IT'S NOW A QUARTERLY: With this JOTTINGS we shift to a quarterly rather than a bi-monthly report. Plans are to issue JOTTINGS in August, November, February, and May.

<u>SYMPATHY</u>: WE express our sincere sympathy to the families of Edith Jensen and Ione Nielsen. Both were among our archive supporters. We will miss them.

AUTUMN VOLUNTEER WEEK: Our autumn volunteer week will be October 7-10. We will plan on ending in the archive at noon on Thursday to give us time to set up our display for the Danish American Heritage Conference in Omaha that opens Thursday evening. Rooms for volunteers will be available in the guest rooms from Sunday evening through Wednesday night. Make your reservations with Dody whose address now is: Dody Johnson, 3352 Hanover Ct., Iowa City, IA 52245. Those wishing to keep their rooms for the conference Thursday, Friday and Saturday nights must notify me very soon as some of these room have already been spoken for for those nights. I look forward to seeing you for both events. With a shorter archive week we will just have to accomplish that much more!

CONFERENCE REGISTRATION: May I urge you to register for the DAHS conference as soon as possible. It will certainly help with the logistics. The conference is drawing a lot of attention. A significant array of people will be in attendance including former ambassadors, current consuls, scholars, business people, agriculturists, as well as all of the rest of us. A copy of the registration form appears on page 6.

CHRISTMAS IN JUNE/JULY Thanks to all of you who have saved and sent me stamps. I do appreciate it. Two individuals, Ellen Schooley and Paul Thisted, sent me large collections that they no longer wanted. What a thrill!

ARCHIVE ADDITIONS: Again we have received a great deal of valuable material for the archive as even a casual perusal of this report will indicate. I do, however, want to mention four items in particular. Homer Nielsen has given the archive the letter from Kleinchen Melchior which marked the beginning of Laurits Melchior's long and significant connection with Dana College. Paul Hansen, besides donating a vast collection of sermons preached by his father, Donal T. Hansen, and his grandfather, Henry N. Hansen, presented us with a sailor's log kept by his great, great grandfather when he sailed around the world on the Danish ship Galatea from 1845-1847. Vicki Madsen has presented us with pictures and 29 love letters exchanged by Jens and Olga Sahl. The final gift is an extensive collection of material from the Danish Sisterhood Lodge of Lexington, NE with an accompanying translation of the Danish items by Dorthea Jessen Yeutter. For these and all of the gifts we are most grateful.

GOOD GIFTS: Lur books make good gifts. Besides earliar books, <u>Danes in America: Kansas and Nebraska</u>, Ninna Engskow and John W. Nielsen, was issued in April, and Ivan Nielsen's <u>Attracted to America</u> will be off the **press** this fall. It is about Danes belonging to the Tucson Danish Club.

NOTICE

The Danish Immigrant Archive at Dana College Endowment Fund is growing, but the good people who have made this happen belong to a group without a name. Shameful!

Dana College has the "Dana College Builder." Good Shepherd Home here in Blair has "Friends of Good Shepherd." But our small but growing group is nameless! We need your help.

Please send us your suggestions. A small committee will select the winning name for the group, and the next issue of JOTTINGS will announce the name and provide the initial listing of members. The person submitting the winning name will receive a gift certificate for four of the Lur books currently in print.

Membership in the Endowment group is for all who have remembered the Danish Immigrant Archive at Dana College in estate plans or whose contributions total \$5,000 or more in cash to the Endowment Fund.

John Beck
