Supreme Board Will Meet

For information of those who may be interested,
it can be stated that the Supreme Board will meet
for its annual spring meeting at the home office in
Omaha, Nebr., commencing at 9 a. m., March 16.

Lodges who have matters to be taken up by the
board should arrange to have same there on or before
that date.

For Discussion

The Danish Brotherhood in America has such a
sterling historical background of accomplishment that
aside from being most influential, financially power-
ful and universally regarded as one of the leading
fraternal societies in the United States of America,
the Danish culture that its members have planted
upon American soil must be preserved and continued
as a heritage for future generations.

This important task can only be successfully ac-
complished by a material increase in the present
membership of the Brotherhood.

In my opinion there is one of two methods by
which this can be successfully accomplished.

FIRST: Conduct all lodge meetings in the English
language. Print the Constitution, By-laws and all
Applications in the English language. All of the
books and records of the Supreme lodge are kept
in the English language, so there will be no disruption
in the present set-up of either the Supreme lodge
or any of the various chartered lodges. The Supreme
lodge should supply every lodge with an attractive
pamphlet, setting forth in detail the sterling accom-
plishment of the Brotherhood, together with the more
famous names of the early pioneers who were instru-
mental in bringing the Brotherhood through strife
and struggle, from the beginning to the present time.
These pamphlets, in turn, by the various lodges should
be distributed among prospective new members. The
old members, during meetings, could still con-
tinue to converse with old friends in the Danish

language, and at gatherings and dances, old familiar
songs and dances would continue to prove interest-
ing and popular to young and old alike.

SECOND: Change the name from Danish Brother-
hood in America to Americans of Danish Descent
in America. The same articles of incorporation, con-
stitution and by-laws would continue in force, but all
meetings would be conducted in the English language.

More than ninety per cent of the members are
naturalized American citizens. This would be a direct
appeal to not only the daughters and sons of mothers
and fathers who are members of the various Danish
societies, but it would likewise be a direct appeal to
Americans of Danish descent, whose parents have
since passed along life's highway of uncertainty to
their final resting place.

It is my individual hope and desire that this matter
will meet with serious consideration, that it will be
widely read and openly discussed at all lodge meet-
ings from coast to coast and from the frozen north
to the sunny south, wherever Danes assemble.

In my opinion this question is of such vital im-
portance that the supreme lodge should encourage
its general and open discussion and the matter should
be brought before the next National convention for
a final decision.

There are those who will oppose either plan be-
cause of sentimental feelings. That is only natural.
For years my father refused to give up his horses in
favor of the automobile, but in time he had to come
to it, so it is with us, we must replace sentiment in
this matter in favor of common sense, because the
time for self-preservation is at hand.

It is the younger generation who will either sound
the death toll of the Brotherhood through their re-
fusal to join or they will preserve and continue to
carry on in the name of themselves or in the name
of their forefathers, the fraternalism between men,
such as their forefather established here in America,
but we must create within them this flaming desire.

Los Angeles, Calif.

From the President's Desk

DURING WORLD WAR I many members of the Danish Brotherhood served in the armed forces of the United States. Not only in the armed forces, but also in all the other services that were so necessary for the successful conduct of the war.

When I visit lodges now it is quite natural that the subject of war is in for its share of discussion. I also learn that many of our lodge brothers distinguished themselves and rendered very valuable services to our country during the first World War.

In keeping with inherent Danish modesty, I also learn that very few people, outside of a small group of intimate friends, know anything about the accomplishments and certainly no record was kept anywhere of deeds done or services rendered by our fellow members.

We are again engaged in war. Again members of the Danish Brotherhood are answering the call of the nation. Again acts of valor will be performed by our members. Again we will render countless services to our country. Services that are absolutely essential for the conduct of the war and certainly necessary for the final victory.

We know that hundreds of our members will enlist, others will be in the service through selection. Lodges will and have held parties, sending off young men to training camps. Lodges are doing splendid work cooperating with the local chapters of the Red Cross. Lodges are investing all the money they possibly can in Defense Bonds. In this connection: That your finance committee purchased \$50,000 worth of U. S. Defense Bonds last year and the reason we did not buy more is that \$50,000 is the limit placed by the government on the amount that any individual or organization can purchase in any one year.

You read in the last issues of our magazine about our members who were in action during the first few weeks of war.

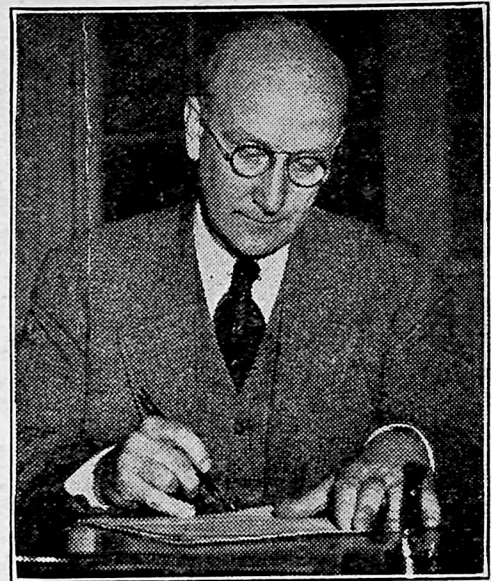

We have learned that a member of No. 49 was at Guam and that he is at this time in all probability a prisoner of war somewhere in Japan.

I could go on and on and you, yourself, know of many more incidents that positively are of immense interest to all of us, but in many cases known only to a select few.

Let us build up a complete record of "All Our Activities During This War."

Whenever you have a party honoring a young man who has joined, let us say the air corps, then let us know about it, have pictures taken, send all the information you can possibly gather to either Axel Skelbeck or to me.

When your lodge buys Defense Bonds, let us know.

If you are taking part in a local Red Cross drive, let us know. Do not pass up anything because you think that it is of no value or interest, send it in anyway.

We will compile it all. At some future date information of this kind will be very valuable.

Can we count on your assistance?

Are you guilty of complacency?

Does it give you a sense of security and snugness to read in the papers that Congress has now appropriated so and so many billions for airplanes, warships or what have you?

Are you getting comfort out of living behind an imaginary Maginot Line built out of dollars appropriated?

If you are, then: **Wake up! We are at war!**

Money appropriated will not win for us.

No, only the conversion of money into munitions of war will win. We must quit worrying about how much money this or that group is to make out of this calamity.

We must quit worrying about how many hours constitute a week's work.

We must quit worrying about everything else except production.

We must have production and more production, together with an iron will to use these products for the single purpose of destroying our enemies.

If we do not, they will destroy us.

We can positively win this war, but complacency, wishful thinking and hope will not do it.

Action will.

We can and will act.

Let us do our share.

Buy as many Defense Bonds as you possibly can and do your utmost to convert them into munitions of war.

John Hansen.

Minister Kauffmann holdt Nytaarsaften via British Broadcasting Corporation følgende Tale til Danmark:

Mine Landsmænd:

Naar jeg har besluttet mig til at tale til Jer for første Gang, nu i Aften, er det ikke for blot at sende Jer en Nytaars-hilsen fra os Danske ude i den frie Verden. Det er **uundværdigt** at fortælle Jer, at vore Tanker i Aften som hver eneste Dag siden den 9. April kun kredser om een Ting, om Jer derhjemme, om Danmarks Fremtid.

Jeg taler heller ikke til Jer i Aften for at opmuntre Jer, ved med falsk Optimisme at fortælle, at i det kommende Aar vil alt pludseligt forandre sig til det bedre, Krigen være ovre og Jeres Prøvelsestid forbi. Eet er, at vi herude ved, at Krigens endelige Udfald er sikkert. Ingen, der har haft Lejlighed til at følge Obygningen af den vældige amerikanske Rustningsindustri, kan være i Tvivl; men for det Aar, vi gaar ind i, for 1942 er der intet velbegrundet Haab om Fred. Blaaføjet, ubeføjet Optimisme er den Fejges Skærmbraed.

Naar jeg taler til Jer i Aften, er det, fordi jeg ved, at det kommende Aar vil blive kritisk i Danmarks Historie;—at det vil blive et haardt og et tungt Aar for Jer, og at Jeres Holdning i 1942 vil blive afgørende for Danmarks Fremtid.

Det er min Overbevisning, at I med dansk Realisme har Mod nok til at se Sandheden i Øjnene. Men jeg tror, at det er vanskeligt for Jer i det mørkelagte, kneblede Danmark at danne Jer et klart Billede af Danmarks sande Stilling;—hvorledes Danmark tager sig ud for de derude i den frie Verden, der har alle Meddelelser og Oplysninger fra begge Sider til deres Disposition. Medens de danske Aviser kun kan bringe et ufuldstændigt, til Tider indtil det ukendelige, forvrænget Billede af, hvad der sker udenfor, ja ofte selv i Danmark, saa har man her haft Lejlighed til i Enkeltheder at følge med i, hvad der sker i Danmark. —Fra mange uafhængige Kilder ved jeg, at vi her har et klart Billede af alle væsentlige Forhold, Betingelser og Stemninger derhjemme.

Selv om Meddelelserne om det danske Folks iskolde Holdning ikke har kunnet tiltrække sig større Opmærksomhed paa Baggrund af Efterretningerne om vort norske Broderfolks heltmodige Opposition og Befolkningens djærve Modstand i Holland og Belgien og i de andre besatte Lande, saa har vi Danske i den frie Verden glædet os over at se, at det jævne danske Folk har nægtet at gaa paa Akkord med Uretten.

Det officielle Danmarks Holdning har derimod siden Danmarks Besættelse været en Kilde til stadig Uro og Bekymring. Vi ved meget vel herude, under hvilken Tvang Regeringen i Danmark befinder sig; vi værdsætter fuldt vel de modstridende Følelser, der maa fylde de, der har Ansvar og staar overfor at vælge imellem øjeblikkelige Ofre for det Folk, de har Ansvar for, og hvad der synes blot endnu en lille Indrømmelse.

Lad hver Indrømmelse synes nok saa lille; først begyndt, følger Indrømmelse paa Indrømmelse, indtil man, som Danmark i Dag, staar der, hvor Landets hele Fremtid er sat paa Spil.

At Danmark havde vanskeligt ved at gøre væsentlig militær Modstand, er det i nogen Grad muligt at faa den offentlige Mening i den frie Verden til at forstaa. Men det vil ikke blive undskyldt af Folket i de Demokratier, der selv ofrer alt, hvis Danmark,

sammenlignet med andre smaa besatte Lande, skulde synes kun at have ringe Rygrad og Modstandskraft overfor den besættende Magt. Vi Danske kan ikke vente, at de, der sætter deres Liv, deres Formue og deres hele Eksistens ind i den Kamp, af hvis Udfald ogsaa Danmarks Frihed afhænger, efter Krigen skal vise os synderlig Hensyntagen og Sympati, hvis de faar Indtryk af, at det danske Folk er ligeegyldigt i Spørgsmaalet om dets egen Frihed.—at det ikke er villig til selv at yde Ofre derfor,—at Danmark understøtter sine Angribere og modarbejder sine Befriere.

Det har ikke kunnet undgaaes, at de Indrømmelser, som det officielle Danmark, Skridt for Skridt, under Tvang er gaaet med til og har lagt Navn til, alvorligt har skadet Danmarks Anseelse og Sympatien for Danmark. Endnu, haaber jeg, er intet uopretteligt; men jeg ønsker i Aften saa indtrængende, som det er mig muligt, at sige til enhver, der har Ansvar i Regering og Rigsdag: Bristepunktet er nu naaet. Uanset hvad Trusler I stilles overfor; yderligere Indrømmelser vil sælge Danmarks Fremtid.

Og jeg ønsker at sige til alle Jer andre,—ikke alene til Folk af Navn, men til alle Jer ukendte, som udgør Danmark,—til rig som til fattig,—til Jer Forældre og til Jer unge, som skal tage over efter os. Jeg ønsker at sige til Jer: Gør jer i Aften klart, at det kommende Aar vil blive Jert Prøvelsensaar; har man først een Gang uden frygtsom Blinken set den mørke Fremtid imøde, har Frygten mistet sin Brod.

Beslut saa i Aften, hver enkelt af Jer, at komme, hvad der komme vil, I vil staa fast; ranke, uden Klage vil I bære, hvad der vil blive krævet af Jer; lad det være klart, at I er beredt, at I ikke ønsker, at de, hvem Ansvar er paahvil, for øjeblikkelige og midlertidige Fordeles Skyld, sælger, ikke alene Danmarks Anseelse og Danmarks Sjæl, men ogsaa Danmarks Fremtid.

GUD HJÆLPE JER ALLE.

GUD HJÆLPE DEN OG DE, DER HAR ANSVARET I DANMARK IDAG.

What Is What?

By

GUNNAR JENSENIUS

A secretary brings forward the irreconcilability of Article 3 of the Articles of Incorporation to Sec. 3 of the constitution and Sections 66 and 80 of the by-laws, all relating to the question of who is eligible for membership in our organization. The secretary wants to know who may become social members. It is not possible to reconcile the conflicting paragraphs, as a matter of fact it is difficult to grasp the meaning of Sec. 3 of the constitution. The qualifications for social membership are:

- (1) White man
- (2) of Danish descent and over 50, or
- (3) not of Danish descent, but married to a Danish woman
- (4) good moral character.
- (5) willingness to abide by the laws of the organization.

It is up to the lodges whether or not they desire to admit social members, and if they desire to do so, they should change their by-laws accordingly.

When the supreme board stumbles over paragraphs in our laws that are misleading, ambiguous or conflicting, they are placed in "the hope chest," so-called because of hope to have that corrected at the 1943 national convention. The supreme secretary and the writer constitute a committee that is working with these problems in between board meetings with the anticipated result that, through the recommendations of the supreme president to the national convention, the organization will emancipate with laws that are consistent and uniform. A few Sundays ago this committee and the supreme president met at the office of the writer and a great deal of time was spent on the above question.

A lodge that publishes its own monthly paper for its members referring to this column calls it: "so much water over the dam" or so much space wasted. If the opinion of the "editor" of that paper is shared with the other brothers we will forget about What is What? If not, come forward with the organization problems confronting you and your lodge.

16 Ways to Kill an Organization

1. Don't attend meetings.
2. Be sure to leave before the meeting is closed.
3. Never have anything to say at meetings; wait until you get outside.
4. When at meetings vote to do everything, then go home and do nothing.
5. The next day find fault with the officers and members.
6. Take no part in the organization's affairs.
7. Be sure to sit in the back so you can talk it over with a friend.
8. Get all organization will give you, but don't give the organization anything.
9. Never ask anyone to join the organization.
10. Talk cooperation, but never cooperate.

11. At every opportunity threaten to resign and try to get the others to resign.
12. If asked to help, always say you haven't time.
13. Never read anything pertaining to the organization; you may become enlightened.
14. Never accept an office as it is easier to criticize than to do things.
15. If appointed to a committee, never give any time or service to the committee.
16. Don't do anything more than you have to, and when others willingly and unselfishly use their ability to help the cause along, then howl because the organization is being run by a clique.

Spørgsmaal og Svar

Spørgsmaal: Jeg er Enke. Jeg blev amerikansk Borger ved Naturalisering den 4. September, 1941. Jeg vil gerne vide om mine tre Børn blev amerikanske Borgere gennem min Naturalisering. De er alle født i Udlandet og er henholdsvis 19, 16 og 12 Aar gamle.

Svar: Deres to yngste Børn blev amerikanske Borgere, da De blev naturaliseret, men ikke Deres 19-Aar gamle Barn. Ifølge Loven, der traadte i Kraft i Januar, 1941, bliver et udenlansk-født Barn amerikansk Borger, dersom begge Forældre er amerikanske Borgere inden Barnet er 18 Aar gammelt, eller i Tilfælde hvor den ene af Forældrene er død —og dette gælder selvfølgelig i Deres Tilfælde—dersom den efterlevende af Forældrene bliver amerikansk Borger inden Barnet er 18 Aar gammelt. For at kunne blive amerikansk Borger paa denne Maade maa Barnet selvfølgelig opholde sig her i Amerika paa det Tidspunkt den efterlevende af Forældrene bliver Borger eller maa komme hertil for at tage fast Ophold, inden Barnet er 18 Aar gammelt.

News From The Eastern Lodges

By
GEO. V. PETERSEN

No. 116 Newark, N. J., Has Many Activities

Even a little late, this news from Newark will be very appropriate at this time, as it shows that in Newark there is still life, as if we did not know it. They report a lecture by Mr. Bendix some time before Christmas, which was very well attended. In December, at the lodge meeting, there was election of officers followed by the usual Christmas party for the members.

On December 7, the Sister lodge in Newark had arranged a theater play by the amateurs in Newark. It was a success both as far as production and the financial part is concerned.

On December 27, the annual Christmas party, given by the Central committee, was held. Over 500 adults and children participated. It was a grand affair. To top it off the Danish folk dancers presented a number in their colorful costumes; they were greatly appreciated and applauded.

At the meeting in December, several brethren from Philadelphia were present and it was decided to repay the visit in January. The lodge was invited to come there to install the officers on Jan. 10, and no less than 21 brothers from Newark made the trip. Brother Chris. Bornholm, assisted by Brother Carl Torp, installed the officers in No. 172. A large crowd attended this affair as it was public. Also present were Ex-President Victor Nielsen and President James Jørgensen of the General Committee of the Eastern lodges, and Brother John Lysen from New York. After the meeting a large table, or rather several tables, were set up and on them anything you could ask for of good things to eat and drink. You know what happens then, many lively speeches and songs were heard during the hours that followed.

On Saturday, January 17, Newark had its officers installed. Several brothers from Perth Amboy were present, also Brothers Anders Jensen and Christiansen from Cimbria No. 257 in New York. Brother Ex-President Carl Torp, assisted by Brother Hans Nielsen, installed the officers.

The regular social evening followed; emblem presented to the retiring president, etc.

We know that in Newark there is always life, the meetings are well attended, the best proof is that this lodge holds the honor of winning the first prize in the attendance contest three times in succession. It is a beautiful bell, and it rings the brethren to attention o. k. When visiting Newark, do not forget to come to the lodge meeting in Fremad No. 116.

Port Chester No. 50 New York Notes Enthusiasm at Meetings

In Port Chester there has been a noted improvement in attendance the later months; we can readily see the reason, because we have been there.

In December a large number of brethren gathered for the election of officers. All were willing to accept the office to which they were elected, and at

the meeting in January for the installation, no less than 65 were present. The president of the General Committee, James Jørgensen, was invited to install the officers and with the assistance of Brother Christensen from Bridgeport lodge, the same was done in a splendid manner. During the meeting it was decided to buy a \$500 Defense Bond. In the last few months they have initiated four new members. All in all, a very good year for No. 50.

Of course we all know that after these meetings everybody retires to the basement where the very efficient committee prepares the most delicious things for all present.

Bridgeport Sisterlodge Invites You to Their 50th Anniversary

Lodge No. 16 of the D. S. S., will celebrate their 50th anniversary with a dinner and dance on March 7, 1942. Same will be held at Obek Grotto hall at Fairfield St. in Bridgeport. Tickets are \$2 each, tax included.

For a fine evening spent in good company, come to Bridgeport on March 7.

Providence, R. I., Has A Visitor From Omaha

It was a great surprise to hear the voice of Einer Clausen from Omaha on Monday the 16th, as Einer is the only brother from my home town (Farum), that I have met here. It was most pleasant to have him visit in Providence.

Einar was here on business in connection with a large job at the Quoset Point Naval Base. I trust he had success in getting what he was after.

Remember, brothers, when you travel, it is nice to see you.

Mindefest i Philadelphia for Afdøde Over-Præsident John Christensen

Mødet den 14. Februar blev en anden Mærkedag for Loge Nr. 172. Ikke fordi der blev holdt Fest eller paa Grund af særlig stor Tilslutning paa Mødet, men paa Grund af den Aand, Virkekraft og Interesse i Logens Arbejde mange af vore Medlemmer lægger for Dagen.

D. B. S. Maanedtsblad med de forskellige interessante Artikler og Udtalelser af vor energiske Overbestyrelse, har sikkert gjort sit til at vække op til Daad. Ihvertfald vi begyndte det nye Aar med at optage 3 nye Brødre, og modtog 4 Ansøgninger om Optagelse til Mødet i Marts, foruden gode Udsigter for adskillige flere i meget nær Fremtid.

En ny Fornøjelseskomite blev ogsaa nedsat, og Planer for flere Sammenkomster i nær Fremtid bliver udarbejdet.

I det hele taget bliver her arbejdet haardt for at gøre D. B. S. Jubilæumsaar til et Mærkeaar for Philadelphia ogsaa.

Den 7. Februar afholdtes i Klubhuset en Bortlodning i Forbindelse med en Kortspilafteen til Fordel for Alderdomshjemmet i Metuchen. Med udmærket Støtte fra alle Koloniens Danske blev Aftenen til en økonomisk Succes, og hermed udbringes en hjertelig Tak til alle der ydede Bidrag og Hjælp.

Efter Dansk Forenings Møde Onsdag den 18. Februar, tog en smuk Højtidelighed sted i Klubhuset. Et smukt Billede af vor afdøde Over-Præsident John Christensen blev afsløret og ophængt i Mødesalen, som Paaskønnelse for det store Arbejde John Christensen har nedlagt blandt de Danske i Philadelphia.

Selve Afsløringen foretoges af Fru Chr. Moldrup, en Søster af John Christensen, og med Broder Thomas Andersen som Ordstyrer, udtartede Aftenen sig til en smuk og gribende Tribut til denne store danske Mand, der har gjort saa stor en Indsats for Danmarks Sag her i Amerika.

Mange af hans gamle Venner fra hans Virkeaar i Philadelphia mødte op til denne Begivenhed, og de manke smukke Ord der udtaltes i Aftenens Løb, bevidnede hvor afholdt og hvor stor en Leder John Christensen havde været.

Kaj Munk in a sermon delivered on the occasion of King Christian's birthday in "Vor Frue Kirke" in Aalborg, said among other things: "Blessed is the man whose birthday we are celebrating tonight, blessed be the great king of a small nation who showed us in the hour of dire trial that it was not mere words in his mouth when he, in answer to our homage during the sunny days, said: 'Your thanks must go higher up. It is to God who has helped me, that our thanks are due.' Yes, it is God Himself that has given the king a firm heart. Now the miracle we have waited for so long and which we hardly dared hope for, is about to come to pass: We are gathering around King Christian, a united people."

Happenings Along The Pacific

Wanted — 125 New Members

OFFICERS AND MEMBERS :

The largest Danish organization in the world outside of Denmark, the Danish Brotherhood in America, celebrates its 60th anniversary this year with a special drive for new members, and the General Committee of the D. B. S. Lodges in California has been selected by the supreme board to lead this drive in our state. As far as we know, this is the only General Committee so selected. We, of course, want, very much, to show the supreme board that this trust has not been misplaced.

Our executive committee can't do this job alone, and for that reason we earnestly appeal to every California lodge, and to every single member of these, to assist us to the very best of their ability in getting 125 new members before August 1, 1942. As a special inducement, a cash prize of \$2.00 will be given for each and every new member initiated (active members only) to the brother who sponsors him from February 1 to July 31, 1942. Lodge secretary will forward name of applicants and sponsors to Rudolph M. Olsen, San Francisco, on the last day of every month, and he in turn will reimburse lodge.

We can easily reach this goal of 125 new active members in California before August 1, if every one of us will go to work in earnest. Contact that friend of yours of Danish descent, get his name on the dotted line now, earn that cash award of \$2.00 and the Certificate of Honor from the supreme board. You will be doing your friend and your lodge a favor, and be getting cash for it yourself at the same time. Bring this matter up at every meeting of your lodge. Appoint every one of your members on this special membership drive committee, and ask for a report from different members at each meeting. The Danish Brotherhood has shown during these past 60 years that it is an organization well worth working for in spreading sunshine to our sick and aged members and their widows.

Fraternally yours,

CARL E. KEMP,
Secretary of Committee on Membership.

Lodge Activity Suggestions

To create interest in your lodge and to increase attendance at your meetings, try one or more of these suggestions:

FROM LODGE NO. 39, OAKLAND :

Monthly get-together dinners previous to your lodge meeting at a hotel or restaurant. Participants pay for themselves. Signed up applicants and their sponsors paid for by lodge. Lodge may from time to time pay for wine or beer.

FROM LODGE NO. 49, SAN FRANCISCO :

Send by mail to all lodge members Monthly Bulletin which contains all lodge activities such as coming events, list of sick brothers, sick committee, name of officers, addresses and phone numbers and whatever else may be of interest for members. No. 49

has a size 8½x11 inches, four pages; Costs 3 cents per copy, including mailing, (1c.) paper, mimeographing and folding.

Anniversary cards mailed to each member on his birthday. Members of 126 and 49 appreciate these very much.

FROM LODGE NO. 39, OAKLAND :

Bank night. At each meeting 10 cents is collected from each member present. At the next meeting a number is drawn, and the lucky winner collects the jackpot IF HE IS PRESENT. If the member with the lucky number is absent, a small consolation prize is given to a present member and the main prize is drawn for at the next meeting.

General Committee Activities :

Installation of officers and the following festivities in a number of California lodges, has given me a most pleasant opportunity to meet a large number of members and friends of the Brotherhood. Our state president, Brother Aage Miller, Santa Barbara, has traveled many miles and given liberally of his time and ability to make the gatherings interesting and valuable to our Brotherhood and to the California General Committee.

It has been my good fortune to receive invitations to attend, from a number of lodges, and while I could not reach all, I sincerely thank them all for their consideration and kindness.

To the lodges where I did attend, I owe my heartiest THANKS for your friendliness and hospitality.

To travel in the company of Aage and Lillian Miller added much enjoyment to the visits—and to them and to the sisters and brothers in Fresno, San Diego and Santa Barbara, whose special efforts made the visits more pleasant and heartwarming: THANK YOU.

Voice Of The Brothers

Edited By
C. B. CHRISTENSEN

Twelve New Members for Lodge 314, Hartford, Conn.

On Wednesday, February 18, the Hartford Lodge at its regular meeting had twelve applications for membership. Seven of these were initiated on that evening. The president, Brother Andersen, inducted these new members into our order in such a manner that anyone who was present got a great impression of his and his associates work. The initiation was entirely in Danish and was carried out in a very fine manner entirely from memory.

The officers of the Hartford Lodge and especially the president, deserve great credit for the way they are doing their work. They have a fine building, fine officers and they have as their goal before their 25th anniversary, which is May 20, to initiate 25 new members. So far they have 12 and I'm quite sure that they will have the rest before that date.

It was my pleasure to be present at that meeting and I really feel that the Hartford Lodge is doing wonderful work for the Danish Brotherhood.

C. B. CHRISTENSEN,
Supreme Vice President.

Masquerade in Omaha

The masquerade held by Lodge No. 1 last year was so successful that the entertainment committee, by popular demand, has arranged for another masquerade this year. It will be held at the beautiful Birchwood Club on Redick Avenue at Minne Lusa Boulevard Saturday evening, March 7. When the supreme board two years ago asked the various lodges to provide for several social events during the year, a progressive committee was appointed by the lodge to function "until further notice."

In other words: As long as the committee can continue to provide entertainment at these social evenings, it remains popular with the lodge. This thought naturally spurs the committee members on to greater accomplishments and speaks well for the masquerade on March 7. All members residing, or visiting in Omaha are invited to attend with their family and friends to come along to this great "Family Festival." Several worthwhile prizes will be awarded for various types of costumes, so make it a real evening by coming in costume. Members and friends not in costume are naturally also welcome. Admittance of 50 cents a person includes the federal tax. Children under 12 years of age will be admitted free.

Maskerade I Clear Lake, Iowa

D. B. S. Loge Nr. 219, Clear Lake, Iowa, afholdt sin 38-aarige Maskerade i Surf Ballroom den 10. Februar. Over 900 Mennesker fra nær og fjern var tilstede, langt den største Forsamling som nogensinde har mødt op til en Maskerade i Clear Lake. En stor Del af de Tilstedeværende var Amerikanere, som var

komne for at tage de mange smukke Kostumer i Øjesyn. Forlystelseskomiteen fortjener stor Tak for den Maade, alt var tilrettelagt, og særlig Tak skyldes Broder Chris Jacobsen, saavel som Carl Christensen, der var Komiteens Formand. Vi er glade ved at have saa dygtige Mænd imellem os. Tiltrods for at Brødrene og deres Familie kom ind gratis, havde vi dog et Overskud fra Festen paa \$225. Det burde jo have været nok for en Uge, men nej, den 14. Februar efter Logens regulære Møde havde vi Fastelavns Fest, hvor vi spillede "500", spiste Fastelavnsboller, drak Kaffe og uddelte "Defense Stamps" til Brødre og Søstre, der havde højeste "Points" i Spillet.

Hilsen til alle Brødre,

ARNOLD RASMUSSEN,
Skr., Loge. Nr. 219.

Fra Nr. 18 i Chicago

Det var Meningen at vi skulde have haft Fødselsdagsgilde i Loge Nr. 18 efter vort Møde den 10. Februar, men da nogle af Fødselarerne ikke kunde komme tilstede paa den Aften, saa blev Fødselsdagsgildet udsat til vort næste Møde.

Men vi blev ikke skuffede alligevel, idet vor Præsident Holger Hansen indbød de tilstedeværende Brødre til en Smoker saa at vi ikke skulde være kommet forgæves. Det er tredje Gang i træk, at Holger har Præsident Embedet og vi mener, at han er en god Præsident.

Da Logemødet var endt, blev Bordene sat op og dækket og vi satte os tilbords. Vi var alle enige om, at et saadant vel besat Bord var der ikke nogen af os der havde set før. Der var noget der kunde kildre Ganerne paa selv den mest kræsne, og der var i Overflødighed af alt. Det er umuligt for mig at nævne alle de Ting Bordet var dækket med. Der var alt, hvad man kunde tænke sig fra "skidne" Æg til Rejer og stægte Rødspætter, og alt var ganske udmærket og af første Kvalitet.

Broder Marius Krogh var Ordstyrer og han udførte dette Hverv til alles Tilfredsstillelse. Det var ikke en almindelig Smoker; der blev ikke fortalt "After dinner stories", men der blev sagt mange alvorlige Ord. Nogle af vore Brødre har Sønner der nu gør Tjeneste i den Amerikanske Armi, og de var stolte af deres Dreng. Broder Geo. Jensen af Loge Nr. 17, som er en dygtig Sanger, glædede os med en Del Sange som ogsaa var af en alvorlig Natur. Vi havde Besøg af Broder John Engel fra Los Angeles, og han fortalte os noget om hvad de foretager dem ude paa Vestkysten.

Det var næsten Midnat inden vi sluttede med at synge "God Bless America" og "Der er et yndigt Land".

Op nu gaar vi og glæder os til, at vi skal til Fødselsdagsgilde ved vort næste Møde.

"UNCLE BILL".

A philosopher says that man first became conscious of sin 5,000 years ago. The cycle is just about completed—he is practically unconscious of it again.

The Boiling Pot

A. GRAVESEN

D. B. S. lodge No. 1, who recently celebrated its sixty years anniversary, has a long and distinguished list of members that have held membership more than fifty years in the lodge. Those of the veterans present at the festival were Jens Hansen, J. P. Jensen, P. N. Hansen, John A. Jensen, Rasmus Nielsen, Chris Nielsen, J. O. Nielsen, Jens C. Fisher, A. P. Grobeck, Jens N. Hauborg, P. M. Tolstrup, S. F. Christiansen and P. T. Petersen. Others who also have held membership more than fifty years but for one reason or another were prevented from attending the festival are O. W. Christensen, Andrew Jensen; L. E. Andreasen, Wm. Frederiksen, Julius J. Jensen, Axel Waage, Hans C. Andersen, Gotfred Hansen, Fred Jensen, Peter Zarp, Chr. Andersen, Peter H. Kaer, Anthon Thomsen, Rasmus C. Nielsen, Chris Christoffersen, Henrik Andersen and Carl C. Johansen. The sixty year celebration was a real success in every way. Much credit is due to the committee of arrangements for their excellent planning and untiring work.

At the N. A. D. A.'s directors meeting in Chicago on January 24, the Denmark Fund was presented with a gift of \$2,000 from 120 chrysolite workers at Ivigtut, Greenland. Minister Kauffmann was the intermediary.

D. B. S. lodge No. 29, Seattle, Wash., admitted at its last meeting in January two new members. The same evening the lodge honored Mads Bertelsen and Louis Petersen with the 50-year golden emblem.

On Sunday, February 1, the Danish church in Dannebrog, Nebr., held a memorial service in honor of Lloyd Raymond Christensen, who was killed December 7 by the Japs at Pearl Harbor. Lloyd being only 21 years old at the time of his death, joined the navy as a volunteer two years ago and was stationed on the battleship Arizona where he served in the capacity of a stoker. His body has not been found. His parents, Mr. and Mrs. Carl Christensen, are now living at Wood River, Nebr.

Lodge No. 35, Chicago, held a sausage feast lately for the benefit of the N. A. D. A. A short and interesting program, including talks by Supreme President John Hansen and Supreme Secretary Axel Skelbeck, was rendered under the direction of Supreme Trustee Gunnar Jensenius.

Peter Pilegaard, president of D. B. S. lodge No. 45, Minneapolis, and Miss Marie Nielsen, were married on the 24th of January. The ceremony was performed in the home of the bride's parents, Mr. and Mrs. John Nielsen at Gull Lake. The home address of the newlyweds will be 5156—10th Ave. So., Minneapolis.

A Danish lady in Schenectady, N. Y., Kristine Bernstoff, has in her idle moments crocheted a magnificent table cloth. When it was finished she took it to the D. S. S. lodge and requested the sisters to raffle it off and turn over the proceeds to the N. A. D. A.

The sisters were glad and willing, and by energetic work they succeeded in selling numbers to the amount of \$135, which amount has been given to the N. A. D. A. Mrs. Bernstoff has shown what the work of one lady can do for the cause; maybe others, by using idle moments, will do likewise.

Christ Nielsen (Bitte Christ) and his wife Tina, one of the most popular couples among the Danes in Chicago, celebrated their golden wedding January 29 in the Danish Glee Club's banquet hall. About 250 people representing nearly all the Danish lodges and societies in Chicago partook in the festivities.

Dietrich Thomsen, secretary of D. B. S. lodge No. 241, Sayreville, N. J., reports that his lodge has one of its members now serving in the U. S. Army, namely Harry C. Farver, a private with the 80th Armored Regiment, Fourth Armored Division, Pine Camp, New York.

Mr. Thomsen also informs us that in their lodge it is rather a common occurrence to see father and sons attending the same meeting. One of their members, Brother Soren Thomsen, has three sons that are members of No. 241, and it is quite common that all four are present at the same meeting.

Iner Olsen, secretary of D. B. S. lodge No. 177, Cordova, Nebr., reports that one of their members, Brother Harold Rasmussen of Exeter, Nebr., has served almost a year with the U. S. Army. Brother Rasmussen is stationed in the Panama Canal Zone.

Fred Mahler, who a short time ago was elected president of D. B. S. lodge No. 184, Hayward, Calif., was on short notice called into service in the U. S. Army; but on even shorter notice the lodge was called together to a farewell party for the popular young man. Nearly all the brothers within a radius of 30 miles responded to the hurry call, and on the evening of February 2, the party was held. Brother Sundby acted as toastmaster and presented Mr. Mahler with a fountain pen on behalf of the lodge. Fred Mahler was born and raised in Hayward; he is 22 years old and was married a few months ago to Doris Mahler, nee Stewart, who is a former president of "Valborg."

A. Pedersen, Manteca, Calif., writes that Mr. and Mrs. J. Jensen, lodge No. 249, Pierre, S. D., have three sons in the U. S. Army: Viggo with the Navy, Jens and Hans with the National Guard Artillery. Jens and Hans have not been heard from since early in November when they were bid "bon voyage" by their aunts, nieces and nephews at Camp Ord, Calif.

Louis Dyrlyund, secretary of lodge 301, Akron, Ohio, informs us that his son, Ernest Dyrlyund, also a member of lodge No. 301, enlisted in the army in November 1940, for the term of one year; but as it has turned out, he is in for the duration. At this time he is at Camp Peary, Ohio.

Peter P. Petersen a member of lodge No. 298, Chi-

cago, died suddenly February 12, at the age of 61. He was one of the founders of lodge No. 298 and was its first secretary. He leaves to mourn his wife, Marie, three sons, Peter, Niels and Clarence, a daughter, Clara; also a sister, Mrs. Paul Wester, and two brothers, Fred and Christ Petersen. His many friends will miss him.

D. B. S. lodge No. 140, Chicago, arranged a snug little party on February 16, in honor of the ladies of D. S. S. lodge No. 70, the occasion being lodge No. 70's 39th anniversary. After a short business meeting the ladies were bid welcome by President Carl Larsen after which Editor Christ Brix, Helge Olsen and Supreme Trustee Gunnar Jensenius delivered congratulatory speeches. Mrs. Madsen, president of No. 70, responded and thanked the good brothers for the invitation and expressed the hope that the two lodges in the future might have closer relations and work together more intimately.

The well-known and popular couple, Mr. and Mrs. Sigurd Nielsen, 145 Evelyn Way, San Francisco, celebrated their silver wedding on the 10th of February in their beautiful home. About 50 of their many friends attended. Mrs. Nielsen is past president of D. S. S. lodge No. 24, and Mr. Nielsen is past president of D. B. S. Lodge No. 49.

Among visiting brothers at West Palm Beach, Fla., in January were Martin Mikkelsen and wife from Milwaukee, Geo. Jensen from Chicago, and Geo. M. Jensen from lodge No. 65, Duluth. The two Jensen's attended a meeting of the West Palm Beach D. B. S. lodge where both of them spoke briefly but well on the value of Danish and the Brotherhood.

D. B. S. Lodge No. 3, Davenport, Iowa, held a stag party recently in honor of Supreme President John Hansen who not long ago celebrated his 50th birthday anniversary. A number of visitors from West Branch and Moline were present which helped considerably to make the occasion a real success. The honor guest was presented with a silver goblet inscribed as follows: "From Danish Brotherhood Lodge No. 3 to Supreme President John Hansen. Congratulations on your 50th Birthday. 1891—October 9th—1941." Speeches were held galore.

Theater Party In Cincinnati

Our lodge arranged a theater party January 11, for the benefit of N. A. D. A. Through effort of our president, Ludwig Jensen, we secured a new theater gratis, the only condition being that our show must be concluded not later than 12:30 in order not to interfere with the owner's business, so the time was set for Sunday morning at 10 o'clock.

The show, two Danish government films, "Faroes Island," a silent film with English text, and "Denmark at Work," a sound film with English comment, was a great success.

Our lodge, with only 24 members living in Cincinnati and environs, sold 403 tickets at 50 cents each. Amusement tax amounted to 10 per cent and all other expenses, operator, printing, freight and insurance took nine per cent, leaving a profit of \$163, which we are proud to turn over to N. A. D. A.

When our lodge, with its small membership can

do this, it is easy to imagine what lodges in great Danish settlements could accomplish.

REINHOLD HIRLUND,
Secretary Lodge No. 281.

... BOWLING ...

Remember our GRAND TOURNAMENT is taking place from March 8 to 15 (inclusive). Scores must be mailed not later than March 19 to be considered in the awarding of prizes.

It is important to send the name and mailing address of your Bowling Major.

There is still time, if it has not already been done.

Here are the rules as published in the November issue:

1. Each lodge entering members in the contest is asked to elect or appoint a member to act as Bowling Major. His name and mailing address must be sent to me as soon as possible.

2. The Major must be present when competitive games are bowled or have another member in his place and must certify all scores submitted in the contest.

3. Any member, active or social, young or old, in good standing, is eligible as a contestant and prize winner.

4. No member will be awarded more than one prize. Winners of monthly prizes are exempt from this rule.

5. Scores competing for the monthly prizes must be mailed at the end of each month.

6. The bowling for the tournament prizes will take place from March 8 to 15 (inclusive) 1942. Individual scores, competing for monthly prizes, will count from date of this publication.

7. All scores to be considered in the awarding of tournament prizes must be mailed not later than March 19, 1942.

Due to present conditions and the increase in cost of all articles classified as jewelery, the monthly prizes for December, January and February will not be forwarded before the close of the grand tournament. All prizes will consist of valuable, useful and appropriate articles in keeping with the times.

There will be prizes for teams, both five men and two men, single high scores, high average (individual) for three games and three prizes for low scores. Our GRAND TROPHY, won by Racine in 1940 and by Minneapolis in 1941, will again go to the best five men team.

Get ready for your share of the desirable prizes and send your scores, good or bad, before March 19.

The high score for January was rolled by Brother J. Jensen of Racine Lodge No. 4, who came in with 230.

KEEP THEM ROLLING.

VIGGO C. HANSEN, Supreme Trustee,
148 No. San Marino Ave., San Gabriel, Calif.

Toasts were in order. The toastmaster arose to introduce a prominent elderly speaker, and said: "Gentlemen, you have just been giving attention to a turkey stuffed with sage. Now you will kindly give your attention to a sage stuffed with turkey."

Sailor: "Where can I get a license?"

Clerk: "A hunting license?"

Sailor: "No, the hunting season is over. I want a license to marry the girl I've caught."

Supreme Board Decisions

Under date of January 14, 1942, lodge No. 49, San Francisco, writes in substance as follows:

We have been informed that Brother John Peter Sorensen, a member of our lodge, was engaged as iron construction worker at Wake Island at the time it was taken by Japan.

His wife, here in the city, informs us that neither the Union nor the U. S. Government can furnish any information relative to his fate or whereabouts.

Under existing circumstances Mrs. Sorensen is not in a position to pay insurance premiums, etc., for her husband.

Kindly advise us if his assessments, per capita tax and relief fund tax (Skatter) can be paid from the Relief Fund.

OPINIONS:

Hansen, John: It appears to me that Lodge No. 49 is only asking for information.

The supreme board has decided this case in principle on File 101.

In this particular case I suggest that Lodge No. 49 sends in the regular request. Upon receipt of this, there is no question in my mind but that the Assessment Relief will be granted.

I take for granted that Lodge No. 49 will keep Brother Sorensen in good standing until then.

Christensen: I will recommend that this be laid over to our spring meeting which is only about five weeks from now. We may have many more cases like this.

Skelbeck: I am in favor of allowing this member's assessment out of the relief fund until such time as his whereabouts can be definitely ascertained. The money so advanced, to be considered a loan.

Nielsen: I believe it will be in accord with the wishes of our membership to give aid in a case like this and I therefore recommend that we, upon receipt of application from Brother Sorensen's lodge, grant him, out of the relief fund, money to pay his assessments, pr. capita and relief tax.

Petersen: I believe it would be proper in this case for Lodge No. 49 to fill out a Relief form with a request to have Brother John Peter Sorensen's assessments, per capita tax and relief fund tax paid out of this fund until such time as information can be obtained relative to him. Such application to be sent for special and immediate attention and be retroactive to the last assessment paid by Brother Sorensen. It is assumed that Lodge No. 49 will exempt him from local dues.

Hansen, Viggo C.: Inability to pay assessment is not claimed, only anticipated; therefore I prefer to withhold opinion until the case is presented in a more definite form.

Until such time, the lodge should keep the policy of this member from lapsing and I believe it is reasonably certain that the lodge will be reimbursed for expenditures incurred on this account; the provisions of Sections 58, 63 and 64 of our By-Laws gives ample assurance of this.

Jensenius: That the request be granted—to become effective immediately.

DECISION: As we have decided in favor of applications of this kind under file No. 101, my decision is that we ask Lodge No. 49 to file application for Assessment relief on the regular form.

The board can then handle the application in the regular way and our records will be clear.

JOHN HANSEN,
Supreme President.
