Progress Made In Treating Heart Troubles

Persons with heart trouble today are better off than they would have been at any previous time in the history of the world, Howard Blakeslee, science editor of the Associated Press, declares in **KNOW YOUR HEART**, 32-page pamphlet issued today by the Public Affairs Committee, Inc., in cooperation with the American Heart Association.

"Much can be done for hearts that was never before possible," Mr. Blakeslee points out. "This is the result of a new era in medicine which began barely 35 years ago. The progress in this brief period is all but amazing. Some forms of heart disease that were incurable can now be either cured or remedied so effectively that a happy, useful life is assured. More than one of these medical miracles has happened since the beginning of World War II."

"Astonishing progress has been made, where hope seemed impossible, in the medical treatment of some of the worst forms of heart trouble. Of these the most recent and dramatic is the cure of subacute bacterial endocarditis (a strep infection of the heart's inner lining) . . . Until about the end of World War II, this condition was 97 per cent fatal by the most optimistic estimates . . . The rate of present cures, in some instances, is around 75 per cent."

Deaths from the plugging of blood vessels in the lungs by blood clots (pulmonary embolism) have been reduced by the use of such new drugs as heparin and dicumarol, anticoagulants which prolong the clotting time of the blood and prevent the formation of further clots or the enlargement of a clot already present.

Many other drugs are being used to increase the comfort of individuals with heart disorders. The better therapeutic use of oxygen, the administration of mercurial drugs to aid in the elimination of excessive fluid in the tissues, called edema or dropsy, are other examples.

Of the major heart diseases, rheumatic fever is being fought on the broadest social front. This social attack—the joint and cooperative efforts of community and state organizations and federal agencies, spearheaded by the American Council on Rheumatic Fever of the American Heart Association—is called a "natural" one by Mr. Blakeslee because the main work is among children.

The pamphlet deals also with the progress being made in the field of prevention of heart troubles. The two major types of heart diseases in the "definitely preventable" class are hyperthyroidism and syphilis.

Rest and exercise, not too much and not too little—and always under the guidance of a physician—are listed among the good heart remedies. They are effective, for example, in preventing the distressing after-effects of high blood pressure and coronary heart trouble and in making possible longer lives as well as lessened suffering.

Avoidance of overwork and great emotional strain, proper care of infections of the respiratory tract, and maintenance of normal weight are other precautionary measures noted in the pamphlet.

At the end of the text, Mr. Blakeslee's handbook on heart disease answers the twenty-one commonest questions asked about heart troubles.

KNOW YOUR HEART, by Howard Blakeslee, is Pamphlet No. 137 in the series of popular, factual, 20-cent pamphlets issued by the Public Affairs Committee, Inc., a nonprofit educational organization at 22 East 38th Street, New York 16, N. Y.

KNOW YOUR HEART

Here are some of the most-often-asked questions about heart disease with the answers given by Howard Blakeslee, science editor of the Associated Press, in his pamphlet, **KNOW YOUR HEART**, issued by the Public Affairs Committee, Inc., 22 East 38th Street, New York 16, N. Y. (20c)

1. What Are Some Heart Danger Signals?

Shortness of breath, disagreeable beating or fluttering of the heart during or after effort, especially after slight effort, and pain in the chest. None of these symptoms is exclusively limited to people with heart disease. These and numerous other symptoms and signs only a physician can interpret.

2. Is an Irregular Heartbeat a Danger Signal?

Not usually. People with healthy hearts may have this condition due to overstrain, long-continued fatigue, tobacco, indigestion and other causes. But it can also be a sign of real heart danger and needs to be checked.

3. Is Heart Disease Inherited?

A person may inherit a constitution that is more susceptible than the average to the development of high blood pressure, artery hardening, or other diseases that lead to heart trouble. Babies may be born with one or more parts of their hearts malformed. This is congenital heart disease. There is no evidence that it is hereditary.

4. What Does Fear of Heart Trouble do?

It causes a mental condition amounting to a disease that is difficult to eradicate. It does not of itself cause heart disease.

5. Does Worry Weaken a Heart?

Not if the heart is sound. It aggravates diseased hearts.

6. Does Overweight Cause Heart Disease?

No. But overweight is an extra load that helps a heart to crack when other strains become high.

7. Does High Blood Pressure Cause Heart Disease?

Sometimes, but not always. This cause usually takes years to produce serious damage.

Nogle beskedne Mindeord om en god dansk Mand.

Los Angeles Broderloge har i dybtfølt Vemod fulgt Holger Jorgensen til hans sidste Hvilested. Afdøde Broder vandt sig et agtet Navn blandt Brødrene for den særlige Interesse, han altid lod komme til Syne i sin Skribentvirksomhed til Fremme for Brodersamfundet. Og han fandt rigelig Lejlighed dertil i de mange Aar som det danske Blad "Bien's" Los Angeles Redaktør. Broder Jorgensen var i nævnte Stilling en indflydelsesrig og haardnakket Kampfæller i vor Tids stridbare Virke for Danskhedens Sag. Anerkendt som en af den dansk-amerikanske Presses ypperste Penneførere er hans Bortgang et føleligt Tab for Læsekredsen, han havde Adgang til.

Men i dette vort danske Brodersamfunds Organ, er det af væsentligt og afgørende Betydning, at vi med Sandhed kan sige, at Holger Jorgensen fuldbragte sit lange Livsløb efter Udfyldelsen af en trofast Gerning i Broderaand. Vi i Los Angeles kan bevidne dette; derfor vil vi Logebrødre med Vemod og tankefuld Taknemlighed mindes Broder Holger Jorgensen.

AAGE TABEL.

Møde paa Dybbøl Banke

Efter den vellykkede Begyndelse, som blev gjort sidste Aar, er det Meningen ogsaa i Aar at arrangere et Møde for Dansk-Amerikanerne paa Dybbøl Banke den 11. Juli, 28 Aars Dagen for den første Genforeningsfest. Programmet vil i Hovedsagen følge Linierne fra sidste Aar, da man indledede med Morgenandagt i Sønderborg Kirke, hvorpaa der var Modtagelse paa Raadhuset med Udnævnelse af en dansk-amerikansk Overborgmester. Ved Stævnet paa Dybbøl overrakte en Fane til Brodersamfundet fra de

fire sønderjydske Købstæder, Dansk-Amerikanere bragte Hilsen fra Staterne, og man besaa de historiske Steder. Om Eftermiddagen var der Udflygt til Søgaard Kaserne og til Grænsen ved Krusaa.

Der kan i Aar ventes stor Deltagelse til dette Stævne, de dansk-amerikanske Veteraner fra forrige Verdenskrig vil saaledes deltage med Fane og Bannere.

Important Notice To All Members

Have you recently inspected your membership certificate to see that the proper beneficiary is named therein?

If a change is required, such as by reason of death, marriage or divorce, or by any other intent, you should forward the certificate to your local lodge secretary properly filled out and signed in the space provided for this purpose.

Many members overlook the grave importance of this suggestion, resulting in much delay and often a great expense before the insurance can be paid.

AXEL SKELBECK, Supreme Secretary

Seattle Convention In Retrospect

First let me express my thanks and tribute to the convention committee and its fine chairman, Brother Wm. Petersen. From the time of our delayed arrival late Sunday night, Sept. 14, when the brothers took us in their own cars to our respective hotels, until the end of the convention, the whole program was carried out in an efficient and magnificent manner. The cooperation of the committee and the members of the sister lodge made our stay in Seattle a very pleasant one, and I am sure that all delegates and visitors will long remember with appreciation the consideration and hospitality shown us.

As to the work accomplished by the convention I place the adoption of the supreme board's proposal regarding investment of the Brotherhood's funds as the most important. Our assessment rates (if I am not mistaken) are based on a 3 per cent return on our capital, and during the past several years the scarcity of good bonds forced the supreme board to invest most of our money in U. S. government bonds which yield less than 3 per cent. The new law will permit the board to make investments in a wider field of securities and thereby increase the average interest yield above the necessary minimum of 3 per cent.

The decision to carry juvenile insurance may prove to have been another important step because it could be the means of forming a link or tie between our Brotherhood and the younger American born generation, which we must depend on to replenish our ranks, unless restrictions and conditions of immigration are improved. So it is to be hoped that all lodges will give serious consideration to this matter.

During the convention there was some talk about getting young members on the supreme board; but fortunately this did not materialize. The army prefers 18 year old privates, but you will not find them on the general staff nor are you likely to find them on the board of directors of a business corporation and the Brotherhood after all is a four million dollar corporation and its directors should be fairly mature men. So it was gratifying to have a man like Brother Jim Andreasen elected as chairman of the supreme trustee; not only is he a very successful business executive with the time, the means and the inclination to work for the best interests of the Brotherhood, but he possesses characteristics which make him liked, trusted and respected by those who come in contact with him. I do not know the second newcomer on the board, but if the election of a delegate by the Seattle lodge was as carefully done as its convention planning, then Brother Nielsen will undoubtedly measure up to expectations. So I will put down the election of officers as a satisfactory job by the convention. Needless to say the Eastern delegates particularly were well pleased by the elevation to the supreme presidency of our own C. B. Christensen who has given many years of sincere and effective service to the Brotherhood.

Increasing the maximum relief allowance from \$50 to \$250, which was adopted, thanks to the logic and eloquence of Brother Berg Jensen from No. 325,

may be classed as an important accomplishment as it was the only one adopted for the benefit of needy members.

Together with the adoption of some other good proposals of minor importance the above constitutes the accomplishments of a convention which cost \$37,000, so in a subsequent article I shall present some constructive (I hope) criticism. And in this connection let me say that I concur in the opinion expressed by Brother Rudolph Olsen in the October issue to the effect that this Magazine of ours must be open and without censorship for expressions of opinion or criticism of anybody—including supreme officers—provided such criticism is kept within the bounds of decency.

Now a suggestion or two: It was clearly brought home to us delegates through the report by the then supreme president, Brother John Hansen, that it behooves us to wake up and replenish our depleted membership. The first problem is to find prospective members. In the smaller cities where everybody knows almost everybody else, it is not so difficult to find them; but in the larger cities it is not so easy. To help in getting names of prospective members and to sell the Brotherhood to them, I suggest that the supreme board 1) ask Danish language papers to supply a list of their male subscribers; 2) that our present type of advertising in these papers be changed to a so-called "reader type" and 3) that we like any other business organization having something to sell, get up some folders (for 6¾ envelope size) containing a description of the Brotherhood, its aims, accomplishments and what it has to offer. The above mentioned reader-ads should be changed every month or so and should cover the advantages offered by membership in the Brotherhood insurance, sick benefit, social affairs, comradeship with fellow countrymen and possibly appeal to pride of nationality, preferably in the form of a question as for instance: "Do you know that the Danish Brotherhood can supply you with good life insurance at the lowest possible cost? For information write to——." Names of prospects to be turned over to local lodges to follow up by personal solicitation.

WM. SVENDSEN, No. 205.

What is the Age for Heart Disease?

Heart diseases occur from infancy to life's end, most often in the elderly group. One of the greatest single causes of heart deaths occurs in children (rheumatic fever). Next comes middleage heart deaths from high blood pressure and coronary artery troubles. The elderly die of heart troubles more readily because their bodies are weakened by other ills.

Today's fashion cycle puts the taboo on rouge on the cheeks of young women. Complexions that are pale, yellowish or anemic looking, are showing today and doctors advise that girls better cultivate health habits that bring natural rosy cheeks.—Christmas Seal Health News Service.

Secretary Of Denver Lodge Says:

When a man gets into the Danish Brotherhood and goes digging into its beauties and studies its history, he finds, as he must do, that the Brotherhood really is and makes it his own, then he becomes indeed a true brother and such a brother will never leave the fraternity nor can he be driven away from it.

Since the formation of our Brotherhood some 60 years ago, we have installed lodges in nearly all states in the Union, Denmark and Canada. Thirteen thousand Danes in this country have enjoyed being members for many years.

Fellowship has been its paramount objective. We invite and welcome all good Danish people to our fine organization; and brothers, come one and all to our meetings and enjoy fine fellowship.

Pick up your neighbor and bring him to the lodge; stay through the meeting—it will be worth your while I assure you.

Waukegan, Ill.

Waukegan Lodge No. 182 has lost one of its highly esteemed charter members, namely Brother Marius Jorgensen. He passed away Jan. 19, 1948, at the age of 67 years. He had not been well for the last 4 or 5 years and died from heart trouble.

Brother Jorgensen had always been a very active member of our lodge, having served as president and then secretary for 24 years. The last two years he was our correspondent to the Brotherhood Magazine and also local correspondent for the Danish Pioneer. He was a member of both the Moose and Knights of Pythians Lodges. The funeral was conducted from Tobins Funeral Home. Rev. Chapman of the Congregational church gave the sermon and President Harold Marcussen read the funeral ritual of the Brotherhood.

That he was well liked and thought of was in evidence by the wonderful display of flowers and the crowded funeral home of friends and lodge members that were there to say a last goodbye.

He is survived by four children and several grandchildren who have our sincere sympathy.

Golden Wedding In Selma Lodge Hall

The golden wedding anniversary of Brother Martin and Sister Ella Mortensen was enthusiastically celebrated in the Selma Lodge hall near Parlier, Calif., on the evening of January 31.

Gathered around the dinner tables with the happy couple, were relatives and friends, enough to fill the banquet room to capacity. Some relatives had traveled great distances to be present, a few from far away Minnesota.

Toastmaster Harry Hoegh is an expert at selecting

relatives, neighbors or friends to make most eloquent speeches. After dinner dancing was in order, but first the grand march, which was nimbly led by Martin and Ella. The hours slipped by too quickly for the dancing couples who were thoroughly enjoying themselves to lively tunes as played by a very good dance orchestra.

Brother Martin has been a member of Selma Lodge No. 255 of the Danish Brotherhood ever since 1912.

Sister Ella is a charter member of Martha Lodge No. 159 of the Danish Sisterhood.

Three In One Installation

Jamestown brothers, Lodge No. 171, entertained at a three lodge installation of new officers on Sunday, January 25, in the Nordic Temple Bldg., Jamestown, N. Y. Newly elected officers from Warren, Erie and Jamestown were formally installed into office by Harry Madsen, installing officer, Erie Lodge No. 202, who is also a trustee on the General Committee of Eastern Lodges. C. B. Christensen, supreme president of the Brotherhood, was invited but turned down the invitation because of a previous engagement. S. E. Nielsen, president of the General Committee of Eastern Lodges, was unable to be there because of the same reason.

After the newly elected officers were formally installed, a program of entertainment was offered. Two "barbershop quartets" gave amusing entertainment with their songs and instruments. A skit, "On to Hollywood" with Holm Larsen (acting the part of

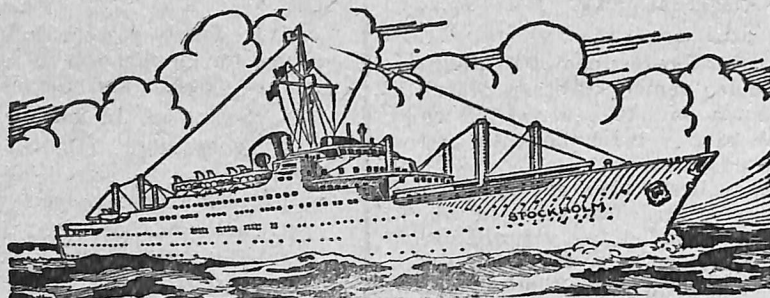

Greta)—and Arthur Christensen (acting the part of Mrs. Marraymore) added to the fun had by all. After the program of entertainment, a hot Danish dinner was served by the ladies in the Sisterhood. Approximately 100 brothers with their wives and families attended and all were loud in their praise of the way Henry Lassen, chairman, took care of the arrangements for this affair.

Warren Lodge No. 242 will be the host at next year's 3 lodge installation which may be held in the month of April.

The White Viking Fleet

Birthday In Enumclaw, Wash.

It was the 31st day of January, the first snow this winter was coming down steady, but still 60 people met up to celebrate Hans Westen's 80-year birthday. It is an old custom here to celebrate a brother's birthday when he gets that old and it happens frequently here in this lodge.

The hall was decorated with red ribbons, flowers and flags and a delightful Smorgasbord was served by the committee in charge. President Soren Eriksen bid welcome to all present and Andrew Hansen was toastmaster. The principal speakers were Fred Westen and Chris Sand, they dwelt mostly with their hardships and adventure in Alaska in their young days. A pioneer friend of the Brotherhood, Mr. Kibler, gave his contribution and so did many of the Westen family's young generation.

Suddenly, the curtain went up, and surprise! There on the stage an old woman was sitting with her spinning wheel, a cradle beside her; she was singing a cradle song. Then she was carting wool and spinning yarn, tending the cradle at the same time. The baby was crying, she had to change diapers. It was a scream. We all enjoyed it very much. That old lady was Fred Westen, brother to Hans Westen. After that the young people enjoyed dancing and others played cards.

JOHN MOLDRUP.

Movies In Denver, Colo.

A large gathering of friends assembled in Union hall on Sante Fe Drive Feb. 5. W. C. Nielsen showed some colored pictures taken on his recent trip to Europe and they were most interesting. The way he explained every picture made it really worthwhile. We all agreed and it was one of the most wonderful and educational evenings spent. Mr. Nielsen certainly must be a good observer getting all this information. It lasted about two and one-half hours. No doubt it made some of our people homesick. He also gave a very good description of the conditions existing in Denmark at this time.

The picture showed the Statue of Liberty in New York harbor holding aloft a lighted torch known and loved by us all. This statue cost more than a half million dollars; weighs more than 225 tons and it took more than five years in its construction. In 1916 President Wilson gave the signal for the permanent lighting of the entire statue. May this light never go out.

Also shown were the U. S. Supreme Court Building, the Memorial and Washington monument, and the Department of Justice, all in Washington, D. C., the Washington mansion built in 1743 in Mount Vernon, Virginia, and the George Washington Masonic Memorial in Alexandria, Virginia, to which every mason has donated for its erection, the cost of which will be \$4,000,000. It is being built by the George Washington Masonic National Memorial Association. Many other interesting places were shown from our United States.

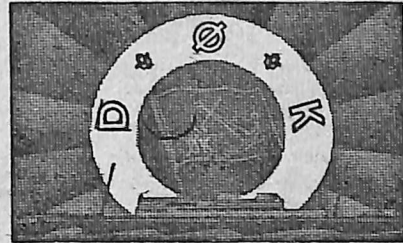

We also enjoyed seeing the pictures from our dear old Denmark and the country of Sweden with its

great architectural buildings, and they, too, were very wonderful.

Thank you, Mr. Nielsen, for your time given us this evening which every one present enjoyed to its fullest extent. Thanks again so very much!

After the showing of the pictures, the ladies served coffee and cake which was most delicious; had two full sittings in the little hall. Also thanks, ladies, for donating the lodge room for this occasion. Our ladies surely know how to fix something good. Thanks to you all for your untiring service.

DENMARK EXCURSION 1949

From time to time there has been mention in the California News column of an excursion to Denmark to be sponsored by the General Committee of the Danish Brotherhood Lodges in California. The excursion committee, which was appointed several years ago, has made reports regarding this matter at a number of our conventions.

The excursion committee had hoped to be able to arrange for such an excursion in 1947, but due to the fact that the supreme board decided to sponsor an excursion in that year our excursion committee withdrew its plans. In the meanwhile, two other Danish organizations in California, Dania and Dannebrog, announced that they planned an excursion in 1948 and hence it was felt 1948 would be unsuitable for our excursion committee to arrange for such a trip.

Your Denmark excursion committee has just had another meeting in order to take stock of the present situation in regard to the possibility of an excursion in 1949. We have approached the various steamship companies, but at this time none of them seem to be willing to commit themselves as to guarantee of space so far in advance. As most people know, it was hard to get steamer space to Denmark in 1947 and at the moment it would appear that 1948 will be no exception, and we are informed that some of the companies already are taking applications for 1949, and one company states they have applications on hand for 1950.

We believe we will have a good response to any excursion we propose to handle. However, the steamship companies ask us this question: "How many will you have in your group and what class do they wish to travel in?" Of course, at this moment we are unable to say. From this you will readily understand that it is of vital importance that your committee get an idea of how many we can figure on joining us, as soon as possible, so that we may intelligently deal with the steamship companies. We do not want to get into an excursion half cock-eyed and then make a mess of it. Unless we can see our efforts will be a success, we will not go ahead with the excursion—hence this article.

From our initial conversation with the steamship companies, it would appear almost certain that none of them will allocate sufficient space to hold the entire anticipated group, and hence it may be necessary to split the party into two groups. One of these groups would go in a ship direct to Denmark if we are able to get sufficient space and the other would take a ship by way of England, and thence to Denmark by way of the North Sea service. In the latter case, we may say, that such group will be under the leadership of a competent and experienced travel leader and all arrangements will be made ahead of time, so that the trip will be both educational and interesting. This latter group will, at least arrive in Denmark under Danish flag.

You will find a coupon attached hereto, which we would ask you to complete and send to our chairman, Brother J. P. Andreasen, chairman of the Supreme Board of Trustees. By completing this coupon you

place yourself under no obligation whatsoever, but you will help the excursion committee immensely. Please be sure to indicate your wishes as to class and also number in family. You do not need to be a Brotherhood member from California only, and whether you come from California or Maine, Washington or New York, we welcome you to join our party, which we feel confident will be just as successful as our party in 1930 when we left California with 315 in a special train. If you and your family are contemplating that long awaited trip to "gamle Danmark," fill out the coupon today and mail it at once.

Fraternally yours,
California Denmark Excursion Committee.

RESOLUTIONS

NIELS S. NIELSEN, Denver, Colo.

Resolution adopted by Columbine Lodge No. 43, in memory of Niels S. Nielsen:

Whereas it has pleased God to take away from our midst this beloved brother and whereas in the death of Brother Nielsen the order has lost an honored and useful member and our lodge an earnest, loyal and zealous exponent of the cardinal principles.

News From The Eastern Lodges

By

George V. Petersen, 20 Maywood Dr., W. Warwick, R. I.

It must be the weather, for it seems that not much news has come our way this month. We realize of course, that the severe winter we have had this year in these parts has had something to do with it. However, right now, at least here in Rhode Island, the snow has pretty well disappeared and I for one can tell you that it is good to see the ground again.

We have, however, the usual little newspaper from Lodge No. 190, Schenectady. There they certainly do not let a little snow stop them. By the way, this little paper is now in its 6th year and going fine. We are pleased to receive it every month and thereby passing along some of its contents to you.

A regular fine party each year is their installation of officers and this year was no exception. It was a consolidated affair with the sisters. The house was filled and the presidents of the respective lodges bid all welcome and the chair was turned over to Sister Margaret Andersen, who with Anna Edel-felt as conductress, installed the sisters.

Supreme President Bysted Christensen, with the assistance of Elmer Jensen from Cimbria, New York, installed the brothers. It was a very fine and impressive affair. After the ceremonies were over, refreshments were served and many good wishes for the new officers were expressed.

The supreme president had a birthday the 16th of January and at this occasion he received cards and telegrams from all over the country, even a large

"Kransekage" direct from Brooklyn, N. Y. We only wish we could have been there to taste it.

Of course at the meeting in January the usual birthday party was held, sponsored by Bill Christensen and Bysted Christensen. A fish supper with all the trimmings was served and the usual speeches and well wishes were heard.

The lodge will celebrate its 44th anniversary on Saturday, the 6th of March. Dinner and dance will be held and it is free for all members of the Brother and Sisterhood, also a few guests are invited. We hope to be there and know we shall have a fine evening.

Installation In Modersmaalet, No. 164, N. Y., January 9

Brother Elmer Jensen from Cimbria, with Brother Magnus Larsen from No. 205 Vort Land, did a very efficient job of installing the new officers in Lodge No. 164 on Friday, January 9. The meeting was well attended, with visitors from Perth Amboy, Brooklyn, Cimbria and Newark. As is always the custom in Modersmaalet, a short meeting was followed by a very enjoyable couple of hours. Brother Kofoed's delicious sandwiches and the wonderful good humor always present in No. 164, made this a very pleasant evening. It is also nice to see Bro. John K. Lysen back

in harness again. Greetings to the new officers, Poul Brown, president; Louis Paulsen, vice president; and Paul Petersen, secretary.

Installation In Port Chester, No. 50, January 10

On Saturday, January 10, we enjoyed the wonderful hospitality of the sisters and brothers in Port Chester. A large number of members were present and ex-supreme president of the Danish Sisterhood, Sister Adele Hauge, with Sister Cora Ernsky, trustee of the General Committee, acting as marshal, did a very beautiful job of installing the new officers of the Sisterhood, after which the officers of Lodge No. 50 were installed by Brother Christ Madsen, assisted by Brother Albert Skouboe as conductor.

A most enjoyable hour was spent in the dining room after the meeting, thanks to the refreshment committee. There is certainly close cooperation between the Sisterhood and Brotherhood lodges in Port Chester, with Brother Schmidt as president of the Brother lodge and Mrs. Schmidt as president of the Sisters, and four more husband and wife couples holding office in their respective lodges. There were three brothers present who are 50-year members. Brother Munk being the oldest in service with 56 years, and installed as conductor in his lodge. Thanks to Port Chester for a most enjoyable evening.

New Haven, Conn., No. 32

On Wednesday, January 14, Brother Chris Madsen, together with the president of the Eastern Lodges, Brother Soren Nielsen, had the honor of installing

the officers in Lodge No. 32, New Haven. There is just as much snow and ice in New Haven as in Newark, but Brother Thompsen and Bjarno were at the station with their taxis. A very short meeting and installation was followed by wonderful treatment by the refreshment committee.

New Haven is already working hard on the convention and they assure us that all we have to do is—get there—from then on they will take care of us.

Moving pictures were shown by Brother Borkhart and Paul Petersen of the trip to Seattle and the convention in Oneonta. We had to make a train at 11 p. m., but thanks to a good brother from New Haven, we made it in time and are now looking forward to Labor Day, when we can stay for three days.

Fish Dinner In Austin, Minn.

D. B. Als Lodge No. 111 had its annual (Torske-gilde) fish supper January 24, which turned out to be the largest ever. Of course, the public, somehow, likes the way the Danes prepare the fish with real "Vandsenep" from Denmark. It was a real success. Thanks to the splendid cooperation between the Sisterhood Lodge and Brotherhood; they work hand in hand for the good of both organizations.

April 10, Als Lodge will celebrate its 50th anniversary. A committee has been appointed to lay plans for a banquet and program to commemorate the early founders of Als Lodge. We are fortunate in having four charter members with us, of which three live here in Austin and one in California.

Rumor has it, that there will be some new members added before that date.

CALIFORNIA NEWS

Rudolph Olsen, 210 Post Street, San Francisco 8, Calif.

On February 4, one of our most beloved members, Brother Holger Jørgensen, passed away. He had been sick for quite some time with a heart ailment but from all reports had been getting along fine and his passing was a shock to all. Brother Jørgensen was editor of our Danish Newspaper *Bien* in Southern California and I dare say, that his writing was read by all. Few, if any, could use the Danish language like he, for those of us who love the Danish language it was a delight to read his news items as well as his "Avner" in *Bien*. We shall miss his wit and humor as well as his loving personality at our meetings and gatherings.

On February 13, another well known brother, Adolf Langeberg, passed away. Brother Langeberg lived in Oakland but was a member of many years standing in No. 49. Brother Langeberg as well as his whole family has been active in all lodge activities in the East Bay City for many years. In his daily life he was a contractor and was working on a large project at the time of his passing.

To the families of the above brothers we wish to express, on behalf of the Danish Brotherhood Lodges in California, our sincere sympathy.

Although the installations are over, reports are still coming in telling of the affairs. The joint installation for Arcata Lodge No. 230 and Ferndale Lodge No. 95 was apparently a fine success, and it will apparently not be the last time. The installation was done by Brother Jim Andreasen, chairman of the Supreme Trustees. Here is a little side issue to the installation. Whilst in Denmark last summer Brother Andreasen learned for the first time that he had a cousin in America, and not only that, but that he was living in California. And so whilst in Ferndale where this cousin was living, Jim met this cousin for the first time. Of course, he was happy to learn that the cousin was a member of the Brotherhood and had been a member for nearly 48 years. Brother Olsen, the cousin, is a member of Ferndale Lodge No. 95.

In a letter from Brother Hans M. Andersen, secretary of Lodge No. 255 in Selma, we learn that the joint installation in Selma in the evening of January 23, was a success and very well attended, with visitors from Fresno and other lodges. The Selma lodge is one of our very active lodges in California, as you will have noticed from the membership contest, and there seems to be something doing, if not all the time, then most of the time. On January 24, they had a joint birthday party of all the members celebrating their birthday during the month of January. Perhaps this idea, whilst not entirely new, will help to give an added interest to your lodge—why not try it?

On the 24th of January the writer attended a fine installation in Petaluma, which was preceded by a fine banquet and cocktail party. As you will also have noticed from the membership contest the Petaluma lodge "took the cake" so to speak in the membership campaign last year, in that they took in 32 new members. Truly fine work, but whether they will be able to repeat this year is something else again, as we feel there may be other lodges in California who will want that honor this year. However, it was sure nice to see the very fine gathering of

sisters and brothers in Petaluma. Brother Sigurd Nielsen installed the brothers in No. 143, and as usual our president for the General Committee did very fine work. Brother Harald Sundby acted as marshal and as he is a past president of the General Committee there was fine teamwork. Sister Margaret Sundby, president of the Sisters General Committee, installed the officers in the Sisterhood Lodge. After the installation there was dancing to the wee hours of the morning.

On January 30, the Hayward lodge held a special meeting for the express purpose of joint installation of the two lodges. The installation was preceded by a dinner given in the home of Harald and Margaret Sundby for the supreme state officers of the Brotherhood.

Hayward is, of course, a very dear spot in the heart of the General Committee as it was here it was founded 26 years ago. It was from Hayward we got our first president, Brother Hans Vejby, who served for two terms and who was very active later on in getting the Sisterhood organized into a General Committee. Whilst on the subject of Brother Vejby it will be of interest to know, that Brother Vejby was

designated by the Lion's Club of Hayward as the most useful and distinguished citizen of Hayward during the year 1947. Truly a great honor for any one, and certainly a great honor for a man who arrived as an immigrant from Vensyssel in Denmark. We had just a chance to say "hello" to Hans but he disappeared before the speeches, which typifies his modesty. Lots of luck to you, Hans, in the years to come.

The Sisters were installed by Sister Margaret Sundby which must have been quite a thrill, as she was the starter of the lodge a few years ago, little dreaming at the time, that some day she would be president of the General Committee installing the lodge. Sister Karen Johanssen, supreme trustee, was present and spoke to the sisters. The brothers were installed by Brother Sigurd Nielsen with the assistance of Brother Norman Dan Andker, marshall of the General Committee, and otherwise known as a most efficient secretary of Lodge No. 39 in Oakland. As the gathering was too large to seat at one time in the banquet hall, speeches were given right after the installation under the direction of Brother C. B. Christensen. Speeches were given by Brother Jim Andreasen, supreme trustee; Brother Louis Quist and Brother Jacob Jensen, two of the founders of the General Committee, and many others. After the speeches a fine dinner was served, followed by a dance.

On February 13, the Oakland Lodge's convention committee gave a fine dinner at the Lodge hall. Unfortunately the writer had guests that evening from Denmark, who arrived that day and were to leave for China the following day so it was impossible to

attend, but from all reports it was a grand affair, which will be followed by others like it. As you know our State convention will be held in Oakland this year, but as yet no information has come to hand as to dates, etc. Let's hope it will be over Labor day, as this seems to be the best time to hold our conventions.

We once had a brother in San-Francisco who always said: "Violer til de levende." And so for the month of March I would like to give a bouquet of violets to Brother Jim Andreasen on his birthday on March 27. Many of you brothers who know and love Jim, put the date on your calendar pad and drop him a card. His address is 907 Pershing Street, Bakersfield, Calif. As you know Jim has done a fine work not only for the General Committee but always for the Brotherhood as a whole during the past few years, so tell him you appreciate it.

And whilst you are at it, put the name of Brother Viggo C. Hansen on the pad also, as his birthday occurs, if my memory serves me right, on March 24. Viggo served the General Committee for years and also served as a Supreme Trustee for 12 years. A big bunch of violets to him too. His address is 1120 So. Palm Avenue, San Gabriel, Calif.

Before closing let me call your attention to the article from the Denmark Excursion Committee in this number. Read it and act accordingly.

On March 6, San Diego Lodge No. 306 will celebrate its 34th anniversary in Vasa Club House, and we are informed there will be a banquet followed by a dance. Invitations are to be sent out to all the lodges in California and undoubtedly many will attend, particularly so, from Southern California.

D. B. Lodge No. 140 and D. S. S. Lodge No. 70, Chicago, Ill., celebrated their forty-seventh anniversary Saturday, February 7, in Grønlunds "Vikingesal" on North Avenue, where a fine supper with all belongings was served to circa 125 guests. Lodge 140's president, Rasmus Laursen, and Mrs. August Larsen, president of Lodge 70, bid the guests welcome. Paul Kunst was master of ceremonies; he gave each speaker five minutes in which to congratulate the celebrants. Among the speakers were first supreme vice president of the Brotherhood, N. C. Nielsen from Racine, supreme secretary of the Sisterhood, Mrs. J. Miller; Soren Miller, president of D. B. Lodge No. 35, and President Taft from Lodge No. 17.

Soren Petersen, 6318 Spokane Avenue, Chicago, Ill., passed away on February 9, at the age of 67. He was secretary of D. B. Lodge No. 18, Chicago. His wife, Marie, and two daughters, Anna Petersen and Violet Retzer, survive him.

The well known restaurateur in Chicago, Aksel Nielsen, and wife Esther, celebrated their twentieth wedding anniversary February 4 at a festivity at their home for a number of their relatives and friends. Among those present were G. Jensenius, attorney at law; Anker (Ball Point) Jensen and wife; Esper

Petersen and George P. Jensen. After enjoying a delicious dinner the evening hours were spent in social intercourse.

The D. B. and the D. S. S. lodges of Santa Barbara, Calif., are now publishing a lodge paper. Mrs. Albert Rasmussen has accepted a position as assistant editor. Mrs. Rasmussen was formerly connected with the News Press, and with her aid the little paper is assured to be a success. The Santa Barbara lodge of the D. B. will celebrate its anniversary date on the 27th of March. A large attendance is expected.

Mr. and Mrs. Mikael Petersen, Askov, Minn., celebrated their golden wedding on the 11th of February with open house in the afternoon for the family and near friends. In the evening there was a festivity for them in the D. B. hall sponsored by the local D. S. S. and the D. B. lodge to which all comers were welcomed. Refreshments were served and a number of short talks were given, interspersed by singing. The honored couple received a number of gifts and good wishes for health and happiness in the days to come. They were married in Denmark in 1898, came to this country in 1907 and settled near Fredsville, Iowa. In 1918 they moved from there to Askov where they farmed for several years until they

sold out and moved to town to make their home. Mr. Petersen is a long time member of the Danish Brotherhood and Mrs. Petersen holds membership in the Danish Sisterhood. They have four children, all married and all of which, except a son who is in Alaska, came home to help their parents celebrate the momentous day. The children in attendance were Mrs. Paula Dietz and Mrs. Gus Thomsen from Minneapolis, Mr. and Mrs. Ed Aasted from Santa Barbara. The day was a grand one which the old folk will remember as long as they live.

Thursday evening, January 23, D. B. Lodge No. 323, Alhambra, Calif., held a very well attended meeting in its hall on 533 W. Main Street for the purpose of initiating two new brothers, Henry Johansen and Thorvald Jepsen, to membership in the lodge. The initiation was performed by the officers of the lodge in a very satisfactory manner. This was followed by the installation of the new board of directors to serve during 1948, the honor of which was delegated to Hans C. Hansen, past president, assisted by Egild Thiele, present president of lodge 323. It was late before the meeting closed, but all agreed that it had been a very interesting meeting. The lodge will celebrate its 23rd anniversary some time the latter part of April.

D. B. Lodge No. 167 and D. S. S. Lodge No. 81 in Portland, Ore., had joint installation of officers at a meeting early in January. The officers of the Sisterhood lodge had done their work so well during the past year that they had all been re-elected with Edith Jensen as president. The D. B. lodge installed the following officers which had been elected at a previous meeting: Andrew Jensen, past president; R. A. Nielsen, president; Clarence Nielsen, vice president; Magnus Esrom (re-elected) treasurer; Max Mad-

sen, secretary; Frederik Hess, conductor; Chris Petersen, Earl Jensen and H. Fahl, trustees; A. L. Andersen, inner guard; and Paul Trojel, outer guard. The evening closed with a delicious lunch, a number of short talks and singing. Good hopes for fellowship between the lodges in Portland and neighboring lodges in the days to come were uttered.

Martin A. Mikkelsen, Milwaukee, Wis., who has been a member of the Milwaukee Board of Realtors for the past 31 years, was tendered an Honorary Life Membership in the above named association by its board lately. Present at the occasion besides Mr. Mikkelsen were his business partner of years ago, Mayor John L. Bohn; John J. Roache, executive secretary of the Realtors' Board; Reginald Kennedy, Brisbane, Australia, a member of the realty firm of McNulty, Ward and Kennedy Company and Alfred Trenkamp, president of the Milwaukee Board of Realtors. Mr. Mikkelsen is a member of D. B. Lodge No. 36 where he has been quite active during the years. The D. B. Magazine wishes to congratulate Mr. Mikkelsen and wish him continued success in the years to come.
