

# See Goodell At Dana; "Future Of The Republican Party"

## Academic Program Divided; Coordinators Appointed

The primary objective of a college is to meet the total need of the student. This involves not only the student's needs while attending Dana, but also those needs that may arise after he graduates, such as those concerning his lifetime vocation. With this idea in mind there has been a reorganization of the administration of the academic program to better serve the student.

The academic program will be divided into six areas, with each area having a person in charge as coordinator. Dr. Larrie Stone will head the division of programs in science, math, and the pre-medical fields. Coach Paul Peterson will handle community recreation, physical education, and athletics. Dr. Gary Dean will have the area including sociology, anthropology, business, and social work. The humanities, art, music, drama, religion, English, and history will be under Mr. John Nielson, Dr. John Northwall will have communications and languages, while Dr. Ray Weckmuller will be in charge of education and psychology.

Under the coordinators, and directly in charge of student programs will be a program director. He will be in charge of a more specific field, and will advise the students on what courses to take for various careers within that field. The program director will know

what is needed, and will be a virtual expert on the requirements for the occupations within his field.

Following completion of the course of study the student will then be given aid in finding a job. The placement service will be similar to that now in operation in the education department.

The new program administration is designed to give more cooperation between the departments, and give the student the opportunity to take courses that will be of value to him in the vocation he has selected. The student will also be able to be more aware of possible careers in his field of study, thus opening the door to further opportunities.

### Hanslip, Jackson

#### To Present Recitals

On Sunday, April 25, at 2:00 (DST), Avalena Hanslip and Barbara Jackson will present their junior recitals in AMA. Miss Hanslip will perform on the piano, and Mrs. Jackson will sing.

Monday night, April 26, at 8:00 p.m., a guest pianist, Mr. Songayllo will be featured in concert along with Dr. Brandes in AMA.

One of the more important events in the music department is coming up on May 2, Parent's Day, at 7:30 p.m. in First Lutheran Church. The Choir's annual Home Concert will be presented then.

Charles Goodell

Former Republican Senator from New York, Charles Goodell, will speak on Tuesday, April 27 in A.M.A. at 8 p.m. on the "Future of the Republican Party."

In June of 1968 Senator Robert F. Kennedy of New York was assassinated. Many felt he would be impossible to replace especially knowing that a Republican would be appointed, but in September 1968 Governor Nelson Rockefeller appointed Congressman Charles Goodell to fill the vacant seat. The following is from the U. S. Congressional Record spoken by Senator Jacob Javits of New York.

"When Sen. Goodell came to this body in September 1968, to fill the term of the late and much lamented Robert F. Kennedy, he occupied the seat of a Senator known nationally and internationally and at the center of about every major governmental and political issue of our time. As a freshman Senator, Charles Goodell might have been expected to follow custom and eschew leadership; but in the unique position in which he found himself, he chose . . . to face the most troubling issues of our time and to offer his intelligence, his long experience as a Congressman, and his most honest judgment to help find solutions."

Senator Goodell, considered very liberal, was defeated last fall in his bid for re-election and was succeeded by conservative James Buckley.

Dana College, Blair, Nebraska, April 23, 1971

Number XIV

## Birth Control To Be Discussed

Two upcoming events have been scheduled by the LARP program to supplement the present LARP reading, The Population Bomb by Dr. Paul E. Ehrlich.

The first will be April 28, at 7:00 P.M. in D.H.A. The speaker to be featured will be Sister Mary Alice Haley from Creighton University in Omaha. She will present "A Catholic View of Population Control", the more conservative Catholic view of sterilization, a-

bortion, and contraceptives.

The second event, also on April 28 in D. H. A. will be at 8:00 P.M., and feature Dr. John H. Mattox from the University of Nebraska Medical Center Department of Obstetrics and Gynecology. His presentation, entitled "The Physician's Role in Population Control", will be the medical point of view on sterilization, abortion, and contraceptives.

Questions may be asked after each talk.

## F. M. Call Letters Determined By Contest

Dana has applied to the Federal Communications Commission for a permit to operate an educational FM station on 91.1 megacycles. A contest has been initiated to pick a series of station call letters. The only stipulation is that it consists of a series of four letters beginning with the letter "K."

Three series of letters will be submitted to the FCC who will choose the winning set. The person whose letters are chosen will receive an album of his own choosing. Entries may be mailed to Dana Radio, Box 971, Campus Mail.

## Senior Talent, Free Dance

### Highlight Springfest Wkd.

Traditional Mayfest, this year known as Springfest, will be the weekend of April 30 and May 1.

A mere fifty cents will buy a ticket to the Senior Talent Show on April 30th. Aside from the coronation of Springfest Royalty, the show will feature many talented Seniors including "The Girls" and "The Boys", Geraldine, surprise guests, and who knows what else!

On Saturday, a kite-flying contest is still in the planning stage,

while the evening offers a dance FREE by the Helicopters in the Loft, commonly known as PM318.

Nominations for Springfest Royalty have been made by the Senior Class. Within the next week balloting by the Student Body will determine who will be crowned Springfest King and Queen at the Talent Show.

Watch bulletin boards in the Center for more information on Springfest.

## Nebraska Poet Laureate On Campus April 29

### Scandinavian Scholar Also Here Next Week

John G. Neihardt, Nebraska's poet laureate, will read and discuss his poetry Thursday, April 29, 8 p.m. in AMA. Dr. Neihardt will be making his third visit to Dana following an appearance on the Dick Cavett show. On April 27 the full 90 minutes of the Cavett late-night talk show will be devoted to the 90-year-old Neihardt who is in his fiftieth year as Nebraska's poet laureate.

Dr. Neihardt, who for many years was the poet in residence at the University of Missouri, is known not only for his poetry, the famed Cycle of the West and lyric poetry, but also for Black Elk Speaks, the account of an American Indian mystic. All these works have been reprinted by the University of Nebraska Press.

Another program has been planned in DHA on April 25, at 8:00 p.m. On this evening Richard N. Ringler, Professor of Scandinavian Studies at the University of Wisconsin, will present a program entitled "Iceland Today." The lecture which is to be illustrated with

slides will present a broad but rounded picture of the cultural, social, and economic life of Iceland today, setting all of this in a firm historical and geographical context. His discussion will involve natural resources, industries, politics, governmental organization, trade and communications, living conditions, and the literary scene.

John G. Neihardt

## Nominations Being Accepted For Student Senate

Student Senate Elections are coming up on April 30. The Elections Commission advises students to let them know if they wish to run for Student Senate. Five senators each will be elected from the present freshmen, sophomore,

and junior classes for the 1971-72 school term. To qualify, you must have a 4.0 grade average, not be on disciplinary probation, and not be a member of the Judicial Committee or any upper division hearing body of the campus

judicial system. With five openings for each class, there is ample opportunity for you as a student to get things done at Dana. Contact either Jim Pierce or Steve Hahn, members of the Election Commission.

## Students Urged To Give Blood

by Joel Bohling

Tuesday, May 4th, from 12:00 Noon to 6:00 P.M., will be the time when the Red Cross Bloodmobile will be at the Blair Legion Hall. During the Interim, 45 Dana students and professors gave blood. Those 45 units of blood were greatly appreciated by the people working for the bloodmobile. Since that day was cold and there weren't as many students around to have this opportunity to give blood, it

can be expected that with the warmer spring weather and a larger number of people on campus now, there will be an even larger number of teachers, administrators, and students taking an hour off and donating blood. If you haven't even had this experience, consider it and if you do decide to give, perhaps it will be as interesting and rewarding as it has been for those who give blood regularly.

### Dragon's Head

Some confusion exists about the pricing policy and price changes in the Dragon's Head. A petition was circulated recently condemning recent pricing policy as unfair and a one-day boycott asked everyone not to buy in the Head. A large portion of the Campus' citizens were involved either in signing the petition or in the boycott. Although prices on a number of items have been changed during the year, it was the reduction in size of pop cups from 12 to 10 ounces that made most students keenly aware of the overall price increases.

Mr. Snowbeck, Dana Business Manager, has been able to shed some light on the reality of the situation. Interpreting what he has said, the Dragon's Head is a business concern. Any income above expenses, termed profit, can be used to help out another area in the college. The Dragon's Head is not making and will not make a profit this year. The Head recorded a loss for the month of March. Projected profit for the year is less than \$2,100. This figure does not include expenses such as heat, lights, and debt payment attributed to a portion of the Center. These overhead expenses will more than consume the amount mentioned.

The price increase maneuvers are an attempt to close the gap between income and expenses. Costs of material and labor have been rising at Dana just as everywhere else.

The manager of the Head can give examples of items that periodically increase in price. Labor costs have gone up due to the increased minimum wage and increased service hours in the evening that students asked for last fall.

Mr. Snowbeck explained that the increased prices were not to fund the Campus Mall, but that the money for it was coming through the Alumni Association.

### Edd's Reflections On The Year

As my term of office draws rapidly to a close, I would like to share my reflections with all of you. One year ago I asked the student body to give me a chance to show them that Dana College was not as bad as some students said it was. Knowing full well that many areas of student life needed attention, and after being given the chance, I attempted to isolate each area of concern and then attempted to change what I considered to be unjust.

I wanted many changes to take place at Dana, but several were impossible due to finances, such as off-campus housing for women and improved maintenance. Those areas where improvements can be seen include: no upperclass women's hours; dues increase; extended hours in lounges, library, and Dragon's Head; placement of vending machines; and better communication within the campus community.

It would have been impossible to get anything accomplished this year in student government without valuable assistance of several people. I would like to give very special thanks to: Jim Pierce, Larry Henning, Barb Jackson, Louis Carpenter, Marv Richardson, Steve Turner, Dennis Schmidt, Roger Wheatley, Steve Hahn, and Stephanie Petersen for their strong

dedication to student government and the help they have given me. With their genuine efforts, student government became a reality -- not just a paragraph in The Viking Log.

I feel life at Dana has improved this year, and trust that next year will be even better. I wish Arno, his cabinet members, and the new Student Senators luck in accomplishing what they deem necessary.

My campaign was started last year with a quote from the fantastic Beatles; and I would like to sum up the past year with another: "I have to admit it's getting better, a little better all the time." Hopefully, a majority of you realize this, and in the future will use the student government to help you with your specific concerns.

As my term of office comes to an end, I would like only to say thanks to those who helped me this year and thanks to those of you who last year gave me a chance.

Peace & Prosperity,  
EDWARD EZEKIAN

P. S. -- Congratulations are also in order for Dean Christiansen because he started the successful interim program; and Mr. Randy Bolton for having the "guts" to put together America Hurrah.

### LETTER: GET PRIORITIES RIGHT

Imagine many pictures in Time, Life, and Newsweek, that show the war. A man holding up two severed heads, three or four dead V.C., or wounded and mangled Americans. Now imagine a Playboy fold-out or other so called dirty pictures. Which one would you say is perverted? Would it be the one where you look at God's gift in its true beauty or is it the one where you look at this gift in disgrace and hatred. Has man progressed so far to say that his body is ugly and to destroy it is good. For many years the movie industry has been censoring films that show God's gift to us and let go by the violence and hatred towards our body.

In the censoring of an x-rated film this weekend it seems that we are making a priority that is in the wrong place. We say this will violate people, but we don't worry

about whether or not we violate someone's humanity (as the recent sorority exploitation of Indians). We get uptight about a film about sexuality, but do nothing about the exploitation of woman on this campus. Maybe we ought to get our priorities right on this campus before we start censoring films. Maybe correcting the atrocities to students, faculty and administration here at Dana should be our number one priority.

GORDON PUTNAM

### Correction

Point number four in the "Regents Approve Budget" story in the April 5 Hermes should read "Tennure was granted to Dr. Gary Dean and Dr. John Northwall." The error is corrected from a newsrelease to the Hermes.

### Parents Day Happens May 2

The annual day dedicated to the parents of present, past and future students of Dana College is scheduled for May 2. A full day of activities is planned opening with a worship service at 10:30 A.M. in Borup. Following dinner Dr. Madsen will present a report on the events of this year and a look into the future. Called "The President Reports", this presentation will begin at 1:30 P.M. in Borup.

"What's Happening" is the title of the portion of the program beginning at 2:15. This will be a series of continuous demonstrations of what is happening in the various academic departments of the College. Then at 3:30, Dr. and Mrs. Madsen will host an informal reception for the parents, students and members of the College staff.

A special program is provided at 4:30 for students enrolling at Dana next year and their parents. Also available at this time will be campus tours. Finishing out the day's activities will be a concert by the Dana Choir at the First Lutheran Church at 7:30.

### Dana Offers Eight Credit Archeological Course This Summer

By Cindy Prewitt

Are you looking for a new experience? Or are you bored with the thoughts of a three month office job? If so you will be interested to know that this summer Dana College is offering a course which could take care of your wishes, that is if you are interested in archeological digs.

This is going to be the fifth season's field study along the Missouri Valley in a relatively isolated area between Stanton and Sanger, North Dakota. There will be a limited number of students accepted from Dana and other institutions. In this way, it is hoped, they will exchange experiences of their digs and classroom experience.

In this valley, there are exceptionally rich archeological remains dating from about 1000 A.D. to the 19th century. It contains a series of thirty villages filled with hidden facts ready to be discovered by you if you have the ambition.

The field party will continue work at the Bagnell Village Site started last year. This village contains one hundred houses dating from the first half of the eighteenth century.

The excavators will live in two simple houses in the town of Sanger (population: one). Living conditions are not what you're used to. They're minimal with little privacy. The work will be hard and demanding. There will be excavating every weekday if weather permits and Saturday and Sunday if not. There will be ten hours of lectures scheduled evenings, one overnight, and two one-day field trips to surrounding museums (Bismarck and Mandan).

This dig is considered an eight hour course: Summer Field Work in Archeology. The cost of tuition, fees, room and board for six weeks session is \$325.00 and a little bit of ambition and hard work on your part.

If you are interested in attending this archeological dig, contact Dr. Lehmer. He will have further information for you.

### Regents Meet To Select New President This Monday

The Dana College Board of Regents will be called into special session at Dana on Monday morning, April 26, to elect a new President of the College.

In accordance with regulations of The American Lutheran Church (governing body which owns Dana College), the Regents will be joined by Dr. Kent Knutson, Bishop of The American Lutheran Church, and Dr. Charles Bruning, Chairman of the Board of College Education, in selecting the new chief officer.

A Presidential Search Committee, made up of students, fa-

culty members and Regents, has been at work since last fall screening and interviewing candidates for the position. Five nominees have recently been interviewed on campus and the new president is expected to be chosen from that list.

Dr. C. C. Madsen, who has been President of Dana College since 1956, indicated to the Regents last Fall his desire to step down as soon as a successor could be named.

No word as to when the new President will assume office has been announced.

### Administrative Personnel, Faculty Leave Dana

The area of student affairs has been hit hardest by resignations of college personnel, effective the end of the school year. The list, headed by Dean of Students, Erling Rasmussen, includes Mrs. Marie Oestmann, housemother in Rasmussen Hall, and Mrs. Alice Laaker in Mickelsen Hall. Mrs. Bragg, housemother in Holling Hall left before Easter for health reasons and has been replaced by Mrs. Clausen from Harlan, Ia.

Dean Rasmussen came to Dana five years ago from Harlan, Ia., where he was a high school guidance counselor. This fall he will return to similar work as a guidance coordinator in the Audubon, Iowa, High School. In an interview Mr. Rasmussen explained "I'm happier doing counseling... that's my life." With his experience at Dana, Mr. Rasmussen feels that he has a better understanding of what high school students are going into. He plans on keeping in touch with Dana through sports events and other school functions.

Mrs. Marie Oestmann came to Dana in the Fall of 1967 and will "graduate" with the class of '71. She has served as housemother in the men's dormitories as she had done at Peru College previously. While at Dana she has divided her time equally; two years each to Holling and Rasmussen Halls. Now, for personal reasons, she is leaving. Mrs. O's plans for next year are to work in a cottage system at the Martin Luther Home in Beatrice, Nebraska. In this position she will be housemother to eight

mentally retarded women eighteen years or older who spend their days working in the community or going to school. This cottage system is totally new and Mrs. Oestmann is looking forward to the challenge.

Mrs. Laaker was unavailable for comment.

Several faculty members at Dana will not be returning this fall. They are: Mrs. Ellenor Banner, part-time instructor in social work; Mr. Randy Bolton of the Drama Dept.; Mr. William Karrow of the Business Dept., and Mr. Donald Kline of the English Dept.

### Van Steenhoven Directs One-Act

The first of the student-directed one-act plays will be performed on Wednesday, May twelfth. "Box 'N' Cox", directed by Tom Van Steenhoven, is a farcical comedy which involves the meeting of the two main characters through a series of exaggerated and impossible circumstances. The motif will be suggested rather than represented through costumes, props, etc. The nineteenth century English farce was written by Richard Madison Morton and the student cast consists of Steve Hahn, Mark Halpin, and Cheryl Harris.

Other plays that will be performed later in the semester include "I'm Really Here" by Jean-Claude Van Italie, "No Exit" by Sartre.

## Vaudeville Is Still Alive

On Monday night, April 26 Dana Players, the college's theatre organization, will present Vaudeville Tonight, a mad hour of jokes, skits, dancing, music, and girls, girls, girls, in the vaudeville tradition. Vaudeville, a stage show consisting of mixed speciality acts, was popular from the 1880's to the early 1930's. Dana Players will be reliving moments from the vaudeville era and dancing and singing their way into your hearts in DHA at 7:00 and 9:00 p.m. on April 26. There will be an admission charge of 50¢.

You'll never guess what happened to Rocco on the way to the theatre.

## Upcoming Sports Events

APRIL 28: On April 28th is the All-Sports Banquet at 7:00 P.M. held in the college cafeteria. This is an annual event which recognizes the achievements and participation of Dana athletes during the current school year.

MAY 8: Dana plays host to the NIAC track meet on Saturday, May 8th.

MAY 11: Dana plays host to the Nebraska High School District Class B track meet to be held on Tuesday, May 11th.

## Vikings Take Doubleheader

In a doubleheader played last Saturday at Vet's Field, the Dana College Vikings raised their NIAC record to 3-1 with 3-2 and 4-1 victories over the Hastings College Broncos.

Both Viking pitchers were the "real" stars as Jeff Maddocks and Paul Toole both pitched complete games. Between the two of them they held Hastings to just a mere eight hits over the 14 innings.

In the first game Jeff Maddocks

fired a five hitter and needed his own double in the bottom of the sixth inning to knock in the Viking's third run of the game, which turned out to be the winning one. Hastings' two runs were unearned.

Paul Toole in the second game pitched a cool threehitter for a 4-1 victory. Hastings bunched two of their hits in the 2nd inning for their one and only run of the game. The Vikings then added 2 more insurance runs in the top of the seventh to put the game out of reach.

## Improvisational Theatre To Focus On Facades Of Society

By Connie Schreier

Country Wife is dead and gone . . . dead and gone. Theatre cannot be produced without artists and this production was doomed from the start. It seems there were just not enough people committed to make it work.

But do not despair theatre lovers for those who maintained interest are planning more exciting things.

The Spring Production will be an Improvisational Theatre Concert structured and performed entirely by our core group. Our basic theme is "Games People Play", focusing on the facades and incongruities of our society.

In preparation for the concert, we are working out with psycho-physical exercises and theatre games designed to give us intimate contact with our group and to help us inter-react with one another in an integrated effort. These games are just that . . .

games, using our bodies and voices, developing patterns and rhythms, transferring them to others in the group until they evolve in a group structure or game.

The segments of the improvisational concert will be developed in the same way starting only with a basic idea such as "Look what you made me do" and "The frigid wife."

Scheduled performances for the Improvisational Theatre Concert are Friday, Saturday and Sunday, May 7, 8, and 9, at 8:15 P.M. in AMA. However, we will be performing at various times in the center, downtown Blair, in the Oval, on the Hill, in the parking lot, on the tower of O.M., in the showers, on the roofs, maybe even in the lavatories.

If you are interested feel free to stop down at AMA any evening and "play" with us.

## Vikes End Successful Easter Baseball Trip

On the Easter trip concluded by the Dana College baseball Vikings the Vikes won 7 and lost 4. Of the 4 losses 3 were to Oklahoma Baptist, one of the strongest teams Coach Lemon has ever observed in NAIA baseball.

One of the surprises on the Easter trip was freshman Bryan Traylor. Bryan leads all Viking hitters with a .409 average on 15 hits in 37 times at bat. Included in the hits are 2 doubles and a triple, and he's also stolen 6 bases.

Still another surprise is newcomer, junior Kirk McLaughlin. Kirk is currently batting .400. Kirk has 8 runs batted in and 5 stolen bases. Transfer Keith Overbeck is hitting .375 while playing both in the outfield and as a pitcher. Keith has a 1-1 record on the mound and is one of the hardest throwers on the pitching staff. Other newcomers, Tom Lauritsen and Jerry Wilson are each hitting .381.

Alternate captain Brian Moerer is currently hitting .351 on 13 hits in 37 appearances. Senior Craig Moran has a .324 average and 7 runs batted in as a second baseman. Steve Witcock, a back up second baseman, is another freshman who has a very bright future at Dana.

Phil Facendola, with a 3 year average of .309 leads in RBI's with 10. Dan Jackson, playing in right field when not pitching (2-2), is at .238 but has really been hitting the ball hard.

The pitchers got man-handled at Oklahoma Baptist which raised their earned run averages, but Coach Lemon feels he has 5 equal

starters now. Jackson, Overbeck, Steve Hines (3-1), Jeff Maddocks (2-2), and Paul Toole (2-2) give plenty of depth. Gary Bott and the injured Mike Brady should be bullpen workers.

Dana's team batting average is .270. The Viking's team fielding average is .943. The defensive average is nearly the best of any Viking baseball team in history.

On the recent concluded trip, the Viking pitchers were very stingy to some of their opponents. At one stretch of the trip the Viking pitchers had recorded 3 straight shutouts; and the whole pitching staff had not allowed a run for 31 1/3 innings.

In the Vikes' last games they played Kansas Wesleyan at Salina, Kansas. Before the potent Vikes arrived Kansas Wesleyan had a 10-1 win and loss record, mainly due to a 10 game winning streak. Wesleyan's 10 game winning streak came to a halt as Dana beat them twice.

After playing strong Oklahoma Baptist, Coach Lemon feels his Vikes are ready to challenge all

teams for the NIAC and Tri-State Championships. After beating Hastings twice, and splitting with Concordia he feels that Neb. Wesleyan is the team to beat. In Tri-State competition, Coach Lemon feels that Yankton and Westmar Colleges are the hurdles in Dana's path to a league championship.

Dana's overall record before the scheduled game with Yankton was 10 wins and seven losses.

## PARNASSUS HAS EXCURSION PLANNED

The Humanities Department offers these coming attractions to Humanities students and anyone else who may be interested:

April 23, Friday:  
Mr. Robert Warn of Northfield, Minnesota, will offer a slide review on "Frank Lloyd Wright, In Reverence for the Earth." It will be at 8:00 p.m. in DHA and everyone is welcome.

April 29, Thursday:  
John G. Neihardt, Nebraska poet, will present "A Visit With Nebraska's Poet Laureate," at 3:00 p.m. in the Parnassus.

April 30, Friday:

Dr. Irene Wenrowsky of the German Consul will make a presentation at 4:00 p.m. in the Parnassus.

May 3, Monday:

The film, "Cry, the Beloved Country," will be shown at the regular times of 7:00 and 9:00 p.m. in DHA.

Currently, there is on exhibit in the Parnassus, a limited edition of serigraphs (silk screens) by British artist Ronald King. The serigraphs are of the characters found in Chaucer's Canterbury Tales. In connection with the exhibit, Mrs. Warman and Mr. Bansen will read the Prologue of the Canterbury Tales on Monday, April 26, at 4:00 in the Parnassus.

Also of interest concerning the Humanities department is the excursion of about 60 students which will journey to western Nebraska this Sunday, April 25. The group will leave at 8:00 a.m. and will go to Minden, Nebraska to visit Pioneer Village and enjoy a smorgasbord there. In the afternoon, the group will visit the Stuhr Museum in Grand Island and arrive back at Dana in the evening.

## GOLF

In a triangular golf match held Tuesday the Dana Vikings emerged victorious over Doane and Bellevue Colleges. Dana beat Doane 8 1/2 to 6 1/2 and Bellevue 15-0.

The Dana participants and their scores are:

Rod Appel	73
Joel Dickinson	74
Val Heim	78
Roger Lorsch	80
Tim Kuiken	80

## TENNIS

Last Saturday, April 17, the Dana tennis team traveled out to Hastings College. Dana was winning the contest when rain washed out the entire meet. To be a complete match all singles competition must be completed.

Ralph Mayer had won his match beating the former NIAC champion 6-3 and 11-9. Jim Musick beat his opponent 6-0 in both matches. Terry Thomas was winning his 3rd and final set in the single competition 4-0 when the unwanted rains began to fall.

## You'll buy life insurance eventually. Why not now when you'll save a bundle?

Education isn't all academic matters. It's smart to give some thought *now* to matters outside the ivied walls . . . such as life insurance. Why now? Because you can never buy at a lower rate than today . . . and that rate remains the same for the length of the contract. Also, your present good health will allow you to establish certain options that guarantee your ability to buy additional insurance in the future even if poor health should come your way. And permanent

life insurance builds steadily in cash value through the years . . . money which you may need to pay off college debts, to put your new bride in a home of your own, or to set yourself up in business. A good friend to help you with your life insurance plans is the Aid Association for Lutherans representative. A fellow Lutheran, he puts it all together for you in a meaningful way. It's all a part of our common concern for human worth.

The World of Peter Max.

**SHAFF TO ATTEND  
HISTORY CONF.**

Bob Shaff has been accepted as  
a discussant at the Annual Student  
History Conference at the Uni-  
versity of South Dakota. The Ap-  
ril 29th conference runs for the  
entire day, and deals with both  
American and non-American his-  
tory.

Entries at the conference can  
be either papers written by stu-  
dents, or student criticisms of pa-  
pers or books.

Shaff, a sophomore history ma-  
jor at Dana making his second ap-  
pearance at the conference, will be  
offering a criticism on "The Role  
of The Negro Soldier in the North."

**Kappa Theta Phi**

By Diane Schmidt

Activation for the twelve pledges  
of Kappa Theta Phi was held at  
10:00 p.m. on Tuesday. Pledges,  
we miss our neat beds and our  
clean rooms, but we're happy to  
have twelve new sisters.

This Saturday, the (real)  
mothers of all of the actives are  
invited to campus overnight for a  
picnic, games and church. The  
Just-A-Notes that were sold on  
campus have been ordered and  
should be coming soon. This was a  
money-making project to help pay  
for a bronze lamp of learning which  
will be placed in the Campus Cen-  
ter.

**FORUM MEMBERS  
ATTEND PEACE DAY**

Members of the Dana Forum  
journeyed to Midland College on  
April 20th to take part in a "Peace  
Day" sponsored by the Interna-  
tional Relations Club at Midland.

The day was devoted to world  
peace efforts, with an effort to  
enlighten concerned citizens on  
positive peace measures that the  
individual can take. The Forum  
went over for the evening ses-  
sion, and took in two movies, "Hir-  
oshima-Nagasaki" and "You Don't  
Have To Buy War, Mrs. Smith."  
Following the movies was a rap  
session dealing with peace mea-  
sures and American corporations  
and the production of war products.

Also highlighting the day was a  
talk in the afternoon by Mr. Wes-  
ton Webb on his trip to Paris  
as a member of a delegation to  
the Peace Talks.

**HUTTON TO ISRAEL**

(Dana College News Service)  
Dr. Delvin Hutton, Associate Pro-  
fessor of Greek and Religion at  
Dana College in Blair, will spend  
four weeks of the coming summer  
doing archaeological excavation  
work at Tell Gezer, Israel. Dr.  
Hutton is one of a limited num-  
ber of American scholars accept-  
ed to participate in this project.

The Tell Gezer project was ini-  
tiated in 1964 by the Hebrew Union  
College Biblical and Archaeologi-  
cal School in Jerusalem and the  
Semitic Museum of Harvard Uni-  
versity. The purpose of the pro-  
ject is to recover the history of  
the site and provide field exper-  
ience in archaeology for young A-  
merican scholars.

Dr. Hutton is a graduate of the  
Divinity School of Harvard Uni-  
versity.

**What you should know about diamonds  
when you know it's for keeps**

You've dreamed about your  
diamond engagement ring a thou-  
sand times. But now that you  
know it's for keeps, it's time to  
stop dreaming and start learning  
about diamonds and their value.

Because no two diamonds  
are exactly alike, jewelers have  
adopted exacting standards to de-  
termine the relative value of each  
and every diamond in the world.  
These standards include a diam-  
ond's size (carat weight), color,  
cut and clarity.

Although it's important to  
know the facts about diamonds,  
you certainly don't have to be an  
expert to choose a Keepsake Dia-  
mond Ring . . . because Keepsake  
guarantees a diamond of fine white  
color, correct cut and perfect clar-  
ity or replacement assured. The fa-  
mous Keepsake certificate provides  
permanent registration, trade-in  
value and protection against loss  
of diamonds from the setting.

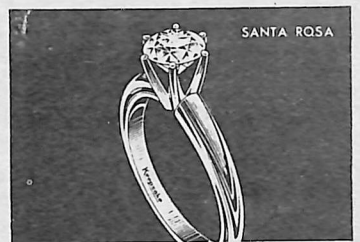

**COLOR:** Fine white diamonds are  
quite rare and valued accordingly.  
Other shades in relative order of  
their worth are: blue, yellow,  
brown and black.

**CUT:** The cut of a diamond—the  
facets placed on it by a trained  
cutter—brings out the gem's fire  
and brilliance. Anything less than  
correct cut reduces beauty, bril-  
liance and value.

**CLARITY:** Determined by the ab-  
sence of small impurities. A per-  
fect diamond has no impurities  
when examined under ten power  
magnification by a trained eye.

**CARAT:** A diamond's size is  
measured in carats. As a diamond  
increases in size, its price will  
increase even more if the quality  
remains constant. But larger dia-  
monds of inferior quality may ac-  
tually be worth less than smaller,  
perfect diamonds.

Your Keepsake Jeweler has  
a complete selection of new styles.  
He's in the Yellow Pages under  
"Jewelers." Or, dial free day or  
night long distance 800-243-6000.  
In Connecticut, call 800-942-0655.

**HOW TO PLAN YOUR ENGAGEMENT AND WEDDING**  
Send new 20 pg. booklet, "Planning Your Engagement and Wedding"  
plus full color folder and 44 pg. Bride's Book gift offer all for only 25¢.
