The Oregon, Washington and Canadian Danish dignitaries look on as outgoing Sisterhood President Myrna gives the gavel to newly elected District Leader Ruthe at the Ninth Annual Convention of the Pacific Northwest Danish Lodges held in Tacoma on May 23, 24 and 25. American, Canadian and Danish flags can be seen on the background stage of Normanna Hall where 250 Danes gathered for deliberations. The "bearded wonders" flanking the extreme left and right and

official delegates for the British Columbia lodges, were also promoting Greater Vancouver's Centennial Year majoring spectacular events including 20 bands, 900 performers, Princess Margaret's first visit, \$50,000 golf tournament in which Bing Crosby and Bob Hope will participate, flower shows, art exhibitions, fireworks, boat races, aquatic regatta, square dancing, fishing derbies, trade fairs and banquets each month through December, 1958. "Come to Canada's Evergreen Playground where the mountains meet the sea" said Brother Johansen. "There is lots to see and do in Vancouver, B. C.," echoed Brother Larsen.

Steady increase in population, production, and a higher standard of living are the reasons why water is becoming scarce in almost every populous section of the United States. Today, the country uses about 261 billion gallons of water daily. By 1975, it is estimated that use will soar to 453 billion gallons daily.

Recommendations

As we are fast approaching the time when most of the Districts will hold their annual conventions, with the National Convention less than fourteen months away, and the local lodges electing their Law Committees this fall, I would like at this time to present my viewpoint and make suggestions for your consideration.

I.

Steps must be taken to solve our loss in membership. It is becoming more and more difficult to keep the interest of our young members. What can be done to improve and create more interest in lodge meetings and social gatherings? At our last convention in Racine we created a Promotional department with high hopes that we would be able to stir up enough interest to stop the present loss in membership. I can report that in some places it has shown remarkable success, and then again in other localities there have been no results, and I am sorry to say that many of our lodges have a hard time to get a quorum for a lodge meeting. Maybe we did not go far enough with our Promotional program, maybe it will become necessary to employ a competent and capable man trained in the field of promotion, a man constantly alert in promoting the interest within our Brotherhood, who could build a reservoir of material, ideas and recommendations upon which the Lodges could draw and turn to for help in planning lodge functions and social activities. It may be necessary to give the Lodges financial help but more money would be earmarked for that purpose. We can boast of our financial stability and we have been able for two years to declare a dividend of three assessments per member without hurting our solvency rating.

II.

My recommendation is that we discontinue the 50c tax paid into our Fraternal fund. We have a reserve of \$265,000, the interest on which will be ample to take care of our relief work. As time goes on, more and more will be covered by social security and the need for assistance decreases.

III.

I believe that a scholarship fund should be erected. It is of vital importance that something be done for our juvenile members as they become eligible for adult membership.

IV.

I have come to believe that voluntary insurance for new members is for the best interest of the Brotherhood. Let us not stand in the way of getting young men to join our Brotherhood. We have a good insurance and I am confident new members can be sold.

V.

Shall we make it possible for women to join our Brotherhood and make juvenile insurance available for girls?

VI.

I believe we should open the doors and make it possible for men of other nationalities to join our Brotherhood. I fully realize it is foreign to the principle upon which the Brotherhood was founded. I also know we are fighting for survival and must work our way into a Danish American society if we are to continue as a Fraternal organization.

VII.

I recommend that Lodge No. 328, Vancouver, B. C., be granted representation at our National convention with equal rights and privileges excepting on insurance matters, and be paid as any other delegate. I fully believe it will stimulate a lot of interest across the border. (A very practical field in Canada)

VIII.

There is no need of changing our per capita tax now paid by members. The mortuary fund is now sharing the operating cost of the insurance business which is sufficient to operate the home office and pay for the convention.

These recommendations are my own and not necessarily the opinion of the entire Board. They are presented to you in all seriousness. Tear them apart if they are no good but be prepared to come to our National convention with recommendations that will carry our Brotherhood to a successful, lasting society. It is up to you and I to face up to facts and do something about it.

We are proud of our organization; Let us in unity face our problems and resolve that we together can and will do our utmost in preserving what is dear to us, The Danish Brotherhood in America.

Sincerely and Fraternally yours,

OTTO NIELSEN, Supreme President.

PACIFIC NORTHWEST LODGE NOTES

By Norbert E. Grove, District Secretary-Treasurer,
6312 Nyanza Park Drive, Tacoma 99, Washington

Even though Danes are noted for "living to eat" rather than "eating to live" as in the case of most other nationalities, I didn't intend leaving the reader at the Smorgasbord Deluxe for thirty days as last month's article might imply. Nevertheless, directly after the very elaborate table of food morsels in hundreds of varieties enjoyed by the conventionaires to the Ninth Annual Conclave of the Pacific Northwest Danish Lodges in Tacoma, Washington, on the 23, 24 and 25 of May, Mistress of Ceremonies Lona Jorgensen presented a "Get Acquainted" program, made up of introductions, card playing, nickelodian dancing and some fine local entertaining talent, including a barbershop quartet, some tiny folk dancers and a family pep band who were engaged for a few musical numbers but were so popular that the record player was set aside and old and young alike danced into the wee hours of the morning. The floor was filled to capacity and even those who couldn't be called Arthur Murray graduates, were in no danger of falling down on the dance floor — there wasn't enough room. So ended the first day of our convention.

Saturday morning meetings completed roll call of officers and delegates showing good attendance, but found no representation from Wilbur, Bellingham, Astoria and Prince George, B. C. In behalf of Danish Brotherhood Lodge No. 167, Portland, Oregon, their delegates invited the Pacific Northwest Danish Lodges to the City of Roses for their next district convention in 1959. Since next year is a centennial celebration for Portland, methinks perhaps the stage is set for one of the most glamorous parties of our district's existence. "Beautiful surroundings, charming enchanting activities, colossal and stupendous undertakings, and extraordinary plans are in store for all who attend," said Brother Max Madsen. Delegate Peter Skovbo, Junction City, was complimented and cited for never having missed a district convention dating back to 1939 when Washington and Canada were not yet included.

Speaking of Portland's Delegate Max Madsen, who proceeded to "get a few things off his chest," a general forum resulted and while nothing came from a lot of the brainstorming, Max's ideas were formulated into motions and resolutions that will eventually reach the next national convention floor. Much discussion developed on suggestions embracing non-compulsory insurance, the ceasing of assessments to 90-year old members, the paid up policies to members who had reached their 50th year in the Order, the reimbursing of travel expenses to the President and Secretary of the District, and the regular performance of our drill teams to be recognized on a monetary basis. Official resolutions which were unanimously approved by this convention will appear in a later edition of our Magazine.

Under Good of the Order, "Vancouver" Svend Johansen brought up a matter of great importance to the Canadians — the right of lodges in Canada to have representation at National Conventions. Between he and Brother Thorval Larsen, who came

in full beard advertising British Columbia's Centennial Celebration, the long debated controversy was briefly reviewed and they asked the delegates assembled to execute a motion whereby the Secretary would compose a proposal correcting this injustice to be presented to the next national convention. This was done with an overwhelming majority after Norbert Grove summed up the plight of our brothers to the North. Said he, "Now that our Canadian Brothers have realized that D. B. insurance cannot be offered in Canada for at least the present and since they have graciously indicated that they will forego the availability of such insurance for now, I think we should wholeheartedly support their desire for recognition of their delegates at a National Convention." Reading a very recent letter from Supreme Vice President Hans M. Andersen and hearing the views of Supreme President Otto Nielsen on the convention floor, we were assured that our two top leaders were in accord with our deliberations. Past District President Fred Petersen asked the good graces and authority of this assembly to empower Norbert the right to put in words that which was necessary to present our several viewpoints to the national conclave in 1959 since our next district meeting would be too late to formulate legal proposals. This was done without reservations.

As always, our district's largest lodge prepares the best and most complete report for the fiscal year. President Sam Fredriksen reported at length on their various events and that every three months, an executive meeting was held which had proven very successful. Seattle's special events had included the Annual Picnic held on the grounds of the Northwest Danish Old People's Home with prizes for young and old; a Banquet Evening featuring the Brothers and Sisters who participated in the Jubilee Tour to Denmark, impressing the visitors of the economic advances in the old country; periodical successful Bingo Games with prizes as large as fifty dollars; the 50-year Honor banquet with lapel emblems being presented to Brothers George Culmback and Charles Sorensen of Seattle and Brother George Jorgensen of Byram, Conn., and with chair offices assumed by Ex-Presidents of No. 29; Installation Dinner cooked by the Brothers and to which affair District Sisterhood and Brotherhood Officers were particularly invited; Organized Visitations to Tacoma and Enumclaw; the entry of three teams in the National Bowling Tournament; Anniversary Banquet with a featured speech by Everett Mayor Brother George Culmback; Color Travel Films sponsored by the Swedish American Lines and Brother Immanuel Jensen; and the traditional Christmas Tree program. Regular meetings with the added attraction of a guest speaker including such nobilities as Miro Slovak on Escaping from Czechoslovakia; Brother Joseph Matsen on a trip to Australia, Fiji and New Zealand; Toni Steen on Changes in the King County Assessor's Office; John Spaeth on the Zoning and Planning of Community Centers; and Charles Stokes on Seattle's World's

Fair. Miscellaneous activities embraced the golden weddings of Brother and Mrs. Chris Jensen, Brother and Mrs. George Madsen, Brother and Mrs. Martin Sorensen, Brother and Mrs. William Nelson and Brother and Mrs. Walter Jorgensen; the Scandinavian Music Festival; and the Royal Order of Dannebrog being bestowed upon Brother Joseph Matsen. The year's records showed eight deaths, seven withdrawals and two new members being initiated.

Secretary-Treasurer C. Fred Christensen reported for Tacoma's DB 33 with "the same old story" — same officers, no new members, present membership very old and scattered with the four winds. The only change, however, was a bright outlook for the future — the inspiration that this convention had given the Tacomans and the fact that Norbert Grove had demitted to their folds.

Past District President Ingvard Eskeberg, only representation from the Inland Empire, made the report for Vind's DB 42, Spokane. Vard gave a short but concise account relating that the Spokanians met twice a month, once for business and once socially. Complimenting Tacoma for a very fine convention, Brother Eskeberg brought greetings from his fellow members.

Delegate John L. Rieck, Enumclaw, informed us that No. 113 was against compulsory insurance, that his lodge had recognized all Past Presidents by presenting them with an appropriate lapel pin, that the new administration always tried to absorb one new idea from each convention, that the members had enjoyed entertaining the Danish Cadets, that several entertaining films had been shown and that the past fifty-two weeks had seen a gain of three and a subsequent loss of three members.

McMinnville's Delegate Clayton Gardner reported on their year of activity with 29 members. Of usual interest, their members had collected a library of Danish books and donated them to the Old People's Home. For the second consecutive year, DB 194 was announced to have won the C. Ed Hirsch Attendance Trophy.

With the help of Conductors John Hansen and Martha Hansen, Seattle, and Flag Bearers Margaret Esrom and Hilda Leppert, Portland, Supreme President Otto Nielsen and Supreme Trustee Kristine Hansen installed the following duly elected district officers: Magnus Esrom, Portland, President; Soren Fredriksen, Seattle, Vice President; Norbert E. Grove, Tacoma, Secretary-Treasurer; Martin Rasmussen, Seattle, Trustee Chairman; Thorval Larsen, Vancouver, B. C., Trustee; Clayton Gardner, McMinnville, Trustee; Godan Meng, Enumclaw, Conductor; Hans C. Christoffersen, Junction City, Inner Guard; and C. Fred Christensen, Tacoma, Outer Guard. Marshall John took the "outer" seriously and escorted Fred right out of the hall. Coinciding with the Sisterhood Leaders, complete list of whom I do not have, Florence Meng (wife of Dan), Enumclaw, was installed as Conductor. New President is Ruthe Miller, Portland, and Treasurer, Mary Rasmussen, Seattle. The outgoing Presidents, Brother Peter Rasmussen, McMinnville, and Myrna M. Rieck, Enumclaw, were of course given a seat of honor and presented with a corsage and boutonniere.

Brother John Olsen, a 50-year member of Tacoma D. B. No. 33, but a long-time resident of Sacramento, California, was asked to say a few words. Over eighty years of age, but a mighty spry old fellow,

Brother Olsen shook with emotion as he thanked the host lodge and the Pacific Northwest District in session for "some real Danish hospitality." The highlight of the entire convention was the presentation of 50-year Honor Emblems to Brothers John Olsen, Morten Andersen, Anders Andersen and Carl Petersen by Supreme President Otto Nielsen. To each of these four old timers, Otto had only words of praise and if this important incident did not touch the heartstrings of all listening that afternoon, then the response by Brother Carl Petersen surely did.

Cocktails, a Fellowship Hour and the Annual Banquet followed in the usual pattern of succession with Norbert Grove as Toastmaster. Introductions of newly installed officers and of the head table preceded an official welcome from one of Tacoma's City Councilmen, Ben Hanson. After dinner speeches were made by Supreme President Otto Nielsen, Supreme Trustee Kristine Hansen and Danish Consul Poul Nielsen. Just prior to the grand ball, we witnessed another outstanding drill team exhibition by the Portland Danish Sisterhood. Sunday breakfast and finale.

Editorial

Connecticut Governor Ribicoff has pointed to the "shameful waste" of the annual traffic toll. In a message contained in The Travelers Insurance Companies annual traffic safety booklet, **THE ROAD TOLL**, Governor Ribicoff said:

"Multiply the heartbreak of one violent death. Multiply the suffering of one broken body. Calculate the dollar cost of each day of slow, pain-wracked recovery. It adds up to a shameful drain on our physical and economic resources. It represents a shameful waste of money that could be used to build schools, sponsor medical research, redevelop communities, strengthen national defense."

"The Road Toll" presents statistics showing that 1957 produced the largest number of traffic casualties in the nation's history; 38,700 deaths and 2,525,000 injuries. Speed and carelessness, as usual, were responsible for four out of five of the casualties.

Governor Ribicoff outlined a four-point program to reduce the annual toll: "First, make known to your legislators your determination to see a strong highway safety program enacted in your state . . .

"Second, insist on a program of safety education which begins in the grade schools and continues through a mandatory program of driver training before young people can receive their licenses.

"Third, express your support of, and willingness to abide by a program of motor vehicle law enforcement without 'fix' or 'favor'.

"Fourth, develop within yourself the habits of care, caution and courtesy behind the wheel."

Our membership drive seems to have hit a snag, but thanks to the Juvenile Insurance set-up, the summer is not a total loss as far as getting new members is concerned. We are most happy to welcome into adult membership Robert Harold Andersen. Brother Robert is the fifth to enter Lodge No. 227 from the juvenile roll. We hope that when they get through with their education they will come to lodge meetings and become real active members.

Our attendance has been fair lately, reaching a high of 53 in July, but the jackpot still goes unclaimed at most meetings. Brother Willie Pedersen, No. 1067, was there to collect in June, but No. 903, Hemming Schultz; No. 851, Ed Pedersen; No. 1006, Herman Rasmussen; No. 930, Norman Holt; all were absent when their number was drawn. Brothers, you must come to the meetings to win, and I guess we could all use the money.

At the annual election of trustees for the Danish Old People's Home Board, Oluf Jensen, Chris Andersen and Armand Larsen were elected to a three-year term. The other members of this hard working group are Chris Larsen, Sigfred Jorgensen, Einer Andersen, Viggo Mikkelsen, George Everson and John Kinch. Eighteen different brothers have served on the Board of Trustees since the home was established in the fall of 1948. The Lodge is indeed fortunate that it has so many members willing to take on extra work for the good of the Brotherhood.

Our young (under 30) members are showing a gratifying interest in the Lodge. On motion of one of them, a committee to work out plans for better and more interesting meetings and social activities was appointed. The young men on the committee, Bill Andersen, John Larsen, Benny Larsen and Preben Jaeger plus the one old man, myself, would appreciate any suggestions anyone may have as to how we pep up our meetings, and stimulate better attendance. Before we can sell the Brotherhood to others we must first sell ourselves. The officers and regularly attending members must take at least part of the blame for the fact that only 10 to 15 per cent of our members come to meetings. It is not enough to bring in an application, get the initiation over with and then leave it up to the new member to find his way to meetings. Make him your responsibility for the first year — bring him down with you until he gets in the habit, introduce him around and make him feel at home. Call up your friends and offer to drive them down with you on meeting nights. If anyone in the lodge displeases you, don't just stay away, bring it on the floor and get it corrected.

Make your plans now for our big anniversary dinner-dance October 11, 1958. Bring your prospects along and let them see for themselves that we have a real live lodge.

Seks Tusinde Dollars til Børnehjem

Det Danske Brodersamfunds Loge No. 3 i Davenport, Iowa, har fornylig solgt sin Bygning, og ved Logens sidste Møde blev det besluttet at give to tusinde dollars til hvert af de tre Børnehjem, der opretholdes af de to Kirkesamfund, som blev stiftet af Dansk-Amerikanere: Den Amerikanske Ev. Luth. Kirke og Den Forenede Ev. Luth. Kirke.

Børnehjemmene ligger i Chicago, den største "Danske By" i Amerika, i Elk Horn, Iowa, den største Dansk-Amerikanske Land koloni, og i Oaks, Oklahoma, hvor der er plads for ca. halvfjers "Ægte Amerikanere," Indianerbørn.

Ved en Sammenkomst den 30 Juni i Davenport, Iowa, overrakte Logens Formand, Mr. N. P. Petersen (som et par dage senere tog til Danmark), og Logens Sekretær, Jack F. Wood, checks til Repre-

sentanter for de to Kirkesamfund, Pastor Erik Møller, Chicago, og Pastor Paul Nyholm, Dubuque, Iowa.

Den storslaaede Gave vil nu komme baade hvide og røde børn til Gode og saaledes praktisere lidt af den Kærlighed, som det røde og hvide Korsflag minder om. Paa smukkeste Maade vil nogle af Traditionerne fra Brodersamfundet blive fortsat ved at hjælpe smaa hjælpeløse Dansk-Amerikanere til at faa en god Start og samtidig gøre noget for det Land, vi har valgt til at være vort.

Hjertelig Tak, Loge No. 3.

Get That New Member Now!

The Promotional Committee of the Eastern Lodges

The Lodges in the Eastern District made a fairly good showing with new members the first six months of the year. The Committee hopes we can see the same results for the rest of the year.

At a recent meeting of the committee, it was decided that there should be an award given at the end of the year, to the Lodges showing the best results during the entire year of 1958. In order to make fair to all, the lodges will be divided into two groups: 1 — Lodges with a membership of fifty or over; 2 — Lodges with a membership up to fifty. Winners to be decided on a percentage basis. The delegates at the Convention in Perth Amboy will decide what the awards will be. All members — regular, social and juvenile, recorded at our Home Office during the period of January 1 to December 31, 1958, will be eligible.

So we are making this appeal to all the deputies appointed last year, and to each and every Lodge, to help push this over the top. You will help your own lodge most by getting new members and it will also give the Committee some money to work with next year.

As you probably have read in the June issue of your Magazine, No. 242 Erie, and No. 334 Geneva, received the awards for the first six months.

If any Lodge should wish to have some of our literature about the Danish Brotherhood, to help them in their promotional work, just drop a line to our Supreme Secretary, Brother Axel Skelbeck.

Hoping that we will be able to beat last year's record, I am

Fraternally yours,

CHRIS MADSEN, Secretary
Promotional Committee, Eastern Lodges.

There are 250,000 people in the United States today, who have active tuberculosis, says the National Tuberculosis Association. Of this number 150,000 are unknown to health authorities and are not receiving medical care.

NEWS FROM THE EASTERN LODGES

By

George V. Petersen, 20 Maywood Drive, W. Warwick, R. I.

The first and most important subject this month here from the East, should naturally be the coming convention of the General Committee to be held in Perth Amboy, N. J., Saturday, Sunday and Monday, August 30, 31 and September 1. At present I have not gotten the complete details of what will be going on, but the convention will be held in Dana Hall, 288 Market St., Perth Amboy. This is the 34th annual convention and will, of course, be sponsored by Perth Amboy Lodge No. 46.

Delegates are asked to register there and the convention will convene at 2 p. m. on Saturday.

Hotel and Motel reservations will be accepted, but I cannot say just where to write, however, your lodge secretary has all the information for this, be sure to see your lodge secretary and he will be glad to give you all the details. We are looking forward to seeing you all there.

From the secretary of the General Committee, Viggo Nielsen, I have received a most interesting letter telling about his little vacation trip with the Mrs. and also his visit to lodges in Jamestown, New York, and Erie, Pa., from there going to Niagara Falls and further to Montreal, Canada, and on his way back through the New England states to visit Hartford.

He has also visited three meetings lately in Perth Amboy and a meeting in New Haven with four other brothers. He tells us about the Jamestown group, both the brothers and sisters meet the same night and the meetings were short there that evening. A very nice party was given for Brother and Mrs. Whitmann who celebrated their golden wedding anniversary on June 20; also for Brother and Mrs. William Myregaard who celebrated their golden wedding anniversary on July 12. Both couples have been members of the two lodges and very active for many years. A son and a daughter of the Whitmanns and two sons and daughters-in-law of Myregaards were present. Both couples received from the lodges a beautiful lace tablecloth. Of course, many good words were heard and a most enjoyable evening together with two such wonderful couples.

From "Vort Land" Lodge No. 205 in Brooklyn we have the pleasure to hear about a very successful party in honor of a very deserving couple. Festivities in the town of Apalachin, upper New York, were great on Sunday, June 29. Brother George Sorensen and Mrs. Sorensen celebrated their 25th wedding anniversary on this date. George Sorensen's sister, Mrs. Oda Andreasen, Widow of Andreas Andreasen, former member of Lodge No. 205, had arranged a surprise dinner for the couple. A delicious cold table and roast turkey and duckling was served and, of course, the hot and cold drinks going with such a party and a beautiful cake fit for the occasion.

All the good neighbors had helped Mrs. Andreasen for several days preparing this affair. About 80 people took part and the mayor of Apalachin gave a wonderful speech for the couple.

A three-piece string orchestra played during the dinner, and dancing on the lawn followed; the lawn lighted with Chinese lanterns was beautiful.

George Sorensen is a well-known brother from No. 205, three times president, and held other offices there. He was connected with the Christensen's Bakery in Brooklyn for many years. Two years ago he went to Apalachin, started farming (dairy). The place is called George Sorensen and Sons (Sunshine Hills Dairy Farm).

Mrs. Andreasen, who prepared the dinner, went on her annual trip to Florida; she intends to stay about three weeks with her son, Egon. He is in the real estate business in Bradenton.

It was nice to hear from No. 205.

Regarding visiting lodges, I would like to tell you a little about a trip we took last week to Portland, Maine, and Barre, Vt. Some time ago I was asked to be Deputy for the Committee for promotional affairs here in the East. I was supposed to visit Hartford, Conn., Portland, Maine, and Barre, Vt. During the winter it is not easy to travel in New England although I have visited both Hartford and Portland; but this was supposed to be official.

It was a pleasure when we arrived in Portland to see that the Vice President of the G. C. Erik Garde also was there and to Barre he also came along. Regarding this promotional business, I am afraid I am not very good as a deputy, but it certainly was a pleasure to attend those meetings and many things were brought forward to discuss. It was indeed fine to hear the motions from the several lodges to come before the convention in Perth Amboy. In both lodges these were discussed both ways and I will say that there really is something to be said. In Portland the sisters meet the same evening and after the meeting the usual delicious sandwiches were served with the regular coffee and cakes. You will certainly note in the several lodges you attend that the gathering now is more of a group in the elderly stage; this of course is what we should try to improve upon; but how are we going to do it in lodges like Portland, Barre or Providence?

In both lodges they promised that they would again try to do something regarding getting the younger generation to attend meetings and further try to get some younger members to join.

I want to thank Brother Erik for coming, he was really a good help to me in this matter. I trust you had a pleasant trip home with your lovely family and that they all enjoyed this trip; but who would not enjoy a trip in this beautiful part of our country?

From the lodges we usually hear from regularly every month, there is nothing this time, I presume they are all on vacation and I trust they all have a good time.

In Providence we canceled the meeting in July, but expect a real well attended meeting in August. Be sure to come and hear the motions for the coming

convention. I would not know what to do unless you come down and discuss these problems.

I believe there is a dinner party being arranged to celebrate our anniversary together with the sisters; this I think will be on August 23. Be sure to keep this date open, but you will hear more about it by mail.

The summer is almost over when you read this, but we will see you all in Perth Amboy over the Labor day week end.

Here is what I forgot, I do not know why.

Brother Viggo reported about his meetings in Erie also, and as you all know, a meeting there is well worth attending. Viggo reports a wonderful meeting, no short cuts, everyone had his chance to say what he wanted and seemed to be interested. Between 40 and 50 attended. Their annual picnic will be held Sunday, August 10, and a large crowd is expected.

The Scandinavian Times

We acknowledge with thanks receipt of the very first issue of The Scandinavian Times, an English language weekly newspaper printed in Copenhagen, Denmark, with N. Fox and D. A. Michelson as co-editors.

The Scandinavian Times is distributed free of charge to people in Denmark, but they seek regular subscribers in this as well as other countries. The subscription price for U. S. A. by surface mail is \$4.85 per year, \$2.60 for a half year. Via air mail it is \$10 per year and \$5.25 for half a year.

The initial issue has blank spaces for contemplated advertisements in future issues and it is assumed that the cost of operation will be covered by future advertisers.

It is said that this is the only English language newspaper in all of Scandinavia. The foreign language newspapers in U. S. A. are falling by the wayside rapidly and will soon be a thing of the past. Seems odd that Denmark would venture into a business of this sort, but we wish for them the best of success.

SVEND PETERSEN, Editor.

Ancient History of D. B.

In the June issue we carried an article under the above caption. The very first word was wrong. The sub-title said: Forward. It should have been Fore Word.—Editor.

First I want to thank our old Brother 49er for reading my History of D. B. with interest. But for goodness sake, won't somebody hunt up a decent history of D. B. somewhere to pacify our dear old 49er.

To Whom It May Concern: I propose that the History of D. B. be used to further our Promotional Program. For instance, it could be published as leaflets and distributed all over the country for propaganda purposes in our promotional campaign.

CALIFORNIA NEWS

By RUDOLPH OLSEN

2530 — 27th Avenue, San Francisco 16, California

Just a last reminder about our convention, which as you know will take place at the Hotel Leamington in Oakland, beginning on August 28 with a reception at the Hotel and ending with a dinner dance Saturday evening, August 30. Our hosts will be the Danish Sisterhood Lodge No. 17 and Danish Brotherhood Lodge No. 39. Brother Norman Dan Anker the Secretary of the Convention Committee has sent circulars to all the lodges so I need not go into details. Just this, be sure to get your reservations to the Hotel Leamington in good time; your secretary has all the information and reservation cards for your convenience. Also, please support the committee by purchasing the tickets sent to your lodges. We also urge you to buy the season tickets upon arrival at the hotel.

So much has been written about the San Francisco Bay area and its beauty that I need not say any more, however, I would like to give you a quotation from a sermon preached recently by the famous evangelist, Billy Graham, and I quote verbatim:

"I have never preached a sermon on Heaven here in San Francisco because I was afraid that people might think I was talking about the Bay Area."

To all of which we piously say — Amen.

So come all you good people of the Danish Sister and Brotherhood, and enjoy a few days with us, you will not only have a delightful time, but it will be for the benefit of yourself, your lodge and in general of our two beloved organizations.

In connection with the above, I have received a fine invitation from Lodge No. 126 to hold our next convention in Los Angeles, but of course, we might have a few more before the convention starts.

I have also received a fine report for the special committee appointed at our last convention to look into new proposals. Some of these proposals are very fine and others will evoke a lot of discussion, so we are assured a lively convention. The committee has done a fine piece of work.

As you probably know, I have during my years as secretary, sent a cable each year to the Rebild Park 4th of July festivities on behalf of our General Committee as gesture of good will from California. I have just received a letter from Mr. Holger Bladt, President of the Rebild National Park Board in Denmark and I think it will interest our members to hear what he writes and I quote his letter in toto:

"Paa Rebildkomiteens Vegne er det mig en kær Pligt at overbringe Det Danske Brodersamfund i California vor hjerteligste Tak for den venlige telegrafiske Hilsen, hvormed de mindes Dagen den 4. Juli.

"Det var en straalende Oplevelse at høre Dr. Lee A. DuBridg fra California institute of Technology, Pasadena, California, og jeg maa indrømme, at Mødet med University of California Marching Band fra Berkeley er noget man sent glemmer. Vejret

var straalende, vi havde Kongebesøg, men vi kunne godt have ønsket lidt flere Mennesker.

"Med de venligste Hilsner til Komiteens Medlemmer,

Deres hengivne,

HOLGER BLADT, Præsident."

As you will notice from above, California was very much in evidence at this glorious occasion. I dare say that at no other spot in the world is America's 4th of July celebrated in such a manner. I sometimes feel we are not giving this enough publicity and perhaps this is due to the innate modesty of the Danes. Few of our fellow citizens here know anything about this celebration. Prior to the war there was a broadcast to America direct from the park in Denmark, but this is done no longer. I do hope the Danish Tourist Bureau will see to it that films will be shown on TV this year. In spite of the fact that the University of California Marching Band played, I failed to see a word about it when they arrived home. It was stated they had been in Tivoli but not a word about playing at Rebild. Maybe we are in need of a good publicity manager — or something.

As mentioned in this column the Danish organizations of the Bay area held a joint picnic on June 29 and I understand over one thousand persons attended. The Committee under the chairmanship of Brother Robert Jensen did such a good job, that undoubtedly the various organizations will do it again next year.

Apparently some of our good secretaries neither read the letters sent to them nor read the requests as made in this column, because some of them have not as yet given me the names of their delegates elected to the convention. And they have entirely forgotten to give me the number of members in their lodges as of July 1st. If you have not done this already, please, PLEASE do so at once. Also be sure to give me the number of members initiated in your lodge between the dates of August 1, 1957 and August 1, 1958, regardless of whether or not you have initiated enough to count for prizes. We need this information for statistical purposes.

A couple of months ago I mentioned in this column my intention of taking a group to Denmark next year, and I want to thank those who have written me indicating they are interested in joining such a tour. If anyone else is interested do drop me a note. It is not going to be a RUSH tour — rather it will be a trip where you can Rest, Relax and Recuperate, something many of us forget to do these days of rushing from hither to yon. We are all on the way to the cemetery — but why rush — take it easy and live longer, and really enjoy the good life given us.

And while our convention in Oakland may not be "Rest and Relaxing" I am sure it will be interesting and fun, so come and join us. Visitors are most welcome — you may even get a chance to talk.

We will be waiting for you in Oakland.
