

# Something For Everyone

On Sunday, December 7, 1986, the campus of Dana College presented the Sights and Sounds of Christmas. People from many parts of the country joined the Dana campus in this celebration of sights, sounds, tastes, and traditions of Christmas.

Many activities and events were performed throughout the day. The day started off with the Christmas Festival Worship Service with speaker Campus Pastor Terry Cassell. Following the morning service, many afternoon events and exhibits could be attended as pictured: (immediate left) storytime for children; (bottom) the play, "A Christmas Sketchbook"; (far left) Santa Lucia ceremony; (far left, top) the big event, a performance by the Dana College band and choir; (far left, middle) dances of Scandinavia; and (far left, bottom) the Dana student art exhibit.

The day was very Helter Skelter for the Dana campus, but the Sights and Sounds of '86 was a very successful event as in preceding years.
