming is a fascinating hobby for anyone who is in it. That's why WA-OMF is here, to help people get a radio license and get a start in a hobby which is world wide.

The next meeting is Monday night at 7 P.M. in the physics lab, so anyone interested is welcome.

**Parents' Day
April 26**

Just a reminder of Parents' Day to be held on April 26, 1970. Plans are progressing very well. All students and their parents are urged to be present on campus that day.
