IN PRAISE OF VOLUNTEERS: The rest of you readers are probably tired of hearing me sing the praise of the volunteers, but once again, the recent archive volunteer week prompts me to do just that. Thirty-seven volunteers, local and from California, Illinois, Iowa, Minnesota, Nebraska, South Dakota and Wisconsin, spent four to five days working in the archives. Dana, again generously, provided housing and meals. The group engaged in everything from sorting, listing, and filing to cataloging, typing, and translating. Needless to say, they found time for coffee and fellowship as well as accomplishing all of the work that I had lined-up for them. Besides volunteering, many of them brought material for the archive and/or made financial gifts. Out-of-state volunteers were Edward & Shirley Hansen, Roger & Marilyn Hanson, Ralf & Inga Hoi-feldt, James Iversen, Roland & Joan Jensen, Ada Jeppesen, Ruth Jeppesen, Oscar & Dody Johnson, Mary Larsen, LeVern & Marilyn Nielsen, Pete and Beverly Petersen and Marjorie Wahlgren. Locals from Blair, Fremont, Omaha and Denmark were Helene Christensen, Ninna Engskow, Trine Feuerborn, Esther Freund, Ann George, Sara Hansen-Walther, Verlan & Helga Hanson, Eunive & Ried Neve, Paul Neve, John W. & Elizabeth Nielsen, Tine Pallis-gaard, Ruth Rasmussen, and Harold & Dorothy Wright. We missed those regu-lars who could not make this year's spring session. Hopefully we will see them in October. (Bee, how could I forget you! Forgive me.)

ARCHIVE RESIDENCY: Birgit Flemming Larsen, formerly with the Danish Emi-gration Archives in Aalborg, Denmark, has completed the first archive residency offered by the Danish Immigrant Archive. She was here for ten weeks during which time she engaged in a project of summarizing archive holdings so that each box will be able to be listed on the library/archive web-site which will make it available to searchers everywhere - even in Denmark. Her service was of inestimable value to us and hopefully enjoy-able for her. Unfortunately she had to return to Denmark the week before the volunteers arrived so she was unable to renew her acquaintance with many of them. This year's residency program was made possible by Dana Col-lege and by John W. and Elizabeth Nielsen. We hope someone will step for-ward to make another program possible next year.

LUR INTERNSHIP: Dana College's business department offers marketing in-ternships for academic credit. Arrangements have been made whereby one of these internships can be with Lur Publications. The intern will develop and assist in implementing an advertising and marketing program for Lur Publications. Justin Gunderson has already applied and been accepted for the position.

BODTKER GRANT RECIPIENT: Again the Danish Immigrant Archive is fortunate in that the second Bodtker Grant recipient has elected to do her research here in the archive. She is Tine R. Pallisgaard, and she will be focusing on gender and generation differences as manifested by the various members of the extended Hansen-Mengers family in their correspondence and other writings.

POSTAGE STAMPS: Again I want to thank everyone who has collected stamps for me. Foreign and U.S. commemoratives are especially appreciated. I don't get around to thank you individually, but I hope you understand.

OBITUARIES AND CLIPPINGS: May I urge all of you as you read your respective newspaper to be alert for any obituaries of Danish individuals and/or people who have married Danish descendants or whose one parent is Danish. We would like to include all of these in our roster. We could amass an impressive array if we had someone doing this task for us in every city and community around the nation. Will you do your part? Please label each clipping as to city newspaper and date. While you're reading your papers also be alert to news articles about things Danish. I'll thank you in advance because I expect an impressive response - unless this being buried on the last page means no body reads it!
