

## MADANG CONTRIBUTES FIFTH STUDENT

By Layne Johnson

Dana has amongst its student body another student from Madang, New Guinea. Ken Walck, a first semester freshman rooming in Holling Hall with Ron Winter, another student also from Madang, is planning on a major in Engineering.

Ken's main reasons for coming to Dana are that besides life being "different" here, he knows Ron Winter, Pam and Marilyn Fenske and Tricia Groat, all childhood friends, and now fellow Danians.

A great difference between American colleges and universities that Ken has noticed here is that a college student in America has a broader choice of classes of which he can take. In Australia the choices made have to be very relevant to a student's major. Ken feels that kids at Dana are very friendly towards newcomers as compared to the way newcomers are treated by Australians.

Being active in track, rugby and especially swimming, Ken has been in the United States many times before. In 1968 he traveled to Minneapolis, Minnesota for a swimming meet.

Ken is an American citizen, as are his parents. His other travels in the United States have included trips to New York, Hawaii, Missouri, Pennsylvania and of course, Nebraska.

When asked what his general impression of Americans was, Ken

commented, "I don't like American accents."

Even though Ken may have a slightly hard time getting to like our American accents, we should be proud to have him as a student at Dana.

## Pres. Mezoff On Radio

Omaha radio station KIOS-FM will broadcast a program with Dr. Earl Mezoff on Thursday, February 24, at one p.m. Dr. Mezoff will be discussing the role of the private college and his philosophy toward Dana and private education. He will also comment on students and education in the East compared to what he has experienced at Dana and in the Midwest.

The half hour interview will be conducted by Denny Weidler, a Dana senior.

## Ars Medica

The February Ars Medica meeting will be Monday the 14th, at 7:00 in DH 306. Coach Peterson will talk about the "Nature of Responsibilities of an Emergency First Aid Volunteer". Here's your chance to find out what all those sirens mean to the people who have to answer them. All students and faculty are invited to attend this meeting.

## Voter Registration Date Set For Dana

### County Clerk To Be Here Feb. 17

Washington County Clerk Charlotte Peterson, has set up a Voter Registration day for Thursday, February 17th, at Dana.

The Voter Registration day is being held in the Campus Center to make it convenient for the Dana students, who are 18, to register. The registration is open to anyone who wishes to register and meets the voter requirements. Hours will

be from 10 a.m. until 2 p.m.

Voter requirements stipulate that the voter must be a citizen of the United States, at least 18 years old, a resident of the state where he or she registers for at least six months. The student who lives out of state or outside of Blair during the summer is still eligible to vote if he "intends" to return the next fall.

The Registration Day is for faculty members and staff as well as all Dana students. Any student who feel that they have an interest in Blair or the state of Nebraska

are urged to take this opportunity to register. For those who have questions concerning residency, eligibility, etc. they may get information next week in the Campus Center. The Dana College Young Republicans will have a table set up in the center on Monday, Tuesday and Wednesday, with information about registration. Anyone wishing information or who has questions is urged to use the literature the Young Republicans will be distributing or they can ask the Republican representative at the table to help them.

## Students Offered Cultural Tour Of Europe

By Jennifer Meyer

An exciting chance to see Europe first-hand is being offered to Dana College students in conjunction with the Dana College Choir and the Associate Tour this summer. The student Art and Culture Tour of Europe has a proposed routing through Germany, France, Switzerland, Italy, Belgium, Holland, Austria and Denmark from May 22 to June 21, 1972. Via Special TWA jet flight from Omaha, arrival will be in Frankfurt, Germany where the tour will be met and transferred to the various points.

The itinerary for the Art and Culture Tour includes some of the following points of interest: a visit to Amsterdam and the Rijksmuseum with its Rembrandt masterpieces; a full day excursion to Versailles to see the Palace of the Kings of France; a stay in Paris which includes visits to the Notre Dame Cathedral, Napoleon's Tomb and the Louvre Museum; a scenic Alpine drive and stay in Geneva, Switzerland; a visit to the Renaissance cities of Florence, Milan and Venice - the city built on the lagoons with opportunities to see St. Mark's Basilica, the Bridge of Sighs and the "The Last Supper" painting; travels through medieval villages, Nuernberg - including the Albrecht Durer home; a visit to the infamous "Wall" which separates the two Berlins; a six day stay in Denmark with visits to Copenhagen; an excursion to the Danish Riviera to see Elsinore, Hamlet's Castle and Kronborg. These examples represent only a small portion of the tour's opportunities.

The inclusive price of \$895.00 per person includes round trip air transportation via special TWA jet flight from Omaha to Frankfurt and return, private luxury motorcoach for travel on the continent, tourist class hotel accommodations, continental breakfast and dinner and escorted sightseeing. For additional information contact Dr. Paul Neve.

## THESPIANS FEATURE TWO MAJOR PRODUCTIONS

The Dana Theater Department is off to a running start second semester with two productions already underway.

The touring play this semester will be the Medieval play "Everyman." Dr. Brandes of the Music Department will be providing an original score for the play. "This is a strong, strong commentary," according to Dennis Henneman, director of the production. The cast members for "Everyman" are: Brian Andersen, Bob Bair, Steve Berke, Tom Borges, Kurt Christiansen, Charles Crow, Bob Ehmen, Paul Fiske, Mike Jackson, Gary Madsen, Mark Morgensern, Jon Utech, Kathy Andersen, Debi Bellows, Carol King, Jan Madsen, Kati Peiper, Sandy Rochlitz, Cindy Sand, Tricia Thennes, Sherri Watts, Candy Wild and Sandy Zook.

A new innovation for the childrens play this year is that it is written, directed and the music composed by students! "Call Of The Lonely Doll Maker" is written by Dana student John Nielsen. Barry Anderson, a music major, composed an original score for the play. The play will be presented March 1 and 2 with Dawn Carper as director. Cast for "Call Of The Lonely Doll Maker" is as follows: Hans - Doug Bro, Woodcutter - Tom Nielsen, Katrina - Diane Gunia, Doll King - Ster West, Hannah the Hag - Cheryl Harris, Fanny the Fairy - Vicki Lee; the Dolls will be Cindy Homes, Becky Gran, Susan Stickler, and Linda Nielsen. The Ugliers are Connee Gibson, Linda Denney, Linda Watt and Jim Musick.

## Dana Young Republicans Active

The Dana College Young Republicans are gearing up for the elections with a number of projects being planned this semester. Next week the Young Republicans have arranged for the County Clerk to be on campus so that Dana students can register to vote. On Monday, Tuesday and Wednesday the Republicans will be distributing voter information to students with questions about registration. Then on Thursday, the 17th, they will help with registration.

At the present time members are organizing a Teenage Republican Club at Blair High School. Cathy Anderson, Jim Musick and Bruce Bates will be working with the high school club in its organizational stages. The Dana Young Republicans will then act as sponsors for the high school club.

A fund raising project is just getting underway. The Dana Young Republicans will be giving away a ninety-five dollar PANASONIC television in several weeks. Right now the members are selling chances for the television at fifty cents apiece.

If any student or faculty members would like to join the Dana Young Republicans, they are more than welcome. At the present time there are more than twenty-five members who are each helping

the Republican cause with their efforts. Anyone wishing more information about the Great Opportunity Party of the Dana College Young Republicans is asked to contact John Eling, Pat Fredricks, Ken Peterson, Pat Tripp or Prof. Walter George.

## Notes From Parnassus

The Solevad-Nielsen Graphic Exhibit will be on display in Parnassus through Friday, the 18th. The exhibit is Rev. and Mrs. John Nielsen's personal collection of over thirty graphics. The collection includes silk screens, lithographs and such, ranging from works by Daumier and Renoir to Picasso, Buffett and other contemporary artists.

On Monday, February 14, at 10:00 a.m. in Parnassus, Miss Luella Nielsen will present "What Men Have Done For Love", in connection with Valentine's Day.

On Tuesday, February 15, from 4:00 to 5:00 in Parnassus, Mr. Charles P. Lutz, director of Selective Service Information for the Lutheran Council in the United States, will present a talk on "The Draft".

## Dana Enrollment Drop Slopes Off

The second semester enrollment drop this year has not been as drastic as last year. As of February 5, ninety-one Dana students had either finished their degree requirements, finished the Education Block Program, withdrew during the first semester or didn't re-register for the second semester due to a variety of reasons. But this loss of ninety-one was offset by the enrollment of forty new students for the second semester.

Because of the slight second semester drop as compared to the last two years, there is optimism that enrollment will be up this fall. The expanded admissions department, headed by Dr. Showers, has been stepping up their recruitment work in hopes of ending the decline and raise enrollment.

Again this semester men out-number women with 374 men compared to 318 women. This can be broken down as follows:

	Men	Women	Total
Seniors . . . . .	84	52	136
Juniors . . . . .	88	68	156
Sophomores . . . . .	85	82	167
Freshmen . . . . .	102	89	191
Special (Full time) . . . . .	2	1	3
Post Grad (Full time) . . . . .	2	0	2
FULL TIME . . . . .	363	292	655
Part time . . . . .	11	26	37
	374	318	692

These figures can be compared to first semester when we had a total of 394 men and 349 women.

The Hermes is published weekly during the college year, except holidays, examination periods and interim by the student body of Dana College, Blair, Nebraska 68008

Letters To The Editor

On February 17 from 10:00 a.m. to 2:00 p.m., the Campus Center will be the site of a voter registration. Local, state and national elections will be at stake.

students to consider registering to vote next week. The County Clerk will be on campus Thursday, so that everyone may have the opportunity to do so.

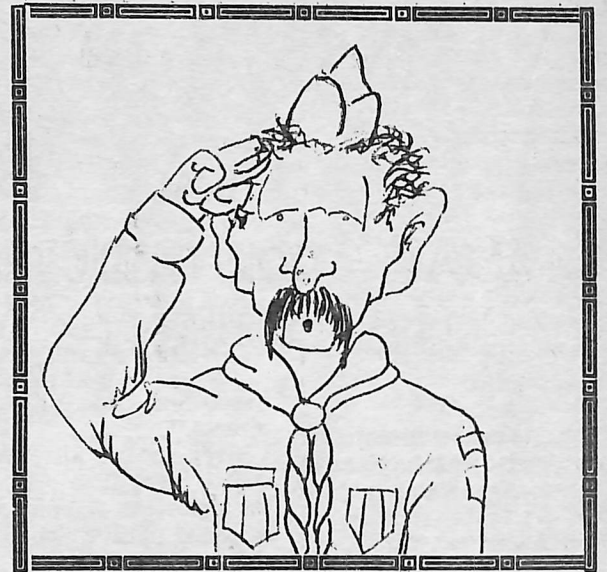

Students who live outside of Blair or outside of Nebraska may feel they aren't part of Blair or Nebraska. But I hope that after nine months or more per year, students will have an interest in the place they spend much of their time.

I hope that many Dana students will consider the convenience, (voting in Blair versus absentee balloting) their interest in where they are spending four years or more of their life, and the influence they will have in the coming elections.

The Dana Library has just added 275 medical texts and reference books to their growing inventory. The late Dr. Walter Goehring of Blair presented this valuable collection to the college.

Tidbits And Chunks From The Hermes Desk

As you may read elsewhere in this Pulitzer Prize winner, Dana will be the polling site for the Blair City Elections and also for the Nebraska primary election in May.

Dali, Goya and Renoir will be on display at Parnassus from 10:00 till 5:00 on that day. My goodness, can we stand it? Cowboys and farmers not admitted, so leave your stompers at home.

Faculty Follies: Several Dana profs are having articles published lately. Joe Snell and Bill Wakefield wrote "John F. Kennedy: An Analysis of the Personal and Situational Dynamics of a Recognized Political Leader"

Dear Ombudsman, How long before the TV in the campus center will be fixed? What's the hold-up?

Signed, Turned Off

Dear Turned Off, Dean Jorgensen has contacted Miller-Rolland to estimate the cost of repairing the television. If the value of the TV is not worth the cost of the repair bill, or money is not available from the Office of Dean of Students, repair may have to wait until September.

The television would have been taken care of sooner but there was some confusion as to which office should pay the bill.

Dear Ombudsman, Why is there no one on this campus authorized to be a notary public? There are a lot of students who must get loans authorized or who may want to have an absentee ballot notarized for a home town election.

Signed, A Voter

Dear Voter, Starting next September, the college will (hopefully) have a notary public. Keith Hansen will perform the service specifically for the notarization of National Defense Student Loans.

The college might also use this in areas, such as notarization of absentee ballots. But, there must be a serious demand shown before any other area will be con-

STUDENT RECREATION CHANGES

Starting with February 15, the student recreation program has been changed from Tuesday night to Saturday afternoon from 2 p.m. till 4 p.m.

The dates are as follows: February 26, 1972, March 4, 1972, March 11, 1972, March 18, 1972

After March 18, the program will return to Tuesday night.

This change does not affect the Thursday night or Sunday afternoon recreation program.

Dear Ombudsman, Why, every time I go to the library, do I have to compete with the vacuum cleaner for my mind's attention? Can't they find some other time for cleaning the carpet?

Signed, Mind-Sucked

Dear M.S., After talking to Mr. Ron Johnson, head librarian, I found that there is no other time they can clean. The cleaning woman has been assigned to clean other buildings, A.M.A., and Blair, also. And she only works part-time.

Both the head librarian and the cleaning woman have asked for a quieter vacuum cleaner. But maintenance has failed to respond. So until they do, you will have to run from the v.c. to some dark corner of the library.

I hear cottonballs and earmuffs can help.

ABOUT DANA

During the late 1800's, immigrant pioneers from Denmark left their homeland to escape the incredibly prolific amount of pornographic literature and postcards then beginning to emerge in Denmark.

THE CAMPUS

Dana College is located in scenic Blah, Nebraska (where, as they say, the west begins and the east peters out). Our campus is literally littered with landmarks and other trash:

Old Pain: This is the first permanent building on the Dana campus. (The first three were burnt down by some loaded Indian). Built in 1886, it is primarily a classroom building, with several faculty offices and makeshift bedrooms located on each floor.

A.M.A.: Built by God on the installment plan, this quaint little building houses the chapel and drama department. It's a lasting landmark to God's love of the church and basketball.

Campus Center: That cute little cupcake you see located in the very bowels of the campus is referred to as the Campus Center. It was designed by some architect who grew up playing with Tinker Toys, but who never had the imagination to realize that the pieces were to be fitted together.

1.) The Dragon's Breath. This is our snappy little student snack bar. Designed by Howard Johnson, this veritable pimple of kampus kuisinery offers some of the most unique food this side of McDonald's.

2.) The Dragon's Derriere: Fondly referred to by the students as the Rip-Off Room, this cryptic little cubicle is home for pinball machines, tables without chairs, a jukebox with laryngitis, and ponderously profound artwork by the famous Bile Smith.

3.) The Bookstore: This store not only sells books and school supplies, but also, if you wander off to the Denmark Korner, you will be able to see some of the most ridiculous examples of junk art ever pawned off on the public.

RULES AND REGULATIONS

During the first few weeks at Dana, freshmen can be easily

**KULTURE KORNER (KONT.)**

distinguished by their looks of utter disbelief. They'll also be wearing little red beanies. If you're an upperclassman, and you see one of these freshmen, hassle the living hell out of them. It's a Viking tradition, and it's all part of growing up.

At seven o'clock in the morning, sharp, all students are expected to arise, make their beds, brush teeth, comb hair, and march down for breakfast as the lightly lilting strain of "Wonderful Wonderful Copenhagen" pours out of the Old Pain Tower.

Alcoholic beverages, drugs, firearms and Portnoy's Complaint are expressly banned from campus.

Quiet hours on campus are from 11 p.m. to 7 a.m. All students at this time are expected to remain absolutely silent. However, we will allow you to have your lights on in your room after eleven. This is a progressive school.

Intervisitations by members of the opposite sex and political belief are allowed at specifically designated times, under Dana's famous open door policy. We all know what the open door policy did to China, but our policy will remain in effect anyway.

**STUDENT ACTIVITIES**

We have many student activities at Dana, none of which you are probably interested in, but here they are anyway:

**Student Senate:** This little gathering of the student elite, composed of a president, vice-president, treasurer, secretary, and other "representatives" (just like high school), is a nice place to visit to see how government really works. Someone makes a motion, someone seconds it, then people talk about it awhile, and then someone makes another motion. This is called the Parliamentary system. This is why Denmark has retained its monarchy.

**Dana's Deluge Datter:** This women's social service organization gives women a chance to participate in real live make-work projects.

**Ekklesia Kooincidence:** Dana's church organization. Headed by Dana's resident pastor, Rev. Beltstrapper.

**Criminology Club:** Dana's own investigation and spy bureau. J. Edgar Hagan, president.

**Wormies:** Student rag. Steve "Otto" Bahn, editor.

**Blower:** Student pseudo-intellectual literary publication. John Reason and Steve Skow, co-editors.

**Intramurals:** Sports include football, baseball, basketball, cock-fighting, bullfighting (a student vs. administration game), and such parlor games as spin the hookah and pin the tail on the dean.

In conclusion, we would like to say that we hope you'll like it here at our fully accredited, four year, conservative arts school. We hope you'll take some time and learn our snazzy little school song.

**KISS OFF DANA**

While yet our land was wilderness  
And sturdy boredom reared  
With brawny arm his lowly school  
A marshmallow divine appeared;  
Kiss off, fair Dana, our boot to thee  
Our song to thee we sling;  
May always we thy game reverse  
While madness to us be dear

And when we launch our little U-boats  
On Destiny's deep spring  
As leeches to our wall do grow  
Our hands to your throat will cling  
Kiss off, fair Dana, our boot to thee  
Though time thy walls may claim  
Our boats will land on another shore  
And you'll find someone else to bore

**PRESENT ART WORK AT DANA COLLEGE**

The Ferdinand Roten Galleries of Baltimore, Maryland, will present an exhibition and sale of original graphic art by contemporary and old master artists at Dana College on Monday, February 14. The one-day exhibition will be held in Dana's Parnassus Room, second floor of Pioneer Memorial, from 10:00 a.m. until 5:00 p.m. The public is invited.

Over 1,000 original etchings, lithographs and woodcuts by such artists as Picasso, Chagall, Miro, Dali, Goya, Renoir and many other including contemporary American, European and Japanese print-makers will be included in the exhibition.

A well-qualified representative of the Roten Galleries will be present during the February 14 exhibition at Dana to answer questions regarding graphic art and printmaking.

**Herbicide Spray In Question**

The Environment Seminar of Dana College has conducted a survey in an attempt to find out if the herbicide-spraying program here on campus is effective in controlling the dandelion problem. In September of 1970 the group marked off two square areas in the oval. Each square measured ten meters by ten meters, and stakes were driven into the ground at each corner so that the exact square could be marked off again at a later date. A third square was marked off on the new sod east of Blair Hall. The group counted and recorded the total number of dandelions in each square. In the Fall of 1971, the squares were marked off and the dandelions were counted again.

oval, the number of dandelions decreased from 4015 plants to 3630 plants. However, in the second square marked off in the oval, the number of plants increased from 1430 to 2060. The third square, east of Blair Hall, contains a negligible number of dandelions (13 were counted in the Fall, 1971).

The results of the comparative survey would suggest that perhaps the herbicide-spraying program here on campus is not effective in eradicating, or even controlling, these weeds. Perhaps some reconsideration should be given to the program, especially considering the harmful effects of the herbicides as opposed to the benefits derived.

# Vikings Outlast Midland

The Dana College Vikings last Saturday night played host to their arch rivals, the Midland College Warriors. When the final horn had sounded the Vikings had claimed a 72-64 Nebraska Intercollegiate Athletic Conference victory, which vaulted them into a third place tie in the conference standings (with a 2-2 mark). The victory snapped a 3 game Dana losing streak and raised their season record to 7-11.

In the first half the lead changed 5 times (and there were also 5 ties). Dana got the games first points on a Bryan Traylor bucket. Midland came back to tie it but the Vikings went ahead on Gary Bott's two pointer. The two teams now exchanged buckets as neither team could open any kind of a substantial lead. Midland thanks to the hot shooting of guard Kermit Sweeny (who paced all scorers for the night with 22 points) opened up a 5 point lead 20-15. At this point Midland called time and Viking head coach, Jerry Rainforth, inserted Jerry Wilson to try and stop the hot shooting Midland guard. Jerry was successful and Dana kept picking at the Warrior lead until they tied the score at 30 all. Dana and Midland then ex-

changed buckets, and both teams went to the locker room in a 36 all tie.

The first 9 minutes and 44 seconds of the second half were well played as neither team could open up a lead. During this time span the lead exchanged hands twice and there were four ties.

Dana at the 10:16 mark broke the game wide open when they rammed home 8 straight points to break a 53 all tie and take a commanding 61-53 lead. In this streak the Vikings scored on buckets by Bill Hansen, Denny Riley, and Jerry Wilson, and had free throws by Wilson and Terry Miner. For all practical purposes this was the ball game as the Vikings held leads of anywhere from 8 to 11 points before settling for their final 8 point victory margin.

The Vikings made 28 of their 57 field goal attempts good for 49%, while the Warriors made 27 of 74 for 36%. At the charity stripe Dana made 16 of 30 attempts for 53% while the visitors made 10 of 25 for 40%.

## Doane Stifles Dana 63-37

The Doane College Tigers (from Crete, Nebraska) journeyed to Blair last Tuesday night and stifled the host Vikings 63-37. Doane completely dominated every aspect of the game on their way to a big Nebraska Intercollegiate Athletic Conference victory. The loss dropped the Vikings conference mark to 2-3 and their season record to 7-12.

Dana took their one and only lead of the game when Bryan Traylor hit a free throw to give us a 1-0 lead. The Vikings did stay in contention during the first fifteen minutes of the (first) half. Traylor scored the Vikings first 9 points of the game and Dana was trailing by 2, 11-9. Tom Lauritsen then

hit a bucket and the Vikings were down 12-11. Dana called a time out with 5:33 left in the first half and Doane was leading 19-13. The Tigers promptly scored 5 straight points to put the game out of reach. The Vikings did put on a small rally behind Bill Hansen (3 points), Terry Miner (2 points), and Gary Bott (2 points) to close the gap to 29-20 in favor of the Tigers at the half.

In the second half, Doane just completely demolished the Vikings. Doane, during this half, on 3 different occasions scored 6 straight points and on one occasion scored 7 in a row. Doane with their superior height advantage (Rogilio Douglas 6'9" and Bernard Brown 7') dominated both backboards. With the big men "doing their thing" Dana was forced to shoot from the outside and the Vikings just could not connect.

Dana was absolutely frigid from the field making 10 of 47 attempts for 21%; while the Tigers made 21 of 45 for 47%. At the charity stripe the Tigers cashed in on 21 of 30 attempts for 70%; while the Vikings made 17 of 27 for 63%. The taller Doane quintet won the battle of the boards 46-35.

## Sorority Spotlight

During the past week Tau Gamma Rho sorority has been busy with rush activities designed to give all girls interested in pledging an opportunity to get to know the actives better. They have many activities planned and hope to have a big pledge class.

The newly elected officers for 1972 are as follows: Laurie Byriel, president; Joane Michael, vice-president; Linda Hardymartin, secretary; and Phyllis Hoepfner, treasurer.

The sorority has had a number of candlelightings recently. They include the following: Margaret Tjon received a pearl from John Escher; Linda Hardymartin received a blue sapphire from Jim Maxwell; Harriet Thorsen received a diamond from David Waite; Karen Tellefsen received an engagement ring from Rafael Minguez, a history professor in Spain; and Laurie Byriel received a pearl from Wyman Nelson, a sophomore law student at Drake University.

## Wesleyan Grapplers Down Dana 28-23

Last Thursday night the Dana College wrestling team traveled to Lincoln where they were defeated by the host Nebraska Wesleyan University Plainsmen 28-23.

Dana started out on the wrong foot by giving up forfeits in the 118 and 126 weight classes; consequently falling behind 12-0. Gary Gray (134) got one of the forfeits back for the Vikings. Ed Grubbe (142) decisioned Mike Martin 6-2 making the score 12-9 in favor of Wesleyan. Mike Everett then pinned the Vikings' Ron Beaman. (190) was pinned by the Mike Todd and Don Stuart ended

up in a 1-1 tie in the 158 match. In the 167 weight class Bill Kruse murdered his opponent decisioning him 13-0; this made the score 20-15 in favor of the Plainsmen. The Vikings took their only lead of the match when Stan Johnson (177) pinned Dave Smith with 1:22 left in the first period. Dean Ness (190) was pinned by the Plainsmen's Willie Sapp. In the

heavyweight tussle Phil Tegeler and Sam Martin ended up in a 1-1 tie making the final score 28-23 in favor of Nebraska Wesleyan.
